Notice of Completion for Sheriff Crestmore Heights Facility Remodel

BACKGROUND:

On November 18, 2008, the Board of Supervisors approved a Job Order Contract between MTM Construction, Inc., and the County of Riverside. A work order was issued pursuant to that contract for RCIT system work.

The General Conditions of the contract state that after the 50% completion point of the contract work, if satisfactory progress is being made, the County has sole discretion to reduce the retention to a minimum of 5% of the contract. MTM Construction, Inc., has completed the work on time, within budget, and in a professional manner. Therefore, Economic Development Agency recommends that the contract retention be reduced to 5% of the contract and the Clerk of the Board file the Notice of Completion.

The project was inspected and found to comply with all contract documents. This Board action will release \$3,581, which is 5% of the total contract, and the remaining retention funds of \$3,581 to MTM Construction, Inc. The sum of these two amounts is \$7,162.

The total approved work order is within the overall project budget and no additional funding is required.
