BACKGROUND:

The Workforce Investment Act of 1998 provides the framework for a unique national workforce preparation and employment system designed to meet both the needs of the nation's businesses and the needs of job seekers by providing skill upgrade training.

On April 6, 2010, the Riverside County Board of Supervisors approved the first allocation of ARRA funds to be dispersed in Program Year 2009/2010 in the amount of \$186,280. Since the funds bridge two Program Years, this second request for the remaining funds of \$279,420 is being submitted for approval. In addition, after the first allocation, City of Palm Springs has decided to collaborate with Coachella Valley Economic Partnership in conducting the Business Visitation Survey; therefore, Coachella Valley Economic Partnership Agreement will increase by \$25,000 for a total of \$233,000. The available combined 2 year funds total \$465,700. The Workforce Investment Board approved these funds on December 16, 2009.
