

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Human Resources Department

SUBMITTAL DATE:

January 20, 2010

SUBJECT: Authorization to Provide Two (2) Years of Additional Service Credit to eligible County employees (excluding Elected Officials, Parks, Flood, Waste, and Special Districts, except for Regional Conservation Authority) covered under the County of Riverside's Miscellaneous CalPERS contract.

RECOMMENDED MOTION: That the Board of Supervisors (1) authorize the County of Riverside to offer two (2) years of additional service credit to all eligible employees covered under the County's Miscellaneous contract and employed in both an eligible classification and department as listed in Attachments 2 and 3; (2) certify compliance with Government Code section 7507 (Attachment 4) and Government Code section 20903 (Attachment 5); and (3) On February 9, 2010, adopt Resolution 2010-055 (Attachment 6) and sign the Certification of Governing Body's Action (Attachment 7) to establish the window period in accordance with CalPERS requirements.

Approval of this action will provide a retirement incentive for all County employees covered by the CalPERS Miscellaneous Plan who are over age 50 with five or more years of service, excluding Elected Officials (by law), the County Executive Officer (by Policy), and all Special Districts except for the Regional Conservation Authority. Safety employees are not included in this action.

Ronald W. Komers
Asst. County Executive Officer/Human Resources Dir.

BACKGROUND:

Riverside County is facing one of its most significant financial challenges ever. The County Executive Officer estimates discretionary revenue shortfalls of approximately \$76 million for FY 10/11, with additional property tax and sales tax revenue losses next year. Together, these revenue losses and the County's ongoing costs have created a structural deficit of approximately \$71 million. The County needs to restructure and significantly reduce its costs for the next several years. The County Executive Officer has estimated that up to 1,500 lay-offs, mostly in general government operations funded by property and sales taxes may be required. The recommended action will provide a valuable tool to help County managers restructure their operations, eliminate vacant positions, and limit the number of lay-offs to a more acceptable level.

In January of 2009 the County of Riverside offered the early retirement option to 3,400 eligible employees. A total of 651 County employees retired (19% of those eligible) at that time. The total estimated cost for the January 2009 retirement option is the cost of the additional service credit provided to these retirees. In addition, an immediate payout of leave accruals, rather than at the time of a later retirement, was included as a cost to the current year's budget, even though those costs would have been paid at the time of retirement anyway. The cost impact reflecting both the service credit cost and the leave payouts totaled \$44,239,945. However, the County also saved money due to the annual leave or vacation leave not accrued by those who retired early. Assuming the vacated positions remain frozen, the County will save a total of \$13,414,674 by June 30, 2010. Each year thereafter the County will save approximately \$45,028,174 per year. Attachment 8 provides a summary report analyzing the cost savings and demographics of the 2009 early retirement incentive for Miscellaneous employees.

As a result of the ongoing revenue losses experienced by the County, and as an alternative to layoffs, it is requested that the Board of Supervisors authorize the early retirement option to eligible age-appropriate County employees covered by the CalPERS Miscellaneous contract who:

1. Have attained 50 years of age;
2. Have five or more years of service credit with CalPERS; and
3. Retire within the respective 180-day retirement window specified in Attachment 1.

The designated early retirement window period will be February 11, 2010 through August 9, 2010.

To implement this change it is necessary to provide two certifications to CalPERS, as provided in Attachments 4 and 5:

1. The Certification of Compliance with Government Code section 7507 (Attachment 4), which certifies the cost of this benefit is being made public; and
2. The Certification of Compliance with Government Code section 20903 (Attachment 5), which confirms the County's need to take this action, and that:
 - a. Impending layoffs constitute at least one percent of the job classifications, departments, or organizational units designated by the County; and
 - b. By this action it is the intent of the County to create unfilled vacancies thereby resulting in a permanent overall reduction in the work force.

Form 11 – Early Retirement Incentive**January 20, 2010****Page 3**

CalPERS requires the County to certify that it is our intention that at least one vacancy in any position in any department or organizational unit shall remain permanently unfilled for each employee who is granted this incentive, thereby resulting in an overall reduction in the workforce. CalPERS does audit these programs, so it is important to track the positions that are left vacant. At the same time, please note that the position left vacant need not be the one from which the employee retired, or at the same level, or even in the same department. This allows the County to consider effective changes to the organizational structure, while confirming the ultimate goal of reduced costs overall.

No earlier than two weeks after this public notice, this item must be returned to the Board's agenda for final adoption of the formal resolution and for signature of the Certification of Governing Body's Action. A sample of the final Resolution and Certification are attached as Attachment 6 and 7.

