Schindler Elevator Corporation

May 20, 2010

Mr. Tim Warner
County of Riverside
4080 Lemon Street
Riverside, CA 92501

Attention: Clerk of the Board of Supervisors

Re: Criminal Justice Building Elevator Modernization Project

Dear Mr. Warner:

Thank you for the opportunity to submit our bid for the modernization of the elevators within the building referenced above.

Please find enclosed the bid documents, a 10% bid bond and the required affidavits.

Please allow this letter to qualify additions and deletions to the bid documents:

Item 2.2, liquidated damages; please delete \$1,000.00, and add; "in lieu of all other damages for default or delay, including but not limited to consequential damages, and shall in no event be assessed against this Contractor in excess of \$100.00 per day not to exceed two percent of the contract price in total".

Item 7.3 1C. Please add "lockouts, labor disputes" after "strikes" in line 2.

Article 14, Warranties. Please consider whether you can use our standard as follows: "Notwithstanding anything to the contrary set forth herein, Schindler warrants that the work supplied hereunder will comply with the specifications and that there will be no defects in materials and workmanship for one year after completion of the work or acceptance thereof by beneficial use, whichever is earlier. The equipment furnished and installed under our Agreement requires maintenance service, such as periodic examinations, lubrication and adjustment by competent mechanics, specially trained to service said equipment. Our guarantee is not intended to take the place of this normal servicing of the equipment and it is not to be construed that we will provide maintenance service of this type, without charge, except as may be provided in our contract, or that we will correct, without charge, breakage, maladjustment or other issues arising out of maintenance provided by others. Schindler's sole duty under the warranty is to correct the nonconformance or defect at Schindler's expense within a reasonable time after the receipt of notice. THE EXPRESS WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Purchaser's remedies hereunder are exclusive."

Schindler is not responsible for removal or abatement of asbestos.

It will be the owners' responsibility to relocate or remove the drain pipe that comes through the ceiling of the machine room before the start of the project.

Removal of sprinkler heads and piping in the hoistway overhead is not included in this Proposal. Installation of access door and installation of smoke sensors at the top of the hoistway in the event the sprinklers are not removed is not covered in this Proposal.

All work will be performed during regular working hours of the elevator industry.

It is our intention to remove one elevator at a time. Once the elevator is removed from service for this work it will not be available for use until after the State of California final inspection.

Our work is based on having access to positioning a hydraulic crane to carry materials onto the roof with-in 75 feet of the front of the building in the parking lot area.

Replacement or refurbishment of the hoistway doors and entrances is not included in our bid proposal.

The total cost for the 12-Month Warranty Maintenance is \$8,640.00. The monthly cost for Interim Maintenance is \$760.00 per month.

Should you have a need for any further information, please feel free to call me on my cell at 949-337-5649.
