## **RECOMMENDED MOTION:** (Continued)

3. Approve and authorize the Economic Development Agency (EDA) to issue the attached Pre-Qualification Package to select contractors with operating room construction experience for the purpose of establishing a list of Pre-Qualified Contractors to formally bid the Cardiac Cath Lab Project;
4. Approve the recommended method of selecting the top ranked contractor applications by demonstrated operating room project experience and scores achieved on the financial and public contracting experience questionnaire in accordance with the Request for Qualification and Questionnaire package;
5. Delegate project management authority for the project to the Assistant County Executive Officer/EDA in accordance with applicable Board policies, including the authority to utilize consultants on the approved pre-qualified list for services in connection with the project, and are within the approved project budget; and
6. Authorize the Purchasing Department to execute the consultant services agreements in accordance with applicable Board policies.

## **BACKGROUND:**

### **Summary**

RUHS submitted a request to EDA to initiate a feasibility study for the development of a Cardiac Cath Lab within the existing RUHS hospital. The feasibility study produced four viable locations within the existing hospital, and upon review of the options; RUHS staff selected a location on the second floor of the hospital.

On August 18, 2015, the Board of Supervisors (Board) approved a pre-qualified list of architectural and engineering firms to be retained on an as-needed basis. EDA selected Ewing Cole from the pre-qualified list to design the laboratory.

The new laboratory will comply with the published guidelines from the American College of Cardiology and California state regulations and provide new bi-plane cardiac catheterization equipment. It will also allow RUHS to expand services and establish key service lines to include Cardiac Catheterization, Vascular Interventional, Radiology Interventional, and Neuro Interventional services to adult patients.

The existing RUHS angiography equipment is at end-of-life; the equipment is no longer supported and parts are no longer manufactured for diagnostic functioning. As a result, RUHS experienced 1,046 hours of unplanned down time of equipment during Fiscal Year 2014; equivalent to 350 Interventional Radiology procedures and a significant loss of revenue. Additionally, the existing angiography equipment is single plane and does not have the capability required to perform cardiac catheterizations or Neurologic interventional procedures.

EDA will return to the Board under separate cover to request approval of the plans and specifications, authorization to solicit bids, and approval of project related agreements for the project.

**Impact on Citizens and Businesses**

The new Cardiac Catheterization Bi-Plane Lab will allow RUHS to provide cardiac catheterization services, expand adult interventional services at the hospital, and continue its mission as a world-class organization. By replacing present end-of-life equipment with upgraded angiography and cardiac catheterization equipment, Riverside County residents will be provided with improved neuro and cardiac care at the hospital.

**1.6.7 No County Responsibility.** Neither County's approval of the Architect's retaining a Subconsultant nor County's review or approval of a Subconsultant's contractual terms of retention, even if those terms conflict with this Agreement, shall give rise to any liability or responsibility on the part of County for the acts or omissions of the Subconsultant, waive any of County's rights, or relieve Architect of any of its obligations, under this Agreement. Architect shall remain solely responsible to County, notwithstanding County's approval of any Subconsultant or its contractual terms of retention, for the quality and performance of such Subconsultant's services, and for the content, enforceability, and enforcement of all contractual terms relating to such Subconsultant's performance of services for the Project.

Subject to the provisions of Paragraph 1.8.4, below, Architect shall not be relieved from its obligation under this Paragraph 1.8.1 by the errors or oversights by Governmental Authorities in their issuance of general approvals or permitting of Design Documents for the Project.

- .2** a change to the Final Program approved by County that is requested in writing by County and that materially increases the Construction Costs for the Project;
- .3** a change to the Design Documents that is ordered or approved in writing by County after the start of construction and that is not the result of information in the Design Documents that constitutes an error, omission, deficiency, conflict or violation of Applicable Laws or that is the result of the negligence, willful misconduct or violation of an Applicable Law by Architect or a Subconsultant or a breach of this Agreement by Architect; or
- .4** demonstrated and quantifiable escalations in costs of construction materials and/or labor as reported by the Engineering News Record or other recognized industry publication on construction prices, for construction costs in the classification area that includes the County of Riverside, or if more than one classification area includes the County of Riverside that classification area that is most precisely reflective of the prices in the County of Riverside; subject to the further conditions that an adjustment to the Fixed Limit pursuant to this Subparagraph 2.3.4.4 for escalation shall only be permitted: (1) if bids for construction have not been opened by County within three (3) months after approval by County of the Final Construction Documents and (2) such escalation adjustment shall be limited to the

approval by County, Architect shall proceed to revise the Design Documents to conform to such approved deviations. Deviations from the Final Program are the sole responsibility of the Architect and any services required by Architect or its Subconsultants to modify the Design Documents as a result thereof shall be performed at the Architect's Own Expense, unless the Architect has specifically informed the County in writing of such deviation and the County has given specific written approval thereof in accordance with this Paragraph 2.2.4.

**2.2.5 Integrated Design.** The requirements of the Final Program shall be deemed to include the requirement that Architect and its Subconsultants adopt an integrated approach to the design of the Project that makes optimal use of opportunities for the synergies of different design elements into an integrated whole that is energy efficient and economical to construct, maintain and operate.

## **2.3 FIXED LIMIT**

**2.3.1 Fixed Limit Amount.** The Fixed Limit for the Project is **Two Hundred Seventy Six Thousand Two Hundred Dollars (\$276,200)**. The Fixed Limit shall not be reduced except upon mutual agreement of County and Architect. The County shall have the right, exercised in its sole and absolute discretion, to increase the Fixed Limit at any time or for any reason.

**2.3.2 Architect's Obligation.** It is the obligation of the Architect and its Subconsultants to design the Project for a total sum of Construction Costs that does not exceed the Fixed Limit by more than ten percent (10%) of the Fixed Limit as adjusted in accordance with Paragraph 2.3.4, below.

**2.3.3 Review of Estimates.** Architect shall carefully review any Estimates of Construction Costs provided to it by County or a County Consultant and exercising the standard of care set forth in Section 1.3, above, advise County if any portions thereof that are excessive, inadequate or otherwise irregular. Architect shall provide such information as County or County Consultants may reasonably require in order to assist them in preparing or revising such Estimates of Construction Costs.

**2.3.4 Fixed Limit Adjustments.** The Architect is not responsible for, and the Fixed Limit shall be increased on account of, any of the following:

- .1 an adjustment to the Fixed Limit provided for by Paragraph 2.3.8, below, due to County's rejection of a non-programmatic design revision recommended by Architect;
- .2 a change to the Final Program approved by County that is requested in writing by County and that materially increases the Construction Costs for the Project;
- .3 a change to the Design Documents that is ordered or approved in writing by County after the start of construction and that is not the result of information in the Design Documents that constitutes an error, omission, deficiency, conflict or violation of Applicable Laws or that is the result of the negligence, willful misconduct or violation of an Applicable Law by Architect or a Subconsultant or a breach of this Agreement by Architect; or
- .4 demonstrated and quantifiable escalations in costs of construction materials and/or labor as reported by the Engineering News Record or other recognized industry publication on construction prices, for construction costs in the classification area that includes the County of Riverside, or if more than one classification area includes the County of Riverside that classification area that is most precisely reflective of the prices in the County of Riverside; subject to the further conditions that an adjustment to the Fixed Limit pursuant to this Subparagraph 2.3.4.4 for escalation shall only be permitted: (1) if bids for construction have not been opened by County within three (3) months after approval by County of the Final Construction Documents and (2) such escalation adjustment shall be limited to the

escalation that occurs during the period of time starting with the expiration of such 3-month period and ending when bids for the Project are actually opened by the County.

**2.3.8 Non-Programmatic Revisions.** The Fixed Limit shall be adjusted in accordance with Paragraph 2.3.4, above, if and to the extent that the total of the Construction Costs for the Project exceeds such Fixed Limit by more than ten percent (10%) of such Fixed Limit due to the County's refusal or failure to accept a redesign recommendation that is consistent with the Final Program and that is submitted by Architect in accordance with the requirements of Paragraph 2.3.6, above. The amount of such adjustment to the Fixed Limit shall be based on the reasonable, estimated reduction in Construction Costs that would have been achieved if the County had accepted the Architect's recommendation.

**2.3.9 Basic Services.** All services required to be performed by Architect or its Subconsultants in compliance with the Architect's obligations under this Section 2.3 shall be furnished as part of Basic Services.

**2.3.10 Continuous Performance.** In the event of a dispute over the amount of total Construction Costs estimated or incurred to construct the Project as designed by Architect and its Subconsultants, Architect shall, without interruption or delay to its Basic Services and without waiving Architect's right to an appropriate adjustment to the Fixed Limit, perform as directed by County.

