**SUBMITTAL TO THE BOARD OF SUPERVISORS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
FORM 11: SECOND EXTENSION OF TIME FOR TENTATIVE PARCEL MAP NO. 32089**

DATE: June 8, 2016

PAGE: Page 2 of 2

BACKGROUND:

Summary

The Tentative Parcel Map was originally approved at Director's Hearing on February 25, 2005. The first extension of time was approved on February 3, 2010.

The Riverside County Planning Department, as part of the review of this Second Extension of Time request has determined it necessary to recommend the addition of 14 new conditions of approval in order to be able to make a determination that the project does not adversely affect the general health, safety and welfare of the public.

The applicant was informed of these recommended conditions and has agreed to accept them. Included in this staff report package are the recommended conditions of approval, and the correspondence from the applicant (dated February 19, 2016) indicating the acceptance of the 14 recommended conditions.

The Tentative Parcel Map also benefited from Senate Bill No. 1185 (SB1185), Assembly Bill No. 333 (AB333), Assembly Bill No. 208 (AB208), and Assembly Bill No. 116 (AB116), which granted statutory extension of times for tentative maps statewide.

The application for the second extension of time for Tentative Parcel Map No. 32089 was heard at Director's Hearing on May 9, 2016, and was approved as is stated in the minutes.

Board Action

The Director's Hearing's decision is final and no action by the Board of Supervisors is required unless the applicant or an interested person files a complete appeal application within 10 days of this notice appearing on the Board's agenda.

Impact on Citizens and Businesses

The impacts of this project have been evaluated through the environmental review and public hearing process by the Planning Department and the Director's Hearing.

TENTATIVE PARCEL MAP NO. 32089
SECOND EXTENSION OF TIME
Applicant: Brian and Michelle Fox

Steve Weiss, AICP
Planning Director

COUNTY OF RIVERSIDE PLANNING DEPARTMENT EXTENSION OF TIME STAFF REPORT

The applicant of the subject case has requested an extension of time to allow for the recordation of the final map to subdivide 4.32 gross acres into four (4) one acre gross parcels for residential development. Unless specifically requested by the applicant, this request will not be discussed at the time it is presented to the Planning Director for approval.

CEQA: The subject case has conformed to the requirements of the California Environmental Quality Act, and all impacts have been analyzed in order to protect the public health, safety and welfare. No new environmental documentation is required prior to the extension of time.

GENERAL PLAN: Unless otherwise noted, the subject case had been determined to be consistent with the General Plan and all of its elements.

REQUEST:

SECOND EXTENSION OF TIME REQUEST for TENTATIVE PARCEL MAP NO. 32089

BACKGROUND:

The tentative parcel map was originally approved at Director's Hearing on February 25, 2005. The first extension of time was approved on February 3, 2010.

The County Planning Department, as part of the review of this Second Extension of Time request has determined it necessary to recommend the addition of fourteen (14) new conditions of approval in order to be able to make a determination that the project does not adversely affect the general health, safety and welfare of the public. The Building & Safety Department (Grading Division) is recommending the addition of (13) conditions of approval and the Transportation Department is recommending the addition of (1) conditions of approval, which are attached to this staff report.

R

The applicant was informed of these recommended conditions and has agreed to accept them. Included in this staff report package are the recommended conditions of approval, and the correspondence from the applicant (dated February 19, 2016) indicating the acceptance of the fourteen (14) recommended conditions.

FURTHER PLANNING CONSIDERATIONS:

EFFECT OF Senate Bill No. 1185 (SB1185): On July 15, 2008, AB208 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 12 month extension on previously approved subdivision maps set to expire between July 15, 2008 and January 1, 2011.

EFFECT OF Assembly Bill No. 333 (AB333): On July 15, 2009, AB333 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 24 month extension on previously approved subdivision maps set to expire between July 15, 2009 and January 1, 2012.

EFFECT OF Assembly Bill No. 208 (AB208): On July 13, 2011, AB208 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 24 month extension on previously approved subdivision maps set to expire between July 13, 2011 and January 1, 2014.

EFFECT OF Assembly Bill No. 116 (AB116): On July 11, 2013, AB116 was signed into law, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 24 month extension on previously approved subdivision maps set to expire between January 1, 2000 and July 11, 2013.

Therefore, upon an approval action by the Planning Director, subsequent receive and file action by the Board of Supervisors, and the conclusion of the 10-day appeal period, the tentative map's expiration date will become February 25, 2017. If a final map has not been recorded prior this date, a third extension of time request must be filed 180 days prior to map expiration.

