PROPOSAL FOR THE CONSTRUCTION OF  
Eastvale Fire Station No. 27  
7067 Hammer Avenue, Riverside County 92880

**CONTRACTORS PROPOSAL**

TO THE GOVERNING BOARD OF  
THE  
REDEVELOPMENT AGENCY  
FOR THE COUNTY OF RIVERSIDE

Date June 23, 2010  
GHA ENTERPRISES, INC.  
Bidder

The undersigned, having carefully examined the proposed site and the Plans and Specifications, the Notice Inviting Bids, the Instructions to Bidders, the Agreement Form, the Bond Forms, the General Conditions and the Supplementary General Conditions for the Eastvale Fire Station No. 27, 7067 Hamner Ave Riverside Co., CA. 92880 hereby proposes and agrees to furnish all tools, equipment, services, apparatus, facilities, transportation, labor and materials necessary to complete the construction in strict conformity with the Plans and Specifications, including all work specified in Addenda numbered and dated:

Addendum No. 1                      Date 6/16/10  
Addendum No. \_\_\_\_\_              Date \_\_\_\_\_  
Addendum No. \_\_\_\_\_              Date \_\_\_\_\_

for the total sum, including all applicable taxes, permits and licenses as follows:

Base Bid (with Course of Construction insurance)	\$ <u>3,290,000.<sup>00</sup></u>
Additive Alternate #1	\$ <u>340,000.<sup>00</sup></u>
Additive Alternate #2	\$ <u>65,000.<sup>00</sup></u>
Course of Construction Insurance Amount	\$ <u>9,700.<sup>00</sup></u>
Course of Construction Insurance Deductible	\$ <u>5,000.<sup>00</sup></u>

Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive. The basis for award will be the qualified bidder with the lowest total of the Base Bid with Course of Construction Insurance. Alternates will be accepted after award of the Base Bid and will be added to the Contract amount.

**DESIGNATION OF SUBCONTRACTORS**

In compliance with the Public Contract Code, Sections 4104-4144, the undersigned submits the following complete list of each subcontractor who will perform work or labor or render services in or about the construction in an amount in excess of one-half of 1 percent of said total bid.

#### AWARD OF CONTRACT

The undersigned fully understands that a Contract is formed upon the acceptance of this proposal by the Owner, and the undersigned further agrees that upon request he will promptly execute and deliver to Owner a written memorial of the Contract together with the

required labor and material and performance bonds.

**BID GUARANTEE**

The enclosed certified or cashier's check or bidder's bond on approved form, made payable to the Owner, in the amount of ten percent (10%) of the total bid submitted herewith, is hereby given as guarantee that the bidder will execute and deliver the above mentioned written memorial and required bonds if awarded the contract, and in the event that the undersigned fails or refuses to execute and deliver said documents, such check or bond is to be charged with the costs of the damages experienced by the Owner as a result of such failure or refusal, including, but not limited to publication costs, the difference in money between the amount of the bid of the said principal and the amount for which obligee may legally contract with another party to perform the said work if such amount be in excess of the former, building lease or rental costs, transportation costs and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event, however, shall the Surety's liability exceed the penal sum hereof.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned GHA Enterprises, Inc, as Principal : and Diamond Indemnity Trust 2010-1, as Surety, are hereby held and firmly bound unto the County of Riverside, hereinafter called the "Owner", in the sum of 10% of bid amount dollars (\$ 10% of bid ) for the payment of which sum, well and truly to be made, were hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

WHEREAS, the said Principal is herewith submitting its proposal for the construction of

Eastvale Fire Station No. 27

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the aforesaid Principal shall be awarded the contract upon said proposal and shall, within the required number of days after the notice of such award, execute a written memorial of the awarded contract and submit the required labor and material and faithful performance bond, then this obligation shall be null and void; and in the event that the principal fails and/or refuses to execute and deliver said documents this bond will be charged with the costs of the damages experienced by the Owner as a result of such refusal, including but not limited to, publication cost, the difference in money between the amount of the bid of the said principal and the amount for which the obligee may legally contract with another party to perform the said work if such amount be in excess of the former; building lease or rental costs, transportation costs, and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event however, shall the Surety's liability exceed the penal sum hereof.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Owner may accept such bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under their several seals this 23rd day of June, 2010, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

Attorney-In Fact No. **390.010**

Certificate No. **00293948580**

**KNOW ALL MEN BY THESE PRESENTS:** That **DIAMOND INDEMNITY TRUST-2010-1** a Delaware Statutory Trust, does hereby appoint

**A. D. Law, Attorney in Fact & Individual Surety**

Its true and lawful attorney(s)-in-fact, with full authority to execute on its behalf fidelity and surety bonds or undertaking and other documents of similar character issued in the course of its business, and to bind the respective company thereby.

IN WITNESS THEREOF, **DIAMOND INDEMNITY TRUST-2010-1** have executed and attested these presents this 4<sup>th</sup> day of May, 2010

A.D. Law, Attorney-in-Fact, Individual Surety

J. Bud Wyckoff, Managing Director

Extract from the By-Laws of **DIAMOND INDEMNITY TRUST-2010-1**

Article 44, Section 78. – FIDELITY AND SURETY BONDS ...the Managing Director, any Director, Secretary and any Assistant Managing Director appointed for that purpose by the officer in charge of surety operations, shall each have the authority to appoint individuals as attorneys-in-fact or under other appropriate titles with authority to execute on behalf of the company fidelity and surety bonds and other documents of similar character issued by the company in the course of its business. On any instrument making or evidencing such appointment, the signatures may be affixed by facsimile. On any instrument conferring such authority or on any bond or undertaking of the company, the seal, or a facsimile thereof, may be impressed or affixed or in any other manner reproduced; provided, however, that the seal shall not be necessary to the validity of any such instrument or undertaking.

Extract from the Resolution of the Board of Directors of **DIAMOND INDEMNITY TRUST-2010-1** adopted on May 4, 2010.

