

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned Western Alta Construction, Inc., as Principal : and International Fidelity Insurance Company, as Surety, are hereby held and firmly bound unto the County of Riverside, hereinafter called the "Owner", in the sum of Ten Percent of Total Bid in----- dollars (\$ 10% of Total Bid) for the payment of which sum, well and truly to be made, were hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

WHEREAS, the said Principal is herewith submitting its proposal for the construction of

Eastvale Fire Station 27, 7067 Hamner Ave., Corona, CA. 92880

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the aforesaid Principal shall be awarded the contract upon said proposal and shall, within the required number of days after the notice of such award, execute a written memorial of the awarded contract and submit the required labor and material and faithful performance bond, then this obligation shall be null and void; and in the event that the principal fails and/or refuses to execute and deliver said documents this bond will be charged with the costs of the damages experienced by the Owner as a result of such refusal, including but not limited to, publication cost, the difference in money between the amount of the bid of the said principal and the amount for which the obligee may legally contract with another party to perform the said work if such amount be in excess of the former; building lease or rental costs, transportation costs, and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event however, shall the Surety's liability exceed the penal sum hereof.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Owner may accept such bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under their several seals this 16th day of June, 2010, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

# POWER OF ATTORNEY INTERNATIONAL FIDELITY INSURANCE COMPANY

HOME OFFICE: ONE NEWARK CENTER, 20TH FLOOR  
NEWARK, NEW JERSEY 07102-5207

KNOW ALL MEN BY THESE PRESENTS: That INTERNATIONAL FIDELITY INSURANCE COMPANY, a corporation organized and existing laws of the State of New Jersey, and having its principal office in the City of Newark, New Jersey, does hereby constitute and appoint

OWEN M. BROWN, BARBARA J. BENDER

Anaheim, CA.

its true and lawful attorney(s)-in-fact to execute, seal and deliver for and on its behalf as surety, any and all bonds and undertakings, contracts of indemnity and other writings obligatory in the nature thereof, which are or may be allowed, required or permitted by law, statute, rule, regulation, contract or otherwise, and the execution of such instrument(s) in pursuance of these presents, shall be as binding upon the said INTERNATIONAL FIDELITY INSURANCE COMPANY, as fully and amply, to all intents and purposes, as if the same had been duly executed and acknowledged by its regularly elected officers at its principal office.

This Power of Attorney is executed, and may be revoked, pursuant to and by authority of Article 3-Section 3, of the By-Laws adopted by the Board of Directors of INTERNATIONAL FIDELITY INSURANCE COMPANY at a meeting called and held on the 7th day of February, 1974.

The President or any Vice President, Executive Vice President, Secretary or Assistant Secretary, shall have power and authority

- (1) To appoint Attorneys-in-fact, and to authorize them to execute on behalf of the Company, and attach the Seal of the Company thereto, bonds and undertakings, contracts of indemnity and other writings obligatory in the nature thereof and,
- (2) To remove, at any time, any such attorney-in-fact and revoke the authority given.

Further, this Power of Attorney is signed and sealed by facsimile pursuant to resolution of the Board of Directors of said Company adopted at a meeting duly called and held on the 29th day of April, 1982 of which the following is a true excerpt:

Now therefore the signatures of such officers and the seal of the Company may be affixed to any such power of attorney or any certificate relating thereto by facsimile, and any such power of attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by facsimile signatures and facsimile seal shall be valid and binding upon the Company in the future with respect to any bond or undertaking to which it is attached.

IN TESTIMONY WHEREOF, INTERNATIONAL FIDELITY INSURANCE COMPANY has caused this instrument to be signed and its corporate seal to be affixed by its authorized officer, this 16th day of October, A.D. 2007.

INTERNATIONAL FIDELITY INSURANCE COMPANY

STATE OF NEW JERSEY  
County of Essex

Secretary

On this 16th day of October 2007, before me came the individual who executed the preceding instrument, to me personally known, and, being by me duly sworn, said he is the therein described and authorized officer of the INTERNATIONAL FIDELITY INSURANCE COMPANY; that the seal affixed to said instrument is the Corporate Seal of said Company; that the said Corporate Seal and his signature were duly affixed by order of the Board of Directors of said Company.

IN TESTIMONY WHEREOF, I have hereunto set my hand affixed my Official Seal, at the City of Newark, New Jersey the day and year first above written.