RECOMMENDATION:

APPROVAL of the SECOND EXTENSION OF TIME REQUEST for TENTATIVE PARCEL MAP NO. 32089, extending the expiration date and to reflect SB1185, AB333, AB208, and AB116 benefits to February 25, 2017, subject to all the previously approved and/or amended Conditions of Approval with the applicant's consent.

Extension of Time Environmental Determination

Project Case Number: PM32089
Original E.A. Number: EA39633
Extension of Time No.: Second
Original Approval Date: February 25, 2005
Project Location: North of Johnston Avenue, South of El Camino Drive, East of Meridian Street, West of Stanford Street
Project Description: Schedule H subdivision to divide 4.32 gross acres into four one (1) acre parcels

On February 25, 2005, this Tentative Parcel Map and its original environmental assessment/environmental impact report was reviewed to determine: 1) whether any significant or potentially significant changes in the original proposal have occurred; 2) whether its environmental conditions or circumstances affecting the proposed development have changed. As a result of this evaluation, the following determination has been made:

<input type="checkbox"/>	I find that although the proposed project could have a significant effect on the environment, NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED PRIOR TO APPROVAL OF THE EXTENSION OF TIME, because all potentially significant effects (a) have been adequately analyzed in an earlier EIR or Negative Declaration pursuant to applicable legal standards and (b) have been avoided or mitigated pursuant to that earlier EIR or Negative Declaration and the project's original conditions of approval.
<input checked="" type="checkbox"/>	I find that although the proposed project could have a significant effect on the environment, and there are one or more potentially significant environmental changes or other changes to the circumstances under which the project is undertaken, NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED PRIOR TO APPROVAL OF THE EXTENSION OF TIME, because all potentially significant effects (a) have been adequately analyzed in an earlier EIR or Negative Declaration pursuant to applicable legal standards and (b) have been avoided or mitigated pursuant to that earlier EIR or Negative Declaration and revisions to the project's original conditions of approval which have been made and agreed to by the project proponent.
<input type="checkbox"/>	I find that there are one or more potentially significant environmental changes or other changes to the circumstances under which the project is undertaken, which the project's original conditions of approval may not address, and for which additional required mitigation measures and/or conditions of approval cannot be determined at this time. Therefore, AN ENVIRONMENTAL ASSESSMENT/INITIAL STUDY IS REQUIRED in order to determine what additional mitigation measures and/or conditions of approval, if any, may be needed, and whether or not at least one of the conditions described in California Code of Regulations, Section 15162 (necessitating a Supplemental or Subsequent E.I.R.) exist. Additionally, the environmental assessment/initial study shall be used to determine WHETHER OR NOT THE EXTENSION OF TIME SHOULD BE RECOMMENDED FOR APPROVAL.
<input type="checkbox"/>	I find that the original project was determined to be exempt from CEQA, and the proposed project will not have a significant effect on the environment, therefore NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED PRIOR TO APPROVAL OF THE EXTENSION OF TIME.

Subject: Fox Tentative Map PM-32089

Hello Tim,

Thank you for your time in regards to our extension on our tentative parcel map #32089. I had received a letter and conditions of approval from Roger on 12/7/15. We agreed to all the items except for item 50. Health Department ESA Phase I required. After providing the Health department with all the previous studies that were already done by the county, the Yvonne Reyes of the Environmental Health department said that they would have the item removed and would be in contact with Roger. Can you please follow up as our project expires 2/25/16 and as it has been 2 months already I would like to put this away.

Thank you again for your assistance and please do not hesitate to contact me by email or phone.

In HIS Faith

EOT2 - COUNTY WEB SITE

RECOMMND

Additional information, standards, ordinances, policies, and design guidelines can be obtained from the Transportation Department Web site:
<http://rctlma.org/trans/>. If you have questions, please call the Plan Check Section at (951) 955-6527.

60. PRIOR TO GRADING PRMT ISSUANCE

BS GRADE DEPARTMENT

60.BS GRADE. 9

EOT2 - NPDES/SWPPP

RECOMMND

Prior to issuance of any grading or construction permits - whichever comes first - the applicant shall provide the Building and Safety Department evidence of compliance with the following: "Effective March 10, 2003 owner operators of grading or construction projects are required to comply with the N.P.D.E.S. (National Pollutant Discharge Elimination System) requirement to obtain a construction permit from the State Water Resource Control Board (SWRCB). The permit requirement applies to grading and construction sites of "ONE" acre or larger. The owner operator can comply by submitting a "Notice of Intent" (NOI), develop and implement a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) and a monitoring program and reporting plan for the construction site. For additional information and to obtain a copy of the NPDES State Construction Permit contact the SWRCB at www.swrcb.ca.gov .