**2.3.11 No Limitation.** Nothing stated herein shall be interpreted as a limitation on any of County's rights or remedies that may exist under Applicable Laws, including, without limitation, the right to terminate this Agreement for default (with or without extending to Architect the opportunity to redesign) in the event of a failure by Architect to perform any of its obligations under this Section 2.3.

County's review is not for the purpose of discovering errors, omissions, conflicts, lack of coordination, ambiguities or violations of Applicable Laws in the Design Documents. Architect shall, notwithstanding any review or approval of Design Documents by the County, remain solely responsible for the content, completeness, accuracy and sufficiency of all Design Documents prepared by Architect or its Subconsultants and, except for deviations approved by County in accordance with Paragraph 2.2.4, above, for their compliance with the Final Program and Fixed Limit.

**2.4.3 Governmental Authorities.** Unless otherwise directed in writing by County, submission of Design Documents to Governmental Authorities for their review or approval shall be sufficiently complete at the time of submission so as to require either no, or only minimal and minor, corrections and supplementation.

**2.4.4 Corrections.** Services and related costs required to make corrections that are the result of information in the Design Documents constituting errors, omissions, conflicts, lack of coordination or violations of Applicable Laws shall under no circumstances constitute grounds for Additional Services Compensation. Moreover, if the Basic Services Compensation is based upon hourly rates and if such corrections are, in the reasonable opinion of County, excessive then any services and associated costs and expenses to make those corrections that are so judged by County to be excessive shall be performed and incurred at the Architect's Own Expense. All corrections shall be incorporated into the next Design Documents submission and highlighted by notation or clouding or if not incorporated then such submission shall be accompanied by a written statement to County, not in the form of notes or clouding on the Design Documents, explaining why such corrections were not incorporated.

**2.4.5 Restrictive Specifications.** Architect shall not, without the prior written approval of County, include or permit there to be included a Restrictive Specification in the Design Documents. For purposes of this Paragraph 2.4.5, a Restrictive Specification is any portion of the Design Documents that: (1) expressly or impliedly calls for the supply, furnishing or installation of any material, product, equipment, or other thing by a single producer of a particular brand, trade name, or manufacturer to the exclusion of other producers; (2) does not expressly permit the submission for consideration and possible approval by County in accordance with the requirements of California Public Contract Code §3400 of other "or equal" materials, products, equipment or things produced under or by another brand, trade name or manufacturer; or (3) fails to list a brand, trade name or manufacturer that is known to Architect or its Subconsultants to be a brand, trade name or manufacturer that produces a material, product, equipment, or other thing in California that is equal to the material, product, equipment or other thing specified in the Design Documents.

**2.4.6 Legal Review.** Architect understands and acknowledges that County has developed standard forms of legal terms and conditions governing bidding and performance of the Work. Unless approved in writing by County, Architect shall not include provisions in its Final Construction Documents

that modify or conflict with the terms of the County's standard forms. In order to assist Architect in this regard, Architect shall, if it wishes County to review its Design Documents for such possible modifications or conflicts, submit drafts to the County requesting the County's legal review. Such submission shall afford the County at least thirty (30) Days to perform such review without causing Delay to the Project. All communications between Architect and County's legal advisors with respect to the matters addressed by this Paragraph 2.4.6 constitute confidential attorney-client communications, protected attorney work product and contain other confidential information that is not to be disclosed to third parties. Architect shall maintain such confidentiality, privileges and protections against any intentional or inadvertent disclosure or other action within the control of Architect or its Subconsultants that might cause such privileges or protections to be lost or diminished.

## **2.5 CONSTRUCTION DOCUMENTS**

Without limitation to the other provisions of this Agreement requiring the production, preparation or delivery of documents or things by Architect, the Construction Documents delivered to County shall include those Design Documents described in Construction Document Deliverables – Exhibit "O" attached hereto in a condition that is appropriate to each of the descriptions of the Phases of Basic Services set forth in the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto.

## **2.6 DESIGN COORDINATION STANDARDS**

All Drawings and Specifications submitted by Architect to County for its review shall conform to the Design Coordination Standards. Notwithstanding the division or delegation by Architect of responsibility for preparation of some portions of the Design Documents to separate Subconsultants, Architect shall remain responsible for the complete coordination, in every respect and without limitation, of the information contained in the Design Documents, whether prepared by Architect or its Subconsultants.

## **2.7 COMMUNICATIONS**

Architect shall comply with all written procedures issued by County for the conduct of communications relating to the Project or among the Project Team members. Unless the Architect has breached this Agreement or Architect or a Subconsultant has violated an Applicable Law, acted with willful misconduct or violated the standard of care set forth in Section 1.3, and then only to the extent of such breach, willful act or violation, Architect shall have no responsibility or liability with regard to, and Contractor and the Separate Contractors shall be solely responsible for, all selections (other than those selections expressly dictated by Architect or the Subconsultants in the Design Documents) of, and all supervision, implementation and enforcement relating to, construction means, methods, sequence, techniques, procedures or related matters involving health and safety of persons or protection of property at the Site during construction.

## **2.9 REJECTION OF WORK**

**2.9.1 Recommendations by Architect.** Architect shall recommend in writing to County the rejection of Work that Architect determines or believes does not conform to the Contract Documents, including, without limitation, Work that has not been inspected or tested in accordance with the requirements of the Contract Documents.

**2.9.2 County Approval.** The decision whether to reject any portion of the Work recommended for rejection by Architect shall be made only after consultation with and upon written approval by County.

**2.9.3 No Duty of County.** Neither County's authority under this Section 2.9 nor a decision made in good faith by County in accordance with the provisions of this Section 2.9 either to reject or not reject Work shall give rise to a duty or liability of County to Architect, Contractor, or any other person or entity to reject Work, whether or not such rejection is recommended by Architect.

**2.9.4 Contractor Responsibility.** No determination by Architect, that is exercised in good faith and in accordance with the standard of care set forth in Section 1.3, above, to recommend or not recommend rejection of Work shall give rise to any liability on the part of Architect for Defective Work provided by Contractor or a Separate Contractor. No recommendation by Architect to reject or not reject Work shall be interpreted as relieving Contractor or any Separate Contractor of its responsibility for failing to comply with the Contract Documents.

**2.9.5 No Authority to Stop Work.** Architect shall immediately recommend to County the stopping of the Work if circumstances come to Architect's attention that reasonably require the stopping of the Work in order prevent Loss to County or injury or damage to persons or property. Nothing stated herein or elsewhere in this Agreement or its exhibits shall be interpreted as giving Architect or the Subconsultants the right or authority, under any circumstances, to direct any Contractor or Separate Contractor to stop performance of the Work.

## **2.10 PERMITS, APPROVALS**

**2.10.1 Submission to Governmental Authorities.** Architect shall promptly submit all necessary applications and other documents required by Applicable Laws for obtaining building permit(s) and approvals of Governmental Authorities for the construction of the Project that are not customarily submitted and secured by the Contractor or Separate Contractors.

**2.10.2 Off-Site Improvements.** Architect recognizes that it is of critical importance to County that permits for off-Site improvements be obtained prior to the Bidding Phase and Architect will plan and schedule the performance of its services accordingly.

**2.10.3 Notice to County.** Architect shall notify the County in writing upon receipt of those permits and approvals that are within the scope of Architect's responsibility under this Section 2.10, specifying in detail the scope of Work covered thereby. If Architect learns that any required permit or approval that it believes County is obligated to obtain directly has not been obtained, Architect shall notify County immediately in writing specifying the permit or approval required and the time frame within in which it must be obtained in order to not cause Delay to the Project.

**2.10.4 Expiration.** Architect shall notify County in writing at least ninety (90) Days prior to the date that any permit or approval obtained by Architect will expire and shall notify the County immediately in writing if it learns that any other permit or approval will expire in fewer than ninety (90) Days.

## **2.11 TESTING AND INSPECTIONS**

**2.11.1 Recommendations by Architect.** Architect shall recommend in writing and include in the provisions of its Specifications, any special inspection or testing of the Work if, in Architect's or any Subconsultant's professional judgment, such inspection or testing is required by Applicable Laws or is necessary or advisable.

**2.11.2 Review of Reports.** Architect and its Subconsultants shall review all inspection reports,

laboratory reports, and test data generated from the conduct of special inspections or testing recommended by Architect pursuant to Paragraph 2.11.1, above, in order to determine whether such data conforms with the requirements of the Contract Documents and Submittals approved by Architect,

If a good faith dispute arises as to whether a service is Basic Services or Additional Services or whether an expense is reimbursable as a Reimbursable Expense, Architect will nevertheless promptly perform

such service and pay such expense, if requested to do so by County in writing, pending resolution of such dispute. Neither County's request, Architect's performance nor County's payment therefor or thereof will constitute a waiver on the part of County or Architect of their respective rights or defenses with respect to the appropriate classification of such service or expense, which rights and defenses shall remain subject to determination in accordance with Article 11, below.