A NOTARY PUBLIC OF NEW JERSEY  
My Commission Expires Nov. 21, 2010

### CERTIFICATION

I, the undersigned officer of INTERNATIONAL FIDELITY INSURANCE COMPANY do hereby certify that I have compared the foregoing copy of the Power of Attorney and affidavit, and the copy of the Section of the By-Laws of said Company as set forth in said Power of Attorney, with the ORIGINALS ON IN THE HOME OFFICE OF SAID COMPANY, and that the same are correct transcripts thereof, and of the whole of the said originals, and that the said Power of Attorney has not been revoked and is now in full force and effect

IN TESTIMONY WHEREOF, I have hereunto set my hand this 16TH day of JUNE, 2010

Assistant Secretary

Attest

GREAT AMERICAN INSURANCE COMPANY

STATE OF OHIO, COUNTY OF HAMILTON - ss:

\_\_\_\_\_  
DAVID C. KITCHIN (513-412-4602)

On this 2<sup>nd</sup> day of JUNE, 2009, before me personally appeared DAVID C. KITCHIN, to me known, being duly sworn, deposes and says that he resides in Cincinnati, Ohio, that he is the Divisional Senior Vice President of the Bond Division of Great American Insurance Company, the Company described in and which executed the above instrument; that he knows the seal of the said Company; that the seal affixed to the said instrument is such corporate seal; that it was so affixed by authority of his office under the By-Laws of said Company, and that he signed his name thereto by like authority.

This Power of Attorney is granted by authority of the following resolutions adopted by the Board of Directors of Great American Insurance Company by unanimous written consent dated March 1, 1993.

*RESOLVED: That the Division President, the Division Senior Vice President, the several Divisional Vice Presidents and Divisional Assistant Vice Presidents, or any one of them, be and hereby is authorized, from time to time, to appoint one or more Attorneys-in-Fact to execute on behalf of the Company, as surety, any and all bonds, undertakings and contracts of suretyship, or other written obligations in the nature thereof; to prescribe their respective duties and the respective limits of their authority; and to revoke any such appointment at any time.*

*RESOLVED FURTHER: That the Company seal and the signature of any of the aforesaid officers and any Secretary or Assistant Secretary of the Company may be affixed by facsimile to any power of attorney or certificate of either given for the execution of any bond, undertaking, contract or suretyship or other written obligation in the nature thereof, such signature and seal when so used being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.*

**CERTIFICATION**

I, STEPHEN C. BERAHA, Assistant Secretary of Great American Insurance Company, do hereby certify that the foregoing Power of Attorney and the Resolutions of the Board of Directors of June 9, 2008 have not been revoked and are now in full force and effect.

Signed and sealed this 7<sup>TH</sup> day of, JUNE, 2010

**SPECIALTY CONTRACTOR QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM  
(Bidder)**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Contractor. This information shall provide evidence to indicate successful experience in providing vehicle exhaust removal system work identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer of Vehicle Exhaust Removal System.

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Sub-Contractor Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate informations, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing Vehicle Exhaust Removal System work similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the installation of specified Automatic Emergency Response Vehicle Exhaust Removal Systems.
2. Demonstration of Experience: 7-10 projects that have been completed within the past 36 months utilizing similar products, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Supervision: Perform placement of work under supervision of a person having a minimum of 5 years of experience in placement of products specified herein.
4. Submit qualifications to the Agency for information purposes. Submit a resume of Exhaust System Sub Project Manager and Superintendent who will be overseeing the work.
5. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

All Vehicle Exhaust Removal Systems, as indicated on plans and specifications, shall be installed by a licensed Plymovent Corp. installer. General contractor shall provide licensed installers contact information at time of bid submittal on the provided forms (Required Vehicle Exhaust Removal Systems – Sub-Contractor Information).

**SPECIALTY MANUFACTURER QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM - MANUFACTURER**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Manufacturer. This information shall provide evidence to indicate successful experience in providing Automatic Emergency Response Vehicle Exhaust Removal System identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer; must be ISO 9001 Certified, WL and CUL Certified and certified by the Air Movement and Control Association (AMCA).

