BACKGROUND continued:

In November 2007, the Board of Supervisors established the Supplemental Contribution Plan to provide supplemental retirement contributions for employees whose CalPERS retirement benefits are reduced by federal law. Both the 401(a) Money Purchase and Supplemental Contribution Plan operate under VALIC Retirement Services Governmental Volume Submitter. VALIC provides the County with plan document administration services including monitoring legislative and/or IRS regulatory changes and notifying the County of any action required. The County offers employees a choice of two vendors, Nationwide Retirement Solutions or VALIC Retirement Services. Employees have the ability to direct their account investments using a number of investment vehicles.

EGTRRA Regulatory Changes:

The 401(a) Money Purchase Plan and the Supplemental Contribution Plan need to be amended to incorporate the final provisions of EGTRRA. At the time EGTRRA was passed, Plan sponsors were required to adopt an EGTRRA "good faith" amendment to be in compliance. VALIC has now updated its Governmental Volume Submitter Plan, as required by the IRS. The plan documents have been amended to adopt the following EGTRRA changes:

- Modification of the definition of an eligible retirement plan for purposes of rollovers
- Exclusion of hardship distributions and the inclusion of after-tax employee contributions in relation to eligible rollovers
- Employer discretion regarding the acceptance of rollovers from other plans
- Automatic IRA rollover rules for involuntary distributions
- The inclusion of rollovers in determining the threshold for involuntary distributions
- Increase of the compensation limit and the maximum annual IRC 415 limit

Amendment to the 401(a) Money Purchase Plan to reduce DDAA Contributions:

The Board of Supervisors approved the Deputy District Attorneys Association (DDAA) Terms and Conditions of Employment on September 21, 2009 reducing bi-weekly Money Purchase Plan contributions from \$50 to \$25 effective November 10, 2009. The Addendum to the Money Purchase Plan document (Attachment C) has been amended to reflect the reduced bi-weekly 401(a) contributions for all members of DDAA effective November 10, 2009.

Amendment to the 401(a) Supplemental Retirement Contribution to allow Settlement Agreement Contributions:

The Human Resources Department recommends Board of Supervisors ratification and approval of the 401(a) Supplemental Retirement Contribution plan amendment, effective January 1, 2009 to allow contributions to the plan for employees with which the County has reached a settlement agreement as a result of employment action.

There are no new County costs associated with the recommended action. The plan documents have been reviewed and approved by County Counsel and are included as Attachments A through L.

RESTRICTIONS ON USE OF ADOPTION AGREEMENT: This Adoption Agreement may be used solely in conjunction with the VALIC Retirement Services Company Governmental Volume Submitter Plan (the Basic Plan Document). The Adoption Agreement and the Basic Plan Document together constitute the "volume submitter document" that is being adopted by the Employer.

APPROVAL BY VOLUME SUBMITTER PRACTITIONER REQUIRED: This volume submitter specimen document may be adopted only with the approval of the Volume Submitter Practitioner identified in Section A above. However, the adoption of this Plan, its qualification by the IRS, and the related tax consequences are the responsibility of the Employer and its independent tax and legal advisors. The Volume Submitter Practitioner will inform the adopting Employer of any amendments made to the volume submitter document, or of the discontinuance or abandonment of the volume submitter document.

RELIANCE ON VOLUME SUBMITTER PLAN: The adopting Employer may rely on an advisory letter issued to the Volume Submitter Practitioner by the Internal Revenue Service as evidence that the plan is qualified under Code Section 401 only if (1) the Employer's plan is identical to a volume submitter specimen plan with a currently valid favorable advisory letter, (2) the Employer has chosen only options permitted under the Adoption Agreement portion of the specimen document, (3) the Employer has followed the terms of the plan, and (4) all other conditions of section 19 of Revenue Procedure 2005-16 have been satisfied.

The Employer may not rely on an advisory letter in certain circumstances or with respect to certain qualification requirements as described in section 19 of Revenue Procedure 2005-16. For example, the Employer may not rely on the advisory letter with respect to the requirements of Section 415 if the Employer maintains or has ever maintained another plan covering some of the same participants. In those circumstances where an Employer is not permitted to rely on an advisory letter issued to the Volume Submitter Practitioner, either generally or with respect to a particular qualification requirement, the Employer may choose to apply to the Internal Revenue Service for a determination letter.

