**BACKGROUND:**

**Summary**

The Housing Authority of the County of Riverside (Housing Authority) currently owns 6.76 acres of vacant unimproved real property located on the eastern end of 30th Street in the City of Jurupa Valley, identified as Assessor's Parcel Numbers 177-020-012, 177-020-018, 177-110-005 (collectively, the Property), as depicted on the attached Site Map. The Housing Authority considered developing the Property. After due consideration, it was determined to be too costly for development as single family homes and too small for multi-family housing. Housing Authority staff recommends the sale of the Property as it is no longer needed for Housing Authority use or purposes.

On November 24, 2014 the County of Riverside (County) and the Housing Authority entered into a Loan Agreement for the Use of County of Riverside General Funds (Loan Agreement). Under the Loan Agreement the County provided a loan to the Housing Authority in the amount of \$1,600,000 (County Loan) derived from its general fund. The Loan is evidenced by a Promissory Note and Secured by a Deed of Trust. The maturity date of the County Loan is November 23, 2016. The purpose of the loan was to pay off the outstanding principal and interest on predevelopment loans for entitlements, land carrying costs, design, architecture and engineering costs attributable to the Tres Lagos Senior Apartments (an 81 unit affordable rental housing project) to be developed in the City of Wildomar, and to pay transaction fees to consummate the transfer of the vacant property from Wildomar Tres Lagos Limited Partnership to the Housing Authority. The County Loan allowed the Housing Authority to acquire the Tres Lagos Senior Apartments project securing the sites future use as low income affordable housing.

**BACKGROUND:**

**Summary** (Continued)

Pursuant to the Loan Agreement, the Housing Authority pledged its sales proceeds from the sale of certain surplus Housing Authority real property assets to repay the County Loan, including the sale of the Property.

The fair market value of the Property proposed to be sold is approximately \$405,000 based on an independent appraisal prepared for the Housing Authority by Len Perdue and Associates Inc.. The Housing Authority offered the Property for sale and received several offers. The Housing Authority initially received an offer of \$400,000 from Michael Fein that was subsequently rescinded by Mr. Fein. A new, higher offer, has been submitted by Richland Real Estate Fund, LLC, in the amount of \$405,000, the fair market value. Housing Authority staff recommends accepting this offer. The terms of the purchase and sale of the Property are set forth in the attached proposed Agreement of Purchase and Sale and Joint Escrow Instructions, including attachments, to be entered into between the Housing Authority and Richland Real Estate Fund, LLC (Purchase Agreement).

The proposed transaction is just the sale of vacant unimproved real property. There are no planned improvements to the Property contemplated. The net proceeds of the sale will be used to repay the County Loan from the General Fund which loan proceeds were used to directly assist an affordable housing project, consistent with Health and Safety Code section 34312.3.

Pursuant to the California Environmental Quality Act (CEQA), the sale of the Property was reviewed and determined to be categorically exempt from CEQA under CEQA Guidelines Section 15312 – Surplus Government Property Sales and Section 15061 (b)(3), common sense, general rule exemption. The proposed project is the sale of vacant real property within the City of Jurupa Valley that is not located within an area of significance and is exempt surplus property under CEQA Guidelines Section 15312. The project as proposed is limited to the sale and transfer of title of land, therefore the project is exempt as it meets the scope and intent of the exemption identified in CEQA Guidelines Section 15312. In addition, the project is exempt from CEQA under CEQA Guidelines Section 15061 (b)(3) since no development is contemplated at this time and it can be seen with certainty that there is no possibility that the activity in question will have a significant effect on the environment because the conveyance is merely a transfer in title to the real property, the transfer will not prompt or require any construction activities and would not lead to any direct or reasonably foreseeable indirect physical environmental impacts.

Resolution No. 2016-004, the Purchase Agreement, including all exhibits, including, but not limited to the Grant Deed and Right of Entry Agreement, have been approved as to form by County Counsel. Housing Authority staff recommends approval of Resolution No. 2016-004, the Purchase Agreement, including all exhibits, the Right of Entry Agreement and the Grant Deed.

**Impact on Citizens and Businesses**

The sale is expected to generate approximately \$405,000 less Housing Authority staff costs and expenses. The sale proceeds and revenue will enable the Housing Authority to repay a County Loan which was used to benefit an affordable housing project within the County of Riverside.