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System - Manufacturer Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate information, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing manufacturing similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the manufacturing of specified Automatic Emergency Response Vehicle Exhaust Removal System.
2. Demonstration of Experience: 10 projects that have been completed within the past 36 months of like similar material, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Submit qualifications to the Agency for information purposes. Submit evidence of ISO 9001 certification, WL and CUL Certification and certification by the Air Movement and Control Association (AMCA).
4. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

General contractor shall provide manufacturer contact information at time of bid submittal on the provided forms.

## Air Cleaning Systems...a Brief Summary

**AIR CLEANING SYSTEMS** has been serving the California and Nevada market since 1972, and currently services hundreds of customers each month by providing complete systems, installations, contract service and filter replacement. We own the building from which we operate our business, and keep in stock a full compliment of spare parts and filters for all the equipment we sell, as well as many other manufacturer's products. We are also a **licensed contractor in the state of California (# 772590) and Nevada (#0056619).**

Air Cleaning Systems performs all of the service (both warranty and non-warranty) for all of the systems we sell and install, as well as systems provided and installed by others. We always keep spare parts in stock that are most commonly required and generally can provide **service within 24 hours**, on stocked parts, as well as emergency service when required, including evenings and weekends. Many times we perform the service the same day it is requested. In the unlikely event the required part is not in our stock, the factory will ship the part for next day delivery if requested.

**Plymovent** is an international company with their United States corporate facility headquartered in New Jersey, and a **UL, ISO 9001, CUL & AMCA Certified Manufacturer.** *Experience counts and we both have it!*

Since 1990, Air Cleaning Systems and Plymovent have been providing diesel exhaust extraction systems to fire departments in the Southern California area. Over 700 fire stations in Los Angeles, Orange, Ventura, San Bernardino, Riverside, and San Luis Obispo counties, as well as Clark County Nevada currently have Plymovent Diesel Exhaust systems in operation. In San Diego County, as well as Northern California, there are approximately another 700 fire stations currently using the same Plymovent system. These two areas are serviced by other authorized and certified Plymovent stocking distributors.

In September of 2000, Air Cleaning Systems and PlymoVent were chosen to be the contractor and system of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities of the **Orange County Fire Authority** that house diesel emitting apparatus in 61 Orange County Fire Authority fire stations. This project was completed in November of 2001. The Plymovent system was completely installed in 61 OCFA fire stations in 10 months.

Plymovent and Air Cleaning Systems were also chosen by the City of Los Angeles Fire Department as the product and contractor of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities that house diesel emitting apparatus in the **City of Los Angeles**. The recommendation was made by a work group, which was formed to evaluate how to reduce and/or eliminate diesel exhaust in the workplace. As the result of their extensive study and evaluation, the Plymovent System was chosen and subsequently recommended. This project represents a total of 105 fire stations. The project is now complete with the PlymoVent system in all fire stations and represents approximately \$4,500,000 in total scope. Additionally, the City of Los Angeles Fire Department is currently building 20 new fire stations with the PlymoVent system specified for each station.

All installations of Plymovent diesel smoke extraction systems are installed only by factory trained and certified installers. This guarantees consistency with all installations. There are currently seven (7) certified installation crews in Southern California and Nevada that are authorized to install the Plymovent system. The factory is committed to increase this number on demand.

## **VENDOR QUALIFICATIONS & PROJECT EXERIENCE**

There is not another vendor that might be bidding this project that has anywhere near the experience that Air Cleaning Systems has selling and installing vehicle exhaust systems. We have installed the Plymovent system in approximately 700 fire stations here in Southern California and Southern Nevada. All of the county organizations and most of the cities already have installed the Plymovent system in their fire stations. We are headquartered in Pomona, Ca. and have a 10,000 sq. ft. facility from which we operate our business. We always keep tens of thousands of dollars in systems and spare parts in the warehouse so we might accommodate a customer with same or next day service. We have 4 service technicians factory trained and certified to make any adjustments repairs if and when it becomes necessary. We also have service technicians that operate from our office and warehouse in Las Vegas, as well as Bakersfield and Ventura. Air Cleaning Systems is staffed to take care of our customers. We are also licensed (C-20) by the state of California Contractor's License Board as well as the Nevada Contractors License Board to perform the kind of work this project requires.