CAUTION: This volume submitter document has been designed for use solely by Employers that are state or local governmental entities. As such, it is designed solely for "governmental plans" that are exempt from Title I of ERISA and certain provisions of the Internal Revenue Code that otherwise apply to qualified plans. However, there may be restrictions under state or local law on a governmental Employer's right to establish its own qualified plan (or on the types of provisions that may be included in such plan). The Employer should consult with legal counsel to verify that the establishment of this plan (or the specific provisions elected in this Adoption Agreement) are not contrary to existing state law. Neither the Volume Submitter Practitioner nor its employees or representatives are authorized to provide legal or tax advice to the Employer or its employees or representatives. Failure to properly complete this Adoption Agreement may result in disqualification of the plan.

AMENDMENT FOR THE FINAL 415 REGULATIONS

ARTICLE I PREAMBLE

- 1.1 **Effective date of Amendment.** This Amendment is effective for limitation years and plan years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the Plan) that begins on or after July 1, 2007, except as otherwise provided herein.
- 1.2 **Superseding of inconsistent provisions.** This Amendment supersedes the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Amendment.
- 1.3 **Employer's election.** The Employer adopts all Articles of this Amendment, except those Articles that the Employer specifically elects not to adopt.
- 1.4 **Construction.** Except as otherwise provided in this Amendment, any reference to "Section" in this Amendment refers only to sections within this Amendment, and is not a reference to the Plan. The Article and Section numbering in this Amendment is solely for purposes of this Amendment, and does not relate to any Plan article, section or other numbering designations.
- 1.5 **Effect of restatement of Plan.** If the Employer restates the Plan, then this Amendment shall remain in effect after such restatement unless the provisions in this Amendment are restated or otherwise become obsolete (e.g., if the Plan is restated onto a plan document which incorporates the final Code §415 Regulation provisions).

ARTICLE II EMPLOYER ELECTIONS

The Employer only needs to complete the questions in Section 2.2 in order to override the default provisions set forth below. If the Plan will use all of the default provisions, then these questions should be skipped.

- 2.1 **Default provisions.** Unless the Employer elects otherwise in Section 2.2, the following defaults will apply:
- a. The provisions of the Plan setting forth the definition of compensation for purposes of Code § 415 (hereinafter referred to as "415 Compensation"), shall be modified by (1) including payments for unused sick, vacation or other leave and payments from nonqualified unfunded deferred compensation plans (Section 3.2(b)), (2) excluding salary continuation payments for participants on military service (Section 3.2(c)), and (3) excluding salary continuation payments for disabled participants (Section 3.2(d)).
 - b. The "first few weeks rule" does not apply for purposes of 415 Compensation (Section 3.3).

The provision of the Plan setting forth the definition of compensation for allocation purposes (hereinafter referred to as "Plan Compensation") shall be modified to provide for the same adjustments to Plan Compensation (for all contribution types) that are made to 415 Compensation pursuant to this Amendment.