21 **WHEREAS**, the Housing Authority owns vacant land consisting of 6.76 acres,

2       **WHEREAS**, Richland Real Estate Fund, LLC proposes to acquire the Property

11 is the conveyance of real property involving merely the transfer of title to the real  
12 property, the transfer will not prompt or require any construction activities and would  
13 not lead to any direct or reasonably foreseeable indirect physical environmental  
14 impacts. The sale of the Property is also exempt from CEQA under CEQA Guidelines

15          is categorically exempt from CEQA pursuant to State CEQA Guidelines

20          and would not lead to any direct or reasonably foreseeable indirect physical  
21          environmental impacts. The Board also determines that the sale of the  
22          Property is also exempt from CEQA under CEQA Guidelines Section 15312  
23          since the proposed project is the sale of surplus vacant real property within  
24          the City of Jurupa Valley that is not located within an area of significance and  
25          the sale meets the scope and intent of the exemption identified in CEQA

Escrow Holder shall notify Buyer and Seller, in writing, of the Opening Date and the Closing Date, as defined in Paragraph 4.b, below. In addition, Buyer and Seller agree to execute, deliver, and/or be bound by any reasonable or customary supplemental joint order escrow instructions of either party, or other instruments as may reasonably be required by Escrow Holder, in order to consummate the transaction contemplated by this Agreement. Any such supplemental instructions shall not conflict with, amend, or supersede any portion of this Agreement. If there is any inconsistency between such supplemental instructions and this Agreement, then this Agreement shall control.

b. Close of Escrow. For purposes of this Agreement, "Close of Escrow" shall be defined as the date the Grant Deed, the form of which is attached hereto as Exhibit "C" and incorporated herein by this reference ("Grant Deed") conveying the Property to Buyer, is recorded in the Official Records of Riverside County, California. The Close of Escrow shall occur on or before one hundred and fifty (150) days after the Opening Date, unless extended in writing by the mutual written agreement of the parties ("Closing Date"). In the event the Close of Escrow does not occur one hundred and fifty (150) days after the Opening Date, Escrow Holder shall deposit the Escrow Deposit and any other funds deposited by Buyer to be used towards the Purchase Price and the Escrow, in an interest bearing account. Any interest accrued in such account shall be applied toward payment of the Purchase Price and any remaining balance shall be returned to Buyer upon the Close of Escrow.

c. Due Diligence Period. Buyer shall have ninety (90) days from the Opening Date ("Due Diligence Period") to inspect the Property and Due Diligence Materials. In the event Buyer finds the Property unsatisfactory for any reason, Buyer at its sole discretion shall notify Seller and Escrow Holder in writing prior to expiration of the Due Diligence Period. Thereafter, Buyer and Seller shall have no further obligation to each other (except as otherwise set forth herein) and Buyer shall be entitled to the return of its First Escrow Deposit. In the event of a cancellation of Escrow caused by Buyer, Buyer shall pay any Escrow cancellation fees. In addition, Seller shall have the right to terminate this Agreement without cause, for a period of thirty (30) days after the Opening Date, provided however, such termination shall not be due to Seller accepting an offer from another purchaser, and further provided Seller notifies Buyer in

writing prior to expiration of the thirty (30) day period. After Seller's cancellation, (i) Seller shall reimburse Buyer up to Five Thousand Dollars (\$5,000) for any costs directly related to Buyer's due diligence expenditures, as evidenced by written invoices, and (ii) Buyer shall be entitled to the return of its First Escrow Deposit, and Buyer and Seller shall have no further obligation to each other, except as otherwise set forth herein.

5. Conditions of Title. It shall be a condition to the Close of Escrow and a covenant of Seller that Seller shall convey good and marketable fee simple title to the Property by the Grant Deed, subject only to the following approved conditions of title ("Approved Condition of Title"):

- a. A lien to secure payment of real estate taxes, not delinquent;
- b. Matters created by or with the written consent of Buyer; and
- c. Exceptions which are disclosed by the Title Report described in Paragraph 7.a.(1) hereof and which are approved or deemed approved by Buyer in accordance with Paragraph 7.a.(2) hereof.

6. Title Policy. Title shall be evidenced by the irrevocable commitment of the Title Company to issue its ALTA Policy of Title Insurance ("Title Policy") in the amount of the Purchase Price showing title to the Property vested in Buyer subject only to the Approved Condition of Title.

7. Conditions to Close of Escrow.

a. Conditions to Buyer's Obligations. The Close of Escrow and Buyer's obligation to consummate the transaction contemplated by this Agreement are subject to the satisfaction of the following conditions for Buyer's benefit or prior to the dates designated below for the satisfaction of such conditions:

(1) Due Diligence Materials/Title. Within seven (7) days of the Opening Date, Seller will deliver to Buyer copies of the following items, if and to the extent such items are in Seller's possession (collectively referred to herein as the "Due Diligence Materials"): (i) a Preliminary Title Report dated December 2, 2013 ("Title Report") for the Property and legible copies of all documents, whether recorded or unrecorded, referred to in the Title Report; and (ii) any and all environmental reports relating to the Property.