On any certificate executed by the Secretary or an assistant secretary of the Company setting out,

- (i) The provisions of Article 44, Section 78 of the By-Laws, and
- (ii) A copy of the power-of-attorney appointment, executed pursuant thereto, and
- (iii) Certifying that said power-of-attorney appointment is in full force and effect, the signature of the certifying officer may be by facsimile, and the seal of the Company may be a facsimile thereof.

I, A.D. Law, Attorney in Fact of **DIAMOND INDEMNITY TRUST-2010-1**, do hereby certify that the foregoing extracts of the By-Laws and of a Resolution of the Board of Directors of this corporation, and of a Power of Attorney issued pursuant thereto, are true and correct, and that both the By-Laws and the Resolution and the Power of Attorney are still in full force and effect.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the facsimile seal of said corporation this 4<sup>th</sup> day of May 2010

A.D. Law, Attorney-in-Fact, Individual Surety

J. Bud Wyckoff, Managing Director

On May 5, 2010 A. D. Law, being by me duly sworn, did depose and say that she is an Attorney-in-Fact of **DIAMOND INDEMNITY TRUST-2010-1** and Individual Surety, the Statutory Trust described in and which executed the within instrument; that she knows the corporate seal or said corporation; that the seal affixed to the within instrument is such corporate seal, that she authorizes the use of her electronic signature, and that she signed the said instrument and affixed the said seal as Attorney-in-Fact by authority of the Board of Directors of said corporation and by authority of this office under the Standing Resolutions thereof.

## AGREEMENT FORM

THIS AGREEMENT entered into this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between \_\_\_\_\_, hereinafter called the "Contractor" and the Redevelopment Agency for the County of Riverside, hereinafter called the "Owner".

### WITNESSETH

That the parties hereto have mutually covenanted and agreed as follows:

CONTRACT: The complete Contract includes all of the Contract Documents, to wit: The Notice Inviting Bids, the Instructions to Bidders, the Contractor's Proposal, the Payment and Performance Bonds, the Plans and Specifications plus any Addenda thereto, the General Conditions, Specific Conditions, and this Agreement. All contract documents are intended to cooperate and be complementary so that any work called for in one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all contract documents.

STATEMENT OF WORK: The Contractor hereby agrees to furnish all tools, equipment, services, apparatus, facilities, transportation, labor, and materials for the construction of:

\_\_\_\_\_ I in strict accordance with the plans and specifications dated, March 2009, prepared by STK, Architecture, Inc., hereinafter called the "Engineer", including Addenda thereto as listed in the Contractor's Proposal, all of which are made a part hereof.

TIME FOR COMPLETION: The work shall be commenced on a date to be specified in a written order of the Engineer and shall be completed within three hundred and thirty (330) calendar days from and after said date. It is expressly agreed that except for extensions of time duly granted in the manner and for the reasons specified in the General Conditions, time shall be of the essence.

COMPENSATION TO BE PAID TO CONTRACTOR: The Owner agrees to pay and the Contractor agrees to accept in full consideration for the performance of the Contract, subject to additions and deductions as provided in the General Conditions, the sum of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), being the total of the Base Bid.

The sum is to be paid according to the schedule as provided in the General Conditions.

Pursuant to Labor Code Section 1861, the Contractor gives the following certifications: I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workmens' Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract.

IN WITNESS WHEREOF, the parties hereto on the day and year first above written have executed this agreement in \_\_\_\_\_ counterparts.

**PAYMENT BOND**

(Public Work - Civil code Section 3247 et seq.)

The makers of this bond are \_\_\_\_\_, as Principal and Original Contractor, and \_\_\_\_\_, a corporation, authorized to issue Surety Bonds in California, as Surety, and this bond is issued in conjunction with that certain public works contract dated \_\_\_\_\_, between Principal and \_\_\_\_\_, a public entity, as Owner, for \$ \_\_\_\_\_, the total amount payable. THE AMOUNT OF THIS BOND IS 100% OF SAID SUM. Said contract is for public work generally consisting of \_\_\_\_\_.

The beneficiaries of this Bond are as is stated in 3248 of the Civil Code and the requirements and conditions of this Bond are as is set forth in Sections 3248, 3249, 3250 and 3252 of said Code. Without notice, Surety consents to extension of time or performance, change in requirements, amount of compensation, or repayment under said contract.

**PERFORMANCE BOND**

The makers of this bond, \_\_\_\_\_, as Principal, and \_\_\_\_\_, as Surety, are held and firmly bound unto \_\_\_\_\_, hereinafter called the Owner, in the sum of \$ \_\_\_\_\_ dollars for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

The condition of this obligation is such, that whereas the principal entered into a certain contract, hereto attached, with the Owner, dated \_\_\_\_\_, 20\_\_, for the construction of \_\_\_\_\_ in accordance with plans and specifications, dated \_\_\_\_\_, 20\_\_.

Now, therefore, if the principal shall well and truly perform and fulfill all the undertakings, covenants, terms, conditions and agreements of said contract during the original term of said contract and any extension thereof that may be granted by the Owner, with or without notice to the Surety, and during the life of any guaranty required under the contract, and shall also well and truly perform and fulfill all the undertakings, covenants, terms, conditions, and agreements of any and all duly authorized modifications of said contract that may hereafter be made, then this obligation to be void, otherwise to remain in full force and virtue. Without notice, Surety consents to extension of time for performance, change in requirements, change in compensation or prepayment under said contract.

**CONTRACTOR'S CERTIFICATE REGARDING  
WORKER'S COMPENSATION INSURANCE**

Section 3700 of the Labor Code provides, in part, as follows:

"Every employer except the State and all political subdivision or institutions thereof, shall secure the payment of compensation in one (1) or more of the following ways:

- a) by being insured against liability to pay compensation with one (1) or more insurers duly authorized to write compensation insurance in this State; or
- b) by securing from the Director of Industrial Relations, a Certificate of Consent to Self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his employees ..."

The undersigned is aware of the provisions of Section 3700 of the Labor Code that requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and will comply with such provisions before commencing the performance of the work of this Contract.