**ARTICLE III
 FINAL SECTION 415 REGULATIONS**

- 3.1 **Effective date.** The provisions of this Article III shall apply to limitation years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with the authority to amend the Plan) that begins on or after July 1, 2007.
- 3.2 **415 Compensation paid after severance from employment.** 415 Compensation shall be adjusted, as set forth herein and as otherwise elected in Article II, for the following types of compensation paid after a Participant's severance from employment with the Employer maintaining the Plan (or any other entity that is treated as the Employer pursuant to Code § 414(b), (c), (m) or (o)). However, amounts described in subsections (a) and (b) below may only be included in 415 Compensation to the extent such amounts are paid by the later of 2 1/2 months after severance from employment or by the end of the limitation year that includes the date of such severance from employment. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered 415 Compensation within the meaning of Code § 415(c)(3), even if payment is made within the time period specified above.
- (a) **Regular pay.** 415 Compensation shall include regular pay after severance of employment if:
- (1) The payment is regular compensation for services during the participant's regular working hours, or compensation for services outside the participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and
 - (2) The payment would have been paid to the participant prior to a severance from employment if the participant had continued in employment with the Employer.
- (b) **Leave cashouts and deferred compensation.** Leave cashouts shall be included in 415 Compensation, unless otherwise elected in Section 2.2 of this Amendment, if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the participant's severance from employment, and the amounts are payment for unused accrued bona fide sick, vacation, or other leave, but only if the participant would have been able to use the leave if employment had continued. In addition, deferred compensation shall be included in 415 Compensation, unless otherwise elected in Section 2.2 of this Amendment, if the compensation would have been included in the definition of 415 Compensation if it had been paid prior to the participant's severance from employment, and the compensation is received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid at the same time if the participant had continued in employment with the Employer and only to the extent that the payment is includible in the participant's gross income.
- (c) **Salary continuation payments for military service participants.** 415 Compensation does not include, unless otherwise elected in Section 2.2 of this Amendment, payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code § 414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.
- (d) **Salary continuation payments for disabled Participants.** Unless otherwise elected in Section 2.2 of this Amendment, 415 Compensation does not include compensation paid to a participant who is permanently and totally disabled (as defined in Code § 22(e)(3)). If elected, this provision shall apply to all participants for the period specified in Section 2.2 of this Amendment.
- 3.3 **Administrative delay ("the first few weeks") rule.** 415 Compensation for a limitation year shall not include, unless otherwise elected in Section 2.2 of this Amendment, amounts earned but not paid during the limitation year solely because of the timing of pay periods and pay dates. However, if elected in Section 2.2 of this Amendment,

415 Compensation for a limitation year shall include amounts earned but not paid during the limitation year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next limitation year, the amounts are included on a uniform and consistent basis with respect to all similarly situated participants, and no compensation is included in more than one limitation year.

- 3.4 **Inclusion of certain nonqualified deferred compensation amounts.** If the Plan's definition of Compensation for purposes of Code § 415 is the definition in Regulation Section 1.415(c)-2(b) (Regulation Section 1.415-2(d)(2) under the Regulations in effect for limitation years beginning prior to July 1, 2007) and the simplified compensation definition of Regulation 1.415(c)-2(d)(2) (Regulation Section 1.415-2(d)(10) under the Regulations in effect for limitation years prior to July 1, 2007) is not used, then 415 Compensation shall include amounts that are includible in the gross income of a Participant under the rules of Code § 409A or Code § 457(f)(1)(A) or because the amounts are constructively received by the Participant. [Note if the Plan's definition of Compensation is W-2 wages or wages for withholding purposes, then these amounts are already include in Compensation.]
- 3.5 **Definition of annual additions.** The Plan's definition of "annual additions" is modified as follows:
- (a) **Restorative payments.** Annual additions for purposes of Code § 415 shall not include restorative payments. A restorative payment is a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are restorative payments only if the payments are made in order to restore some or all of the plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). This includes payments to a plan made pursuant to a court-approved settlement to restore losses to a qualified defined contribution plan on account of the breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not restorative payments and generally constitute contributions that are considered annual additions.
- (b) **Other Amounts.** Annual additions for purposes of Code § 415 shall not include: (1) The direct transfer of a benefit or employee contributions from a qualified plan to this Plan; (2) Rollover contributions (as described in Code §§ 401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (3) Repayments of loans made to a participant from the Plan; and (4) Repayments of amounts described in Code § 411(a)(7)(B) (in accordance with Code § 411(a)(7)(C)) and Code § 411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code § 414(d)) as described in Code § 415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.
- (c) **Date of tax-exempt Employer contributions.** Notwithstanding anything in the Plan to the contrary, in the case of an Employer that is exempt from Federal income tax (including a governmental employer), Employer contributions are treated as credited to a participant's account for a particular limitation year only if the contributions are actually made to the plan no later than the 15th day of the tenth calendar month following the end of the calendar year or fiscal year (as applicable, depending on the basis on which the employer keeps its books) with or within which the particular limitation year ends.
- 3.6 **Change of limitation year.** The limitation year may only be changed by a Plan amendment. Furthermore, if the Plan is terminated effective as of a date other than the last day of the Plan's limitation year, then the Plan is treated as if the Plan had been amended to change its limitation year.
- 3.7 **Excess Annual Additions.** Notwithstanding any provision of the Plan to the contrary, if the annual additions (within the meaning of Code § 415) are exceeded for any participant, then the Plan may only correct such excess in accordance with the Employee Plans Compliance Resolution System (EPCRS) as set forth in Revenue Procedure 2006-27 or any superseding guidance, including, but not limited to, the preamble of the final §415 regulations.
- 3.8 **Aggregation and Disaggregation of Plans.**
- (a) For purposes of applying the limitations of Code § 415, all defined contribution plans (without regard to whether a plan has been terminated) ever maintained by the Employer (or a "predecessor employer") under which the participant receives annual additions are treated as one defined contribution plan. The "Employer" means the Employer that adopts this Plan and all members of a controlled group or an affiliated service group that includes the Employer (within the meaning of Code §§ 414(b), (c), (m) or (o)), except that for purposes of this Section, the determination shall be made by applying Code § 415(h), and shall take into account tax-exempt organizations