As was mentioned above, Air Cleaning Systems has sold and installed the Plymovent System in over 700 fire stations in Southern California and Southern Nevada. Within the last 3 years we have installed the Plymovent system in approximately 200 fire stations. Examples would be, Riverside County Fire Department, Bakersfield Fire Dept., Kern County Fire Dept., Corona Fire Dept., Clark County Fire Dept., North Las Vegas Fire Department, several new construction project fire stations in Orange County, LA County Fire Dept., Riverside County Fire Department, and the City of Las Vegas Fire Department.

## PROJECT STAFFING

As I mentioned previously, there will be two, 2-man crews plus a project manager involved in the installation of your new Plymovent system at each station. The project manager is Tom Riordan who personally has over 15 years experience installing and managing the installation of Plymovent systems all over Southern California and Southern Nevada. He has personally been the lead man on over 100 stations for the city of Los Angeles fire department. They are very demanding and we continually got compliments on Tom and his professionalism and good attitude. Shortly after that project came to an end, Tom was promoted to Project Manager and since 2005 has managed our installation crews and the projects. He has been the project manager on the installation of several hundred Plymovent systems.

Our installation crews have been with our company since 2005 and have installed the Plymovent system in hundreds of fire stations. Each of the crew members have years of experience in working with sheet metal. This, of course, helps in that this trade is what we are licensed in. Air Cleaning Systems has both a California state contractor's license as well as a Nevada state contractor's license. This enables us to always be in control of the quality of our installations. We do NOT sub-contract anything out. This is why our quality is second to none as was demonstrated at our station 224 when we installed the systems there a short time ago.

### **Air Cleaning Systems installation crews:**

Gary Craven (Installation team leader)

Gary has been with Air Cleaning Systems for about years and has personally lead a crew in the installation of over 100 fire stations. Gary also holds a C-20 contractor's license license.

Bill Martin (Install team leader)

Bill also has been with Air Cleaning Systems for about 5 years and has personally lead a crew working on the installation of over 100 fire stations. Bill also has a sheet metal shop and fabricates many of the fittings periodically needed to complete the installation.

Ron Mace (Install Journeyman)

Ron also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Scott Wilkerson (Install Journeyman)

Scott also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Stability and experience are very important in any company and we have it at Air Cleaning Systems.

## CONTRACTORS PROPOSAL

TO THE GOVERNING BOARD OF  
THE  
REDEVELOPMENT AGENCY  
FOR THE COUNTY OF RIVERSIDE

Date June 14, 2010

Fischer, Inc.  
Bidder

The undersigned, having carefully examined the proposed site and the Plans and Specifications, the Notice Inviting Bids, the Instructions to Bidders, the Agreement Form, the Bond Forms, the General Conditions and the Supplementary General Conditions for the Eastvale Fire Station No. 27, 7067 Hamner Ave Riverside Co., CA. 92880 hereby proposes and agrees to furnish all tools, equipment, services, apparatus, facilities, transportation, labor and materials necessary to complete the construction in strict conformity with the Plans and Specifications, including all work specified in Addenda numbered and dated:

Addendum No. 1

Date 6-16-10

Addendum No. \_\_\_\_\_

Date

Addendum No. \_\_\_\_\_

Date

for the total sum, including all applicable taxes, permits and licenses as follows:

Base Bid (with Course of Construction insurance)	\$ <u>4,866,300</u>
Additive Alternate #1	\$ <u>225,000</u>
Additive Alternate #2	\$ <u>85,000</u>
Course of Construction Insurance Amount	\$ <u>95,000</u>
Course of Construction Insurance Deductible	\$ <u>5,000</u>

Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive. The basis for award will be the qualified bidder with the lowest total of the Base Bid with Course of Construction Insurance. Alternates will be accepted after award of the Base Bid and will be added to the Contract amount.

<u>PORTION OF THE WORK</u>	<u>SUBCONTRACTOR</u>	<u>ADDRESS</u>

<u>PORTION OF THE WORK</u>	<u>SUBCONTRACTOR</u>	<u>ADDRESS</u>

AWARD OF CONTRACT

The undersigned fully understands that a Contract is formed upon the acceptance of this proposal by the Owner, and the undersigned further agrees that upon request he will promptly execute and deliver to Owner a written memorial of the Contract together with the

required labor and material and performance bonds.

