Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

22. General

22.1 CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

22.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

22.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

22.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

22.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.

22.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

22.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

22.8 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

22.9 CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

22.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

22.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

22.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

IN WITNESS WHEREOF, the Parties hereto have caused their duly authorized representatives to execute this Agreement.

EXHIBIT A**SCOPE OF SERVICE**

1.0 The County of Riverside (COUNTY) hereby hires Dunbar Armored, Inc., (CONTRACTOR) to provide courier service, as the agent of COUNTY to pick-up and carry, on a regular basis, sealed, one or more Bank approved depository bags and to deliver such bag(s) to the Bank Cash Vault location designated by COUNTY. CONTRACTOR guarantees safe delivery of deposits to designated Cash Vaults. CONTRACTOR shall provide secure and protected transportation of coin, currency, and valuables to and from COUNTY locations and designated banking locations. CONTRACTOR represents that it is qualified with respect to banking regulations and cash transfer procedures.

2.0 CONTRACTOR shall provide a Deposit Tracking System for receipting each pick-up/delivery and will provide tracking report(s) as requested.

3.0 All CONTRACTOR personnel used in transportation of valuables must be qualified by the State of California to bear firearms and trained in transporting valuables. CONTRACTOR agrees to implement commercially reasonable security procedures (i.e., identification credentials, pass codes, pass phases, challenge questions and/or test keys which may change from time to time) sufficient to satisfy their respective needs to ensure the authenticity of the authorized individual(s) acting on behalf of the CONTRACTOR picking up bag(s) and for the protection and transport of bag(s).

4.0 **Armored Vehicle Transport:** CONTRACTOR must use an Armored Vehicle, which has sufficient capacity to transport the sealed bags, vaults, etc., according to the frequencies required for the various Pick-Up and Deliveries as specified below.

5.0 **CONTRACTOR's Responsibility for COUNTY Property:** CONTRACTOR's responsibility of the currency, coin, checks, and reports shall begin when said deposit is in the possession of the CONTRACTOR or its employees and shall terminate upon delivery to the designated Bank Cash Vault in compliance with the respective banks protocol and requirements for accepting deposits from armored car services. The COUNTY does not guarantee control over the exact dollar amount for any one pick-up and delivery of bank deposit. CONTRACTOR will be solely and strictly responsible for losses of currency, checks, and other property of COUNTY (herein referred to as Cash) as provided in this section. "Loss" is herein defined to include theft, holdup, burglary, extortion, defalcation, mysterious disappearance, shortage, and any other type casualty or loss, whether explained or unexplained.

Said cooperation will include, without limitation, assisting CONTRACTOR in determining the face amount of said checks and the identity of the check makers and endorsers.

7.0 With respect to any loss of a check for which the CONTRACTOR is responsible hereunder, CONTRACTOR will be responsible for all costs, including costs incurred by COUNTY, necessary to reconstruct the checks and to cause payment on the checks to be stopped. In the event payment on the said check checks cannot be stopped, either because of unwillingness on the part of the drawer to cause payment to be stopped or because the stop payment order would not be good against holder of the checks, CONTRACTOR will be responsible for the face amount of the check.