(2) Review and Approval of Due Diligence Materials. Prior to the expiration of the Due Diligence Period, Buyer shall have the right to review and approve or disapprove, at Buyer's sole cost and expense, the Due Diligence Materials. Failure of Buyer to give disapproval of the Due Diligence Materials, in a writing delivered by Buyer to Seller or terminate this Agreement on or before the

expiration of the Due Diligence Period, shall be deemed to constitute Buyer's approval of all Due Diligence Materials. If Buyer disapproves or conditionally approves any matters of title shown in the Title Report, then Seller may, within ten (10) days after its receipt of Buyer's notice of disapproval of the Due Diligence Materials, elect to eliminate or ameliorate to Buyer's satisfaction the disapproved or conditionally approved title matters. Seller shall thereupon give Buyer written notice of those disapproved or conditionally approved title matters, if any, which Seller covenants and agrees to either eliminate from the Title Policy as exceptions to title to the Property or to ameliorate to Buyer's satisfaction by the Closing Date as a condition to the Close of Escrow for Buyer's benefit. If Seller does not elect to eliminate or ameliorate to Buyer's satisfaction any disapproved or conditionally approved title matters, or if Buyer disapproves of Seller's notice, or if, despite its reasonable efforts, Seller is unable to eliminate or ameliorate to Buyer's satisfaction all such disapproved matters prior to the Closing Date, then Buyer shall have the right to, by a writing delivered to Seller and Escrow Holder: (i) waive its prior disapproval, in which event the disapproved matters shall be deemed approved; or (ii) terminate this Agreement and the Escrow created pursuant thereto, in which event Buyer shall be entitled to the return of all monies previously deposited with Escrow Holder or released to Seller pursuant to this Agreement, and the Escrow and the rights and obligations of the parties hereunder shall thereafter terminate.

(3) Representations, Warranties, and Covenants of Seller. Seller shall have duly performed each and every agreement to be performed by Seller hereunder and Seller's representations, warranties, and covenants set forth in Paragraph 14 shall be true and correct in all material respects as of the Closing Date.

(4) No Material Changes. At the Closing Date, there shall have been no material adverse changes in the physical condition of the Property.

(5) Inspections and Studies. Prior to the expiration of the Due Diligence Period, Buyer shall have approved the results of any and all inspections, investigations, tests and studies (including, without limitation, investigations with regard to zoning, building codes and other governmental regulations, architectural inspections, engineering tests, economic feasibility studies and soils, seismic and geologic reports) with respect to the Property (including all structural and mechanical systems and leased areas) as Buyer may elect to make or obtain. The failure of Buyer to disapprove the results of said inspections, investigations, tests and studies in writing on or prior to the expiration of the Due Diligence Period shall be deemed to constitute Buyer's approval of the results. The cost of any such inspections, tests and studies shall be borne solely by Buyer. During the term of this Escrow, Buyer, its agents, contractors and subcontractors shall have the right to enter upon the Property, at reasonable times during ordinary business hours, to make any and all inspections and tests as may be necessary or desirable in