Additionally, at the time the county adopts, as part of any ordinance, regulations specific to the N.P.D.E.S., this project (or subdivision) shall comply with them.

60.BS GRADE. 10

EOT2 - APPROVED WQMP

RECOMMND

Prior to the issuance of a grading permit, the owner / applicant shall submit to the Building & Safety Department Engineering Division evidence that the project - specific Water Quality Management Plan (WQMP) has been approved by the Riverside County Flood Control District or Riverside County Transportation Department and that all approved water quality treatment control BMPs have been included on the grading plan.

60. PRIOR TO GRADING PRMT ISSUANCE

60.BS GRADE. 12 EOT2 - BMP CONST NPDES PERMIT

RECOMMND

Prior to the issuance of a grading permit, the owner / applicant shall obtain a BMP (Best Management Practices) Permit for the monitoring of the erosion and sediment control BMPs for the site. The Department of Building and Safety will conduct NPDES (National Pollutant Discharge Elimination System) inspections of the site based on Risk Level to verify compliance with the Construction General Permit, Stormwater ordinances and regulations until completion of the construction activities, permanent stabilization of the site and permit final.

60.BS GRADE. 13 EOT2 - SWPPP REVIEW

RECOMMND

Grading and construction sites of "ONE" acre or larger required to develop a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) - the owner/applicant shall submit the SWPPP to the Building and Safety Department Environmental Compliance Division for review and approval prior to issuance of a grading permit.

60.BS GRADE. 14 EOT2 - IF WQMP REQUIRED

RECOMMND

If a Water Quality Management Plan (WQMP) is required, the owner / applicant shall submit to the Building & Safety Department, the approved project - specific Water Quality Management Plan (WQMP) and ensure that all approved water quality treatment control BMPs have been included on the grading plan.

EOT2 - ROUGH GRADE APPROVAL

RECOMMND

Prior to the issuance of any building permit, the applicant shall obtain rough grade approval and/or approval to construct from the Building and Safety Department. The Building and Safety Department must approve the completed grading of your project before a building permit can be issued. Rough Grade approval can be accomplished by complying with the following:

1.Submitting a "Wet Signed" copy of the Soils Compaction Report containing substantiating data from the Soils Engineer (registered geologist or certified geologist, civil engineer or geotechnical engineer as appropriate) for his/her certification of the project.

2.Submitting a "Wet Signed" copy of the Rough Grade certification from a Registered Civil Engineer certifying that the grading was completed in conformance with the approved grading plan.

3.Requesting a Rough Grade Inspection and obtaining rough grade approval from a Riverside County inspector.

4.Rough Grade Only Permits: In addition to obtaining all required inspections and approval of all final reports, all sites permitted for rough grade only shall provide 100 percent vegetative coverage to stabilize the site prior to receiving a rough grade permit final.

Prior to release for building permit, the applicant shall have met all rough grade requirements to obtain Building and Safety Department clearance.

90. PRIOR TO BLDG FINAL INSPECTION

"Planning Our Future... Preserving Our Past"

APPLICATION FOR EXTENSION OF TIME

If the property is owned by more than one person, attach a separate page that reference the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

All approvals of extension of time must be consistent with the pertinent elements of the Riverside County General Plan, the Riverside County Land Use Ordinance (Ordinance No. 348), and the Multiple Species Habitat Conservation Plan (MSHCP).

An extension of time for a land division based on the filing of a phased final map shall not be granted unless the Planning Department determines that the requisite funds have been expanded to construct, improve, or finance the construction of public improvements outside the boundaries of the land division. Any other extension of time for a land division shall not be granted unless the land division conforms to the Comprehensive General Plan, is consistent with existing zoning, conforms to the currently applicable schedule of improvements specified by the Riverside County Land Division Ordinance (Ordinance No. 348) and does not affect the general health, safety, and welfare of the public. If required to bring the subject land division into conformance with current general plan, Ordinance No. 460 and public health, safety, and welfare requirements, additional conditions of approval may be imposed upon approval of an extension of time request.

I hereby request an extension of time for the above referenced project, and I acknowledge that if the basis for extension is something other than the filing of a phased final map, additional conditions of approval may be imposed upon approval of the extension of time and that I may refuse to accept additional conditions of approval only in writing prior to action by the Planning Director, or in writing or in person prior to action by the Planning Commission.