#### 5.7 NO WAIVER OR RELEASE OF RIGHTS

Neither authorization nor payment by County of any amount for Basic Services, Additional Services or Reimbursable Expenses shall be interpreted as a waiver, release or settlement of any rights or claims that County may have: (1) for Losses resulting from the fault, negligence or willful misconduct of the Architect or its Subconsultants or the breach by Architect of an obligation under this Agreement; or (2) to recoup and recover from Architect amounts paid by County that were not in fact due and owing to Architect under the terms of this Agreement at the time they were paid.

### ARTICLE 6 PAYMENTS TO ARCHITECT

#### 6.1 INVOICES FOR PAYMENT

**6.1.1 Invoice Submission.** On the 1<sup>st</sup> day of each month, Architect shall submit to County an accurate and complete Invoice for Payment, using the Invoice for Payment Form - Exhibit "N" attached hereto, signed by Architect and requesting payment for the preceding thirty (30) Day period as follows:

**.1 Basic Services Fees.** Amounts included in an Invoice for payment for Basic Services Fees shall be computed in accordance with the following provisions, as applicable:

**(1) Fixed and Maximum Fees.** Amounts included by Architect in its Invoices for Payments for Basic Services Fees on account of Basic Services or any portion of Basic Services for which a Fixed Fee or a Maximum Hourly Fee has been agreed to in Section 5.1, above, shall not exceed a pro rated portion of the agreed Basic Services Fees based on the product of (1) the percentage of completion of such Basic Services that has been actually achieved by Architect, multiplied times (2) the agreed Fixed Fee or Maximum Hourly Fee applicable to such Basic Services; and provided further, that where such Basic Services or portion of Basic Services are to be performed in Phases, such pro rated portion shall be proportionate to and shall not exceed for any Phase of such Basic Services or portion of Basic Services, the percentage of such Basic Services Fees that is assigned to such Phase in the Payment Schedule - Exhibit "I" attached hereto.

**(2) Basic Services Allowances.** Amounts included by Architect in its Invoices for Payments for Basic Services Fee on account of Basic Services covered by a Basic Services Allowance shall not, prior to the time that the Basic Services Fees incurred equal the Basic Services Allowance amount, exceed a pro rated portion of the agreed Basic Services Allowance amount based on the product of (1) County's Good Faith Determination of the percentage of completion of such Basic Services Allowance that has been actually achieved by Architect, multiplied times (2) the agreed Basic Services Allowance amount. If and when the Basic Services Fees incurred for Basic Services covered by a Basic Services Allowance equal the Basic Services Allowance amount, the Architect shall, if County has previously approved in writing of further Basic Services Fees being incurred in excess of the amount of the Basic Services Allowance, thereafter include in its Invoices for Payment the actual amount of such Basic Services Fees incurred up to, but not exceeding, any additional maximum amount authorized by County as part of such approval.

**.2 Additional Services Fees.** Architect's Invoice for Payment shall include

amounts for Additional Services Fees earned for the proper performance of Additional Services authorized pursuant to Article 3, above. Each item of Additional Services shall be separately itemized, in accordance with the following methods of calculation, as applicable:

**(1) Lump Sum:** If the agreed Additional Services Fees are based on a lump sum price, by taking the County's Good Faith Determination of the percentage of the Additional Services properly completed and multiplying that percentage times the agreed lump sum price for such Additional Services and subtracting therefrom payments previously made on account thereof.

**(2) Hourly/Not-to-Exceed:** If the Additional Services Fees are based on an hourly compensation, by taking the number of hours of Additional Services performed during the thirty (30) Day period covered by the Invoice for Payment and multiplying those hours times the applicable Hourly Rates for such personnel; provided, however, that if the parties have agreed to a not-to-exceed amount for such Additional Services Fees, then under no circumstances shall the total of the amounts paid and payable by County for such Additional Services Fees at any time exceed a pro rata share of the agreed not-to-exceed amount for such Additional Services based on County's Good Faith Determination of the percentage of such Additional Services properly completed in accordance with this Agreement multiplied times the agreed not-to-exceed amount.

**.3 Reimbursable Expenses.** Architect's Invoice for Payment shall include amounts for authorized Reimbursable Expenses incurred and paid by Architect during the thirty (30) Day period covered by the Invoice for Payment that have not been previously reimbursed by County. Reimbursable Expenses associated with Basic Services and Additional Services shall be separately itemized. Reimbursable Expenses for Additional Services shall be further separately itemized to correspond to the Additional Service for which they were incurred and paid.

## **6.2 PAYMENT SCHEDULE FOR BASIC SERVICES**

The County's obligation for payment of Basic Services Fees for any Phase of Basic Services shall under no circumstances exceed a pro rata share of either the lump sum amount or Maximum Hourly Fee (as applicable pursuant to Section 5.1, above) that County is obligated to pay for Basic Services Fees. Such pro rated share shall be calculated based on the percentages assigned to each Phase of Basic Services in the Payment Schedule - Exhibit "I" attached hereto. In cases where only a portion of a Phase is completed, the amount payable shall not exceed County's Good Faith Determination of the percentage of Basic Services completed within that Phase expressed as a separate percentage of the percentage of overall Basic Services allocated in the Payment Schedule to that Phase.

## **6.3 ACCOMPANYING DOCUMENTATION**

Each Invoice for Payment shall be accompanied by the following:

**6.3.1** in the case of Basic Services and Additional Services performed and compensated on an hourly basis, detailed time summaries for Basic Services and Additional Services performed during the period of time covered by the Invoice for Payment that are broken down by time keeper, task and time expended (block billings are not permitted) and copies of all time sheets prepared by any time keeper who performed any part of the Basic Services and Additional Services which are the subject of the Invoice for Payment and which reflect or record such Basic Services and Additional Services;

**6.3.2** copies each of the invoices, receipts and other documentation verifying the amounts of Reimbursable Expenses for which reimbursement is sought in the Invoice for Payment, along with a tally of all Reimbursable Expenses requested in the Invoice for Payment the sum of which totals the total

amount of Reimbursable Expenses for which reimbursement is sought by Architect in the Invoice for Payment;

**6.3.3** conditional waivers and releases of stop payment notice rights executed by Architect and its Subconsultants, of every Tier, using the Release Forms - Exhibit "M" attached hereto, conditionally releasing to the fullest extent allowable by Applicable Laws all stop payment notice rights for all services performed and costs incurred during the period of time covered by the then-current Invoice for Payment;

**6.3.4** unconditional waivers and releases of stop payment notice and bond rights executed by Architect and its Subconsultants, of every Tier, using the Release Forms - Exhibit "M" attached hereto unconditionally releasing to the fullest extent allowable by Applicable Laws all stop payment notice and bond rights for all services performed and costs incurred during the period of time covered by the Invoice for Payment immediately preceding the current, pending Invoice for Payment; and

**6.3.5** such other documentation substantiating Architect's or its Subconsultants' charges or time as may be reasonably requested by County.

#### **6.4 REVIEW AND PAYMENT**

**6.4.1 Review by County.** County shall, within fourteen (14) Days after receipt of an Invoice for Payment prepared and submitted in accordance with this Agreement, notify Architect if the Invoice for Payment is approved or rejected, in whole or in part, along with an explanation of the reason(s) for any disapproval.

**6.4.2 Payment by County.** Payment of undisputed amounts included in an Invoice for Payment prepared and submitted in accordance with this Agreement shall be made by County monthly within thirty (30) Days after receipt by County of the Invoice for Payment requesting payment that is prepared and submitted in accordance with this Agreement.

#### **6.5 PAYMENT DISPUTES**

Without limitation to County's rights under Section 6.6, below, in the event there is a good faith dispute over a request for payment included in an Invoice for Payment, County shall have the right to either: (1) make all or part of such disputed payment to Architect without prejudice to County's right to contest the amount so paid; or (2) withhold only the amount of such payment as to which County makes a Good Faith Determination that there is a dispute and provide to Architect written notice of the reason(s) for such withholding. County and Architect shall use their good faith efforts to attempt to resolve their dispute as quickly as practicable under the circumstances. Architect shall not be entitled to terminate this Agreement or suspend performance of its services hereunder on account of such nonpayment provided that County makes payment of all undisputed sums. If County withholds payment under Clause (2) of this Section 6.5 and if it is determined subsequently that County's withholding was wrongful, County shall pay such amount to Architect plus any penalties that may be due pursuant to California Civil Code Section 3320; no additional amounts shall be payable to Architect for interest on such unpaid amounts. If County chooses to proceed under Clause (1) of this Section 6.5 and it is subsequently determined that County overpaid Architect, Architect shall refund to County the amount of such payment plus accrued interest computed at the Interest Rate from the date of such overpayment until refunded.