under Regulation Section 1.414(c)-5, as modified by Regulation Section 1.415(a)-1(f)(1). For purposes of this Section:

(1) A former Employer is a "predecessor employer" with respect to a participant in a plan maintained by an Employer if the Employer maintains a plan under which the participant had accrued a benefit while performing services for the former Employer, but only if that benefit is provided under the plan maintained by the Employer. For this purpose, the formerly affiliated plan rules in Regulation Section 1.415(f)-1(b)(2) apply as if the Employer and predecessor Employer constituted a single employer under the rules described in Regulation Section 1.415(a)-1(f)(1) and (2) immediately prior to the cessation of affiliation (and as if they constituted two, unrelated employers under the rules described in Regulation Section 1.415(a)-1(f)(1) and (2) immediately after the cessation of affiliation) and cessation of affiliation was the event that gives rise to the predecessor employer relationship, such as a transfer of benefits or plan sponsorship.

(2) With respect to an Employer of a participant, a former entity that antedates the Employer is a "predecessor employer" with respect to the participant if, under the facts and circumstances, the employer constitutes a continuation of all or a portion of the trade or business of the former entity.

(b) **Break-up of an affiliate employer or an affiliated service group.** For purposes of aggregating plans for Code § 415, a "formerly affiliated plan" of an employer is taken into account for purposes of applying the Code § 415 limitations to the employer, but the formerly affiliated plan is treated as if it had terminated immediately prior to the "cessation of affiliation." For purposes of this paragraph, a "formerly affiliated plan" of an employer is a plan that, immediately prior to the cessation of affiliation, was actually maintained by one or more of the entities that constitute the employer (as determined under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2)), and immediately after the cessation of affiliation, is not actually maintained by any of the entities that constitute the employer (as determined under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2)). For purposes of this paragraph, a "cessation of affiliation" means the event that causes an entity to no longer be aggregated with one or more other entities as a single employer under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the employer under the employer affiliation rules of Regulation Section 1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(c) **Midyear Aggregation.** Two or more defined contribution plans that are not required to be aggregated pursuant to Code § 415(f) and the Regulations thereunder as of the first day of a limitation year do not fail to satisfy the requirements of Code § 415 with respect to a participant for the limitation year merely because they are aggregated later in that limitation year, provided that no annual additions are credited to the participant's account after the date on which the plans are required to be aggregated.

ARTICLE IV PLAN COMPENSATION

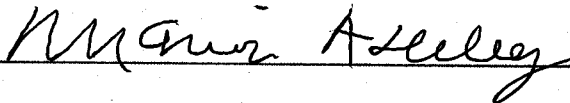

- 4.1 **Compensation limit.** Notwithstanding Amendment Section 4.2 or any election in Amendment Section 2.2., if the Plan is a 401(k) plan, then participants may not make elective deferrals with respect to amounts that are not 415 Compensation. However, for this purpose, 415 Compensation is not limited to the annual compensation limit of Code § 401(a)(17).
- 4.2 **Compensation paid after severance from employment.** Compensation for purposes of allocations (hereinafter referred to as Plan Compensation) shall be adjusted, unless otherwise elected in Amendment Section 2.2, in the same manner as 415 Compensation pursuant to Article III of this Amendment, except in applying Article III, the term "limitation year" shall be replaced with the term "plan year" and the term "415 Compensation" shall be replaced with the term "Plan Compensation."

