RE: Adopting Ordinance No. 673.3 amending the fee appeal time period for the Coachella Valley Transportation Uniform Mitigation Fee (CVTUMF)

February 9, 2010

Page 2 of 2

BACKGROUND:

The County of Riverside ("County") is a member agency of the Coachella Valley Association of Governments ("CVAG"), a joint powers agency comprised of the County of Riverside and cities located in Coachella Valley area of Riverside County. The member agencies of CVAG recognized that there was insufficient funding to address the impacts of new development on the regional system of highways and arterials in Coachella Valley (the "Regional System"). In order to address this shortfall, the member agencies formulated a plan whereby a transportation mitigation fee would be assessed on new development and would be used to fund the necessary improvements for the Regional System.

On October 29, 2007 the CVAG Executive Committee approved the change of the applicant's notice of appeal period for CVTUMF from 15 days to 90 days from the imposition of the fee. The CVAG Executive Committee has recommended that member agencies make this change to make each jurisdiction's CVTUMF ordinance in accordance with California Government Code Sections 66020-66025 to reflect the 90 day appeal requirement.

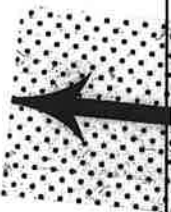

Ordinance No. 673.3 is exempt from CEQA based under Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the ordinance may have a significant effect on the environment. There is no specific development project connected with this proposed amendment and it does not commit the County to any development. The County's approval of the amendment does not cause any circumstances to significantly impact the environment or have negative cumulative impacts on the environment. This amendment has been reviewed and approved as to form by County Counsel.