#### **6.6 WITHHOLDING BY COUNTY**

Without limitation to County's rights under California Civil Code Section 3320, County shall have the right, after written notice to Architect, to withhold from payment to Architect 150% of the amount of any Loss resulting from, or threatened as a result of, the negligence of Architect or a Subconsultant or a failure by

Architect to perform an obligation under this Agreement. Such withholding shall not constitute a final determination or waiver of any rights or liabilities of County or Architect with respect to responsibility for such Loss, which rights and liabilities shall remain subject to determination in accordance with Article 11 of this Agreement.

#### **6.7 LIENS, STOP PAYMENT NOTICES, CLAIMS**

Except as otherwise provided herein, Architect shall not permit to be created or to remain undischarged any lien, encumbrance, stop payment notice, claim or charge (collectively, "lien") which arises out of, or relates to, the provision by Architect or its Subconsultants of any services or things under this Agreement upon the property of County, the construction fund of County, or the income from any such property or construction fund, or any part thereof, or suffer any other matter or thing whereby the estate, rights and interest of County in the Project property or construction fund, or any part thereof, might be impaired. If any such lien is filed, then within thirty (30) Days after notice of filing thereof Architect shall cause the same to be fully discharged of record, released and removed by any lawful means available, such as, but not limited to, payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Architect shall fail to cause such lien to be so discharged within the period aforesaid, then, in addition to any other right or remedy, County may, but shall not be obligated to, discharge the lien by any means, including, but not limited to, withholding amounts pursuant to Section 6.6, above, paying the amounts claimed to be due (including, without limitation, interest and attorney's fees claimed due), bonding or any other means that County determines, in its sole and absolute discretion, appropriate. Any Loss incurred by County as a result of Architect's failure to comply with its obligations under this Section 6.7 shall be paid by Architect to County on demand. Architect shall be excused from its obligations under this Section 6.7 with respect to, but only to the extent of, amounts included in a lien that are unpaid to the claimant upon the lien as the direct result of County's breach of its payment obligations to Architect under this Agreement.

### **ARTICLE 7 ACCOUNTING, RECORDS AND AUDIT**

#### **7.1 FINANCIAL MANAGEMENT**

Architect shall set up and exercise accounting and control systems for the proper financial management of its performance under this Agreement that are satisfactory to County, comply with the prevailing custom and practice for similar projects and afford County the ability to verify all charges and duplicate all calculations made by the Architect and Subconsultants.

#### **7.2 RECORD KEEPING**

**7.2.1 Books and Records.** Architect shall keep full and detailed books and records concerning the Project, including, without limitation, all documents (including, all hard copies and computer readable data, if it exists) that comprise or relate or refer to any of the following: (1) agreements, contracts, proposals, commitments, invoices, billings, statements, receipts, checks, certificates, releases, waivers, plans, specifications, notes, schedules, reports, studies, test data, approvals, permits, applications, diaries, logs, photographs, videos, shop drawings, samples, product data, job reports, change orders, field orders, directives, orders, bulletins, transmittals, requests for information, addenda, receipts, vouchers, correspondence, memoranda, messages, minutes, accounting records, job files, settlement agreements, and general ledgers; (2) any charge, cost or expense for which Architect seeks reimbursement or payment by County as part of any Invoice for Payment, Claim or other demand; and (3) any other documents that County, in its reasonable judgment, deems relevant to the Project.

**7.2.2 Maintenance and Retention.** Architect shall at all times maintain such books and

records in an organized and systematic form that allows for reasonably easy access and review and shall retain and preserve such books and records for a period of ten (10) years after the later of either final payment to Architect under this Agreement or Final Completion of the Project, or for such longer period as may be required by Applicable Laws.

### **7.3 INSPECTION, PRODUCTION AND AUDITING**

Architect shall allow County and the auditor for the State of California (and their respective authorized representatives, auditors, and attorneys), not later than the third business day after written notice to Architect, full access at Architect's offices nearest to the Project to inspect, audit and copy any or all of Architect's books and records as described in Section 7.2, above. Architect shall, at Architect's Own Expense, furnish facilities and staff assistance for, and cooperate fully with, such inspection or audit. Audits by the County and the auditor for the State of California may be conducted jointly or separately. Upon request, Architect shall provide reproducible copies of such books and records for reproduction by or on behalf of the person conducting the audit. Except as otherwise provided in Section 7.4, below, such reproduction shall be at the expense of the entity conducting the audit. The audit rights provided for under this Section 7.3 may be exercised at any time, and as often, before or after Final Completion, as County or the auditor for the State of California deems, in its sole and absolute discretion, necessary.

### **7.4 NONCOMPLIANCE BY ARCHITECT**

**7.4.1 Cost of Audit.** If an inspection or audit pursuant to Section 7.3, above, discloses that any amount (other than amounts permitted under the terms of this Agreement to be charged by Architect as lump or fixed fee charges) cannot be verified due to a failure by Architect or any Subconsultant to comply with this Article 7, has been improperly, inaccurately or excessively charged to County by Architect or any Subconsultant or has been overpaid by County, and if the total of such amounts for any calendar year audited is five percent (5%) or more of the total amount (exclusive of amounts permitted under the terms of this Agreement to be charged by Architect as lump or fixed fee charges) invoiced to County during such year, then Architect shall pay, at Architect's Own Expense, 100% of the actual cost to County and/or the State of California of such inspection or audit and any resulting report. If such inspection, audit or report is by County using in-house staff, then such actual cost to County shall be computed on the basis of two (2) times the direct payroll of the staff completing such inspection, audit or report.

**7.4.2 County Remedies.** Without limitation to any of County's rights or remedies for recovery or withholding of any amounts from Architect as may be permitted by Applicable Laws or elsewhere in this Section 7.4 or this Agreement, if an inspection or audit pursuant to Section 7.3, above, discloses that an amount has been overpaid by County, then County shall have the right to withhold such amount from any payments due to Architect or if no payments are due Architect shall immediately reimburse such amount to County. Amounts overpaid by County shall earn interest at the Interest Rate from the date of overpayment until the date reimbursed by Architect to County.

**7.4.3 Withholding.** In addition, and without limitation upon any of the other provisions for withholding of payment that are set forth in this Section 7.4 or elsewhere in this Agreement, County shall have the right to withhold from any payment to Architect an additional sum of up to ten percent (10%) of any amount claimed due by Architect until (other than amounts permitted to be charged by Architect as lump or fixed fee charges) has fully complied with any outstanding and unsatisfied request for performance by Architect of any obligation under this Article 7. Upon Architect's full compliance, such sum withheld under this Paragraph 7.4.3 shall be released to Architect.

**7.4.4 Legal Proceedings.** Architect's compliance with the requirements of this Article 7 shall be a condition precedent to maintenance by Architect of any legal action or arbitration against County

relating to Architect's or County's performance under or related to this Agreement.

## 7.5 SUBCONSULTANTS

Architect shall ensure that the provisions of this Article 7 are included in all contracts entered into by Subconsultants, of every Tier, who perform services for the Project; provided, however, that Architect shall have the right to limit the scope of a Architect's obligation to allow for inspection or audit of books and records concerning actual costs of performance to costs that are related to: (1) costs of Subconsultant's administering its performance under its contract with Architect for the Project; (2) services that are performed on an hourly or cost reimbursement basis; (2) Additional Services; (3) cost or expenses that are payable on a reimbursement basis; and (4) Claims.

## ARTICLE 8 DEFAULT, TERMINATION AND SUSPENSION

### 8.1 TERMINATION BY COUNTY FOR CAUSE

**8.1.1 Default by Architect.** Architect shall cure any default in performance of its obligations under this Agreement within two (2) Days after receipt of written notice from County; provided, however, that if the breach cannot reasonably be cured within such time, then Architect will commence to cure the breach within two (2) Days and will diligently and continuously prosecute such cure to completion within a reasonable time, which shall in no event be later than ten (10) Days after receipt of such written notice. Nothing herein shall be interpreted as obligating County to give an opportunity to cure in the case of an emergency or if the default is of the type that County determines, in good faith, cannot be cured, or cannot be fully cured, within the time periods set forth in this Section 8.1.

**8.1.2 Remedies Upon Default.** In the event of any default by Architect, including, without limitation, a default that Architect fails to cure within the time periods set forth in Paragraph 8.1.1, above, then County may by written notice to Architect, effective upon Architect's receipt of such notice or upon such later date as may be set forth in such notice, pursue any remedies available under Applicable Laws, including, without limitation, the following:

**.1 Take-Over.** County may, without terminating this Agreement, terminate or discontinue the Architect's performance and delete, take over or arrange for performance by others of some or all of the Basic Services and Additional Services, reserving to itself all rights to recover all Losses, including, without limitation, any Losses related thereto.

