- 3. Approve the substantial amendment to the 2015-2016 One Year Action Plan of the 2015-2019 Five-Year Consolidated Plan, to add the project listed in the Background Summary of this document, which is fully described in Attachment A attached; and
- 4. Direct the EDA Staff to file a Notice of Exemption within 5 working days.

**BACKGROUND:**

**Summary**

The U.S. Department of Housing and Urban Development (HUD) requires that all substantial amendments to the County's Five-Year Consolidated Plan (Consolidated Plan) and the One-Year Action Plan are subject to the citizen participation process and are approved by the Board of Supervisors and HUD. The Consolidated Plan represents an application to HUD for entitlement funds under three entitlement programs as well as a housing and community development policy and planning document. The three HUD entitlement programs are: Community Development Block Grant (CDBG), HOME Investment Partnerships Act (HOME), and Emergency Solutions Grant (Formerly the Emergency Shelter Grant) (ESG). The One Year Action Plan addresses, and implements the priorities, goals, and objectives of the Consolidated Plan.

In accordance with the County of Riverside Citizen Participation Plan for the 2015-2019 Five Year Consolidated Plan (Citizen Participation Plan), all new activities added to the One-Year Action Plan, as well as any significant increases in funding to an existing project, are considered to be substantial amendments.

Orange Blossom IV Apartments, the proposed new HOME project, has been determined by staff to be an eligible activity that meets a National Objective of the HOME program. A description of the aforementioned proposed amendment to the 2015-2016 One Year Action Plan is set forth in Attachment A attached hereto. Staff recommends approval of the project action listed below as a substantial amendment to the 2015-2016 One Year Action Plan to the 2015-2019 Five Year Consolidated Plan:

|                              |           |                                |
|------------------------------|-----------|--------------------------------|
| Orange Blossom IV Apartments | \$620,000 | Add new HOME Project           |
| Orange Blossom IV Apartments | \$ 62,000 | Add Direct Staffing Cost (10%) |

The environmental effects of activities carried out with HOME grant funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) and the related authorities listed in the United States Department of Housing and Urban Development's implementing regulations at 24 Code of Federal Regulations (CFR) parts 50 and 58. These regulations specify procedures for conducting environmental review, including finding a level of clearance and requesting release of funds. Pursuant to NEPA and the environmental procedures cited in 24 CFR 58, the proposed amendment of the 2015-2016 One Year Action Plan is determined to be categorically excluded and exempt from NEPA per section 58.34(a)(1) and (a)(3), because the actions taken are administrative.

Pursuant to the California Environmental Quality Act (CEQA), the substantial amendment to the 2015-2016 One-Year Action Plan (Substantial Amendment), was reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines Section 15061(b)(3), General Rule or "Common Sense" exemption.

## **BACKGROUND:**

### **Summary** (Continued)

The project, the Substantial Amendment, is an administrative, planning document, that will only have financial effects, and it can be seen with certainty that there is no possibility that the proposed Substantial Amendment may have a significant effect on the environment, and will not lead to any direct or reasonably indirect physical environmental impacts. The individual project identified in the Substantial Amendment will be subject to a separate CEQA environmental review prior to taking any choice limiting action or discretionary action on the specific project. A Notice of Exemption will be filed by County staff with the County Clerk within five days of the approval of the Substantial Amendment.

The Substantial Amendment was also reviewed and determined to be exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to Title 24 Code of Federal Regulations Sections 58.34 (a)(1) and (a)(3) since the proposed Substantial Amendment is an administrative activity. The individual project identified in the Substantial Amendment will be subject to separate NEPA environmental review prior to taking any choice limiting action or discretionary action on those specific projects.

### **Impact on Citizens and Businesses**

The substantial amendment to the One Year Action Plan of the 2015-2019 Five Year Consolidated Plan will have a positive impact on citizens and businesses throughout the County of Riverside. New projects create construction, maintenance and property management jobs as well as provide affordable housing for residents.

## **SUPPLEMENTAL:**

### **Additional Fiscal Information:**

No impact upon the County's General Fund; the substantial amendment to the One Year Action Plan of the 2015-2019 Five Year Consolidated Plan does not constitute a commitment of HOME funds for the development of the proposed new HOME project or a promise to enter into a loan agreement for the use HOME funds. Any resulting loan agreement for the use of up to \$620,000 in HOME funds will be subject to the prior approval of the Board of Supervisors at which time an additional \$62,000 will be allocated to cover direct staffing costs.
