**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

BACKGROUND continued: Authorization for the Economic Development Agency to formally establish the "Riverside County Export Award"

This month the United States Trade Representative Ron Kirk advised us in writing that 20 percent of the county's private sector jobs (approx 180,000) are the direct result of our exports and international trade business from our county. Since April of 2009 with board direction EDA through its Office of Foreign Trade has made every effort to support exports and foreign direct investment to create jobs and investment within the county. It is time we formally recognize our small, medium and large exporting businesses within the manufacturing and agricultural community with such an award. The award will be presented on behalf of the county by members of the Board of Supervisors, its staff, and or the County Economic Development Agency's Assistant CEO, Managing Director-EDA, and or The Commissioner of Foreign Trade.