4.3 **Option to apply Plan Compensation provisions early.** The provisions of this Article shall apply for Plan Years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the Plan) that begins on or after July 1, 2007, unless an earlier effective date is specified in Section 2.2. of this Amendment.

This amendment has been executed this 5th day of January, 2010.

RESTRICTIONS ON USE OF ADOPTION AGREEMENT: This Adoption Agreement may be used solely in conjunction with the VALIC Retirement Services Company Governmental Volume Submitter Plan (the Basic Plan Document). The Adoption Agreement and the Basic Plan Document together constitute the "volume submitter document" that is being adopted by the Employer.

APPROVAL BY VOLUME SUBMITTER PRACTITIONER REQUIRED: This volume submitter specimen document may be adopted only with the approval of the Volume Submitter Practitioner identified in Section A above. However, the adoption of this Plan, its qualification by the IRS, and the related tax consequences are the responsibility of the Employer and its independent tax and legal advisors. The Volume Submitter Practitioner will inform the adopting Employer of any amendments made to the volume submitter document, or of the discontinuance or abandonment of the volume submitter document.

RELIANCE ON VOLUME SUBMITTER PLAN: The adopting Employer may rely on an advisory letter issued to the Volume Submitter Practitioner by the Internal Revenue Service as evidence that the plan is qualified under Code Section 401 only if (1) the Employer's plan is identical to a volume submitter specimen plan with a currently valid favorable advisory letter, (2) the Employer has chosen only options permitted under the Adoption Agreement portion of the specimen document, (3) the Employer has followed the terms of the plan, and (4) all other conditions of section 19 of Revenue Procedure 2005-16 have been satisfied.

The Employer may not rely on an advisory letter in certain circumstances or with respect to certain qualification requirements as described in section 19 of Revenue Procedure 2005-16. For example, the Employer may not rely on an advisory letter with respect to the requirements of Section 415 if the Employer maintains or has ever maintained another plan covering some of the same participants. In those circumstances where an Employer is not permitted to rely on an advisory letter issued to the Volume Submitter Practitioner, either generally or with respect to a particular qualification requirement, the Employer may choose to apply to the Internal Revenue Service for a determination letter.

CAUTION: This volume submitter document has been designed for use solely by Employers that are state or local governmental entities. As such, it is designed solely for "governmental plans" that are exempt from Title I of ERISA and certain provisions of the Internal Revenue Code that otherwise apply to qualified plans. However, there may be restrictions under state or local law on a governmental Employer's right to establish its own qualified plan (or on the types of provisions that may be included in such plan). The Employer should consult with legal counsel to verify that the establishment of this plan (or the specific provisions elected in this Adoption Agreement) are not contrary to existing state law. Neither the Volume Submitter Practitioner nor its employees or representatives are authorized to provide legal or tax advice to the Employer or its employees or representatives. Failure to properly complete this Adoption Agreement may result in disqualification of the plan.

**APPENDIX A
SPECIAL EFFECTIVE DATES**

Pursuant to Section 7.01(a) of the Basic Plan Document, the Employer may specify or change the effective date of one or more provisions of the Adoption Agreement by completing this Appendix A. The Employer may wish to specify one or more special effective dates if, for example, (i) certain Plan provisions will not be effective until a later date, or (ii) the Plan is being restated for EGTRRA (retroactive to the first Plan Year beginning on or after January 1, 2002, or the original effective date of the Plan, if later), and special effective dates are needed to reflect discretionary amendments to the Plan since that date. However, no special effective date may be earlier than the Effective Date (or the Restated Effective Date, in the case of a restatement) of the Plan, and no special effective date shall result in the delay of a Plan provision beyond the permissible effective date under any applicable law. For periods prior to the special effective date(s) specified below, the Plan terms in effect prior to its restatement under this Adoption Agreement will control for purposes of the designated provisions.