**.2 Termination.** County may terminate this Agreement upon written notice, reserving to itself all rights to recover all Losses, including, without limitation, all Losses related thereto.

**8.1.3 Rights Cumulative.** All of County's rights and remedies under this Agreement are cumulative and shall be in addition to those rights and remedies available under Applicable Laws. No termination or other action taken by County after exercise of its rights under this Article 8 shall prejudice any other rights or remedies of County provided by Applicable Laws or by this Agreement.

**8.1.4 Disability, Insolvency.** In addition to the other rights granted to County under this Agreement or Applicable Laws, County shall have the right to terminate this Agreement for default by giving seven (7) days written notice to Architect, if: (1) Architect is an individual and should die or be adjudged incompetent; (2) Architect attempts to assign this Agreement; (3) a petition of bankruptcy is filed by Architect or Architect is adjudicated or admitted to be a bankrupt in connection with an involuntary petition of bankruptcy filed against Architect; (4) Architect should make a general assignment for the benefit of creditors; or (5) a receiver should be appointed on account of Architect's insolvency.

**8.1.5 Architect Obligations.** Upon Architect's receipt from County of notice of County's exercise of any of its rights under Paragraph 8.1.2, above, Architect shall, unless the notice directs otherwise, do the following:

.1 immediately discontinue the performance of Basic Services and Additional Services to the extent specified in the notice;

.2 provide to County a description, in writing, no later than seven (7) Days after receipt of the notice of termination, of all contracts with Subconsultants that are outstanding, including, without limitation, with respect to each such contract separately, the terms of the original price, payments made to date, the balance owing, the status of the services performed and any outstanding withholding of funds or default, and a copy of the contract and any written changes, amendments or modifications thereto, together with such other information as County may determine necessary in order to decide whether it is in County's best interests to accept assignment of, or request Architect to terminate, the contract; and

.3 thereafter only perform such Basic Services and Additional Services as may be necessary to complete the portion of the Basic Services and Additional Services not terminated, taken over or discontinued.

**8.1.6 Completion by County.** In the event County exercises its rights under Paragraph 8.1.2, above, County shall have the further right, without releasing Architect from liability for failure to fulfill this Agreement, to proceed to complete the Basic Services and Additional Services by any means that County determines is expedient and withhold all or a portion of the monies, if any, owing to Architect until County has completed such Basic Services and Additional Services.

**8.1.7 Payment to Architect.**

.1 **Terminated Services.** With respect to any or all Basic Services and Additional Services that are terminated, discontinued or taken over by County pursuant to an exercise by County of its rights under Paragraph 8.1.2, above, and without limitation to County's other rights under this Agreement or Applicable Laws: (1) if the Losses to County, whether incurred or threatened, arising out of any default by Architect (whether or not such default was the subject of the County's notice of default) or County's exercise of its remedies for default by Architect, exceed the amount of Basic Services Compensation and Additional Services Compensation calculated pursuant to Sections 6.1 and 6.2, above, that was earned by Architect for such Basic Services and Additional Services performed up to, and not beyond, the effective date of such termination, discontinuance or take over by County, then Architect shall be liable to County for the difference and shall promptly remit same to County; or (2) if the sum of such Losses is less than the amount of such Basic Services Compensation and Additional Services Compensation, then County shall pay the difference to Architect within forty-five (45) Days after receipt by County of an Invoice for Payment prepared in accordance with this Section 8.1 and Sections 6.1 through 6.3, above, requesting payment of such Basic Services Compensation and Additional Services Compensation.

.2 **Continuing Services.** In the event of a partial termination, discontinuance or take over by County pursuant to an exercise by County of its rights under Paragraph 8.1.2, above, and without limitation to County's other rights under this Agreement or Applicable Laws: (1) with respect to that portion of Basic Services or Additional Services that is not terminated, discontinued or taken over by County, County shall make a Good Faith Determination of an adjustment in the Basic Services Compensation and Additional Services Compensation under this Agreement to reflect the reduction in the scope of Basic Services and Additional Services remaining to be performed by Architect; and (2) Architect shall continue performance of such Basic Services and Additional Services and shall be paid by County

therefor in accordance with the terms of this Agreement.

**.3 Conversion.** In the event a termination, discontinuance or take over by County for cause pursuant to this Section 8.1 is determined to be wrongful, Architect's right to payment or recovery shall be governed by the provisions of Subparagraphs 8.2.2.1 through 8.2.2.3, below, in lieu of any other rights, remedies or recovery provided for by Applicable Laws.

## **8.2 TERMINATION WITHOUT CAUSE**

**8.2.1 Termination for Convenience.** Upon at least three (3) Days' written notice to Architect prior to the effective date of an exercise of a right under this Section 8.2, County shall have the right, in its sole and absolute discretion and without cause and for its convenience, to terminate, discontinue or take over all or any portion of this Agreement or Architect's performance under this Agreement. Upon receiving such notice, Architect shall, unless the notice directs otherwise, take the actions required by Paragraph 8.1.5, above.

### **8.2.2 Payment to Architect.**

**.1 Terminated Services.** With respect to any or all Basic Services and Additional Services that are terminated, discontinued or taken over by County pursuant to Paragraph 8.2.1, above, Architect shall, within seven (7) Days after exercise by County of a right to terminate, discontinue or take over pursuant to Paragraph 8.2.1, above, submit to County an Invoice for Payment prepared in accordance with Sections 6.1 through 6.3, above, for the amount of Basic Services Compensation and Additional Services Compensation that was earned by Architect for such Basic Services and Additional Services performed up to, and not beyond, the effective date of such termination, discontinuance or take over by County. Without limitation to County's rights under Sections 6.5 and 6.6, above, within forty-five (45) Days after receipt by County of an Invoice for Payment prepared in accordance with this Section 8.2, County shall pay to Architect the amount, if any, owing to Architect under this Paragraph 8.2.2.

**.2 Continuing Services.** In the event of a partial termination, discontinuance or take over by County pursuant to an exercise by County of its rights under Paragraph 8.2.1, above, and without limitation to County's other rights under this Agreement or Applicable Laws: (1) with respect to that portion of Basic Services or Additional Services that is not terminated, discontinued or taken over by County, County shall make a Good Faith Determination of an adjustment in the Basic Services Compensation and Additional Services Compensation under this Agreement to reflect the reduction in the scope of Basic Services and Additional Services remaining to be performed by Architect; and (2) Architect shall continue performance of such Basic Services and Additional Services and shall be paid by County therefor in accordance with the terms of this Agreement.

**.3 Exclusive Remedy.** Architect agrees to accept the payments provided for under this Paragraph 8.2.2 as its sole and exclusive right and remedy in lieu of all other rights and claims that Architect may have under this Agreement or Applicable Laws for recovery of Losses caused or claimed to be caused by County's termination, discontinuance or take over of this Agreement, including, without limitation, Losses associated with lost profits, lost opportunity, and other consequential damages.

## **8.3 SUSPENSION BY COUNTY**

County shall have the right to order, in writing, a suspension of performance of all services by Architect without cause and for County's convenience. If services are entirely suspended by written order of County for a continuous period of more than sixty (60) consecutive Days, and such suspension is not due to a breach of this Agreement by Architect or the negligence, willful misconduct or violation of an Applicable Law by Architect or a Subconsultant, and if County thereafter requests in writing that Architect resume

performance following such suspension, then Architect shall be entitled to payment as additional compensation of any unavoidable direct, out-of-pocket costs payable by Architect or Subconsultants to third-party vendors of supplies as a result of such suspension. No other adjustment to Architect's compensation and no other recovery by Architect or any Subconsultant of Losses associated with such suspension shall be permitted.

#### **8.4 TERMINATION BY ARCHITECT**

**8.4.1 Architect's Remedies.** If County fails within the applicable time period for payment provided for in Article 6, above, to make payment of sums that are not in good faith disputed by County and fails to cure such failure within thirty (30) Days after receipt of written notice of nonpayment from Architect, then, upon an additional ten (10) Days' written notice to County of intent to terminate, Architect may terminate this Agreement. The foregoing constitutes the Architect's sole and exclusive right to terminate this Agreement for any reason, including, but not limited to, any breach by County.

**8.4.2 Payment to Architect.** In the event of a termination by Architect pursuant to this Section 8.4, Architect's right to further payment or recovery shall be governed by the provisions of Subparagraphs 8.2.2.1 through 8.2.2.3, above, in lieu of any other rights, remedies or recovery provided for by Applicable Laws.

