All such waivers, consents, or approvals, shall be filed with the corporate records or made a part of the minutes of the meeting.

6.12 Quorum For Meetings:

A quorum shall consist of three (3) Directors.

Except as otherwise provided in these Bylaws or in the Articles of Incorporation of this corporation, or by law, no business shall be considered by the Board at any meeting at which a quorum, as herein defined, is not present, and the only motion which the Chair shall entertain at such meeting is a motion to adjourn. However, a majority of the Directors present at such meeting may adjourn from time to time until the time fixed for the next regular meeting of the Board.

When a meeting is adjourned for lack of a quorum, it shall not be necessary to give any notice of the time and place of the adjourned meeting or of the business to be transacted at such meeting, other than by announcement at the meeting at which the adjournment is taken, except as provided in Section 10 of this Article.

The Directors present at a duly called and held meeting at which a quorum is initially present may continue to do business notwithstanding the loss of a quorum at the meeting due to a withdrawal of Directors from the meeting, provided that any action thereafter taken must be approved by at least a majority of the required quorum for such meeting or such greater percentage as may

be required by law, or the Articles of Incorporation or Bylaws of this corporation.

6.13 Majority Action As Board Action:

Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board of Directors, unless the Articles of Incorporation or Bylaws of this corporation, or provisions of the California Nonprofit Public Benefit Corporation Law, particularly those provisions relating to appointment of committees (Section 5212), approval of contracts or transactions in which a Director has a material financial interest (Section 5233) and indemnification of Directors (Section 5238e), require a greater percentage or different voting rules for approval of a matter by the Board.

Meetings of the Board of Directors shall be presided over by the Chairman of the Board, or, if no such person has been so designated or, in his or her absence, the President of the corporation or, in his or her absence, by the Vice-President of the corporation or, in the absence of each of these persons, by a Chairman chosen by a majority of the Directors present at the meeting. The Secretary of the corporation shall act as Secretary of all meetings of the Board, provided that in his or her absence, the presiding officer shall appoint another person to act as Secretary of the meeting.

Meetings shall be governed by Roberts' Rules of Order, as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles of Incorporation of this corporation, or with provisions of law.

6.15 Action By Unanimous Written Consent Without Meeting:

Any action required or permitted to be taken by the Board of Directors under any provisions of law may be taken without a meeting, if all members of the Board shall individually or collectively consent in writing to such action. For the purposes of this section only, "all members of the Board" shall not include any "interested Director" as defined in Section 5233 of the California Nonprofit Public Benefit Corporation Law. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of the Directors. Any certificate or other document filed under any provision of law which relates to action so taken shall state that the action was taken by unanimous written consent of the Board of

Directors without a meeting and that the Bylaws of this corporation authorize the Directors to so act, and such statement shall be prima facie evidence of such authority.

6.16 Vacancies:

Vacancies on the Board of Directors shall exist (1) on the death, resignation or removal of any Director, and (2) whenever the number of authorized Directors is increased.

The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by a final order of court, or convicted of a felony, or been found by a final order or judgment of any court to have breached any duty under Section 5230 and following of the California Nonprofit Public Benefit Corporation Law. Directors may be removed without cause by a majority of the Directors then in office.

Any Director may resign effective upon giving written notice to the Chairman of the Board, the President, the Secretary or the Board of Directors, unless the notice specifies a later time for the effectiveness of such resignation. No Director may resign if the corporation would then be left without a duly elected Director or Directors in charge of its affairs, except upon notice to the Attorney General.

Vacancies on the Board may be filled by approval of the Board or, if the number of Directors then in office is less than a quorum, by (1) the unanimous written consent of the Directors then in office, (2) the affirmative vote of a majority of the Directors then in office at a meeting held pursuant to notice or waivers of notice complying with this Article of these Bylaws, or (3) a sole remaining Director.

A person elected to fill a vacancy as provided in this Section shall hold office until the next annual election of the Board of Directors or until his or her death, resignation or removal from office.

6.17 Non-Liability Of Directors:

The Directors shall not be personally liable for the debts, liabilities, or other obligations of the corporation.

6.18 Indemnification By Corporation Of Directors, Officers, Employees And Other Agents:

To the extent permitted under California law, the corporation may indemnify and hold harmless any director, officer, or employee against any cost, expense, judgment or claim against such person by reason of the fact that he or she is, or was, an agent of the

corporation, including expenses actually and reasonably incurred by any such person in connection with such proceeding.

Mojave Desert Land Trust Mission

The Mojave Desert Land Trust protects the Mojave Desert ecosystem and its scenic and cultural resource values.

Mojave Desert Vision

It is the year 2030. The California Desert is a vital ecosystem of interconnected, permanently protected scenic and natural areas that host a diversity of native plants and wildlife. Views and vistas are broad. The air is clear, the water clean, and the night skies dark. Cities and military facilities are compact and separated by large natural areas.

Local residents, visitors, land managers, and political leaders value the unique environment in which they live and work. They understand the natural processes and cultural resources of the California Desert as well the impacts of global climate change upon the Desert ecosystem and collaborate on land use and management activities that allow for adaptation under changing climactic conditions and protect the California Desert for future generations.
