SUBJECT: Approval to Amend the Contract with the City of Moreno Valley and the County of Riverside for Vector Control Services.

RECOMMENDED MOTION: That the Board of Supervisors approve the attached amendment to the contract between the Department of Environmental Health and the City of Moreno Valley for vector control services.

BACKGROUND: This amendment to the contract is necessary due to the increased need for mosquito and other vector control services within the City of Moreno Valley. Proactive vector control services help to prevent diseases such as West Nile Virus and are imperative to protecting the public's health. The current contract limits the City's billable services to \$15,000 per fiscal year. This amendment will increase the amount to a \$25,000 annual limit for the remainder of the contract. No other changes to the contract.
