The Honorable Board of Supervisors

RE: Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Annexation of Zone 148 (Horsetheif Canyon).

1972 for the maintenance and servicing of future median landscaping and future streetlights; adopting the preliminary engineer's report; giving notice of and setting the time and place of the public hearing on the annexation of Zone 148, ordering a mailed ballot election; and directing notice of the public hearing and ballot be mailed pursuant to Article XIID of the California Constitution.

BACKGROUND: Adoption of Resolution No. 2010-021 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Zone 148 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2010-022 declares the Board's intention of ordering the annexation of Zone 148 to L&LMD No. 89-1-C. Annexation of Zone 148 to L&LMD No. 89-1-C will fund the maintenance and servicing of future median landscaping and the provision of electricity for future streetlights within public right-of-way located northerly and southerly of Temescal Canyon Rd in the Horsetheif Canyon area and includes 1 commercial parcel, totalling 3.1 acres.

Beginning in the fiscal year in which the future streetlight on Temescal Canyon Rd is installed the annual budget for Zone 148 will be \$330, or an assessment of \$106.44 per acre. Beginning in the fiscal year in which the future median on Temescal Canyon Rd is installed the annual budget for Zone 148 will be increased by \$1,488, and the assessment will be increased by \$479.92 per acre. Therefore, the proposed future annual budget for Zone 148 is \$1,818 that will result in a future annual assessment for Zone 148 of \$586.36 per acre. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2010.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on March 16, 2010 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 148 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2010-022, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 148 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 148 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on March 16, 2010.

4 Street and Highways Code and Section 4 of Article XIID; and

5 **WHEREAS**, said Engineer has filed the Report with the Clerk of the Board of Supervisors and
6 the Report has been presented to and considered by the Board of Supervisors; and

7 **WHEREAS**, the Applicant has executed a "Waiver and Consent Regarding Date of Assessment
8 Ballot Election" allowing for the election to be held on March 16, 2010; and

9 **WHEREAS**, it is necessary that the Board of Supervisors adopt a resolution of intention
10 pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to
11 Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said
12 Report, the annexation of Zone 148, and the assessments to be levied on parcels within Zone 148
13 beginning in the fiscal year in which the future improvements are installed;

14 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the
15 Board of Supervisors in regular session assembled on January 26, 2010 as follows:

16 **Section 1. Findings.** The Board of Supervisors, after reviewing the Report, finds that:

- 17 (a) The foregoing recitals are true and correct;
- 18 (b) The Report contains all matters required by Sections 22565 through 22574 of the
19 Streets and Highways Code and Section 4 of Article XIID and may, therefore, be
20 approved by the Board of Supervisors;
- 21 (c) Beginning in the fiscal year in which the future streetlight is installed the annual
22 assessment will be \$106.44 per acre. Beginning in the fiscal year in which the future
23 median is installed the annual assessment will be increased by \$479.92 per acre.
24 Therefore, the proposed future annual assessment for on all parcels within Zone 148
25 proposed to be annexed to L&LMD No. 89-1-C will be \$586.36 per acre.
26

1 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the
2 annexation of Zone 148, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and
3 collect an annual assessment on all assessable lots and parcels of property within Zone 148
4 commencing with the fiscal year in which the future improvements are installed as set forth in the
5 Report. The Report expressly states that there are no parcels or lots within Zone 148 that are owned by
6 a federal, state or other local governmental agency that will benefit from the services to be financed by
7 the annual assessments. The annual assessments will be collected at the same time and in the same
8 manner as property taxes are collected, and all laws providing for the collection and enforcement of
9 property taxes shall apply to the collection and enforcement of said assessments.

10 **Section 3. Boundaries.** All the property within boundaries of Zone 148 is proposed to be
11 annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated area of the
12 County as described and shown in Exhibit "A".

13 **Section 4. Description of Services to be Provided.** The maintenance and servicing of

21 and water for irrigation; and
- 22 (c) Providing electricity to future streetlights within the public right-of-way including
23 incidental costs and expenses.