### **ARTICLE 9 INDEMNIFICATION**

#### **9.1 INDEMNIFICATION BY ARCHITECT**

**9.1.1 Basic Indemnity.** To the fullest extent permitted by Applicable Laws, Architect agrees to defend (through legal counsel reasonably acceptable to County), indemnify, and hold harmless County, Board of Supervisors, and each of their respective members, officers, employees, agents, and volunteers ("Indemnitee(s)"), and each of them, from any and all Losses that arise out of or relate to any act or omission constituting ordinary and not professional negligence (including, without limitation, negligent breach of contract), recklessness, or willful misconduct on the part of Architect or its Subconsultants, or their respective employees, agents, representatives, or independent contractors. The Indemnitees shall be entitled to the defense and indemnification provided for hereunder regardless of whether the Loss is in part caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating Architect to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Paragraph 9.1.3, below.

**9.1.2 Indemnity for Professional Negligence.** To the fullest extent permitted by Applicable Law, Architect agrees to defend through legal counsel reasonably acceptable to County, indemnify and hold harmless the Indemnitees, and each of them, against any and all Losses that arise out of, or relate to, any act or omission constituting professional negligence on the part of Architect or its Subconsultants, or their respective employees, agents, representatives, or independent contractors. The Indemnitees shall be entitled to the defense, and indemnification provided for hereunder regardless of whether the Loss is, in part, caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating Architect to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Paragraph 9.1.3, below.

**9.1.3 Limitations on Indemnity Obligation.** Without affecting the rights of County under any other provision of this Agreement, Architect shall not be required to indemnify or hold harmless an Indemnitee for a Loss due to that Indemnitee's negligence, recklessness or willful misconduct; provided,

however, that such negligence, recklessness or willful misconduct has been determined by agreement of Architect and Indemnitee or has been adjudged by the findings of a court of competent jurisdiction.

**9.1.4 Subconsultant Indemnity Agreements.** Architect agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section 9.1 from each and every Subconsultant, of every Tier.

**9.1.5 No Limitation by Insurance.** Architect's indemnification obligations under this Agreement shall not be limited by the amount or type of damages, compensation or benefits payable under any policy of insurance, workers' compensation acts, disability benefit acts or other employee benefit acts.

**9.1.6 Enforcement.** The Indemnitees shall be entitled to recover their attorneys' fees, costs and expert and consultant costs in pursuing or enforcing their right to defense and/or indemnification under this Agreement.

## ARTICLE 10 INSURANCE

### 10.1 ARCHITECT'S INSURANCE

**10.1.1 Required Coverages.** Prior to the commencement of any services, Architect shall, at its own expense, purchase from, and maintain with, a company or companies lawfully authorized and approved by Governmental Authorities to do business in the jurisdiction in which the Project is located and having an A.M. Best Company rating of no less than A-8, the insurance coverages set forth in this Section 10.1, which coverages shall remain in force throughout Architect's performance of this Agreement and for such longer periods as may be required by this Agreement, unless such requirements are waived, in writing, by the County's Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer, such waiver is only valid for that specific insurer and only for one policy term after which full compliance with this Section 10.1 shall be required. Except as otherwise expressly provided in this Section 10.1, such policies and coverages shall, without limitation, protect Architect from claims which may arise out of, or result from, the Architect's performance of this Agreement, whether such performance be by itself or by any Subconsultant, or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable, and shall comply with the following requirements:

**.1 Commercial General Liability** insurance on a form at least as broad as Insurance Services Office ("ISO") Commercial General Liability Coverage "occurrence" form CG20101185 (Form B) or ISO Comprehensive General Liability "occurrence" form acceptable to the County with the Broad Form Comprehensive General Liability Endorsement GLO404 (with no Property Damage Liability exclusions pertaining to loss by explosion, collapse or underground damage), including, without limitation, coverage for bodily injury, sickness, disease, or death of any person, injury to, or destruction of tangible property, including loss of use resulting therefrom, blanket contractual liability coverage (including, without limitation, coverage for the Architect's indemnification obligations set forth in Article 9, above), and including an endorsement amending the aggregate limits to apply on a per location or per project basis, with limits of liability coverages of no less than the following amounts:

\$2,000,000	General Aggregate (Other Than Products-Completed Operations)
\$2,000,000	Products-Completed Operations Aggregate Limit for a period of five (5) years following Final Completion and Acceptance of the Project
\$2,000,000	Personal and Advertising Injury Limit
\$1,000,000	Per Occurrence Limit

**.2 Professional Liability** insurance, issued on a "claims made" basis, with limits of liability coverage in the amounts of no less than the following: (1) if the Fixed Limit is \$5 million or less: \$1,000,000 per claim and \$1,000,000 in the annual aggregate; (2) if the Fixed Limit is over \$5 million and \$10 million or less: \$2,000,000 per claim and \$2,000,000 in the annual aggregate; and (3) if the Fixed Limit is over \$10 million: \$5,000,000 per claim and \$5,000,000 in the annual aggregate. Such policy shall provide coverage (including, without limitation, all costs and expenses resulting from the investigation and defense of any claim) for damages from claims for bodily injury or property damage to County or to any third party (including, without limitation, loss of use of damaged and non-damaged property) due to any breach of duty in the performance of professional services. Professional liability coverage shall have an inception date or a retroactive date coinciding with, or prior to, the date of execution of this Agreement or the date of first performance of any services under this Agreement, whichever date is earlier, and coverage shall continue uninterrupted until five (5) years after Final Completion and Acceptance of the entire Project. Coverage for such post-completion period may be provided by renewal or replacement of the policy for each of five (5) years or by a five-year extended reporting period endorsement that reinstates the aggregate limit for the extended reporting period. Renewal or replacement policies shall not allow for any advancement of the retroactive date. Any deductible or self-insured retention under the foregoing professional liability policy shall not, except with the approval of County granted or withheld in the County's sole and absolute discretion, exceed \$500,000.

**.3 Motor Vehicle Liability** insurance issued on an ISO Business Auto Coverage form, including Symbol 1, acceptable to the County with limits of liability coverage of not less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage for all owned, hired, and non-owned vehicles.

**.4 Workers' Compensation** insurance (Coverage A) as prescribed by the laws of the State of California. The Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits of not less than \$1,000,000 per person per accident and shall provide a Borrowed Servant/Alternate Employer Endorsement.

**10.1.2 Notice of Cancellation.** Each policy of insurance shall: (1) be in a form, and with insurers, satisfactory to County; (2) incorporate such endorsements as County may reasonably request; and (3) provide for thirty (30) Days' advance notice to County of non-renewal, material change, cancellation, or potential exhaustion of aggregate limits.

**10.1.3 Additional Insureds.** Architect shall have the following named as Additional Insureds by means of endorsement to its General Liability, Excess (or Umbrella) Liability, and Motor Vehicle Liability policies: (1) the Indemnitees; (2) the persons or entities listed in the Additional Insureds List - Exhibit "L" attached hereto; and (3) all subsidiary companies, corporations, entities, joint ventures, LLC's, or partnerships that are owned, managed or controlled by the entities listed in Clauses (1) or (2) of this Paragraph 10.1.3. Such coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. The "Insured" clause covering Additional Insureds shall: (a) be no more restrictive than the coverage afforded by ISO 2010 11/85 edition; (b) state that the coverage provided to the Additional Insureds is primary and non-contributing with any other insurance available to the Additional Insureds; and (c) require a waiver of subrogation in favor of all Additional Insureds.

**10.1.4 Self Insured Retentions.** Policies of insurance for the coverages described in Paragraph 10.1.1, above, with the sole exception of professional liability insurance, shall not have self insured retentions which exceed \$ 500,000 per occurrence. All deductibles and self insured retentions on insurance required to be obtained by Architect under this Agreement shall be borne by Architect at its sole expense and without reimbursement by County.

**10.1.5 Certificates of Insurance.** Prior to the commencement of any services under this

Agreement, and at any time thereafter upon County's request during the term of this Agreement, Architect shall provide County with written evidence of the required coverages in the form of certificates of insurance with the applicable endorsements (including, without limitation, an endorsement confirming coverage for the Additional Insureds) attached or copies of the policies. County reserves the right to require complete, certified copies of all required insurance policies at any time, including endorsements providing the coverages required by this Agreement.

**10.1.6 Waiver of Subrogation.** For Commercial General Liability and Workers' Compensation insurance, the insurer shall agree to waive all rights of subrogation against the Additional Insureds for Losses arising from activities and operations of an insured in the performance of services under this Agreement.