AMENDMENT FOR THE FINAL 415 REGULATIONS

**ARTICLE I
PREAMBLE**

- 1.1 **Effective date of Amendment.** This Amendment is effective for limitation years and plan years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the Plan) that begins on or after July 1, 2007, except as otherwise provided herein.
- 1.2 **Superseding of inconsistent provisions.** This Amendment supersedes the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Amendment.
- 1.3 **Employer's election.** The Employer adopts all Articles of this Amendment, except those Articles that the Employer specifically elects not to adopt.
- 1.4 **Construction.** Except as otherwise provided in this Amendment, any reference to "Section" in this Amendment refers only to sections within this Amendment, and is not a reference to the Plan. The Article and Section numbering in this Amendment is solely for purposes of this Amendment, and does not relate to any Plan article, section or other numbering designations.
- 1.5 **Effect of restatement of Plan.** If the Employer restates the Plan, then this Amendment shall remain in effect after such restatement unless the provisions in this Amendment are restated or otherwise become obsolete (e.g., if the Plan is restated onto a plan document which incorporates the final Code §415 Regulation provisions).

**ARTICLE II
EMPLOYER ELECTIONS**

The Employer only needs to complete the questions in Section 2.2 in order to override the default provisions set forth below. If the Plan will use all of the default provisions, then these questions should be skipped.

- 2.1 **Default provisions.** Unless the Employer elects otherwise in Section 2.2, the following defaults will apply:
- The provisions of the Plan setting forth the definition of compensation for purposes of Code § 415 (hereinafter referred to as "415 Compensation"), shall be modified by (1) including payments for unused sick, vacation or other leave and payments from nonqualified unfunded deferred compensation plans (Section 3.2(b)), (2) excluding salary continuation payments for participants on military service (Section 3.2(c)), and (3) excluding salary continuation payments for disabled participants (Section 3.2(d)).
 - The "first few weeks rule" does not apply for purposes of 415 Compensation (Section 3.3).
 - The provision of the Plan setting forth the definition of compensation for allocation purposes (hereinafter referred to as "Plan Compensation") shall be modified to provide for the same adjustments to Plan Compensation (for all contribution types) that are made to 415 Compensation pursuant to this Amendment.
- 2.2 **In lieu of default provisions.** In lieu of the default provisions above, the following apply: (select all that apply; if no selections are made, then the defaults apply)

- Other (describe) _____

Plan Compensation Special Effective Date. The definition of Plan Compensation is modified as set forth herein effective as of the same date as the 415 Compensation change is effective unless otherwise specified:

- m. _____ (enter the effective date)