BID GUARANTEE

The enclosed certified or cashier's check or bidder's bond on approved form, made payable to the Owner, in the amount of ten percent (10%) of the total bid submitted herewith, is hereby given as guarantee that the bidder will execute and deliver the above mentioned written memorial and required bonds if awarded the contract, and in the event that the undersigned fails or refuses to execute and deliver said documents, such check or bond is to be charged with the costs of the damages experienced by the Owner as a result of such failure or refusal, including, but not limited to publication costs, the difference in money between the amount of the bid of the said principal and the amount for which obligee may legally contract with another party to perform the said work if such amount be in excess of the former, building lease or rental costs, transportation costs and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event, however, shall the Surety's liability exceed the penal sum hereof.

**SPECIALTY CONTRACTOR QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM  
(Bidder)**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Contractor. This information shall provide evidence to indicate successful experience in providing vehicle exhaust removal system work identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer of Vehicle Exhaust Removal System.

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Sub-Contractor Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate informations, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing Vehicle Exhaust Removal System work similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the installation of specified Automatic Emergency Response Vehicle Exhaust Removal Systems.
2. Demonstration of Experience: 7-10 projects that have been completed within the past 36 months utilizing similar products, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Supervision: Perform placement of work under supervision of a person having a minimum of 5 years of experience in placement of products specified herein.
4. Submit qualifications to the Agency for information purposes. Submit a resume of Exhaust System Sub Project Manager and Superintendent who will be overseeing the work.
5. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

All Vehicle Exhaust Removal Systems, as indicated on plans and specifications, shall be installed by a licensed Plymovent Corp. installer. General contractor shall provide licensed installers contact information at time of bid submittal on the provided forms (Required Vehicle Exhaust Removal Systems – Sub-Contractor Information).

**SPECIALTY MANUFACTURER QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM - MANUFACTURER**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Manufacturer. This information shall provide evidence to indicate successful experience in providing Automatic Emergency Response Vehicle Exhaust Removal System identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer; must be ISO 9001 Certified, WL and CUL Certified and certified by the Air Movement and Control Association (AMCA).

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Manufacturer Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate information, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing manufacturing similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the manufacturing of specified Automatic Emergency Response Vehicle Exhaust Removal System.
2. Demonstration of Experience: 10 projects that have been completed within the past 36 months of like similar material, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Submit qualifications to the Agency for information purposes. Submit evidence of ISO 9001 certification, WL and CUL Certification and certification by the Air Movement and Control Association (AMCA).
4. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

General contractor shall provide manufacturer contact information at time of bid submittal on the provided forms.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned Fischer, Inc., as Principal; and Merchants Bonding Company (Mutual), as Surety, are hereby held and firmly bound unto the County of Riverside, hereinafter called the "Owner", in the sum of ten percent (10%) of total bid dollars (\$ -----) for the payment of which sum, well and truly to be made, were hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

WHEREAS, the said Principal is herewith submitting its proposal for the construction of

Eastvale Fire Station No. 27

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the aforesaid Principal shall be awarded the contract upon said proposal and shall, within the required number of days after the notice of such award, execute a written memorial of the awarded contract and submit the required labor and material and faithful performance bond, then this obligation shall be null and void; and in the event that the principal fails and/or refuses to execute and deliver said documents this bond will be charged with the costs of the damages experienced by the Owner as a result of such refusal, including but not limited to, publication cost, the difference in money between the amount of the bid of the said principal and the amount for which the obligee may legally contract with another party to perform the said work if such amount be in excess of the former; building lease or rental costs, transportation costs, and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event however, shall the Surety's liability exceed the penal sum hereof.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Owner may accept such bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under their several seals this 14th day of June, 2010, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

(The above must be filled in by corporate surety.)