Buyer's sole judgment and discretion. Such right of entry shall also be subject to that certain Right of Entry Agreement executed by Buyer and Seller, a copy of which is attached hereto as Exhibit "D" and incorporated herein by this reference. Buyer shall use care and consideration in connection with any of its inspections. Buyer hereby indemnifies Seller and Seller's Board of Commissioners, directors, officers, shareholders, employees, consultants, representatives, contractors and agents from and against any and all personal injuries, damage to the Property and mechanics' liens, arising out of any such entry by Buyer or its agents, designees, contractors, subcontractors, or representatives onto the Property; provided, however, that the foregoing shall not apply to any preexisting condition of the Property or any intentional act or intentional omission of Seller. From and after the Opening Date, Buyer and Buyer's representatives, agents and designees shall have the right to consult with any party for any purpose relating to the Property. Notwithstanding the foregoing, Buyer shall not be permitted to undertake any intrusive or destructive testing of the Property, including without limitation a "Phase II" environmental assessment, without in each instance first obtaining Seller's written consent, which consent shall not be unreasonably withheld. In conducting any inspections, tests or studies, Buyer and its authorized agents and representatives shall (a) not materially interfere with the operation, use and maintenance of the Property, (b) except for normal damage incidental to studies, inspections, investigations and tests, not damage any part of the Property or any personal property owned or held by any third party, (c) not injure or otherwise cause bodily harm to Seller or any of its respective agents, contractors and employees or any other third party, (d) promptly pay when due, the cost of all inspections, tests or studies, (e) not permit any liens to attach to the Property by reason of the exercise of their rights under this Paragraph 7.a.(5), (f) restore the Property to the condition in which the same was found before any such inspections, tests or studies were undertaken and, (g) not reveal or disclose any information obtained prior to the Close of Escrow concerning the Property to anyone outside of Buyer, its attorneys, consultants or representatives, except to the extent required by applicable law or court order. Seller shall be provided an opportunity to have a representative of Seller present during any testing. Prior to any entry onto the Property by Buyer or Buyer's representatives, Buyer shall furnish to Seller a copy of a certificate of insurance or self-insurance evidencing that Seller has been added as an additional insured to Buyer's general policy of liability insurance with the liability limit required in the Right of Entry Agreement (Exhibit "D") in connection with entry onto the Property. If the Close of Escrow does not occur for any reason other than the default of Seller, Buyer agrees to give to Seller, without any representation or warranty of any kind, copies of reports, studies, investigations or other work product of third party professionals retained by Buyer in connection with Buyer's due diligence activities.

b. Conditions Precedents to Seller's Obligation. For the benefit of Seller, the Close of Escrow shall be conditioned upon the occurrence and satisfaction of each of the

following conditions (or Seller's waiver thereof, it being agreed Seller may waive any or all of such conditions):

- (1) Buyer's Obligations. Buyer shall have timely performed all of the obligations required by the terms of this Agreement to be performed by Buyer; and;

All proration will occur on the date of the Close of Escrow based on a thirty (30) day month. The obligations of the parties pursuant to this Paragraph 11 shall survive the Close of Escrow and shall not merge into the Close of Escrow and the recording of the Grant Deed in the Official Records.

12. Taxes. Seller is responsible for all real and personal property taxes and assessments accruing on the Property before the Close of Escrow. Buyer is responsible for all real and personal property taxes and assessments accruing on the Property on and after the Close of Escrow.

Such interpretation shall not relieve Buyer from indemnifying the Indemnitees to the fullest extent allowed by law.

a. Default. In the event of a default under this Agreement, the non-defaulting party shall give written notice of such default to the defaulting party, specifying the nature of the default and the required action to cure the default. If a default remains uncured fifteen (15) business days after receipt by the defaulting party of such notice, the non-defaulting party may exercise the remedies set forth in subparagraph (b) below.

b. Remedies.

(1) Default by Seller. In the event the Close of Escrow and the acquisition of the Property by Buyer does not occur by reason of any uncured default by Seller, Buyer shall be entitled to terminate this Agreement in which case following such termination, neither party shall have any further right, remedy or obligation under this Agreement, except that Buyer shall be entitled to the return of the First and Second Escrow Deposit and the Closing Funds (if deposited with Escrow). Buyer hereby waives any right it may have to seek specific performance, consequential, punitive or any other damages from Seller as a result of any uncured default by Seller under this Agreement.

(2) Default By Buyer. IN THE EVENT THE CLOSE OF ESCROW AND THE ACQUISITION OF THE PROPERTY BY BUYER DOES NOT OCCUR AS HEREIN PROVIDED BY REASON OF AN UNCURED DEFAULT OF BUYER AFTER NOTICE AND OPPORTUNITY TO CURE, BUYER AND SELLER AGREE THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER. THE PAYMENT OF SUCH AMOUNT AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTIONS 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO SELLER PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. UPON

DEFAULT BY BUYER, THIS AGREEMENT SHALL BE TERMINATED AND NEITHER PARTY SHALL HAVE ANY FURTHER RIGHTS OR OBLIGATIONS HEREUNDER EXCEPT FOR THE RIGHT OF SELLER TO COLLECT SUCH LIQUIDATED DAMAGES FROM BUYER AND ESCROW HOLDER. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, NOTHING HEREIN SHALL BE DEEMED TO LIMIT OR OTHERWISE AFFECT BUYER'S INDEMNIFICATION OBLIGATIONS UNDER THIS AGREEMENT.

Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any default shall not operate as a waiver of said default or of any rights or remedies in connection therewith or of any subsequent default or any rights or remedies in connection therewith, or deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

22. Natural Hazard Disclosure Requirement Compliance. Buyer and Seller acknowledge that Seller may be required to disclose if the Property lies within the following natural hazard areas or zones: (i) a special flood hazard area designated by the Federal Emergency Management Agency (California Civil Code Section 1102.17); (ii) an area of potential flooding (California Government Code Section 8589.4); (iii) a very high fire hazard severity zone (California Government Code Section 51183.5); (iv) a wild land area that may contain substantial forest fire risks and hazards (Public Resources Code Section 4136); (v) earthquake fault zone (Public Resources Code Section 2621.9); or (vi) a seismic hazard zone (Public Resources Code Section 2694) (sometimes all of the preceding are herein collectively called the "Natural Hazard Matters"). acknowledges and agrees that Buyer is purchasing the Property subject to all applicable laws, rules, regulations, codes, ordinances and orders. By Buyer purchasing the Property and upon the occurrence of the Close of Escrow, Buyer waives any and all right or ability to make a claim of any kind or nature against Seller, and each of its commissioners, directors, officers, employees, representatives, Property managers, asset managers, agents, attorneys, affiliated and related entities, heirs, successors and assigns (collectively "Releasees") for any and all deficiencies or defects in the physical characteristics and condition of the Property which would be disclosed by such inspection and expressly agrees to acquire the Property with any and all of such deficiencies and defects and subject to all matters disclosed by Seller herein or in any separate writing with respect to the Property. Any and all information and documents furnished to Buyer by or on behalf of Seller relating to the Property shall be deemed furnished to Buyer without any warranty of any kind from or on behalf of Seller, subject to the express representations, warranties and covenants of Seller set forth herein to the extent they survive the Closing. Buyer hereby represents and warrants to Seller that Buyer shall have had the opportunity to perform an independent inspection and investigation of the Property and also investigate and obtain knowledge of operative or proposed governmental laws and regulations including without limitation, land use laws and regulations to which the Property may be subject. Buyer further represents that, except for any representations, warranties and covenants expressly made by Seller in Paragraph 14 of this Agreement, it shall acquire the Property solely upon the basis of its independent inspection and investigation of the Property, including without limitation, (i) the quality, nature, habitability, merchantability, use, operation, value, marketability, adequacy or physical condition of the Property or any aspect or portion thereof, including, without limitation, structural elements, foundation, roof, appurtenances, access, landscaping, parking facilities, electrical, mechanical, HVAC, plumbing, sewage, and utility systems, facilities and appliances, soils, geology and groundwater, or whether the Property lies within a special flood hazard area, an area of potential flooding, a very high fire hazard severity zone, a wildland fire area, an earthquake fault zone or a seismic hazard zone, (ii) the dimensions or lot size of Property or the square footage of the Improvements thereon or of any tenant space therein, (iii) the development or income potential, or rights of or relating to, the Property or its use, habitability, merchantability, or fitness, or the suitability, value or adequacy of such Property for any particular purpose, (iv) the zoning or other legal status of the Property or any other public or private restrictions on the use of the Property, (v) the compliance of the Property or its operation

with any applicable codes, laws, regulations, statutes, ordinances, covenants, conditions and restrictions of any governmental or regulatory agency or authority or of any other person or entity (including, without limitation, the American with Disabilities Act), (vi) the ability of Buyer to obtain any necessary governmental approvals, licenses or permits for Buyer's intended use or development of the Property, (vii) the quality of any labor and materials used in any Improvements, or (viii) the economics of, or the income and expenses, revenue or expense projections or other financial matters, relating to the operation of the Property.

## NOTICE OF EXEMPTION

August 17, 2016

**Project Name:** Housing Authority of the County of Riverside, Resolution No. 2016-004 Authorization to Sell Real Property located in the City of Jurupa Valley

**Project Number:** N/A

**Project Location:** Eastern End of 30th Street, in the City of Jurupa Valley, Riverside County, California; Assessor Parcel Numbers (APNs): 177-020-012, 177-020-018, & 177-110-005  
(see attached exhibits)

**Description of Project:** On January 12, 2016, the Housing Authority of the County of Riverside (Housing Authority) Board of Commissioners (Board) adopted Resolution No. 2016-001, Notice of Intent to Sell the Fee Interest in Real Property located the City of Jurupa Valley, identified as Assessor's Parcel Numbers 177-020-012, 177-020-018, and 177-110-005. The Housing Authority owns the real property consisting of 6.76 acres of vacant unimproved real property located on the Eastern End of 30th Street in the City of Jurupa Valley, as more specifically described in the legal description attached hereto, (Properties). The Housing Authority considered developing the Properties. After due consideration, it was determined to be too costly for development of single family homes and too small for multi-family housing. The Housing Authority received an offer to purchase the site for \$400,000 but the offeror ultimately withdrew his offer.

