The Honorable Board of Supervisors

RE: Amendment No. 1 to the Engineering and Environmental Services Agreement for Bundy Canyon Road / Scott Road

May 26, 2010

Page 2 of 2

On October 25, 2005, the Board of Supervisors executed an agreement with Parsons to provide Engineering and Environmental services for the Bundy Canyon Road/Scott Road widening project. This work is on-going. The timing of when right-of-way acquisition and construction can begin is unknown since this project is to be funded by development fees that are in a state of substantial decline.

This Amendment No. 1 will extend the Agreement termination date to June 30, 2012. This extension became necessary to make changes to the Environmental Document due to the incorporations by the Cities of Menifee and Wildomar in July 2008. Also, since the project is located within both cities, coordination with both cities will be required to address their concerns and comments.

The Cities of Menifee and Wildomar concur with this time extension.
