**BACKGROUND:**

On July 21, 2009, the Board of Supervisors authorized the Assistant County Executive Officer/EDA to determine award of the project and the Chairman to execute the agreement with the lowest responsive and responsible bidder in accordance with Board Policy B-11. International Pavement Solutions, Inc. was the lowest responsive and responsible bidder to construct a new parking lot to accommodate the increase of visitation and additional staff.

The General Conditions of the Contract state that after the 50% completion point of the contract work, if satisfactory progress is being made, the county has sole discretion to reduce the retention to a minimum of 5% of the contract. International pavement Solutions, Inc. has completed the work on time, within budget, and in a professional manner. Therefore, the Economic Development Agency (EDA) recommends that the contract retention be reduced to 5% of the contract and the Clerk of the Board to file the Notice of Completion.

The project was inspected and found to comply with all contract documents. This Board action will release \$14,472, which is 5% of the total contract, and the remaining retention funds of \$14,472 to International Pavement Solutions, Inc. The sum of these two amounts is \$28,944.

Sufficient funds are budgeted for FY 2009/2010 within the project budget to cover all costs associated with this agreement, thus no Net County Costs will be incurred.