Recently, the Housing Authority received an offer of \$405,000 for the purchase of the Properties from Richland Real Estate Fund LLC. The offer is at the appraised value of \$405,000. HACR supports the offer and desires the Board to approve the Offer and Agreement to Purchase Real Property, to sell the Properties. On August 23<sup>rd</sup> the Board adopted Resolution No. 2016-004 which is the authorization to sell the real property described above. The sale of the Properties is identified as the proposed Project under the California Environmental Quality Act (CEQA). The Project is limited to the sale of surplus property alone and would not result in any physical changes or significant effect on the environment.

**Name of Public Agency Approving Project:** Housing Authority of the County of Riverside

**Name of Person or Agency Carrying Out Project:** Housing Authority of the County of Riverside and Richland Real Estate Fund LLC

**Exempt Status:** California Environmental Quality Act (CEQA) Guidelines, Section 15061 (b) (3), General Rule Exemption and Section 15312, Surplus Government Property Sales Exemption.

**Reasons Why Project is Exempt:** The project is exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor does the project include unusual circumstances which could potentially have significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the sale of surplus government property and associated transfer of title.

- **Section 15061 – General Rule or “Common Sense” Exemption.** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b)(3). The use of this exemption is appropriate if “it can be seen with certainty that that there is no possibility that the activity in question may have a significant effect on the environment.” Ibid. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *Muzzy Ranch Co. v Solano County Airport Land Use Comm’n* (2007) 41 Cal.4th 372. With certainty, there is no possibility that the proposed project may have a significant effect on the environment. The proposed sale and transfer of title will not result in any direct or indirect physical environmental impacts. The property would remain in its existing environmental state until development entitlements are sought through application with the City of Jurupa Valley, which would require additional CEQA review prior to issuance. At this time specific details for future development are not known or reasonably foreseeable. Therefore, in no way would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.
- **Section 15312 – Surplus Government Property Sales.** This categorical exemption includes the sale of surplus government property, except for parcels of land located in an area of Statewide, regional, or area wide concern identified in Section 15206 (b)(4). These areas include the Lake Tahoe Basin, the Santa Monica Mountains Zone, the California Coastal Zone, areas within .25 miles of a wild and scenic river, the Sacramento-San Joaquin Delta, the Suisun Marsh, and the jurisdiction of the San Francisco Bay Conservation and Development Commission. Sections (a) and (b) of this exemption provide conditions where, if met, the sale is considered exempt. The project is located in the City of Jurupa Valley and is not within .25 of a wild and scenic river. Therefore, the project is not located within an area of significance and the provisions listed in subsections (a) and (b) would not be applied. The project, as proposed, is limited to the sale and transfer of title of land; therefore the project is exempt as it meets the scope and intent of the class 12 exemption identified in Section 15312.

Based upon the identified exemptions above, the Housing Authority of the County of Riverside hereby concludes that no physical environmental impacts are anticipated to occur and the transaction as proposed is exempt under CEQA. No further environmental analysis is warranted.

Housing Authority of the County of Riverside

5. Liens. Grantee shall not permit any lien to be placed against the Property, or any part thereof, as a result of Grantee's activities under this Agreement, including, but not limited to liens by design professionals', mechanics', material man's contractors' or subcontractors' liens, and shall ensure that any such lien is removed or bonded to the Grantor's satisfaction within twenty (20) calendar days of the recording of such lien. Grantee acknowledges and agrees to hold Grantor harmless for any loss or expense, including reasonable attorneys' fee, arising from any such liens which might be filed or recorded against the Property, or any part thereof.

6. Indemnification; Hold Harmless. Grantee shall indemnify and hold harmless Grantor, County of Riverside, its Agencies, Boards, Districts, Special Districts and Departments, their respective directors, officers, Board of Commissioners, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any act or omission of Grantee, its officers, employees, contractors, subcontractors, agents or representatives arising out of or in any way relating to or in any way connected with Grantee's use of the Property pursuant to this Agreement or this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any

kind or nature whatsoever. Grantee shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Grantor, County of Riverside, its Agencies, Boards, Districts, Special Districts and Departments, their respective directors, officers, Board of Commissioners, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any claim or action based upon such alleged acts or omissions; provided, however, that the foregoing shall not apply to any liability directly related to a pre-existing condition of the Property not arising out of or in any way relating to or in any way connected with Grantee's, its officers, employees, contractors, subcontractors, agents or representatives use of the Property pursuant to this Agreement. The obligations set forth in this paragraph shall survive the termination of this agreement.