**SPECIALTY CONTRACTOR QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM  
(Bidder)**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Contractor. This information shall provide evidence to indicate successful experience in providing vehicle exhaust removal system work identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer of Vehicle Exhaust Removal System.

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Sub-Contractor Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate information, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing Vehicle Exhaust Removal System work similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the installation of specified Automatic Emergency Response Vehicle Exhaust Removal Systems.
2. Demonstration of Experience: 7-10 projects that have been completed within the past 36 months utilizing similar products, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Supervision: Perform placement of work under supervision of a person having a minimum of 5 years of experience in placement of products specified herein.
4. Submit qualifications to the Agency for information purposes. Submit a resume of Exhaust System Sub Project Manager and Superintendent who will be overseeing the work.
5. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

All Vehicle Exhaust Removal Systems, as indicated on plans and specifications, shall be installed by a licensed Plymovent Corp. installer. General contractor shall provide licensed installers contact information at time of bid submittal on the provided forms (Required Vehicle Exhaust Removal Systems – Sub-Contractor Information).

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Manufacturer. This information shall provide evidence to indicate successful experience in providing Automatic Emergency Response Vehicle Exhaust Removal System identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer; must be ISO 9001 Certified, WL and CUL Certified and certified by the Air Movement and Control Association (AMCA).

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Manufacturer Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate information, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing manufacturing similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the manufacturing of specified Automatic Emergency Response Vehicle Exhaust Removal System.
2. Demonstration of Experience: 10 projects that have been completed within the past 36 months of like similar material, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Submit qualifications to the Agency for information purposes. Submit evidence of ISO 9001 certification, WL and CUL Certification and certification by the Air Movement and Control Association (AMCA).
4. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

General contractor shall provide manufacturer contact information at time of bid submittal on the provided forms.

## **VENDOR QUALIFICATIONS & PROJECT EXERIENCE**

There is not another vendor that might be bidding this project that has anywhere near the experience that Air Cleaning Systems has selling and installing vehicle exhaust systems. We have installed the Plymovent system in approximately 700 fire stations here in Southern California and Southern Nevada. All of the county organizations and most of the cities already have installed the Plymovent system in their fire stations. We are headquartered in Pomona, Ca. and have a 10,000 sq. ft. facility from which we operate our business. We always keep tens of thousands of dollars in systems and spare parts in the warehouse so we might accommodate a customer with same or next day service. We have 4 service technicians factory trained and certified to make any adjustments repairs if and when it becomes necessary. We also have service technicians that operate from our office and warehouse in Las Vegas, as well as Bakersfield and Ventura. Air Cleaning Systems is staffed to take care of our customers. We are also licensed (C-20) by the state of California Contractor's License Board as well as the Nevada Contractors License Board to perform the kind of work this project requires.

As was mentioned above, Air Cleaning Systems has sold and installed the Plymovent System in over 700 fire stations in Southern California and Southern Nevada. Within the last 3 years we have installed the Plymovent system in approximately 200 fire stations. Examples would be, Riverside County Fire Department, Bakersfield Fire Dept., Kern County Fire Dept., Corona Fire Dept., Clark County Fire Dept., North Las Vegas Fire Department, several new construction project fire stations in Orange County, LA County Fire Dept., Riverside County Fire Department, and the City of Las Vegas Fire Department.

## **PROJECT STAFFING**

As I mentioned previously, there will be two, 2-man crews plus a project manager involved in the installation of your new Plymovent system at each station. The project manager is Tom Riordan who personally has over 15 years experience installing and managing the installation of Plymovent systems all over Southern California and Southern Nevada. He has personally been the lead man on over 100 stations for the city of Los Angeles fire department. They are very demanding and we continually got compliments on Tom and his professionalism and good attitude. Shortly after that project came to an end, Tom was promoted to Project Manager and since 2005 has managed our installation crews and the projects. He has been the project manager on the installation of several hundred Plymovent systems.

Our installation crews have been with our company since 2005 and have installed the Plymovent system in hundreds of fire stations. Each of the crew members have years of experience in working with sheet metal. This, of course, helps in that this trade is what we are licensed in. Air Cleaning Systems has both a California state contractor's license as well as a Nevada state contractor's license. This enables us to always be in control of the quality of our installations. We do NOT sub-contract anything out. This is why our quality is second to none as was demonstrated at our station 224 when we installed the systems there a short time ago.

### **Air Cleaning Systems installation crews:**

#### **Gary Craven (Installation team leader)**

Gary has been with Air Cleaning Systems for about years and has personally lead a crew in the installation of over 100 fire stations. Gary also holds a C-20 contractor's license license.

#### **Bill Martin (Install team leader)**

Bill also has been with Air Cleaning Systems for about 5 years and has personally lead a crew working on the installation of over 100 fire stations. Bill also has a sheet metal shop and fabricates many of the fittings periodically needed to complete the installation.

#### **Ron Mace (Install Journeyman)**

Ron also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

#### **Scott Wilkerson (Install Journeyman)**

Scott also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Stability and experience are very important in any company and we have it at Air Cleaning Systems.

### Air Cleaning Systems...a Brief Summary

**AIR CLEANING SYSTEMS** has been serving the California and Nevada market since 1972, and currently services hundreds of customers each month by providing complete systems, installations, contract service and filter replacement. We own the building from which we operate our business, and keep in stock a full compliment of spare parts and filters for all the equipment we sell, as well as many other manufacturer's products. We are also a **licensed contractor in the state of California (# 772590) and Nevada (#0056619).**

Air Cleaning Systems performs all of the service (both warranty and non-warranty) for all of the systems we sell and install, as well as systems provided and installed by others. We always keep spare parts in stock that are most commonly required and generally can provide **service within 24 hours**, on stocked parts, as well as emergency service when required, including evenings and weekends. Many times we perform the service the same day it is requested. In the unlikely event the required part is not in our stock, the factory will ship the part for next day delivery if requested.

