9.17**

**April 6, 2010**

**Board of Supervisors Meeting**

**When I came before you on February 23<sup>rd</sup> of this year, and gave you 3 letters, it was to give detailed information of what was taking place at the Eddie Smith Senior Center. This was done out of "sincere concern", regarding abusive behavior and declining morale under its present co-management team...Bob & Lynn Craig. It was also my "sincere hope" that you would be concern as well!**

**I am now totally confused, and others were shocked. It appears that you are under a miss conception that this is a personality conflict. I only refused to communicate with Bob, after he displayed anger, outrage, and foul language towards me. I am not the first or will I be the last senior, who has been abused and harassed by Bob. But, I think you already know this, because of previous complaints. It has become so puzzling, and beckoning to ask:**

**Why, didn't you investigate the complaints to see if they had any merit?**

**Why, aren't you concerned when a Company withdraws funding?**

**Did you know that Lynn is hardly at the Senior Center?**

**Did you know that Lynn was seen at a Casino in Indio, when she should have been at a Conference?**

**A senior who is a regular at the Center just happened to run into Lynn, and he was shocked when Lynn asked him not to tell her husband.**

**SO WHY, was this individual nominated, and receiving a Woman of the Year award last month?**

**SO WHY, did Donna Johnston and the Department of Aging award a Proclamation to Bob & Lynn Craig for outstanding service at the Eddie Smith Senior Center on April Fools Day?**

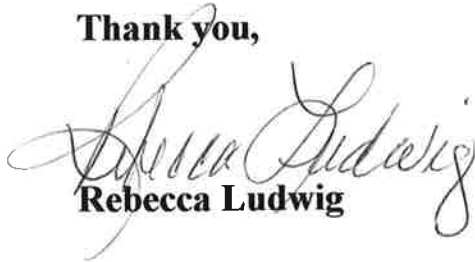

**I really don't believe you intentionally tried to hurt anyone, but you did...when bad behavior is rewarded, the message could only be perceived as...seniors just don't matter!**

**As you know San Bernardino is once again having problems, take heed. People are fed up with politics as usual!**

**I gave my word, not release any information without the approval from a certain individual. However, do to the recent awards, permission has now been granted, but the language would be inappropriate for television. So, I just added the threats that were made by Bob in a fit of anger at the bottom. This certain individual was curious at first as to why Bob was so angry at me, and later became concerned for me.**

**Thank you,**

**Rebecca Ludwig**

**When Bob realized that I was refusing to talk to him, he said....  
I am going to get that bitch!**

**After the first letter, the second threat followed....  
He would like to kick the fucking shit out of me!**

**After the second letter, the third threat followed....  
If he could kill me, it would be a slow death!**

**Three other incidents occurred on March 17 and 18 of this year. It is interesting that they took place in between receiving their awards. Bob has openly stated that he didn't care what anyone said about him, because it wouldn't matter.**

**I now have a file number with the Sheriff's Department!**
