3. Authorize the Chairman of the Board to execute the attached WIOA Subgrant Agreement; and
4. Authorize the Assistant County Executive Officer/EDA or designee, to take all steps necessary to implement the WIOA Subgrant Agreement, including, but not limited to negotiating and signing subsequent essential and relevant documents and agreements during the term of the WIOA Subgrant Agreement, and any subsequent amendments, provided that all documents, agreements and amendments are approved as to form by County Counsel.

BACKGROUND:

Summary

On April 26, 2016, the State of California, Employment Development Department (EDD) released the Program Years 2016/17 Title I Youth Subgrant Agreement (WIOA Subgrant Agreement). The proposed WIOA Subgrant Agreement between EDD and the County of Riverside Economic Development Agency Workforce Development Division (County) provides formula funding for Title I Workforce Innovation Opportunity Act (WIOA) services in the form of a subgrant in the amount of \$6,448,535. The subgrant will be used to provide workforce services to youth. The term of the proposed WIOA Subgrant Agreement commences on April 1, 2016, and ends on June 30, 2018.

Pursuant to the California Environmental Quality Act (CEQA), the proposed WIOA Subgrant Agreement was reviewed and determined not to be a project pursuant to State CEQA Guidelines Section 15060(c)3 and Section 15378(b)(4). Specifically the proposed WIOA Subgrant Agreement, which is a subgrant from EDD to the County to provide workforce services to youth pursuant to WIOA, constitutes a government funding mechanism or government fiscal activity which does not involve any commitment to a specific project which may result in a potentially significant physical impact on the environment. Even if a determination is made that the proposed WIOA Subgrant Agreement is a project subject to CEQA, the proposed WIOA Subgrant Agreement is exempt pursuant to State CEQA Guideline Section 15061(b)(3) "General Rule" or "Common Sense" exemption as it can be seen with certainty that there is no possibility that the proposed WIOA Subgrant Agreement may have a significant effect on the environment since it does not involve any commitment to a specific project and will only have financial effects.

Staff recommends ratification and approval of the attached WIOA Subgrant Agreement.

Impact on Residents and Businesses

The proposed WIOA Subgrant Agreement benefits youth ages 16-24, youth service providers, communities and businesses by providing services to at-risk youth in helping them to achieve goals in education, work-readiness, work experience, internships, apprenticeships, career ladders, and entry to vocational, technical schools and employment.

SUPPLEMENTAL:

Additional Fiscal Information

In Fiscal Year 2016/17, \$6,448,535 will be allocated for the Title I Youth subgrant, it is estimated the entire amount will be expended in Fiscal Year 2016/17 and no amount expended in Fiscal Year 2017/18. No County costs will be incurred and no budget adjustment is required.

8. Funding

It is mutually understood between the parties that this subgrant agreement may have been written before ascertaining the availability of congressional and legislative appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the subgrant agreement was executed after that determination was made.

This subgrant agreement is valid and enforceable only if (1) sufficient funds are made available by the State Budget Act of the appropriate state fiscal years covered by this subgrant agreement for the purposes of this program, and (2) sufficient funds available to the state by the United States Government for the fiscal years covered by this subgrant agreement for the purposes of this program. In addition, this subgrant agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress and Legislature or any statute enacted by the Congress and Legislature which may affect the provisions, terms, or funding of this subgrant agreement in any manner.

- a). At the expiration of the terms of this subgrant agreement or upon termination prior to the expiration of this subgrant agreement, funds not obligated for the purpose of this subgrant agreement will be immediately remitted to the Pass-through Entity, and no longer available to the Subrecipient.
- b). The Pass-through Entity retains the right to suspend financial assistance, in whole or in part, to protect the integrity of the funds or to ensure proper operation of the program, providing the Subrecipient is given prompt notice and the opportunity for an informal review of the Pass-through Entity's decision. The EDD Chief Deputy Director or his designee will perform this informal review and will issue the final administrative decision within 60 days of receiving the written request for review. Failure on the part of the Subrecipient or a Subcontractor of the Subrecipient to comply with the provisions of this subgrant agreement, or with the WIOA or regulations, when such failure involves fraud or misappropriation of funds, may result in immediate withholding of funds.
- c). The local Chief Elected Official (CEO) of a unit of general local government designated as a Local Workforce Development Area (Local Area) shall be liable to the EDD for all funds not expended in accordance with WIOA, and shall return to the EDD all of those funds. If there is more than one unit of general local government in a Local Area, the CEO(s) will be the individual(s)

designated under an agreement executed by the CEO(s) of the local units of government. The CEO(s) designated under the agreement shall be liable to the EDD for all funds not expended in accordance with the WIOA, and shall return to the EDD all of those funds.