**Plymovent** is an international company with their United States corporate facility headquartered in New Jersey, and a **UL, ISO 9001, CUL & AMCA Certified Manufacturer.** *Experience counts and we both have it!*

Since 1990, Air Cleaning Systems and Plymovent have been providing diesel exhaust extraction systems to fire departments in the Southern California area. Over 700 fire stations in Los Angeles, Orange, Ventura, San Bernardino, Riverside, and San Luis Obispo counties, as well as Clark County Nevada currently have Plymovent Diesel Exhaust systems in operation. In San Diego County, as well as Northern California, there are approximately another 700 fire stations currently using the same Plymovent system. These two areas are serviced by other authorized and certified Plymovent stocking distributors.

In September of 2000, Air Cleaning Systems and PlymoVent were chosen to be the contractor and system of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities of the **Orange County Fire Authority** that house diesel emitting apparatus in 61 Orange County Fire Authority fire stations. This project was completed in November of 2001. The Plymovent system was completely installed in 61 OCFA fire stations in 10 months.

Plymovent and Air Cleaning Systems were also chosen by the City of Los Angeles Fire Department as the product and contractor of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities that house diesel emitting apparatus in the **City of Los Angeles**. The recommendation was made by a work group, which was formed to evaluate how to reduce and/or eliminate diesel exhaust in the workplace. As the result of their extensive study and evaluation, the Plymovent System was chosen and subsequently recommended. This project represents a total of 105 fire stations. The project is now complete with the PlymoVent system in all fire stations and represents approximately \$4,500,000 in total scope. Additionally, the City of Los Angeles Fire Department is currently building 20 new fire stations with the PlymoVent system specified for each station.

All installations of Plymovent diesel smoke extraction systems are installed only by factory trained and certified installers. This guarantees consistency with all installations. There are currently seven (7) certified installation crews in Southern California and Nevada that are authorized to install the Plymovent system. The factory is committed to increase this number on demand.

PROPOSAL FOR THE CONSTRUCTION OF:  
EASTVALE FIRE STATION #27  
7007 HAMMER AVENUE  
RIVERSIDE, CA 92850

SEALED BID RECEIVED  
CLERK OF THE BOARD OF SUPERVISORS

RECEIVED RIVERSIDE COUNTY  
CLERK / BOARD OF SUPERVISORS  
2010 JUN 23 PM 1:34

**CONTRACTORS PROPOSAL**

TO THE GOVERNING BOARD OF  
THE  
REDEVELOPMENT AGENCY  
FOR THE COUNTY OF RIVERSIDE

Date June 22, 2010  
AMG & Associates, Inc.  
Bidder

The undersigned, having carefully examined the proposed site and the Plans and Specifications, the Notice Inviting Bids, the Instructions to Bidders, the Agreement Form, the Bond Forms, the General Conditions and the Supplementary General Conditions for the Eastvale Fire Station No. 27, 7067 Hamner Ave Riverside Co., CA. 92880 hereby proposes and agrees to furnish all tools, equipment, services, apparatus, facilities, transportation, labor and materials necessary to complete the construction in strict conformity with the Plans and Specifications, including all work specified in Addenda numbered and dated:

Addendum No. One (1)                      Date June 16, 2010  
Addendum No. \_\_\_\_\_                      Date \_\_\_\_\_  
Addendum No. \_\_\_\_\_                      Date \_\_\_\_\_

for the total sum, including all applicable taxes, permits and licenses as follows:

Base Bid (with Course of Construction insurance)	\$ <u>3,314,000</u>
Additive Alternate #1	\$ <u>218,000</u>
Additive Alternate #2	\$ <u>85,000</u>
Course of Construction Insurance Amount	\$ <u>12,000</u>
Course of Construction Insurance Deductible	\$ <u>2,500</u>

Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive. The basis for award will be the qualified bidder with the lowest total of the Base Bid with Course of Construction Insurance. Alternates will be accepted after award of the Base Bid and will be added to the Contract amount.

**DESIGNATION OF SUBCONTRACTORS**

In compliance with the Public Contract Code, Sections 4104-4144, the undersigned submits the following complete list of each subcontractor who will perform work or labor or render services in or about the construction in an amount in excess of one-half of 1 percent of said total bid.

**SPECIALTY CONTRACTOR QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM  
(Bidder)**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Contractor. This information shall provide evidence to indicate successful experience in providing vehicle exhaust removal system work identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer of Vehicle Exhaust Removal System.

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Sub-Contractor Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate informations, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing Vehicle Exhaust Removal System work similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the installation of specified Automatic Emergency Response Vehicle Exhaust Removal Systems.
2. Demonstration of Experience: 7-10 projects that have been completed within the past 36 months utilizing similar products, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Supervision: Perform placement of work under supervision of a person having a minimum of 5 years of experience in placement of products specified herein.
4. Submit qualifications to the Agency for information purposes. Submit a resume of Exhaust System Sub Project Manager and Superintendent who will be overseeing the work.
5. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

All Vehicle Exhaust Removal Systems, as indicated on plans and specifications, shall be installed by a licensed Plymovent Corp. installer. General contractor shall provide licensed installers contact information at time of bid submittal on the provided forms (Required Vehicle Exhaust Removal Systems – Sub-Contractor Information).

**SPECIALTY MANUFACTURER QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM - MANUFACTURER**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Manufacturer. This information shall provide evidence to indicate successful experience in providing Automatic Emergency Response Vehicle Exhaust Removal System identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer; must be ISO 9001 Certified, WL and CUL Certified and certified by the Air Movement and Control Association (AMCA).

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Manufacturer Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate information, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing manufacturing similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the manufacturing of specified Automatic Emergency Response Vehicle Exhaust Removal System.
2. Demonstration of Experience: 10 projects that have been completed within the past 36 months of like similar material, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Submit qualifications to the Agency for information purposes. Submit evidence of ISO 9001 certification, WL and CUL Certification and certification by the Air Movement and Control Association (AMCA).
4. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

General contractor shall provide manufacturer contact information at time of bid submittal on the provided forms.