**MERCHANTS**  
**BONDING COMPANY**  
**POWER OF ATTORNEY**

Know All Persons By These Presents, that the MERCHANTS BONDING COMPANY (MUTUAL), a corporation duly organized under the laws of the State of Iowa, and having its principal office in the City of Des Moines, County of Polk, State of Iowa, hath made, constituted and appointed, and does by these presents make, constitute and appoint

Kenneth A. Coate, Julia B. Gladding, Monica Marie Keehfuss

of Riverside and State of California its true and lawful Attorney-in-Fact, with full power and authority hereby conferred in its name, place and stead, to sign, execute, acknowledge and deliver in its behalf as surety any and all bonds, undertakings, recognizances or other written obligations in the nature thereof, subject to the limitation that any such instrument shall not exceed the amount of:

**SIX MILLION (\$6,000,000.00) DOLLARS**

and to bind the MERCHANTS BONDING COMPANY (MUTUAL) thereby as fully and to the same extent as if such bond or undertaking was signed by the duly authorized officers of the MERCHANTS BONDING COMPANY (MUTUAL), and all the acts of said Attorney-in-Fact, pursuant to the authority herein given, are hereby ratified and confirmed.

This Power-of-Attorney is made and executed pursuant to and by authority of the following Amended Substituted and Restated By-Laws adopted by the Board of Directors of the MERCHANTS BONDING COMPANY (MUTUAL) on November 16, 2002.

ARTICLE II, SECTION 8 - The Chairman of the Board or President or any Vice President or Secretary shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the Seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof.

ARTICLE II, SECTION 9 - The signature of any authorized officer and the Seal of the Company may be affixed by facsimile to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed.

In Witness Whereof, MERCHANTS BONDING COMPANY (MUTUAL) has caused these presents to be signed by its President and its corporate seal to be hereto affixed, this 22nd day of October, 2009.

MERCHANTS BONDING COMPANY (MUTUAL)

By *Larry Taylor*  
President

STATE OF IOWA  
COUNTY OF POLK ss.

On this 22nd day of October, 2009, before me appeared Larry Taylor, to me personally known, who being by me duly sworn did say that he is President of the MERCHANTS BONDING COMPANY (MUTUAL), the corporation described in the foregoing instrument, and that the Seal affixed to the said instrument is the Corporate Seal of the said Corporation and that the said instrument was signed and sealed in behalf of said Corporation by authority of its Board of Directors.

In Testimony Whereof, I have hereunto set my hand and affixed my Official Seal at the City of Des Moines, Iowa, the day and year first above written.

*Cindy Smyth*  
Notary Public, Polk County, Iowa

STATE OF IOWA  
COUNTY OF POLK ss.

I, William Warner, Jr., Secretary of the MERCHANTS BONDING COMPANY (MUTUAL), do hereby certify that the above and foregoing is a true and correct copy of the POWER-OF-ATTORNEY executed by said MERCHANTS BONDING COMPANY (MUTUAL), which is still in full force and effect and has not been amended or revoked.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the Company on this day of JUN 14 2010

*William Warner Jr.*  
Secretary

## **VENDOR QUALIFICATIONS & PROJECT EXERIENCE**

There is not another vendor that might be bidding this project that has anywhere near the experience that Air Cleaning Systems has selling and installing vehicle exhaust systems. We have installed the Plymovent system in approximately 700 fire stations here in Southern California and Southern Nevada. All of the county organizations and most of the cities already have installed the Plymovent system in their fire stations. We are headquartered in Pomona, Ca. and have a 10,000 sq. ft. facility from which we operate our business. We always keep tens of thousands of dollars in systems and spare parts in the warehouse so we might accommodate a customer with same or next day service. We have 4 service technicians factory trained and certified to make any adjustments repairs if and when it becomes necessary. We also have service technicians that operate from our office and warehouse in Las Vegas, as well as Bakersfield and Ventura. Air Cleaning Systems is staffed to take care of our customers. We are also licensed (C-20) by the state of California Contractor's License Board as well as the Nevada Contractors License Board to perform the kind of work this project requires.

As was mentioned above, Air Cleaning Systems has sold and installed the Plymovent System in over 700 fire stations in Southern California and Southern Nevada. Within the last 3 years we have installed the Plymovent system in approximately 200 fire stations. Examples would be, Riverside County Fire Department, Bakersfield Fire Dept., Kern County Fire Dept., Corona Fire Dept., Clark County Fire Dept., North Las Vegas Fire Department, several new construction project fire stations in Orange County, LA County Fire Dept., Riverside County Fire Department, and the City of Las Vegas Fire Department.