Grantee's obligation hereunder shall be satisfied when Grantee has provided to Grantor the appropriate form of dismissal relieving Grantor from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe Grantee's obligations to indemnify and hold harmless the Grantor herein from third party claims. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve Grantee from indemnifying the Grantor to the fullest extent allowed by law.

7. Insurance. Without limiting or diminishing Grantee's obligation to indemnify or hold the Grantor harmless, Grantee shall procure and maintain or cause to be procured and maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement. In respects to the insurance section, the Grantor herein refers to the Housing Grantor of the County of Riverside, County of Riverside, its Agencies, Boards, Districts, Special

Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

7.2 Commercial General Liability. Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of Grantee's performance of its obligations hereunder. 7.4 General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the Grantor Risk Manager. If the

Grantor's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) Grantee must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the Grantor Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the Grantor, and at the election of the Country's Risk Manager, Grantee's carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the Grantor, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) Grantee shall cause Grantee's insurance carrier(s) to furnish the Grantor with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the Grantor Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the Grantor prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate unless the Grantor receives another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. *Grantee shall not commence operations until the Grantor has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so, on its behalf, shall sign the original endorsements*

*for each policy and the Certificate of Insurance.*

4) It is understood and agreed to by the Parties hereto that Grantee's insurance shall be construed as primary insurance, and the Grantor's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of the Agreement; or, there is a material change in the scope of entry or permitted activities under this Agreement; or, the term of this Agreement, including any extensions thereof, exceeding five (5) years; the Grantor reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the Grantor Risk Manager's reasonable judgment, the amount or type of insurance carried by Grantee has become inadequate.

6) Grantee shall pass down the insurance obligations contained herein to all tiers of contractors and subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the Grantor.

8) Grantee agrees to notify Grantor of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

8. Compliance with Laws. Grantee shall, and shall cause its contractors, agents and employees to, conduct all activities undertaken pursuant to this Agreement in compliance with applicable federal, state and local laws, statues, ordinances, rules, regulations and orders. Without limiting the generality of the foregoing, Grantee shall secure, at its sole cost and expense, any and all permits and approvals which may be required by any applicable law, rule, regulation or ordinance, for Grantee's conduct of the activities contemplated in this Agreement.

9. Inspection. Grantor, its representatives, employees, agents and independent contractors shall have the right enter and inspect the Property or any portion thereof, including,

but not limited to any improvements, at any time and from time to time at reasonable times to verify Grantee's compliance with the terms and conditions of this Agreement.

10. Non-Exclusive Nature of Grant. Grantee acknowledges and agrees that the rights granted to Grantee hereunder are temporary and non-exclusive.

11. No Real Property Interest; No Possessory Interest. Grantee expressly understands, acknowledges and agrees that this Agreement does not in any way whatsoever grant or convey any permanent easement, lease, fee or other real property interest in the Property, or any portion thereof, to Grantee.

Grantee further acknowledges and agrees that Grantor's grant of the right of entry to use the Property pursuant to this Agreement creates no possessory interest in the Property and therefore Grantee shall abandon the use of the Property without the necessity of a judicial proceeding by the Grantor no later than the expiration of this Agreement, or, in the event of an earlier termination of this Agreement, Grantee shall abandon the use of the Property immediately upon such earlier termination. Grantee further acknowledges and agrees that any failure to abandon the use of the Property upon expiration or termination of this Agreement shall constitute a trespass. This Agreement is intended to be for a short term duration. Nothing set forth in this Agreement shall be deemed to limit the rights of Grantee under the Purchase Agreement and in the event of any conflict between this Agreement and the Purchase Agreement, the Purchase Agreement shall control.

12. Condition Of The Property. The Property is licensed to Grantee in an "as is" condition, existing as of the Effective Date of this Agreement. Grantee shall not construct any temporary or permanent improvements or make any material changes to the Property as part of Grantee's use of the Property without Grantor's prior written consent, which may be withheld in its sole and absolute discretion. Such prohibition on construction of improvements or material changes to the Property shall include but shall not be limited to any signs, paving, construction of fencing, retaining walls, buildings or structures, or the removal of any living trees.