## **VENDOR QUALIFICATIONS & PROJECT EXERIENCE**

There is not another vendor that might be bidding this project that has anywhere near the experience that Air Cleaning Systems has selling and installing vehicle exhaust systems. We have installed the Plymovent system in approximately 700 fire stations here in Southern California and Southern Nevada. All of the county organizations and most of the cities already have installed the Plymovent system in their fire stations. We are headquartered in Pomona, Ca. and have a 10,000 sq. ft. facility from which we operate our business. We always keep tens of thousands of dollars in systems and spare parts in the warehouse so we might accommodate a customer with same or next day service. We have 4 service technicians factory trained and certified to make any adjustments repairs if and when it becomes necessary. We also have service technicians that operate from our office and warehouse in Las Vegas, as well as Bakersfield and Ventura. Air Cleaning Systems is staffed to take care of our customers. We are also licensed (C-20) by the state of California Contractor's License Board as well as the Nevada Contractors License Board to perform the kind of work this project requires.

As was mentioned above, Air Cleaning Systems has sold and installed the Plymovent System in over 700 fire stations in Southern California and Southern Nevada. Within the last 3 years we have installed the Plymovent system in approximately 200 fire stations. Examples would be, Riverside County Fire Department, Bakersfield Fire Dept., Kern County Fire Dept., Corona Fire Dept., Clark County Fire Dept., North Las Vegas Fire Department, several new construction project fire stations in Orange County, LA County Fire Dept., Riverside County Fire Department, and the City of Las Vegas Fire Department.

## **PROJECT STAFFING**

As I mentioned previously, there will be two, 2-man crews plus a project manager involved in the installation of your new Plymovent system at each station. The project manager is Tom Riordan who personally has over 15 years experience installing and managing the installation of Plymovent systems all over Southern California and Southern Nevada. He has personally been the lead man on over 100 stations for the city of Los Angeles fire department. They are very demanding and we continually got compliments on Tom and his professionalism and good attitude. Shortly after that project came to an end, Tom was promoted to Project Manager and since 2005 has managed our installation crews and the projects. He has been the project manager on the installation of several hundred Plymovent systems.

Our installation crews have been with our company since 2005 and have installed the Plymovent system in hundreds of fire stations. Each of the crew members have years of experience in working with sheet metal. This, of course, helps in that this trade is what we are licensed in. Air Cleaning Systems has both a California state contractor's license as well as a Nevada state contractor's license. This enables us to always be in control of the quality of our installations. We do NOT sub-contract anything out. This is why our quality is second to none as was demonstrated at our station 224 when we installed the systems there a short time ago.

### **Air Cleaning Systems installation crews:**

#### **Gary Craven (Installation team leader)**

Gary has been with Air Cleaning Systems for about years and has personally lead a crew in the installation of over 100 fire stations. Gary also holds a C-20 contractor's license license.

#### **Bill Martin (Install team leader)**

Bill also has been with Air Cleaning Systems for about 5 years and has personally lead a crew working on the installation of over 100 fire stations. Bill also has a sheet metal shop and fabricates many of the fittings periodically needed to complete the installation.

#### **Ron Mace (Install Journeyman)**

Ron also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

#### **Scott Wilkerson (Install Journeyman)**

Scott also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Stability and experience are very important in any company and we have it at Air Cleaning Systems.

**AIR CLEANING SYSTEMS** has been serving the California and Nevada market since 1972, and currently services hundreds of customers each month by providing complete systems, installations, contract service and filter replacement. We own the building from which we operate our business, and keep in stock a full compliment of spare parts and filters for all the equipment we sell, as well as many other manufacturer's products. We are also a **licensed contractor in the state of California (# 772590) and Nevada (#0056619).**

Air Cleaning Systems performs all of the service (both warranty and non-warranty) for all of the systems we sell and install, as well as systems provided and installed by others. We always keep spare parts in stock that are most commonly required and generally can provide **service within 24 hours**, on stocked parts, as well as emergency service when required, including evenings and weekends. Many times we perform the service the same day it is requested. In the unlikely event the required part is not in our stock, the factory will ship the part for next day delivery if requested.

**Plymovent** is an international company with their United States corporate facility headquartered in New Jersey, and a **UL, ISO 9001, CUL & AMCA Certified Manufacturer.** *Experience counts and we both have it!*

Since 1990, Air Cleaning Systems and Plymovent have been providing diesel exhaust extraction systems to fire departments in the Southern California area. Over 700 fire stations in Los Angeles, Orange, Ventura, San Bernardino, Riverside, and San Luis Obispo counties, as well as Clark County Nevada currently have Plymovent Diesel Exhaust systems in operation. In San Diego County, as well as Northern California, there are approximately another 700 fire stations currently using the same Plymovent system. These two areas are serviced by other authorized and certified Plymovent stocking distributors.

In September of 2000, Air Cleaning Systems and PlymoVent were chosen to be the contractor and system of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities of the **Orange County Fire Authority** that house diesel emitting apparatus in 61 Orange County Fire Authority fire stations. This project was completed in November of 2001. The Plymovent system was completely installed in 61 OCFA fire stations in 10 months.

Plymovent and Air Cleaning Systems were also chosen by the City of Los Angeles Fire Department as the product and contractor of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities that house diesel emitting apparatus in the **City of Los Angeles**. The recommendation was made by a work group, which was formed to evaluate how to reduce and/or eliminate diesel exhaust in the workplace. As the result of their extensive study and evaluation, the Plymovent System was chosen and subsequently recommended. This project represents a total of 105 fire stations. The project is now complete with the PlymoVent system in all fire stations and represents approximately \$4,500,000 in total scope. Additionally, the City of Los Angeles Fire Department is currently building 20 new fire stations with the PlymoVent system specified for each station.

