THE CALIFORNIA GUARD LICENSE: All security officers must complete or show proof of having completed the State of California mandated training requirements as specified in AB 2880, and The Private Security Services Act enumerated in Division 3 of the Business and Professions Code.

DEPARTMENT OF MOTOR VEHICLES CHECK: We conduct a complete DMV background review of every candidate to ensure that our officers have safe driving records.

PERSONAL INTERVIEW: Prior to being hired, all security employees are interviewed by two or more members of the management or executive team who are experienced former law enforcement interrogators.