24 **Section 5. Amount to be Levied.** Beginning in the fiscal year in which the future streetlight
25 on Temescal Canyon Rd is installed the annual budget for Zone 148 will be \$330, or an assessment of
26 \$106.44 per acre. Beginning in the fiscal year in which the future median on Temescal Canyon Rd is

1 installed the annual budget for Zone 148 will be increased by \$1,488, and the assessment will be
2 increased by \$479.92 per acre. Therefore, as stated in the Report, the total future annual budget for
3 Zone 148 will be \$1,818 that will result in a future annual assessment for Zone 148 of \$586.36 per acre.
4 There is 1 parcel that is to be assessed that aggregates to 3.1 acres. The annual assessment will be
5 increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the
6 Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-Riverside-Orange
7 County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor
8 Statistics of the United States Department of Labor. The annual CPI-U adjustment will be based on the
9 cumulative increase, if any, in the Index as it stands on March of each year over the base Index for
10 March of 2009. Any increase larger than the greater of 2.0% or the CPI-U annual adjustment requires a
11 majority approval of all the property owners within Zone 148. The Board of Supervisors will levy the

16 **Section 6. The Property to be Annexed.** The property to be annexed into L&LMD No.

25 L&LMD No. 89-1-C and an annual assessment levied, beginning in the fiscal year in which the future
26 improvements are installed, shall be considered at a public hearing (hereinafter the "Public Hearing") to

1 be held on March 16, 2010, at 9:30 a.m. at the meeting room of the Board of Supervisors of the County
2 at 4080 Lemon Street, 1st Floor, Riverside, California.

4 by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and
5 Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the
6 Public Hearing. L&LMD No. 89-1-C shall not impose assessments on property within the boundaries of

10 of the annexation and assessment of Zone 148.

11 **Section 10. Information.** Any property owner desiring additional information regarding
12 Zone 148 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact Ms. Judy A.

14 Riverside, 4080 Lemon Street, 8th Floor, Riverside, California, 92501 or by telephone at
15 (951) 955-6829.

16 **Section 11. Notice of the Public Hearing.** Notice of Public Hearing with regard to the

**ASSESSMENT FOR FUTURE TEMESCAL CANYON RD IMPROVEMENTS
LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT
NO. 89-1-CONSOLIDATED, ZONE 148
COUNTY OF RIVERSIDE, CALIFORNIA**

**“LANDSCAPING AND LIGHTING ACT OF 1972”, DIVISION 16 OF THE
STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA**

WHEREAS, on January 26, 2010 the Board of Supervisors of the County of Riverside, State of California, did, pursuant to the provisions of the “Landscaping and Lighting Act of 1972”, being Division 15 of the Streets and Highways Code of the State of California, adopt Resolution No. 2010-021 ordering the preparation of the engineer’s report for a special assessment district known and designated as:

Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 148 (herein referred to as “District”); and,

WHEREAS, the Board of Supervisors, did direct the appointed Engineer to make and file a “Report”, in accordance with Article 4 (commencing with Section 22565) of Chapter 1 of Part 2 of Division 15 of the Streets and Highways Code, being an article of the aforementioned Landscaping and Lighting Act of 1972.

WHEREAS, Section 22567 of said Article 4 states the “Report” shall consist of the following;

- a. Maintenance plans for the future median landscaping and future streetlight improvements
- b. An estimate of the costs of servicing future median landscaping and future streetlight improvements
- c. A diagram for the assessment district

- d. An assessment of the estimated costs of maintenance of the future improvements

NOW, THEREFORE, I, the appointed ENGINEER, pursuant to the 'Landscaping Act of 1972", do hereby submit the following:

1. Pursuant to the provisions of law the costs and expenses of the District have been assessed upon the parcels of land in the District benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcel, reference is made to the Assessment Diagram, a reduced copy of which is included herein.
2. As required by law, a Diagram is filed herewith, showing the District, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within said District as the same exist each of which subdivisions of land or parcels or lots, respectively, have been given a separate number upon said Diagram and in the Assessment Roll contained herein.
3. The separate numbers given the subdivisions and parcels of land, as shown on said Assessment Diagram and Assessment Roll, correspond with the numbers assigned to each parcel by the Riverside County Assessor. Reference is made to the County Assessment Roll for a description of the lots or parcels.
4. There are no parcels or lots within Zone 148 that are owned by a federal, state or other local governmental agency that will benefit from the services to be provided by the assessments to be collected.