All installations of Plymovent diesel smoke extraction systems are installed only by factory trained and certified installers. This guarantees consistency with all installations. There are currently seven (7) certified installation crews in Southern California and Nevada that are authorized to install the Plymovent system. The factory is committed to increase this number on demand.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned AMG & Associates, Inc., as Principal : and Travelers Casualty & Surety Company of America, as Surety, are hereby held and firmly bound unto the County of Riverside, hereinafter called the "Owner", in the sum of Ten percent of Bid dollars (\$ 10% of Bid ) for the payment of which sum, well and truly to be made, were hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

WHEREAS, the said Principal is herewith submitting its proposal for the construction of

Eastvale Fire Station No. 27

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the aforesaid Principal shall be awarded the contract upon said proposal and shall, within the required number of days after the notice of such award, execute a written memorial of the awarded contract and submit the required labor and material and faithful performance bond, then this obligation shall be null and void; and in the event that the principal fails and/or refuses to execute and deliver said documents this bond will be charged with the costs of the damages experienced by the Owner as a result of such refusal, including but not limited to, publication cost, the difference in money between the amount of the bid of the said principal and the amount for which the obligee may legally contract with another party to perform the said work if such amount be in excess of the former; building lease or rental costs, transportation costs, and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event however, shall the Surety's liability exceed the penal sum hereof.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Owner may accept such bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under their several seals this 21st day of June, 2010, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

## CONTRACTORS PROPOSAL

TO THE GOVERNING BOARD OF  
THE  
REDEVELOPMENT AGENCY  
FOR THE COUNTY OF RIVERSIDE

Date 06/23/2010  
Armand Gonzales Inc.  
dba Gonzales Construction  
Bidder

The undersigned, having carefully examined the proposed site and the Plans and Specifications, the Notice Inviting Bids, the Instructions to Bidders, the Agreement Form, the Bond Forms, the General Conditions and the Supplementary General Conditions for the Eastvale Fire Station No. 27, 7067 Hamner Ave Riverside Co., CA. 92880 hereby proposes and agrees to furnish all tools, equipment, services, apparatus, facilities, transportation, labor and materials necessary to complete the construction in strict conformity with the Plans and Specifications, including all work specified in Addenda numbered and dated:

Addendum No. 1 Date 06/22/10

Addendum No. \_\_\_\_\_ Date \_\_\_\_\_

Addendum No. \_\_\_\_\_ Date \_\_\_\_\_

for the total sum, including all applicable taxes, permits and licenses as follows:

Base Bid (with Course of Construction insurance)	\$ <u>3,364,182</u>
Additive Alternate #1	\$ <u>229,033</u>
Additive Alternate #2	\$ <u>67,607</u>
Course of Construction Insurance Amount	\$ <u>6,100</u>
Course of Construction Insurance Deductible	\$ <u>5,200</u>

Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive. The basis for award will be the qualified bidder with the lowest total of the Base Bid with Course of Construction Insurance. Alternates will be accepted after award of the Base Bid and will be added to the Contract amount.

### DESIGNATION OF SUBCONTRACTORS

In compliance with the Public Contract Code, Sections 4104-4144, the undersigned submits the following complete list of each subcontractor who will perform work or labor or render services in or about the construction in an amount in excess of one-half of 1 percent of said total bid.

PORTION OF THE WORK	SUBCONTRACTOR	ADDRESS
Fuel Storage Tank	Peterson Hydraulics	Gardena, CA
Fire Sprinklers	AMCO	Glendale, CA
Plumbing	Graves Plumbing	Norco, CA
Site Utilities	R3	Anaheim, CA

PORTION OF THE WORK	SUBCONTRACTOR	ADDRESS
HVAC	Christian Bros.	Mira Loma, CA
Vehicle Exhaust	ACS	Pomona, CA
Electrical	DSP	Corona, CA
Traffic Signal	CTNF	Bell Gardens, CA
Framing	EDT Framing	Norco, CA
Metal	Metro Steel	Santee, CA
Masonry	J. Ginger Masonry	Riverside, CA
Concrete	Darracq Concrete	Corona, CA
Earthwork	Earthmovers	Woodcrest, CA
Folding Doors	Byron Epp	Laguna Hills, CA
Glazing	Huntington Glazing	Los Angeles, CA
Drywall	Alma	Colton, CA
Doors	Southwest Door	Chino, CA
Asphalt	All American Asphalt	Corona, CA

AWARD OF CONTRACT

The undersigned fully understands that a Contract is formed upon the acceptance of this proposal by the Owner, and the undersigned further agrees that upon request he will promptly execute and deliver to Owner a written memorial of the Contract together with the

required labor and material and performance bonds.

**BID GUARANTEE**

The enclosed certified or cashier's check or bidder's bond on approved form, made payable to the Owner, in the amount of ten percent (10%) of the total bid submitted herewith, is hereby given as guarantee that the bidder will execute and deliver the above mentioned written memorial and required bonds if awarded the contract, and in the event that the undersigned fails or refuses to execute and deliver said documents, such check or bond is to be charged with the costs of the damages experienced by the Owner as a result of such failure or refusal, including, but not limited to publication costs, the difference in money between the amount of the bid of the said principal and the amount for which obligee may legally contract with another party to perform the said work if such amount be in excess of the former, building lease or rental costs, transportation costs and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event, however, shall the Surety's liability exceed the penal sum hereof.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned ARMAND GONZALES, INC., as Principal : and GREAT AMERICAN INSURANCE COMPANY, as Surety, are hereby held and firmly bound unto the County of Riverside, hereinafter called the "Owner", in the sum of Ten Percent of Amount Bid dollars (\$ 10% of Bid ) for the payment of which sum, well and truly to be made, were hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

WHEREAS, the said Principal is herewith submitting its proposal for the construction of

Eastvale Fire Station No. 27

---

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the aforesaid Principal shall be awarded the contract upon said proposal and shall, within the required number of days after the notice of such award, execute a written memorial of the awarded contract and submit the required labor and material and faithful performance bond, then this obligation shall be null and void; and in the event that the principal fails and/or refuses to execute and deliver said documents this bond will be charged with the costs of the damages experienced by the Owner as a result of such refusal, including but not limited to, publication cost, the difference in money between the amount of the bid of the said principal and the amount for which the obligee may legally contract with another party to perform the said work if such amount be in excess of the former; building lease or rental costs, transportation costs, and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event however, shall the Surety's liability exceed the penal sum hereof.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Owner may accept such bid; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under their several seals this 16th day of June, 2010, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

Attest

GREAT AMERICAN INSURANCE COMPANY

STATE OF OHIO, COUNTY OF HAMILTON - ss:

DAVID C. KITCHIN (513-412-4602)

On this 10<sup>th</sup> day of JUNE, 2009, before me personally appeared DAVID C. KITCHIN, to me known, being duly sworn, deposes and says that he resides in Cincinnati, Ohio, that he is the Divisional Senior Vice President of the Bond Division of Great American Insurance Company, the Company described in and which executed the above instrument; that he knows the seal of the said Company; that the seal affixed to the said instrument is such corporate seal; that it was so affixed by authority of his office under the By-Laws of said Company, and that he signed his name thereto by like authority.