The cost of this action can be paid in one of two ways: the estimated cost can be paid in a lump sum to CalPERS, or it can be added to the County's actuarial accrued liability, which will result in an employer contribution rate increase over 20 years. CalPERS increases the employer rate based on the number of employees who elect the early retirement option. The rate increase is spread equally among all County departments or divisions covered under the County's Miscellaneous contract.

Based on our experience with the previous early retirement option, we believe 15% (approximately 527) of those eligible may accept the proposed incentive. This would result in an estimated service credit cost of \$21,992,390. We recommend that this cost be paid as an increase to the CalPERS employer rate and amortized over 20 years, so that current savings during this financial crisis are maximized. The average service credit cost per employee is \$41,723. The average pension increase as a result of the early retirement option is estimated at \$261 per month. After FY2011, the annual savings from elimination of 527 positions is estimated to be over \$46 million per year.

Below we have provided cost estimates for this action, along with projected salary savings due to the resulting vacant positions. If all eligible employees within the proposed window period elect the early retirement option, the increased cost to the Miscellaneous contract would be approximately \$146,615,935, or a 1.468% increase in the employer contribution rate for a period of 20 years.

Estimated Costs	8% Accept Incentive	15% Accept Incentive	25% Accept Incentive	100% Accept Incentive
Number of Employees	281	527	879	3,514
Annual Compensation & Benefit Savings	\$24,769,239	\$46,442,324	\$77,403,873	\$309,615,493
Service Credit Cost in Dollars	\$11,729,275	\$21,992,390	\$36,653,984	\$146,615,935
Leave Balance Estimates	\$5,352,805	\$10,036,510	\$16,727,516	\$66,910,064
Total Cost (Service Credit Cost + Leave Balances Estimate)	\$17,082,080	\$32,028,900	\$53,381,500	\$213,525,999
Employer Contribution Rate Increase as a % of payroll beginning in FY 2012/2013	.117%	.220%	.367%	1.468%

Form 11 – Early Retirement Incentive**January 20, 2010****Page 4**

The expected increase in the employee contribution rate is .220% of payroll beginning FY 12/13. The total service credit cost is \$21,992,390 or \$1,661,057 per year when amortized over 20 years. The leave balance payments are amounts that will be required to be paid by the County in any event, and not a cost of giving the early retirement incentive, but we included them as part of the cost due to their impact on the current year budget.

In summary, we recommend moving forward with an early retirement incentive for a 180-day window as a way to mitigate the impact of the budget reductions. The results from the prior incentive have proven to be successful in reducing costs, and the flexibility in identifying positions to be eliminated will allow the County to balance the impact across departments as necessary. If the Board directs us to exclude certain departments or positions from eligibility, revised cost estimates and dates can be prepared for the next meeting.

CERTIFICATION OF COMPLIANCE WITH
GOVERNMENT CODE SECTION 20903

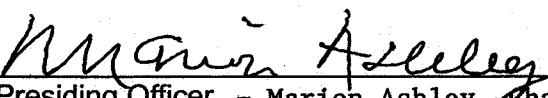

In accordance with Government Code section 20903 and the contract between the Public Employees' Retirement System, the Board of Supervisors of the County of Riverside hereby certifies that:

1. Because of an impending curtailing of, or change in the manner of, performing service, the best interests of the agency will be served by granting such additional service credit.
2. The added cost to the retirement fund for all eligible employees who retire during the designated window period will be included in the contracting agency's employer contribution rate for the fiscal year that begins two years after the end of the designated period.
3. It has elected to become subject to Section 20903 because of impending mandatory transfers, demotions, and layoffs that constitute at least 1 percent of the job classifications, departments, or organizational units, as designated by the governing body, resulting from the curtailment of, or change in the manner of, performing its services.
4. Its intention at the time Section 20903 becomes operative is to keep all vacancies created by retirements under this section or at least once vacancy in any position in any department or other organizational unit permanently unfilled, thereby resulting in an overall reduction in the work force of such department or organizational unit.

THEREFORE, the Board of Supervisors of the County of Riverside hereby elects to provide the benefits of Government Code section 20903 to all eligible Miscellaneous members who retire within the designated period, February 11, 2010 through August 9, 2010.