9. Accounting and Cash Management

- a). Subrecipient will comply with controls, record keeping and fund accounting procedure requirements of WIOA, federal and state regulations, and directives to ensure the proper disbursement of, and accounting for, program funds paid to the Subrecipient and disbursed by the Subrecipient, under this subgrant agreement.
- b). Subrecipient will submit requests for cash to coincide with immediate cash needs and assure that no excess cash is on deposit in their accounts or the accounts of any sub-contracting service provider in accordance with procedures established by the Pass-through Entity. Failure to adhere to these provisions may result in suspending cash draw down privileges and providing funds through a reimbursement process.
- c). The Pass-through Entity retains the authority to adjust specific amounts of cash requested if the Pass-through Entity's records and subsequent verification with the Subrecipient indicate that the Subrecipient has an excessive amount of cash in its account.
- d). Income (including interest income) generated as a result of the receipt of WIOA activities, will be utilized in accordance with policy and procedures established by the Pass-through Entity. Subrecipient will account for any such generated income separately.
- e). Subrecipient shall not be required to maintain a separate bank account but shall separately account for WIOA funds on deposit. All funding under this subgrant agreement, will be made by check or wire transfer payable to the Subrecipient for deposit in Subrecipient's bank account or city and county governmental bank accounts. To provide for the necessary and proper internal controls, funds should be withdrawn and disbursed by no less than two representatives of the Subrecipient. The Pass-through Entity will have a lien upon any balance of WIOA funds in these accounts, which will take priority over all other liens or claims.

10. Amendments

This subgrant agreement may be unilaterally modified by the Pass-through Entity under the following circumstances:

- a). There is an increase or decrease in federal or state funding levels.
- b). A modification to the Subgrant is required in order to implement an adjustment to a Subrecipient's plan.
- c). Funds awarded to the Subrecipient have not been expended in accordance with the schedule included in the approved Subrecipient's plan. After consultation with the Subrecipient, the Pass-through Entity has determined that funds will not be spent in a timely manner, and such funds are for that reason to the extent permitted by and in a manner consistent with state and federal law, regulations and policies, reverting to the Pass-through Entity.
- d). There is a change in state and federal law or regulation requiring a change in the provisions of this subgrant agreement.
- e). An amendment is required to change the Subrecipient's name as listed on this subgrant agreement. Upon receipt of legal documentation of the name change the state will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

Except as provided above, this subgrant agreement may be amended only in writing by

the mutual agreement of both parties.

11. Reporting

Subrecipient will compile and submit reports of activities, expenditures, status of cash, and closeout information by the specified dates as prescribed by the Pass-through Entity. All expenditure reports must be submitted upon the accrual basis of accounting. Failure to adhere to the reporting requirements of this agreement will result in funds not being released.

12. Termination

This subgrant agreement may be terminated in whole or in part for either of the two following circumstances:

- a). Termination for Convenience - Either the Pass-through Entity or the Subrecipient may request a termination, in whole or in part, for convenience. The Subrecipient will give a ninety (90) calendar-day advance notice in writing to the Pass-through Entity. The Pass-through Entity will give a ninety (90) calendar-day advance notice in writing to the Subrecipient.
- b). Termination for Cause - The Pass-through Entity may terminate this subgrant agreement in whole or in part when it has determined that the Subrecipient has substantially violated a specific provision of the WIOA regulations, the Uniform Guidance 2 CFR Part 200, or implementing state legislation, and corrective action has not been taken.
 - (1). All notices of termination must be in writing and be delivered personally or by deposit in the U.S. Mail, postage prepaid, "Certified Mail-Return Receipt Requested", and will be deemed to have been given at the time of personal delivery or of the date of postmark by the U.S. Postal Service.

- b). Subrecipient will retain all records pertinent to this subgrant agreement for a period of three years from the date of final payment of this subgrant agreement. If, at the end of three years, there is litigation or an audit involving those records, the Subrecipient will retain the records until the resolution of such litigation or audit. See 2 CFR Section 200.333-337.
- c). The Pass-through Entity and/or the DOL, or their designee (refer 2 CFR Section 200.500-521) will have access to and right to examine, monitor and audit all records, documents, conditions and activities related to programs funded by this subgrant agreement.