**10.1.7 Lapse in Coverage.** If Architect or any Subconsultant, for any reason, fails to maintain any insurance coverage which is required pursuant to this Agreement, the same shall be deemed a material breach of this Agreement. County, at its sole option, may thereupon terminate this Agreement and obtain damages from Architect resulting from said breach. Alternatively, County may purchase such coverage (but has no obligation to do so) and, without further notice to Architect, may deduct from sums due to Architect any premium costs advanced by County for such insurance.

**10.1.8 Subconsultants.** Except as otherwise stated in Subconsultant Insurance Requirements - Exhibit "P" attached hereto, Subconsultants shall be required to maintain insurance on the same terms and with the same coverages as required of Architect under this Agreement.

## ARTICLE 11 DISPUTE RESOLUTION

### 11.1 RESOLUTION OF DISPUTES

Disputes between County and Architect shall be resolved by way of an action filed in the Superior Court of the State of California, in and for the County of Riverside.

### 11.2 GOOD FAITH DETERMINATIONS

Wherever in this Agreement it is provided that the County may or shall make a determination or decision in the exercise of good faith (including, without limitation, provisions in this Agreement calling for a Good Faith Determination), any such determination or decision that the person exercising such right on behalf of County believes in good faith to be a proper exercise of County's rights and to have a reasonable basis in fact, whether or not such determination is in fact proper, reasonable or correct or adjudged to be so, shall be complied with by Architect without Delay to Architect's performance under this Agreement. However, unless this Agreement expressly provides otherwise, neither such good faith determination or decision nor Architect's compliance therewith shall be interpreted as precluding the Architect from exercising its rights to seek adjudication of its rights in the manner permitted by this Agreement or Applicable Laws.

### 11.3 ATTORNEY'S FEES

If any legal action, arbitration, or other legal proceeding is brought in connection with, or related to, the interpretation, performance, or enforcement of this Agreement, including, but not limited to, an action to rescind this Agreement, the prevailing party therein shall be entitled to recover from the other party the prevailing party's actual costs, expenses, and attorneys' fees at arbitration, mediation, trial, and on appeal, including, without limitation, a sum for time expended by in-house attorneys and paralegals. The determination of the "prevailing party" shall be based upon the party who prevails upon the matters

actually litigated or arbitrated and shall not be determined solely based on which party receives a net monetary recovery.

**ARTICLE 12  
ROYALTIES, PATENTS, COPYRIGHTS  
AND TRADE SECRETS**

**12.1 ROYALTIES**

Architect shall pay all royalties and license fees in connection with its performance of this Agreement. Compensation for such royalties and fees is included in Architect's Basic Services Compensation and shall not be separately reimbursed.

**12.2 INFRINGEMENT**

Architect shall not infringe any United States patent, copyright, trade secret, or other proprietary right for or in any work of authorship, material, product, or any other form of intellectual property, or any part thereof (including, without limitation, software, hardware, service, design or equipment), used or furnished in connection with this Agreement.

**12.3 NOTICE BY ARCHITECT**

In those instances where Architect has reason to believe that a particular design, process, or product of one or more manufacturers that Architect is directed to use by County would infringe upon any of the rights listed in Section 12.2, above, Architect shall immediately notify County of its belief and the reasons therefor in writing.

**ARTICLE 13  
MISCELLANEOUS**

**13.1 GOVERNING LAW AND VENUE**

This Agreement shall, without regard to the law of conflicts of laws that may otherwise call for application of the laws of a different jurisdiction, be governed by the laws of the State of California. The Superior Court for the County of Riverside shall have exclusive jurisdiction over any litigation arising out of or relating to this Agreement.

**13.2 HAZARDOUS SUBSTANCES**

**13.2.1 Introduction by Architect.** Architect and its Subconsultants shall not cause or knowingly permit, or include in its Design Documents any provision allowing for, any Hazardous Substances to be deposited, stored, disposed, placed, generated, manufactured, buried, refined, transported, treated, discharged, handled, or located on the Site or in Existing Improvements, except as may be specifically authorized in writing by County; provided, however, that Hazardous Substances may be specified for temporary use or storage where reasonably required for, and in quantities appropriate to, the performance of the Work and where the use and storage of such Hazardous Substances is permitted by, and specified to be performed in conformity with, Applicable Laws. Should Architect or a Subconsultant violate the foregoing obligation, Architect shall at its own expense and without limitation to County's other rights or remedies for default immediately: (1) inform County in writing of such event; (2) advise County with respect to any release reporting or notification requirement that may apply as a result of such event; (3) assist County in complying with any such reporting or notification requirement as determined by County; and (4) perform any investigation, remediation, removal, or other response that is

necessary or desirable in order to abate or clean up the condition resulting from such event, to the full satisfaction of County and any applicable Governmental Authority. Such Hazardous Substances shall be removed and properly disposed of as soon as they can be accepted at an appropriate disposal facility, and in no event later than sixty (60) Days after such waste is generated, unless a longer time is approved by County.

**13.2.2 Existing Hazardous Substances.** Architect recognizes that Hazardous Substances may exist at or beneath the ground at the Site and that certain waste materials, such as, but not limited to, drill cuttings and drilling fluids, must be handled as if contaminated until a determination as to whether they are Hazardous Substances is made. If the Architect's Basic Services do not include the investigation or assessment of environmental conditions or Hazardous Substances, then in the event Architect or its Subconsultants encounter materials existing or otherwise present at the Site that are reasonably believed to be Hazardous Substances that have not been rendered harmless, Architect and/or Subconsultant shall report the condition to County in writing and County shall be solely responsible for arranging for and paying the costs lawfully to transport, store, treat, recycle, dispose of, or otherwise handle the Hazardous Substances present at the Site. If the Architect's Basic Services include the investigation or assessment of environmental conditions or Hazardous Substances, then Architect shall: (1) promptly make a determination whether the materials encountered are Hazardous Substances; (2) promptly advise County of the options and costs for handling, storing and disposing of such materials (whether they are Hazardous Substances or not); (3) appropriately handle, contain and label such materials as are Hazardous Substances in accordance with Applicable Laws; (4) promptly inform County that such handling, containerization and labeling have been performed; and (5) leave the containers on Site in an appropriate designated location for lawful storage and disposal by County. County shall be solely responsible for arranging for and paying the costs to lawfully transport, store, treat, recycle, dispose of or otherwise handle Hazardous Substances generated by Architect's proper performance of its professional services. Should the proper and lawful transportation and disposal of any such materials be required, Architect's responsibilities shall be limited to preparing manifests or related documents for execution by County. In this regard, County shall sign all manifests and bills of lading, and approve similar documents, including subcontracts for disposal activities, that identify County as the generator/owner of any hazardous or contaminated material that is removed from the Site. County shall be solely responsible for notifying all appropriate federal, state, local or other governmental agencies of the existence of any Hazardous Substances on or about the Site or discovered during performance of this Agreement; no such notice shall be given by Architect without prior discussion and approval by County.

### 13.3 NO WAIVER

A waiver, by either party to this Agreement, of any breach of any term, covenant, or condition contained herein shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained herein, whether of the same or a different character. County's approval, acceptance or use of, or payment for, all or any part of Architect's services shall not in any way alter Architect's obligations, or waive any of County's rights, under this Agreement.

### 13.4 NO THIRD-PARTY RIGHTS

Nothing contained in this Agreement is intended to make any person or entity who is not a signatory to this Agreement a third-party beneficiary of any right or obligation created by this Agreement or by operation of Applicable Laws.

### 13.5 EXTENT OF AGREEMENT

This Agreement represents the entire Agreement between County and Architect for the furnishing of services to the Project, and supersedes all prior negotiations, representations or agreements, either written or oral, and may be amended only by written instrument signed by both County and Architect.

### 13.6 SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon County and Architect and their respective successors and assigns. Neither the performance of this Agreement nor any part thereof, nor any monies due or to become due hereunder, nor any claim hereunder, may be assigned by Architect without the prior written consent and approval of County, which may be granted or withheld in County's sole and absolute discretion. This Agreement and all of County's rights in and to the Design Documents may be assigned by County upon written notice to Architect. County shall have no liability or responsibility to Architect for payment for any services performed or cost incurred after the date of such assignment and notice thereof by County to Architect.