**ARTICLE III
FINAL SECTION 415 REGULATIONS**

- 3.1 **Effective date.** The provisions of this Article III shall apply to limitation years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with the authority to amend the Plan) that begins on or after July 1, 2007.
- 3.2 **415 Compensation paid after severance from employment.** 415 Compensation shall be adjusted, as set forth herein and as otherwise elected in Article II, for the following types of compensation paid after a Participant's severance from employment with the Employer maintaining the Plan (or any other entity that is treated as the Employer pursuant to Code § 414(b), (c), (m) or (o)). However, amounts described in subsections (a) and (b) below may only be included in 415 Compensation to the extent such amounts are paid by the later of 2 1/2 months after severance from employment or by the end of the limitation year that includes the date of such severance from employment. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered 415 Compensation within the meaning of Code § 415(c)(3), even if payment is made within the time period specified above.
- (a) **Regular pay.** 415 Compensation shall include regular pay after severance of employment if:
- (1) The payment is regular compensation for services during the participant's regular working hours, or compensation for services outside the participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and
 - (2) The payment would have been paid to the participant prior to a severance from employment if the participant had continued in employment with the Employer.
- (b) **Leave cashouts and deferred compensation.** Leave cashouts shall be included in 415 Compensation, unless otherwise elected in Section 2.2 of this Amendment, if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the participant's severance from employment, and the amounts are payment for unused accrued bona fide sick, vacation, or other leave, but only if the participant would have been able to use the leave if employment had continued. In addition, deferred compensation shall be included in 415 Compensation, unless otherwise elected in Section 2.2 of this Amendment, if the compensation would have been included in the definition of 415 Compensation if it had been paid prior to the participant's severance from employment, and the compensation is received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid at the same time if the participant had continued in employment with the Employer and only to the extent that the payment is includible in the participant's gross income.
- (c) **Salary continuation payments for military service participants.** 415 Compensation does not include, unless otherwise elected in Section 2.2 of this Amendment, payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code § 414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.
- (d) **Salary continuation payments for disabled Participants.** Unless otherwise elected in Section 2.2 of this Amendment, 415 Compensation does not include compensation paid to a participant who is permanently and totally disabled (as defined in Code § 22(e)(3)). If elected, this provision shall apply to all participants for the period specified in Section 2.2 of this Amendment.
- 3.3 **Administrative delay ("the first few weeks") rule.** 415 Compensation for a limitation year shall not include, unless otherwise elected in Section 2.2 of this Amendment, amounts earned but not paid during the limitation year solely because of the timing of pay periods and pay dates. However, if elected in Section 2.2 of this Amendment, 415 Compensation for a limitation year shall include amounts earned but not paid during the limitation year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next limitation year, the amounts are included on a uniform and consistent basis with respect to all similarly situated participants, and no compensation is included in more than one limitation year.
- 3.4 **Inclusion of certain nonqualified deferred compensation amounts.** If the Plan's definition of Compensation for purposes of Code § 415 is the definition in Regulation Section 1.415(c)-2(b) (Regulation Section 1.415-2(d)(2) under the Regulations in effect for limitation years beginning prior to July 1, 2007) and the simplified compensation definition of Regulation 1.415(c)-2(d)(2) (Regulation Section 1.415-2(d)(10) under the Regulations in effect for limitation years prior to July 1, 2007) is not used, then 415 Compensation shall include amounts that are includible in the gross income of a Participant under the rules of Code § 409A or Code § 457(f)(1)(A) or because the amounts are constructively received by the Participant. [Note if the Plan's definition of Compensation is W-2 wages or wages for withholding purposes, then these amounts are already included in Compensation.]
- 3.5 **Definition of annual additions.** The Plan's definition of "annual additions" is modified as follows:
- (a) **Restorative payments.** Annual additions for purposes of Code § 415 shall not include restorative payments. A restorative payment is a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are restorative payments only if the payments are made in order to restore some or all of the plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for

such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). This includes payments to a plan made pursuant to a court-approved settlement to restore losses to a qualified defined contribution plan on account of the breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not restorative payments and generally constitute contributions that are considered annual additions.

(b) **Other Amounts.** Annual additions for purposes of Code § 415 shall not include: (1) The direct transfer of a benefit or employee contributions from a qualified plan to this Plan; (2) Rollover contributions (as described in Code §§ 401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (3) Repayments of loans made to a participant from the Plan; and (4) Repayments of amounts described in Code § 411(a)(7)(B) (in accordance with Code § 411(a)(7)(C)) and Code § 411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code § 414(d)) as described in Code § 415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.

(c) **Date of tax-exempt Employer contributions.** Notwithstanding anything in the Plan to the contrary, in the case of an Employer that is exempt from Federal income tax (including a governmental employer), Employer contributions are treated as credited to a participant's account for a particular limitation year only if the contributions are actually made to the plan no later than the 15th day of the tenth calendar month following the end of the calendar year or fiscal year (as applicable, depending on the basis on which the employer keeps its books) with or within which the particular limitation year ends.

3.6 **Change of limitation year.** The limitation year may only be changed by a Plan amendment. Furthermore, if the Plan is terminated effective as of a date other than the last day of the Plan's limitation year, then the Plan is treated as if the Plan had been amended to change its limitation year.

3.7 **Excess Annual Additions.** Notwithstanding any provision of the Plan to the contrary, if the annual additions (within the meaning of Code § 415) are exceeded for any participant, then the Plan may only correct such excess in accordance with the Employee Plans Compliance Resolution System (EPCRS) as set forth in Revenue Procedure 2006-27 or any superseding guidance, including, but not limited to, the preamble of the final §415 regulations.