For purposes of this section, "access to" means that the Subrecipient shall at all times maintain within the State of California a complete set of records and documents related to programs funded by this agreement. The Subrecipient shall comply with this requirement regardless of whether it ceases to operate or maintain a presence within the State of California before the expiration of the subgrant. Subrecipient's performance under the terms and conditions herein specified will be subject to an evaluation by the Pass-through Entity of the adequacy of the services performed, timeliness of response and a general impression of the competency of the firm and its staff.

14. Audits

- a). The Subrecipient will maintain and make available to auditors, at all levels, accounting and program records including supporting source documentation and cooperate with all auditors. All governmental and non-profit organizations must follow the audit requirements (single audit or program-specific audit requirement) of Uniform Guidance 2 CFR Part 200 and DOL Exceptions 2 CFR Part 2900.
- b). The Subrecipient and/or auditors performing monitoring or audits of the Subrecipient or its sub-contracting service providers will immediately report to the Pass-through Entity any incidents of fraud, abuse or other criminal activity in relation to this subgrant agreement, the WIOA, or its regulations.

Such repayment will be from funds (Non-Federal), other than those received under the WIOA.

16. Conflicts

- a). Subrecipient will cooperate in the resolution of any conflict with the DOL that may occur from the activities funded under this agreement.
- b). In the event of a dispute between the Pass-through Entity and the Subrecipient over any part of this subgrant agreement, the dispute may be submitted to non-binding arbitration upon the consent of both the Pass-through Entity and the Subrecipient. An election for arbitration pursuant to this provision will not preclude either party from pursuing any remedy for relief otherwise available.

17. Grievances and Complaint System

Subrecipient will establish and maintain a grievance and complaint procedure in compliance with the WIOA, the Uniform Guidance 2 CFR Part 200, DOL Exceptions 2 CFR Part 2900, federal regulations and state statutes, regulations and policy.

18. Property

All property, whether finished or unfinished documents, data, studies and reports prepared or purchased by the Subrecipient under this subgrant agreement, will be disposed of in accordance with the direction of the Pass-through Entity. In addition, any tools and/or equipment furnished to the Subrecipient by the Pass-through Entity and/or purchased by the Subrecipient with funds pursuant to this subgrant agreement will be limited to use within the activities outlined in this subgrant agreement and will remain the property of the United States Government and/or the Pass-through Entity. Upon termination of this subgrant agreement, Subrecipient will immediately return such tools and/or equipment to the Pass-through Entity or dispose of them in accordance with the direction of the Pass-through Entity.

However, pursuant to 29 CFR Section 97.34 the federal government shall have a royalty-free, non-exclusive, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

b). Ownership

- (1). Except where Pass-through Entity has agreed in a signed writing to accept a license, Pass-through Entity shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all intellectual property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement.
- (2). For the purposes of this subgrant agreement Intellectual Property means recognized protectable rights and interest such as: patents (whether or not issued), copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will, any data or information maintained, collected or stored in the ordinary course of business by Pass-through Entity, and all other legal rights protecting intangible proprietary information as may exist now and/or hereafter come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. "Works" does not include articles submitted to peer review or reference journals or independent research projects.
- (3). In the performance of this subgrant agreement, Subrecipient may exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this subgrant agreement. In addition, under this subgrant agreement, Subrecipient may access and utilize certain of Pass-through Entity's intellectual property in existence prior to the effective date of this subgrant agreement. Except as otherwise set forth herein, Subrecipient shall not use any of Pass-through Entity's Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of Pass-through Entity. Except as otherwise set forth herein, neither the Subrecipient nor Pass-through Entity shall give any ownership interest in or rights to its Intellectual Property to the other Party. If, during the term of this subgrant agreement, Subrecipient accesses any third-party Intellectual Property that is licensed to Pass-through Entity, Subrecipient agrees to abide by all license and confidentiality restrictions applicable to Pass-through Entity in the third-party's license agreement.
- (4). Subrecipient agrees to cooperate with Pass-through Entity in establishing or maintaining Pass-through Entity's exclusive rights in the Intellectual Property, and in assuring Pass-through Entity's sole rights against third parties with respect to the Intellectual Property. If the Subrecipient enters into any agreements or subcontracts with other parties in order to perform this subgrant agreement, Subrecipient shall require the terms of the agreement(s) to include all Intellectual Property provisions of paragraph 19(a) through 19(i). Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to Pass-through Entity all rights, title and interest in Intellectual Property made,

conceived, derived from, or reduced to practice by the subcontractor, Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement or any subcontract.