**CERTIFICATION OF COMPLIANCE WITH
GOVERNMENT CODE SECTION 7507**

I hereby certify that in accordance with Section 7507 of the Government Code the future annual costs as determined by the System Actuary for the increase in retirement benefit(s) have been made public at a public meeting of the

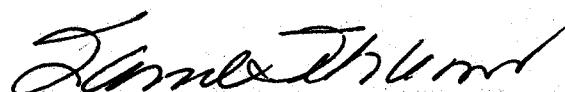

Board of Supervisors
(governing body)

of the

County of Riverside
(public agency)

on January 26, 2010, which is at least two weeks prior to the
(date)

adoption of the Resolution/Ordinance.

Impact of the Early Retirement Incentive For Riverside County Miscellaneous Members of CalPERS

January 20, 2010

The County of Riverside offered an early retirement incentive to its employees in the California Public Employees' Retirement System (CalPERS) Miscellaneous Members' Pension Plan during a 90-day period from January 1, 2009 to March 31, 2009. At the time, there were 3,435 employees who were eligible for this incentive, and 651 (19%) elected to retire with the incentive. As the Board of Supervisors is considering offering another incentive period to respond to the ongoing economic challenges, this report will analyze the results produced from the 2009 offering.

Did the offer result in a reduction in the workforce?

Yes. Exhibit I demonstrates that the overall County workforce decreased by 5.5% last year, a net total of 1,048 employees from December 31, 2008 to December 31, 2009. Over half of that decrease was accomplished through the retirement incentive program. The total number of retirements for Miscellaneous Members in 2007 and 2008 were 260 and 189, respectively. Total retirements in 2009 for this group were 716, more than three times the average number.

Were those who took the offer concentrated in certain employee groups or departments?

No. There were seven departments that had no takers, but these were fairly small departments. Overall, the distribution across departments is reflective of the size of the department. As for employee groups, with the exception of the LIUNA Trades, Crafts, and Labor unit, the percentage of eligible employees who took the offer ranged from 16% to 33%, with the largest acceptance rate being the Prosecution unit. See Exhibit II for a breakdown by union.

Age and service seemed to be a better predictor of who would elect to retire. Employees over age 60 and those with 20 or more years of service were most likely to accept the offer. See Exhibit III.

Has the County recovered the cost of the 2009 Miscellaneous Retirement Incentive?

Yes. The cost of the two-year service credit is actually being spread over the next 20 years as an increase to the employer contribution to CalPERS. However, as Exhibit IV demonstrates, there will be a net savings of \$28, 379,433 as of June 30, 2010. Even after applying these savings to the required vacation and annual leave distributions, which are a liability that must be paid when an employee leaves the County in any case, there is a net savings of \$13,414,674 as of FYE 2010.

Are there any further savings to be gained by another incentive?

Yes, we believe there are. We have been advised through our Labor-Management Committees, that there are a significant number of employees who would take the opportunity now, given the ongoing fiscal crisis, the lack of salary increases, and the likelihood of further staff reductions. Of course, there are an additional 730 employees who first became eligible for the incentive within the past twelve months. The first incentive program was also limited by having a 90-day window that closed at the end of March, before the budget was adopted for 2009-10. The reality of the budget dilemma was not fully apparent before the window closed. If the new incentive is extended for the 180-day window as proposed, employees will be able to take into account both the County and State budget reduction proposals before they make their choice. Further, with a 180-day window, employees will have more flexibility related to vacation/annual leave distributions, as provided by their collective bargaining contracts. The extended window thus responds to the anecdotal feedback we received about why people did not take the first incentive.

In looking at the age and service distribution of eligible employees this year, there are 142 employees who have over 20 years of service and are over age 60. In addition, there are another 687 employees over age 60 with less than 20 years of service, and 706 employees between ages 50 and 60 with over 20 years of service. Based on these statistics, we expect approximately 15%, or 527, of the eligible employees to retire during the window period.

Prev. Agn. Ref.: 01/26/2010, 3.54b | District: | Agenda Number:

3.33

The Board signed the Certification of Compliance with Government Code Section 7507 certifying the cost of this benefit has been made public, and the Certification of Compliance with Government Code Section 20903 confirming the County's need to take this action and that:

- a. Impending layoffs constitute at least one percent of the job classifications, departments, or organizational units designated by the County; and
- b. By this action it is the intent of the County to create unfilled vacancies thereby resulting in a permanent overall reduction in the work force.

Human Resources is now returning this item to the Board's agenda for final adoption of the formal Resolution 2010-055 and for signature of the Certification of Governing Body's Action included as Attachments 1 and 2 to establish the early retirement window period as February 11, 2010 through August 9, 2010 in accordance with CalPERS requirements.

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