## PROJECT STAFFING

As I mentioned previously, there will be two, 2-man crews plus a project manager involved in the installation of your new Plymovent system at each station. The project manager is Tom Riordan who personally has over 15 years experience installing and managing the installation of Plymovent systems all over Southern California and Southern Nevada. He has personally been the lead man on over 100 stations for the city of Los Angeles fire department. They are very demanding and we continually got compliments on Tom and his professionalism and good attitude. Shortly after that project came to an end, Tom was promoted to Project Manager and since 2005 has managed our installation crews and the projects. He has been the project manager on the installation of several hundred Plymovent systems.

Our installation crews have been with our company since 2005 and have installed the Plymovent system in hundreds of fire stations. Each of the crew members have years of experience in working with sheet metal. This, of course, helps in that this trade is what we are licensed in. Air Cleaning Systems has both a California state contractor's license as well as a Nevada state contractor's license. This enables us to always be in control of the quality of our installations. We do NOT sub-contract anything out. This is why our quality is second to none as was demonstrated at our station 224 when we installed the systems there a short time ago.

### **Air Cleaning Systems installation crews:**

Gary Craven (Installation team leader)

Gary has been with Air Cleaning Systems for about years and has personally lead a crew in the installation of over 100 fire stations. Gary also holds a C-20 contractor's license license.

Bill Martin (Install team leader)

Bill also has been with Air Cleaning Systems for about 5 years and has personally lead a crew working on the installation of over 100 fire stations. Bill also has a sheet metal shop and fabricates many of the fittings periodically needed to complete the installation.

Ron Mace (Install Journeyman)

Ron also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Scott Wilkerson (Install Journeyman)

Scott also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Stability and experience are very important in any company and we have it at Air Cleaning Systems.

## Air Cleaning Systems...a Brief Summary

**AIR CLEANING SYSTEMS** has been serving the California and Nevada market since 1972, and currently services hundreds of customers each month by providing complete systems, installations, contract service and filter replacement. We own the building from which we operate our business, and keep in stock a full compliment of spare parts and filters for all the equipment we sell, as well as many other manufacturer's products. We are also a **licensed contractor in the state of California (# 772590) and Nevada (#0056619).**

Air Cleaning Systems performs all of the service (both warranty and non-warranty) for all of the systems we sell and install, as well as systems provided and installed by others. We always keep spare parts in stock that are most commonly required and generally can provide **service within 24 hours**, on stocked parts, as well as emergency service when required, including evenings and weekends. Many times we perform the service the same day it is requested. In the unlikely event the required part is not in our stock, the factory will ship the part for next day delivery if requested.

**Plymovent** is an international company with their United States corporate facility headquartered in New Jersey, and a **UL, ISO 9001, CUL & AMCA Certified Manufacturer.** *Experience counts and we both have it!*

Since 1990, Air Cleaning Systems and Plymovent have been providing diesel exhaust extraction systems to fire departments in the Southern California area. Over 700 fire stations in Los Angeles, Orange, Ventura, San Bernardino, Riverside, and San Luis Obispo counties, as well as Clark County Nevada currently have Plymovent Diesel Exhaust systems in operation. In San Diego County, as well as Northern California, there are approximately another 700 fire stations currently using the same Plymovent system. These two areas are serviced by other authorized and certified Plymovent stocking distributors.

In September of 2000, Air Cleaning Systems and PlymoVent were chosen to be the contractor and system of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities of the **Orange County Fire Authority** that house diesel emitting apparatus in 61 Orange County Fire Authority fire stations. This project was completed in November of 2001. The Plymovent system was completely installed in 61 OCFA fire stations in 10 months.

Plymovent and Air Cleaning Systems were also chosen by the City of Los Angeles Fire Department as the product and contractor of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities that house diesel emitting apparatus in the **City of Los Angeles**. The recommendation was made by a work group, which was formed to evaluate how to reduce and/or eliminate diesel exhaust in the workplace. As the result of their extensive study and evaluation, the Plymovent System was chosen and subsequently recommended. This project represents a total of 105 fire stations. The project is now complete with the PlymoVent system in all fire stations and represents approximately \$4,500,000 in total scope. Additionally, the City of Los Angeles Fire Department is currently building 20 new fire stations with the PlymoVent system specified for each station.

All installations of Plymovent diesel smoke extraction systems are installed only by factory trained and certified installers. This guarantees consistency with all installations. There are currently seven (7) certified installation crews in Southern California and Nevada that are authorized to install the Plymovent system. The factory is committed to increase this number on demand.