13. Protection and Restoration of Property. Grantee, its employees, agents,

contractors and subcontractors, shall protect the Property, including all improvements and the natural resources thereon, at all times at Grantee's sole cost and expense, and Grantee, its employees, agents, contractors and subcontractors, shall strictly adhere to the following restrictions:

13.1 Grantee shall not commit waste upon the Property;

13.2 Grantee shall not permit any dangerous condition to be created on the Property as a result of the activities of Grantee or the Grantee Representatives;

13.3 Grantee shall not place or dump garbage, trash or refuse anywhere upon or within the Property;

13.4 Grantee shall not commit or create, or suffer to be committed or created, a hazardous condition and/or nuisance to exist upon the Property;

13.5 Grantee shall not cut, prune or remove any native trees or brush upon the Property, except for the elimination of safety hazards, without first obtaining Grantor's written consent. Grantee shall take all necessary precautions to prevent the import and/or release into the environment of any hazardous materials which are imported to, in, on or under the Property during the performance of the Permitted Purpose. If hazardous materials are imported onto the Property as a result of the performance of the Permitted Purpose, Grantee shall be solely responsible for removing such imported hazardous materials in conformance with all governmental requirements. Grantee shall report to grantor, as soon as possible after each incident, any incidents with respect to the environmental condition of the Property;

13.6 Grantee shall not disturb, move or remove any rocks or boulders upon the Property, except as necessary for the elimination of safety hazards, without the prior written consent of Grantor;

13.7 Grantee shall exercise due diligence in order to protect the Property from damage, destruction by fire, vandalism or other causes;

13.8 Grantee shall remove all debris generated by Grantee, its employees,

agents, contractors and subcontractors on the Property; and

13.9 Grantee shall not damage the Property in the process of performing its contemplated activities under this Agreement.

Upon the termination or expiration of this Agreement, and provided that the Property has not been conveyed to Grantee, Grantee shall at its sole cost and expense, cause the Property to be restored from any damage or material change caused by Grantee or any Grantee Representative to substantially the same condition as the Property was in prior to Grantee's entry onto the Property under this Agreement.

14. Public Safety. Grantee shall, and shall cause its contractors, subcontractors and employees entering the Property to, take necessary and reasonable steps to protect themselves and members of the public from harm resulting from Grantee's activities on the Property, including by wearing highly visible clothing, maintaining strobe lights on vehicles and using a VHF radio when conducting activities on the Property.

15. Termination. In the event that Grantee or a Grantee Representative violates any of the terms or conditions set forth in this Agreement, the Grantor Executive Director or designee, after giving Grantee written notice of such violation and a ten (10) calendar day period within which to cure the same, shall have the right to immediately terminate this Agreement by providing written notice to Grantee of said termination. No termination or expiration of this Agreement shall relieve Grantee of performing any of its obligations required hereunder which were either required prior to or which survive such termination or expiration.

16. Waiver. Any waiver by Grantor of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any term thereof. Failure on the part of the Grantor to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof, or estopping Grantor from enforcement hereof at a later date.

17. Grantor's Proprietary Capacity. Grantee agrees that Grantor, in making and entering into this Agreement, is acting and shall be deemed to be acting solely in Grantor's

proprietary capacity for all purposes and in all respects; and nothing contained in this Agreement shall be deemed directly or indirectly to restrict or impair in any manner or respect whatsoever any of Grantor's governmental powers or rights or the exercise thereof by Grantor, whether with respect to the Property or Grantee's use thereof or otherwise. It is intended that Grantee shall be obligated to fulfill and comply with all such requirements as may be imposed by any governmental agency or authority of the Grantor having or exercising jurisdiction over the Property in its governmental capacity.

18. Independent Capacity. Grantee shall act at all times in an independent capacity during the term of this Agreement, and shall not act as, shall not be, nor shall they in any manner be construed or deemed to be agents, officers, or employees of Grantor.

19. Entire Agreement. This Agreement is the result of negotiations between the Parties and no ambiguity in this Agreement shall be construed against the drafter. The Parties declare and represent that no inducement, promise or agreement not set forth herein has been made to them and that this Agreement and the Purchase Agreement contain the entire agreement between the Parties regarding the subject matter herein. The terms of this Agreement are contractual and not a mere recital.

20. Warranty of Authority. The undersigned represents that it has the authority to, and does, bind the person or entity on whose behalf and for whom it is signing this Agreement and the attendant documents provided for herein, and this Agreement and said additional documents are, accordingly, binding on said person or entity.

21. Assignment. This Agreement shall not, nor shall any interest herein be assigned, mortgaged, hypothecated, or transferred by Grantee, whether voluntary or involuntary or by operation of law, nor shall Grantee let or sublet or grant any license or permit with respect to the use and occupancy of the Property or any portion thereof.

22. Governing Law; Jurisdiction, and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of California. The Parties agree that any legal action related to the performance or interpretation of this Agreement shall be filed only in

the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location.