Method of Assessment Apportionment

The law requires and the statutes provide that assessments, as levied pursuant to the "Landscaping and Lighting Act of 1972" be based on the benefit properties receive. The

statutes do not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings.

The maintenance of future median landscaping and future streetlights provides direct and special benefit to those properties located within Zone 148 in Landscaping and Lighting Maintenance District No. 89-1-Consolidated (DISTRICT). Median landscaping and streetlights enhance the properties within the DISTRICT, improve erosion control, neighborhood aesthetics, and neighborhood protection, provide dust abatement, increase public safety and traffic safety (by improving visibility; controlling sight distance restrictions and fire hazards), and provide an enhanced quality of life and sense of well being for properties within the DISTRICT.

The future median landscaping improvements maintained by the DISTRICT provide no general public benefit in that the properties within Zone 148 are discrete neighborhoods or communities for which the future median landscaping will be installed. Future median landscaping improvements do not extend beyond the perimeter of the boundary of each of those discrete neighborhoods or communities. It is therefore determined that all properties within the DISTRICT benefit equally from the financed improvements. The costs and expenses for the future median landscaping and future streetlight improvements maintenance and services are apportioned on a per acre basis.

The dollar per acre value for the fiscal year in which the future improvements are installed for Zone 148 is as follows:

$$\begin{array}{rcl} \text{Total Budget} & = & \text{\$1,818} \\ \text{Total No. Acres} & 3.1 & = \text{\$586.36/acre} \end{array}$$

Beginning in the fiscal year in which the future streetlight on Temescal Canyon Rd is installed the annual budget for Zone 148 will be \$330, or an assessment of \$106.44 per acre. Beginning in the fiscal year in which the future median on Temescal Canyon Rd is installed the annual budget for Zone 148 will be increased by \$1,488, and the

assessment will be increased by \$479.92 per acre. Therefore, the total future annual budget for Zone 148 will be \$1,818 that will result in a future annual assessment for Zone 148 of \$586.36 per acre. The annual assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of United States Department of Labor. The annual "CPI-U" adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2009. Any increase larger than the greater of 2.0% or the "CPI-U" annual adjustment requires a majority approval of all the property owners within Zone 148.

Waiver and Consent Regarding Date of Assessment Ballot Election

There is only one property owner within the proposed boundaries of Zone 148 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on March 16, 2010; a copy of said waiver is filed herewith and made a part hereof.

In conclusion, it is my opinion that the assessments for Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 148 have been spread in direct accordance with the benefits that each parcel receives from the items being financed.

NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED by the Board of Supervisors in regular session assembled on January 26, 2010 as follows:

Section 1. Findings. The Board of Supervisors, after reviewing the Report, finds that:

- (a) The foregoing recitals are true and correct;
- (b) The Report contains all matters required by Sections 22565 through 22574 of the Streets and Highways Code and Section 4 of Article XIID and may, therefore, be approved by the Board of Supervisors;
- (c) Beginning in the fiscal year in which the future streetlight is installed the annual assessment will be \$106.44 per acre. Beginning in the fiscal year in which the future median is installed the annual

assessment will be increased by \$479.92 per acre. Therefore, the proposed future annual assessment for on all parcels within Zone 148 proposed to be annexed to L&LMD No. 89-1-C will be \$586.36 per acre.