- (5). Pursuant to paragraph 19(b)(4), the requirement for the Subrecipient to include all Intellectual Property Provisions of paragraph 19(a) through 19(i) in all agreements and subcontracts it enters into with other parties does not apply to subgrant agreements or subcontracts that are for customized and on-the-job training as authorized under 20 CFR 663.700-730.
- (6). Subrecipient further agrees to assist and cooperate with Pass-through Entity in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce Pass-through Entity's Intellectual Property rights and interests.

c). Retained Rights / License Rights

- (1). Except for Intellectual Property made, conceived, derived from, or reduced to practice by Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement, Subrecipient shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this subgrant agreement. Subrecipient hereby grants to Pass-through Entity, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose of Subrecipient's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this subgrant, unless Subrecipient assigns all rights, title and interest in the Intellectual Property as set forth herein.
- (2). Nothing in this provision shall restrict, limit, or otherwise prevent Subrecipient from using any ideas, concepts, know-how, methodology or techniques related to its performance under this subgrant agreement, provided that Subrecipient's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of Pass-through Entity or third party, or result in a breach or default of any provisions of paragraph 19(a) through 19(i) or result in a breach of any provisions of law relating to confidentiality.

d). Copyright

- (1) Subrecipient agrees that for purposes of copyright law, all works (as defined in Ownership, paragraph nineteen (b)(2)(a) of authorship made by or on behalf of Subrecipient in connection with Subrecipient's performance of this subgrant agreement shall be deemed "works made for hire." Subrecipient further agrees that the work of each person utilized by Subrecipient in connection with the performance of this subgrant agreement will be a "work made for hire," whether that person is an employee of Subrecipient or that person has entered into an agreement with Subrecipient to perform the work. Subrecipient shall enter into a written agreement with any such person that: (i) all work performed for Subrecipient shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to Pass-through Entity to any work product made, conceived, derived from or reduced to practice by Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement. Refer to 2 CFR Section 200.35
- (2) All materials, including, but not limited to, computer software, visual works or text, reproduced or distributed pursuant to this subgrant agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement may not be reproduced or disseminated without prior written permission from Pass-through Entity.

e). Patent Rights

With respect to inventions made by Subrecipient in the performance of this subgrant agreement, which did not result from research and development specifically included in the Subgrant's scope of work, Subrecipient hereby grants to Pass-through Entity a license as described under paragraph 19(c) for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the subgrant agreement's scope of work, then Subrecipient agrees to assign to Pass-through Entity, without addition compensation, all its right, title and interest in and to such inventions and to assist Pass-through Entity in securing United States and foreign patents with respect thereto.

f). Third-Party Intellectual Property

Except as provided herein, Subrecipient agrees that its performance of this subgrant agreement shall not be dependent upon or include any Intellectual Property of Subrecipient or third party without first: (i) obtaining Pass-through Entity's prior written approval; and (ii) granting to or obtaining for Pass-through Entity's, without additional compensation, a license, as described in paragraph 19(c), for any of Subrecipient's or third-party's Intellectual Property in existence prior to the effective date of this subgrant agreement. If such a license upon these terms is unattainable, and Pass-through Entity determines that the Intellectual Property should be included in or is required for Subrecipient performance of this subgrant agreement, Subrecipient shall obtain a license under terms acceptable to Pass-through Entity.

g). Warranties

(1). Subrecipient represents and warrants that:

- (a). It has secured and will secure all rights and licenses necessary for its performance of this subgrant agreement.
- (b). Neither Subrecipient's performance of this subgrant agreement, nor the exercise by either Party of the rights granted in this subgrant agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third party based on an alleged violation of any such right by Subrecipient.
- (c). Neither Subrecipients performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (d). It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors.
- (e). Of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites locations, property or props that may be used or shown.

- (g). It has appropriate systems and controls in place to ensure that state

and federal funds will not be used in the performance of this subgrant agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

(h). It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Subrecipients performance of this subgrant agreement.

