BOARD OF SUPERVISORS
FORM 11: APPROVAL OF THE AGREEMENT WITH APCO SIGNS TO PROVIDE AN INTERIOR SIGNAGE SYSTEM FOR THE RIVERSIDE COUNTY REGIONAL MEDICAL CENTER (RCRMC)

PAGE 2

BACKGROUND

Riverside County Regional Medical Center (RCRMC), Moreno Valley campus, is a 520,000 sq ft. state-of the-art medical facility licensed for 364 acute beds and provides over seventy specialty services in its outpatient clinics. RCRMC's current signage is the original signage installed when the hospital was built in 1998; due to the hospital's increasing volume of patient census and the need to clearly direct patients, families and visitors throughout the facility it is necessary to implement a new signage system. The new system will utilize universal symbols, maps and Spanish translations to ensure all visitors are able to easily navigate throughout the facility. The new system is designed to easily expand and update as the facility grows. The system incorporates easy to follow features, promotes RCRMC's brand, and will enhance the patients' experience.

Project cost is $259,409.20; project to begin upon approval with costs to be paid during FY 10/11; all costs to be paid from Hospital Enterprise Fund.

PRICE REASONABLENESS

In 2009 a formal Request for Proposal was posted to the county website, various plan rooms, and sent to five (5) vendors. The county received four (4) bid submittals, which ranged in price from $233,862 to $318,236. The bids were evaluated by a team of end users consisting of the RCRMC staff and facilitated by County Purchasing. APCO GRAPHICS, INC. was determined to be the most responsive and responsible bidder with a bid submittal of $280,441.30.

The responsive and responsible bidder was selected based on vendor qualifications and the criteria listed in the RFP, including overall cost to the County and the ability to meet the specifications including samples, conditions, and other requirements described within the RFP's scope of services. As a result of the negotiations, the recommendation is to award to APCO signs. The total cost will be $259,409.20, for one (1) year, with a negotiated savings of $21,032.10. Subsequent years' cost will be dependant on the hospital's needs for changes or updates.

REVIEW/APPROVAL