Section 2. Intent. The Board of Supervisors hereby declares its intention to order the annexation of Zone 148, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and collect an annual assessment on all assessable lots and parcels of property within Zone 148 commencing with the fiscal year in which the future improvements are installed as set forth in the Report. The Report expressly states that there are no parcels or lots within Zone 148 that are owned by a federal, state or other local governmental agency that will benefit from the services to be financed by the annual assessments. The annual assessments will be collected at the same time and in the same manner as property taxes are collected, and all laws providing for the collection and enforcement of property taxes shall apply to the collection and enforcement of said assessments.

Section 3. Boundaries. All the property within boundaries of Zone 148 is proposed to be annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County as described and shown in Exhibit "A".

Section 4. Description of Services to be Provided. The maintenance and servicing of future median landscaping and the provision of electricity for future streetlights authorized for Zone 148 of L&LMD No. 89-1-C are:

(b) The maintenance and servicing of irrigation and electrical facilities associated with the landscaping, including but not limited to electricity for operation of the irrigation system and water for irrigation ; and

(c) Providing electricity to future streetlights within the public right-of-way including incidental costs and expenses.

Beginning in the fiscal year in which the future streetlight on Temescal Canyon Rd is installed the annual budget for Zone 148 will be \$330, or an assessment of \$106.44 per acre. Beginning in the fiscal year in which the future median on Temescal Canyon Rd is installed the annual budget for Zone 148 will be increased by \$1,488, and the assessment will be increased by \$479.92 per acre. Therefore, as stated in the Report, the total future annual budget for Zone 148 will be \$1,818 that will result in a future annual assessment for Zone 148 of \$586.36 per acre. There is 1 parcel that is to be assessed that aggregates to 3.1 acres. The annual assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States Department of Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2009. WHEREAS, the Board of Supervisors (hereinafter the "Board of Supervisors") of the County of Riverside (hereinafter the "County") has adopted Resolution No. 2010-021 on January 26, 2010 initiating proceedings for the annexation of Zone 148 (hereinafter "Zone 148"), as described and shown in Exhibit "A", which is attached hereto and incorporated herein, to Landscaping and Lighting Maintenance District No. 89-1-Consolidated of the County of Riverside, State of California, (hereinafter "L&LMD No. 89-1-C") pursuant to the Landscaping and Lighting Act of 1972 (hereinafter the "Act"), which is Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (hereinafter the "Street and Highways Code"), and ordering the preparation of a report (hereinafter the "Report") regarding the proposed annexation of Zone 148 and the assessments to be levied within Zone 148 each fiscal year for the the maintenance and servicing of future median landscaping and the provision of electricity for future streetlights within the public right-of-way within said Zone, beginning with the fiscal year in which said improvements have been installed; and

WHEREAS, such proceedings shall comply with the requirements of Article XIII D of the California Constitution (hereinafter "Article XIII D"); the Act, and Section 4000 of the Elections Code requiring voter approval of the proposed assessment to be levied by L&LMD No. 89-1-C for Zone 148; and

WHEREAS, the Board of Supervisors by Resolution No. 2010-021 directed the Director of the Transportation Department, or his designee (hereinafter the "Engineer"), to prepare and file the Report with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the Street and Highways Code and Section 4 of Article XIII D; and

WHEREAS, said Engineer has filed the Report with the Clerk of the Board of Supervisors and the Report has been presented to and considered by the Board of Supervisors; and

WHEREAS, the Applicant has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election to be held on March 16, 2010; and

WHEREAS, it is necessary that the Board of Supervisors adopt a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said Report, the annexation of Zone 148, and the assessments to be levied on parcels within Zone 148 beginning in the fiscal year in which the future improvements are installed;

NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED by the Board of Supervisors in regular session assembled on January 26, 2010 as follows:

Section 1. Findings. The Board of Supervisors, after reviewing the Report, finds that:

- (a) The foregoing recitals are true and correct;
- (b) The Report contains all matters required by Sections 22565 through 22574 of the Streets and Highways Code and Section 4 of Article XIII D and may, therefore, be approved by the Board of Supervisors;
- (c) Beginning in the fiscal year in which the future streetlight is installed the annual assessment will be \$106.44 per acre. Beginning in the fiscal year in which the future median is installed the annual assessment will be increased by \$479.92 per acre. Therefore, the proposed future annual assessment for on all parcels within Zone 148 proposed to be annexed to L&LMD No. 89-1-C will be \$586.36 per acre.

Section 2. Intent. The Board of Supervisors hereby declares its intention to order the annexation of Zone 148, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and collect an annual assessment on all assessable lots and parcels of property within Zone 148 commencing with the fiscal year in which the future improvements are installed as set forth in the Report. The Report expressly states that there are no parcels or lots within Zone 148 that are owned by a

federal, state or other local governmental agency that will benefit from the services to be financed by the annual assessments. The annual assessments will be collected at the same time and in the same manner as property taxes are collected, and all laws providing for the collection and enforcement of property taxes shall apply to the collection and enforcement of said assessments.

Section 3. Boundaries. All the property within boundaries of Zone 148 is proposed to be annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County as described and shown in Exhibit "A".

Section 4. Description of Services to be Provided. The maintenance and servicing of future median landscaping and the provision of electricity for future streetlights authorized for Zone 148 of L&LMD No. 89-1-C are:

- (a) The maintenance and servicing of future median landscaping within the public right-of-way including the trimming, fertilizing, weeding and replanting of trees, shrubs, grass, and other ornamental vegetation; and
- (b) The maintenance and servicing of irrigation and electrical facilities associated with the landscaping, including but not limited to electricity for operation of the irrigation system and water for irrigation; and
- (c) Providing electricity to future streetlights within the public right-of-way including incidental costs and expenses.

Section 5. Amount to be Levied. Beginning in the fiscal year in which the future streetlight on Temescal Canyon Rd is installed the annual budget for Zone 148 will be \$330, or an assessment of \$106.44 per acre. Beginning in the fiscal year in which the future median on Temescal Canyon Rd is installed the annual budget for Zone 148 will be increased by \$1,488, and the assessment will be increased by \$479.92 per acre. Therefore, as stated in the Report, the total future annual budget for Zone 148 will be \$1,818 that will result in a future annual assessment for Zone 148 of \$586.36 per acre. There is 1 parcel that is to be assessed that aggregates to 3.1 acres. The annual assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States Department of Labor. The annual CPI U adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2009. Any increase larger than the greater of 2.0% or the CPI U annual adjustment requires a majority approval of all the property owners within Zone 148. The Board of Supervisors will levy the assessment in each subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Zone 148 of L&LMD No. 89-1-C. The annual assessment will fund the services described in Section 4 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of the Clerk of the Board of Supervisors.

Section 6. The Property to be Annexed. The property to be annexed into L&LMD No. 89-1-C is Zone 148. The boundaries of Zone 148 are located within the unincorporated area of the County and are described and shown in the Report and Exhibit "A".

Reference is made to the Report for a full and detailed description of the services, the boundaries of Zone 148, and the annual assessment to be levied upon assessable lots and parcels within Zone 148 proposed to be annexed to L&LMD No. 89-1-C.

Section 8. Public Hearing. The question of whether Zone 148 shall be annexed into L&LMD No. 89-1-C and an annual assessment levied, beginning in the fiscal year in which the future improvements are installed, shall be considered at a public hearing (hereinafter the "Public Hearing") to be held on March 16, 2010, at 9:30 a.m. at the meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor, Riverside, California.

Section 9. Majority Protest. Each owner of record of property within Zone 148 is to receive by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the Public Hearing. L&LMD No. 89-1-C shall not impose assessments on property within the boundaries of Zone 148 if there is a majority protest with regard to the annexation of Zone 148. A majority protest exists if, upon the conclusion of the Public Hearing, the tabulation of the assessment ballots submitted in opposition to the annexation and assessment of Zone 148 exceeds the assessment ballots in favor of the annexation and assessment of Zone 148.