(2). PASS-THROUGH ENTITY MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS SUBGRANT AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE NOW EXISTING OR SUBSEQUENTLY ISSUED.

h). Intellectual Property Indemnity

(1). Subrecipient shall indemnify, defend and hold harmless Pass-through Entity and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Subrecipient is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Subrecipient pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of Pass-through Entity's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subrecipient or Pass-through Entity and which result directly or indirectly from this subgrant agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this subgrant agreement. Pass-through Entity reserves the right to participate in and/or control, at Subrecipient's expense, any such infringement action brought against Pass-through Entity.

(2). Should any Intellectual Property licensed by the Subrecipient to Pass-through Entity under this subgrant agreement become the subject of an Intellectual Property infringement claim, Subrecipient will exercise its authority reasonably and in good faith to preserve Pass-through Entity's right to use the licensed Intellectual Property in accordance with this subgrant agreement at no expense to Pass-through Entity. Pass-through Entity shall have the right to monitor and appear through its own counsel (at Subrecipient's expense) in any such claim or action. In the defense or settlement of the claim, Subrecipient may obtain the right for Pass-through Entity to continue using the licensed Intellectual Property or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, Pass-through Entity may be entitled to a refund of all monies paid under this subgrant agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

(3). Subrecipient agrees that damages alone would be inadequate to compensate Pass-through Entity for breach of any term of these Intellectual Property provisions of paragraph 19(a) through 19(i) by Subrecipient. Subrecipient acknowledges Pass-through Entity would suffer irreparable harm in the event of such breach and agrees Pass-through Entity shall be entitled to obtain

equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

i). Survival

The provisions set forth herein shall survive any termination or expiration of this subgrant agreement or any project schedule.

20. Confidentiality Requirements

The State of California and the Subrecipient will exchange various kinds of information pursuant to this subgrant agreement. That information will include data, applications, program files, and databases. These data and information are confidential when they define an individual or an employing unit or when the disclosure is restricted or prohibited by any provision of law. - b). Each party shall provide security sufficient to ensure protection of confidential information from improper use and disclosures, including sufficient administrative, physical, and technical safeguards to protect this information from reasonable unanticipated threats to the security or confidentiality of the information.
- c). The Subrecipient agrees that information obtained under this subgrant agreement will not be reproduced, published, sold or released in original or in any other form for any purpose other than those specifically identified in this agreement.
 - (1) Aggregate Summaries: All reports and/or publications developed by the Subrecipient based on data obtained under this agreement shall contain confidential data in aggregated or statistical summary form only. "Aggregated" refers to a data output that does not allow identification of an individual or employer unit.
 - (2) Publication: Prior to publication, Subrecipient shall carefully analyze aggregated data outputs to ensure the identity of individuals and/or employer units cannot be inferred pursuant to California Unemployment Insurance Code Section 1094(c). Personal identifiers must be removed. Geographic identifiers should be specified only in large areas and as needed, and variables should be recorded in order to protect confidentiality.
 - (3) Minimum Data Cell Size: The minimum data cell size or derivation thereof shall be three participants for any data table released to outside parties or to the public.
- d). Each party agrees that no disaggregate data, identifying individuals or employers, shall be released to outside parties or the public.
- e). The Subrecipient shall notify Pass-through Entity's Information Security Office of any actual or attempted information security incidents, within 24

hours of initial detection, by telephone at (916) 654-6231. Information security incidents include, but are not limited to, any event (intentional or unintentional), that causes the loss, damage, or destruction, or unauthorized access, use, modification, or disclosure of information assets.

The Subrecipient shall cooperate with the Pass-through Entity in any investigation of security incidents. The system or device affected by an information security incident and containing confidential data obtained in the administration of this program shall be immediately removed from operation upon confidential data exposure or a known security breach. It shall remain removed from operation until correction and mitigation measures are applied.

If the Subrecipient learns of a breach in the security of the system which contains confidential data obtained under this Subgrant, then the Subrecipient must provide notification to individuals pursuant to California Civil Code Section 1798.82.