### 13.7 CONFIDENTIALITY

The Architect acknowledges that, in the course of the Architect's employment and performance under this Agreement, the County may make available to the Architect, and the Architect may utilize and may participate in the creation of, proprietary and confidential information, including, without limitation, plans, specifications, projected and actual budgets, construction and development schedules, operating procedures, pricing data, transaction terms, Site-related information, studies (including survey, soil, environmental, structural, topographic and seismic) and other Project information (hereinafter collectively, "Proprietary Information"). The Architect agrees on behalf of itself and its employees, officers, board members and Subconsultants that all Proprietary Information shall be kept strictly confidential. Such confidentiality obligation includes, without limitation, the following covenants by Architect: (1) the Proprietary Information shall not be disclosed, either verbally or in writing, to a person or entity that is not related to the Project; (2) the Proprietary Information shall not be disclosed to any person or entity related to the Project other than County unless such disclosure is essential to the Architect's performance of this Agreement or to the performance by a Project-related person or entity of its Project-related work, services or obligations; (3) Architect shall not publicly reveal any Proprietary Information unless such disclosure is essential to the Architect's performance of this Agreement or to the performance by a Project-related person or entity of its Project-related work, services or obligations; (4) subject to the provisions of Paragraph 1.7.7, above, Architect shall return all Proprietary Information (including all copies made thereof) to County upon request and in any event within sixty (60) Days after termination or full performance of this Agreement; (5) Architect shall not be deemed the author of any of the Proprietary Information and retains no Intellectual Property Rights in the Proprietary Information; (6) to the extent the Architect provides any Proprietary Information to a Subconsultant, the Architect shall be responsible for obtaining and enforcing a written agreement from each such Subconsultant pursuant to which such Subconsultant agrees to be bound by the terms of this Section 13.7; and (7) in the event that the Architect or any Subconsultant is required, or becomes legally compelled, to disclose any of the Proprietary Information or take any other action prohibited hereby, the Architect will provide County with prompt written notice so that the County may seek a protective order or other appropriate remedy and/or waive in writing compliance with the provisions of this Section 13.7. County shall have full recourse under Applicable Laws in enforcing this Section 13.7, including without limitation the right to seek specific performance and injunctive relief and to recover all damages resulting from a violation hereof. Architect shall instruct all of its employees working on the Project of the foregoing confidentiality obligation.

### **13.8 INDEPENDENT CONTRACTOR**

Architect is and shall at all times remain, as to County, a wholly independent contractor, both in respect to its design and construction administration obligations, as well as all other acts or omissions that occur in connection with its performance of this Agreement. Neither County nor any of its agents shall have control over the conduct of Architect or any of Architect's officers, agents or employees, except as otherwise herein set forth. Architect shall not, at any time, or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of County.

### **13.9 ARCHITECT'S REPRESENTATIONS**

Without limitation to any other covenants, agreements, or representations contained in this Agreement, Architect warrants and represents that: (1) it is financially solvent, able to pay its debts as they mature and possessed of sufficient working capital to complete the services and perform the obligations required by this Agreement; (2) it is authorized to do business in the State of California; (3) it is duly licensed in accordance with Applicable Laws to enter into this Agreement for performance of the services to be provided by this Agreement; and (4) all services required to be performed by this Agreement or performed under this Agreement shall be performed by persons duly licensed in accordance with Applicable Laws to perform such services. Architect shall require that the foregoing warranties be provided, in writing, by each of its Subconsultants as part of its contracts with its Subconsultant.

### **13.10 SURVIVAL**

The provisions of this Agreement which by their nature survive, or involve a right that is to be or may be exercised by or afforded to a party, or an act or obligation that is to be assumed or performed by a party, after the point in time that full performance or termination of this Agreement has occurred, including, without limitation, all obligations of indemnification, insurance, audit, dispute resolution, confidentiality, ownership of documents and records retention, shall remain in full force and effect after full performance or termination of this Agreement.

### **13.11 SEVERABILITY**

In the event a provision of this Agreement, or portion thereof, is held to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions or portions shall not be affected, and such remaining provisions or portions shall be enforceable to the fullest extent allowable by Applicable Laws in order to give maximum legal force and effect to those provisions or portions that are not invalid, illegal or unenforceable.

### **13.12 INTERPRETATION**

Architect and County acknowledge that the terms of this Agreement have been mutually negotiated and, accordingly, shall not be interpreted against either County or Architect on the basis that either party was solely responsible for or in control of the drafting of this Agreement.

### **13.13 ADVERTISING**

Architect may not use County's name or refer to County or the Project, directly or indirectly, in any promotional materials, advertisement, news release or release to any professional or trade publication without County's prior written approval, which may be granted or withheld in its sole and absolute discretion.

#### **13.14 ELECTRONIC DOCUMENTS**

In the event of any conflict between a document contained in an electronic file and the hard copy of such document maintained in the files of County or Architect, the hard copy shall control.

#### **13.15 EXECUTION**

Execution by means of signature of a party hereto on a facsimile copy or electronically transmitted copy shall be binding to the same extent as execution of an original.

#### **13.16 COUNTERPARTS**

This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together shall constitute the same agreement.

#### **13.17 TITLES FOR CONVENIENCE**

The table of contents and the headings of articles and paragraphs are for convenience only and shall not modify rights and obligations created by this Agreement.

#### **13.18 NONDISCRIMINATION**

Architect shall comply, and cause its Subconsultants, of every Tier, to comply, with all requirements of Applicable Laws pertaining to equal opportunity employment and nondiscrimination, including, without limitation, those requirements prohibiting discrimination against or segregation of any person or group of persons on account of age, ancestry or national origin, color, creed, disability, gender, marital status, race, religion or sexual orientation, nor shall Architect permit any such practice prohibited by such requirements to take place in connection with the selection, location or number of consultants or vendors employed. Architect shall include the provisions of this Section 13.18 in all contracts entered into with Subconsultants for performance of services provided for under this Agreement.

#### **13.19 SERVICES PERFORMED BY ARCHITECT OR AFFILIATES**

The Architect shall not enter into any subcontract, contract, agreement, purchase order, or other arrangement ("Arrangement") for the furnishing of any portion of the services provided for in this Agreement with any party or entity if such party or entity is an Affiliated Entity (as defined below), unless such Arrangement has been approved in writing by the County after full disclosure in writing by the Architect to the County of such affiliation or relationship and all details relating to the proposed Arrangement. The term "Affiliated Entity" as used in this Section 13.19 means any entity related to or affiliated with the Architect or with respect to which the Architect has direct or indirect ownership or control, including, without limitation: (1) any entity owned in whole or part by the Architect; (2) if the Architect is a corporation, any holder of more than 10% of the issued and outstanding shares of the Architect; (3) if Architect is not a corporation, any holder of an ownership interest in Architect; or (4) any entity in which any officer, director, employee, partner, or shareholder (or member of the family of any of the foregoing persons) of the Architect, or any entity owned by the Architect, has a direct or indirect interest which interest includes, but is not limited to, that of a partner, employee, agent, or shareholder.

#### **13.20 REBATES, KICKBACKS**

Architect represents and warrants that it has neither paid or agreed to pay, nor will it pay, any sums or any other consideration to any member of the Board of Supervisors or any other director, officer, employee, agent or other representative of County in connection with this Agreement or any services

hereunder, nor has any such payment or agreement for payment been requested or solicited by any such member, director, officer, employee, agent or representative. Architect hereby acknowledges that it understands that this representation and warrant constitute a material inducement upon which County is relying in entering into and performing this Agreement.

THE PURPOSE OF THIS MEETING HELD AT Riverside University Health System on November 12, 2015 was kick-off meeting for Catheterization Laboratory, Meeting No. 1.

### A. MATTERS SETTLED

- | Item No. | Subject:  |
|----------|---|
| 01       | The hospital's Catheterization Laboratory is under the department of Radiology Services   |
| 02       | Hospital does not currently provide cardiac catheterization services  |
| 03       | Volumes indicate 1.3 catheterization laboratories are required for complex and non-complex cases  |
| 04       | GE quote for Bi-plane cath lab equipment is approximately \$891,000.00  |
| 05       | Project budget for equipment and construction is \$4,000,000.00   |
| 06       | A bi-plane cath lab is being considered over a single-plane cath lab to accommodate the Cardiology Department's goal to be a STEMI receiving center. The master plan analysis should determine if the bi-plane cath lab is a viable option. Additionally, it should be determined if cardiac surgery will be on site and the Neurology Department's goals should be considered.   |
| 07       | EwingCole with analyze three options for the cath lab location:<br><u>Option 1</u> <ul style="list-style-type: none"> <li>• Expand the current cath lab to accommodate single-plane or bi-plane equipment</li> <li>• Analyze the impact of the required sterile corridor on the cath lab layout</li> <li>• Provide a recommendation for the relocation of the existing cath lab and phasing requirements</li> <li>• Shell space in MRI suite should be considered for a changing space if the cath lab remains in the radiology department</li> </ul> <u>Option 2</u> <ul style="list-style-type: none"> <li>• One of the 2 unlicensed operating rooms located on the second floor will be converted to a single-plane or bi-plane cath lab</li> <li>• Existing cath lab will remain as the Interventional Radiology suite</li> </ul> |