3.8 **Aggregation and Disaggregation of Plans.**

(a) For purposes of applying the limitations of Code § 415, all defined contribution plans (without regard to whether a plan has been terminated) ever maintained by the Employer (or a "predecessor employer") under which the participant receives annual additions are treated as one defined contribution plan. The "Employer" means the Employer that adopts this Plan and all members of a controlled group or an affiliated service group that includes the Employer (within the meaning of Code §§ 414(b), (c), (m) or (o)), except that for purposes of this Section, the determination shall be made by applying Code § 415(h), and shall take into account tax-exempt organizations under Regulation Section 1.414(c)-5, as modified by Regulation Section 1.415(a)-1(f)(1). For purposes of this Section:

(1) A former Employer is a "predecessor employer" with respect to a participant in a plan maintained by an Employer if the Employer maintains a plan under which the participant had accrued a benefit while performing services for the former Employer, but only if that benefit is provided under the plan maintained by the Employer. For this purpose, the formerly affiliated plan rules in Regulation Section 1.415(f)-1(b)(2) apply as if the Employer and predecessor Employer constituted a single employer under the rules described in Regulation Section 1.415(a)-1(f)(1) and (2) immediately prior to the cessation of affiliation (and as if they constituted two, unrelated employers under the rules described in Regulation Section 1.415(a)-1(f)(1) and (2) immediately after the cessation of affiliation) and cessation of affiliation was the event that gives rise to the predecessor employer relationship, such as a transfer of benefits or plan sponsorship.

(2) With respect to an Employer of a participant, a former entity that antedates the Employer is a "predecessor employer" with respect to the participant if, under the facts and circumstances, the employer constitutes a continuation of all or a portion of the former entity.

(b) **Break-up of an affiliate employer or an affiliated service group.** For purposes of aggregating plans for Code § 415, a "formerly affiliated plan" of an employer is taken into account for purposes of applying the Code § 415 limitations to the employer, but the formerly affiliated plan is treated as if it had terminated immediately prior to the "cessation of affiliation." For purposes of this paragraph, a "formerly affiliated plan" of an employer is a plan that, immediately prior to the cessation of affiliation, was actually maintained by one or more of the entities that constitute the employer (as determined under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2)), and immediately after the cessation of affiliation, is not actually maintained by any of the entities that constitute the employer (as determined under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2)). For purposes of this paragraph, a "cessation of affiliation" means the event that causes an entity to no longer be aggregated with one or more other entities as a single employer under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the employer under the employer affiliation rules of Regulation Section 1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(c) **Midyear Aggregation.** Two or more defined contribution plans that are not required to be aggregated pursuant to Code § 415(f) and the Regulations thereunder as of the first day of a limitation year do not fail to satisfy the requirements of Code § 415 with respect to a participant for the limitation year merely because they are aggregated later in that limitation year,

provided that no annual additions are credited to the participant's account after the date on which the plans are required to be aggregated.

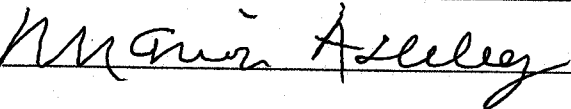

**ARTICLE IV
PLAN COMPENSATION**

- 4.1 **Compensation limit.** Notwithstanding Amendment Section 4.2 or any election in Amendment Section 2.2., if the Plan is a 401(k) plan, then participants may not make elective deferrals with respect to amounts that are not 415 Compensation. However, for this purpose, 415 Compensation is not limited to the annual compensation limit of Code § 401(a)(17).
- 4.2 **Compensation paid after severance from employment.** Compensation for purposes of allocations (hereinafter referred to as Plan Compensation) shall be adjusted, unless otherwise elected in Amendment Section 2.2, in the same manner as 415 Compensation pursuant to Article III of this Amendment, except in applying Article III, the term "limitation year" shall be replaced with the term "plan year" and the term "415 Compensation" shall be replaced with the term "Plan Compensation."
- 4.3 **Option to apply Plan Compensation provisions early.** The provisions of this Article shall apply for Plan Years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the Plan) that begins on or after July 1, 2007, unless an earlier effective date is specified in Section 2.2. of this Amendment.

This amendment has been executed this 5th day of January, 2010.