- f). The Subrecipient shall provide for the management and control of physical access to information assets (including personal computer systems, computer terminals, mobile computing devices, and various electronic storage media) used in performance of this Subgrant. This shall include, but is not limited to, security measures to physically protect data, systems, and workstations from unauthorized access and malicious activity; the prevention, detection, and suppression of fires; and the prevention, detection, and minimization of water damage.
- g). At no time will confidential data obtained pursuant to this agreement be placed on a mobile computing device, or on any form of removable electronic storage media of any kind unless the data are fully encrypted.
- h). Each party shall provide its employees with access to confidential information with written instructions fully disclosing and explaining the penalties for unauthorized use or disclosure of confidential information found in Section 1798.55 of the California Civil Code, Section 502 of the California Penal Code, Section 2111 of the California Unemployment Insurance Code, Section 10850 of the California Welfare and Institutions Code and other applicable local, state and federal laws.
- i). Each party shall (where it is appropriate) store and process information in electronic format, in such a way that unauthorized persons cannot reasonably retrieve the information by means of a computer.
- j). Each party shall promptly return to the other party confidential information when its use ends, or destroy the confidential information utilizing an approved method of destroying confidential information: shredding, burning, or certified or witnessed destruction. Magnetic media are to be degaussed or returned to the other party.
- k). If the Pass-through Entity or Subrecipient enters into an agreement with a third party to provide WIOA services, the Pass-through Entity or Subrecipient agrees to include these data and security and confidentiality requirements in the agreement with that third party. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers, or employees.
- l). The Subrecipient may, in its operation of the America's Job Center of California (AJCC), permit an AJCC Operator to enter into a subcontract to manage confidential information. This subcontract may allow an individual to register for resume-distribution services at the same time the individual enrolls in CalJOBS(SM). Subrecipient shall ensure that all such subcontracts comply with the intellectual property requirements of paragraph 19 of this subgrant agreement, the confidentiality requirements of paragraph 20 of this

subgrant agreement and any other terms of this subgrant agreement that may be applicable. In addition, the following requirements must be included in the subcontracts:

- (1). All client information submitted over the internet to the subcontractor's databases must be protected, at a minimum, by 128-bit Secure Socket Layer (SSL) encryption. Clients' social security numbers must be stored in a separate database within the subcontractor's network of servers, and protected by a firewall and a secondary database server firewall or AES1 data encryption. If a subcontractor receives client social security numbers or other confidential information in the course of business, for example a resume-distribution service that provides enrollment in CalJOBS(SM), social security numbers must be destroyed within two days after the client registers for CalJOBS(SM). If a subcontractor obtains confidential information as an agent of the Subrecipient, the subcontract must specifically state the purpose for the data collection and the term of records retention must be stated, and directly related, to the purpose and use of the information. Social security numbers and other client specific information shall not be retained for more than three years after a client completes services. The Subrecipient should extend this period, only if any litigation, claim, negotiation, audit, or other action involving the records has been started before the end of the three-year retention period. In this case the records should be maintained until completion of the action and resolution of all issues arising from it, or until the close of the three-year retention period, whichever is later. See 2 CFR 200.333.
 - (2). Client information (personal information that identifies a client such as name and social security number) and/or demographic information of a client (such as wage history, address, and previous employment) shall not be used as a basis for commercial solicitation during the time the client or agency is using the subcontractor's services. Client information and/or demographic information shall not be used for any purposes other than those specific program purposes set forth in the subcontract.
 - (3). An AJCC client must still be given the option to use the AJCC's services, including CalJOBS(SM), even if he or she chooses not to use any services of the subcontractor. This option shall be prominently, clearly and immediately communicated to the client upon registration within the AJCC or for CalJOBS(SM), the subcontractor's resume-distribution services, or any other services subcontractor offers to the client or the AJCC Operator.
 - (4). The subcontractor must clearly disclose all of its potential and intended uses of the client's personal and/or demographic information for the services the client seeks and for any other services the subcontractor offers. The subcontractor shall not use a client's personal and/or demographic information without the client's prior permission. A link to the subcontractor's Privacy Policy shall appear prominently on the registration screens that list the potential and intended uses of the client's personal and/or demographic information.
 - (5). When the Pass-through Entity modifies State automated systems such as the State CalJOBS(SM) System, it shall provide reasonable notice of such changes to the Subrecipient. The Subrecipient shall be responsible to communicate such changes to the AJCC Operator(s) in the local area.
- m). Each party shall designate an employee who shall be responsible for overall security and confidentiality of its data and information systems and each party shall notify the other of any changes in that designation. As of this date, the following are those individuals:
