BACKGROUND:

The Blythe Police Activity League (WCV PAL) is a non-profit organization that will be re-opening the public swimming pool for the first time in three years. The City of Blythe is also contributing funding to support this recreational program that will be available to youth throughout the summer.

The Stroke Recovery Center provides rehabilitation programs to stroke patients throughout the Coachella Valley. They also offer state and nationally certified recreation therapy internship programs and serves as a field trip site for various nursing and occupational therapy schools for the study of a full-service community-based recovery program.

I would like to use Fourth District Community Improvement Funds to support these worthy programs.