This Power of Attorney is granted by authority of the following resolutions adopted by the Board of Directors of Great American Insurance Company by unanimous written consent dated March 1, 1993.

*RESOLVED: That the Division President, the Division Senior Vice President, the several Divisional Vice Presidents and Divisional Assistant Vice Presidents, or any one of them, be and hereby is authorized, from time to time, to appoint one or more Attorneys-in-Fact to execute on behalf of the Company, as surety, any and all bonds, undertakings and contracts of suretyship, or other written obligations in the nature thereof; to prescribe their respective duties and the respective limits of their authority; and to revoke any such appointment at any time.*

*RESOLVED FURTHER: That the Company seal and the signature of any of the aforesaid officers and any Secretary or Assistant Secretary of the Company may be affixed by facsimile to any power of attorney or certificate of either given for the execution of any bond, undertaking, contract or suretyship or other written obligation in the nature thereof, such signature and seal when so used being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.*

**CERTIFICATION**

I, STEPHEN C. BERAHA, Assistant Secretary of Great American Insurance Company, do hereby certify that the foregoing Power of Attorney and the Resolutions of the Board of Directors of June 9, 2008 have not been revoked and are now in full force and effect.

Signed and sealed this 16<sup>th</sup> day of, June, 2010.

**CONTRACTOR'S CERTIFICATE REGARDING  
WORKER'S COMPENSATION INSURANCE**

Section 3700 of the Labor Code provides, in part, as follows:

"Every employer except the State and all political subdivision or institutions thereof, shall secure the payment of compensation in one (1) or more of the following ways:

- a) by being insured against liability to pay compensation with one (1) or more insurers duly authorized to write compensation insurance in this State; or
- b) by securing from the Director of Industrial Relations, a Certificate of Consent to Self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his employees ..."

The undersigned is aware of the provisions of Section 3700 of the Labor Code that requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and will comply with such provisions before commencing the performance of the work of this Contract.

**SPECIALTY CONTRACTOR QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM  
(Bidder)**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Contractor. This information shall provide evidence to indicate successful experience in providing vehicle exhaust removal system work identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer of Vehicle Exhaust Removal System.

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Sub-Contractor Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate informations, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing Vehicle Exhaust Removal System work similar to that specified herein through past project documentation and references.

1. **Experience:** Minimum 10 years experience in the installation of specified Automatic Emergency Response Vehicle Exhaust Removal Systems.
2. **Demonstration of Experience:** 7-10 projects that have been completed within the past 36 months utilizing similar products, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. **Supervision:** Perform placement of work under supervision of a person having a minimum of 5 years of experience in placement of products specified herein.
4. **Submit qualifications to the Agency for information purposes.** Submit a resume of Exhaust System Sub Project Manager and Superintendent who will be overseeing the work.
5. **Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties.** A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

All Vehicle Exhaust Removal Systems, as indicated on plans and specifications, shall be installed by a licensed Plymovent Corp. installer. General contractor shall provide licensed installers contact information at time of bid submittal on the provided forms (Required Vehicle Exhaust Removal Systems – Sub-Contractor Information).

**SPECIALTY MANUFACTURER QUALIFICATION FORM  
VEHICLE EXHAUST REMOVAL SYSTEM - MANUFACTURER**

As part of the bid submittal, the General Contractor shall submit background information/qualifications on the Vehicle Exhaust Removal System Manufacturer. This information shall provide evidence to indicate successful experience in providing Automatic Emergency Response Vehicle Exhaust Removal System identical to that specified on project plans and specifications. Referenced qualifications shall provide experience as a successful installer; must be ISO 9001 Certified, WL and CUL Certified and certified by the Air Movement and Control Association (AMCA).

A listing of projects shall be provided on the provided form (Required Vehicle Exhaust Removal System – Manufacturer Information) and shall be reviewed and approved as comparable projects to the specified work by the Agency prior to award of bid. Failure to provide this information, or the submittal of incomplete or inaccurate information, shall give cause to reject the entire bid as non-responsive and incomplete. The submittal shall provide the Agency with evidence of successful experience in providing manufacturing similar to that specified herein through past project documentation and references.

1. Experience: Minimum 10 years experience in the manufacturing of specified Automatic Emergency Response Vehicle Exhaust Removal System.
2. Demonstration of Experience: 10 projects that have been completed within the past 36 months of like similar material, scope and complexity. Project names, address and reference names and phone numbers shall be submitted on the provided form for review by the Agency prior to award of bid.
3. Submit qualifications to the Agency for information purposes. Submit evidence of ISO 9001 certification, WL and CUL Certification and certification by the Air Movement and Control Association (AMCA).
4. Previous projects shall be located in Riverside, Orange, Ventura, San Bernardino, San Diego or Los Angeles Counties. A listing of projects and addresses shall be provided and shall be reviewed and approved by the Agency prior to any placement of work.

General contractor shall provide manufacturer contact information at time of bid submittal on the provided forms.

