**BACKGROUND:**

Date Palm Drive is a north-south arterial, located in the Coachella Valley, which provides vital access to Interstate 10 for the cities of Cathedral City and Rancho Mirage. The interchange and local arterial presently experience congestion during peak hours. As the area further develops in future years, the traffic is expected to grow and further degrade traffic operations at the ramp intersections and also operations on Date Palm Drive. The proposed Date Palm Drive interchange will be a partial cloverleaf configuration consisting of realigned eastbound and westbound on and off-ramps. The existing bridge will be widened to accommodate six through traffic-lanes, a raised median, a sidewalk, and a shoulder that will be used as a bike lane. The reconstruction of this interchange will provide improved access and roadway operations to the surrounding community. The need for improving the Date Palm/Interstate 10 interchange has been recognized by the County of Riverside Transportation Department, Cathedral City, Coachella Valley Association of Governments, and the California Department of Transportation.

On September 15, 2009, the Board approved Item 3.28 approving the acquisition of the fee simple interest and permanent easement for utility purposes for a portion of Assessor's Parcel Number 670-030-014. It was later determined that the permanent easement of a portion of Assessor's Parcel Number 670-030-014 is no longer necessary for the County and would be transferred to Coachella Valley Water District (CVWD) by Quitclaim Deed to allow for relocation of pipelines. This would fulfill the County's obligation to replace the existing Coachella Valley Water District easement in kind.

Pursuant to Government Code Section 25365, the County may transfer interests in real property or interest therein, belonging to the County to another public agency, upon the terms and conditions as are agreed upon and without complying with any other provisions of the Government Code, if the property or interest therein to be conveyed is not required for county use. The County intends to convey an Easement Interest in Real Property located in Cathedral City, County of Riverside, a 46,405 square foot portion of Assessor's Parcel Number 670-030-014 by Quit Claim Deed to Coachella Valley Water District.

The resolution has been reviewed and approved by County Counsel as to legal form.

**FINANCIAL DATA:**

There are no costs associated with this transaction.