License Number **772590** Entry **CORP**  
 Business Name **AIR CLEANING SYSTEMS INC**

Classification(s) **C61/D34 C20**

Expiration Date **12/31/2011**

## **VENDOR QUALIFICATIONS & PROJECT EXERIENCE**

There is not another vendor that might be bidding this project that has anywhere near the experience that Air Cleaning Systems has selling and installing vehicle exhaust systems. We have installed the Plymovent system in approximately 700 fire stations here in Southern California and Southern Nevada. All of the county organizations and most of the cities already have installed the Plymovent system in their fire stations. We are headquartered in Pomona, Ca. and have a 10,000 sq. ft. facility from which we operate our business. We always keep tens of thousands of dollars in systems and spare parts in the warehouse so we might accommodate a customer with same or next day service. We have 4 service technicians factory trained and certified to make any adjustments repairs if and when it becomes necessary. We also have service technicians that operate from our office and warehouse in Las Vegas, as well as Bakersfield and Ventura. Air Cleaning Systems is staffed to take care of our customers. We are also licensed (C-20) by the state of California Contractor's License Board as well as the Nevada Contractors License Board to perform the kind of work this project requires.

As was mentioned above, Air Cleaning Systems has sold and installed the Plymovent System in over 700 fire stations in Southern California and Southern Nevada. Within the last 3 years we have installed the Plymovent system in approximately 200 fire stations. Examples would be, Riverside County Fire Department, Bakersfield Fire Dept., Kern County Fire Dept., Corona Fire Dept., Clark County Fire Dept., North Las Vegas Fire Department, several new construction project fire stations in Orange County, LA County Fire Dept., Riverside County Fire Department, and the City of Las Vegas Fire Department.

## PROJECT STAFFING

As I mentioned previously, there will be two, 2-man crews plus a project manager involved in the installation of your new Plymovent system at each station. The project manager is Tom Riordan who personally has over 15 years experience installing and managing the installation of Plymovent systems all over Southern California and Southern Nevada. He has personally been the lead man on over 100 stations for the city of Los Angeles fire department. They are very demanding and we continually got compliments on Tom and his professionalism and good attitude. Shortly after that project came to an end, Tom was promoted to Project Manager and since 2005 has managed our installation crews and the projects. He has been the project manager on the installation of several hundred Plymovent systems.

Our installation crews have been with our company since 2005 and have installed the Plymovent system in hundreds of fire stations. Each of the crew members have years of experience in working with sheet metal. This, of course, helps in that this trade is what we are licensed in. Air Cleaning Systems has both a California state contractor's license as well as a Nevada state contractor's license. This enables us to always be in control of the quality of our installations. We do NOT sub-contract anything out. This is why our quality is second to none as was demonstrated at our station 224 when we installed the systems there a short time ago.

### **Air Cleaning Systems installation crews:**

#### **Gary Craven (Installation team leader)**

Gary has been with Air Cleaning Systems for about years and has personally lead a crew in the installation of over 100 fire stations. Gary also holds a C-20 contractor's license license.

#### **Bill Martin (Install team leader)**

Bill also has been with Air Cleaning Systems for about 5 years and has personally lead a crew working on the installation of over 100 fire stations. Bill also has a sheet metal shop and fabricates many of the fittings periodically needed to complete the installation.

#### **Ron Mace (Install Journeyman)**

Ron also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

#### **Scott Wilkerson (Install Journeyman)**

Scott also has been with Air Cleaning Systems for about 5 years and has personally worked on a crew working on the installation of over 100 fire stations.

Stability and experience are very important in any company and we have it at Air Cleaning Systems.

## Air Cleaning Systems...a Brief Summary

**AIR CLEANING SYSTEMS** has been serving the California and Nevada market since 1972, and currently services hundreds of customers each month by providing complete systems, installations, contract service and filter replacement. We own the building from which we operate our business, and keep in stock a full compliment of spare parts and filters for all the equipment we sell, as well as many other manufacturer's products. We are also a **licensed contractor in the state of California (# 772590) and Nevada (#0056619).**

Air Cleaning Systems performs all of the service (both warranty and non-warranty) for all of the systems we sell and install, as well as systems provided and installed by others. We always keep spare parts in stock that are most commonly required and generally can provide **service within 24 hours**, on stocked parts, as well as emergency service when required, including evenings and weekends. Many times we perform the service the same day it is requested. In the unlikely event the required part is not in our stock, the factory will ship the part for next day delivery if requested.

**Plymovent** is an international company with their United States corporate facility headquartered in New Jersey, and a **UL, ISO 9001, CUL & AMCA Certified Manufacturer.** *Experience counts and we both have it!*

Since 1990, Air Cleaning Systems and Plymovent have been providing diesel exhaust extraction systems to fire departments in the Southern California area. Over 700 fire stations in Los Angeles, Orange, Ventura, San Bernardino, Riverside, and San Luis Obispo counties, as well as Clark County Nevada currently have Plymovent Diesel Exhaust systems in operation. In San Diego County, as well as Northern California, there are approximately another 700 fire stations currently using the same Plymovent system. These two areas are serviced by other authorized and certified Plymovent stocking distributors.

In September of 2000, Air Cleaning Systems and PlymoVent were chosen to be the contractor and system of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities of the **Orange County Fire Authority** that house diesel emitting apparatus in 61 Orange County Fire Authority fire stations. This project was completed in November of 2001. The Plymovent system was completely installed in 61 OCFA fire stations in 10 months.

Plymovent and Air Cleaning Systems were also chosen by the City of Los Angeles Fire Department as the product and contractor of choice to install the **Plymovent Vehicle Exhaust Extractor System** in all fire facilities that house diesel emitting apparatus in the **City of Los Angeles**. The recommendation was made by a work group, which was formed to evaluate how to reduce and/or eliminate diesel exhaust in the workplace. As the result of their extensive study and evaluation, the Plymovent System was chosen and subsequently recommended. This project represents a total of 105 fire stations. The project is now complete with the PlymoVent system in all fire stations and represents approximately \$4,500,000 in total scope. Additionally, the City of Los Angeles Fire Department is currently building 20 new fire stations with the PlymoVent system specified for each station.

All installations of Plymovent diesel smoke extraction systems are installed only by factory trained and certified installers. This guarantees consistency with all installations. There are currently seven (7) certified installation crews in Southern California and Nevada that are authorized to install the Plymovent system. The factory is committed to increase this number on demand.
