-------------------------------------	----------------------------	-------------------------

Interest on the Bonds shall be payable on each Interest Payment Date to the person whose name appears on the Registration Books as the Owner thereof as of the Record Date immediately preceding each such Interest Payment Date, such interest to be paid by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owner at the address of such Owner as it appears on the Registration Books as of the preceding Record Date; provided however, that payment of interest may be by wire transfer to an account in the United States of America to any Owner of Bonds in the aggregate amount of \$1,000,000 or more who shall furnish written instructions to the Trustee before the applicable Record Date. Any such written instructions shall remain in effect until rescinded in writing by the Owner. SECTION 2.03. Redemption of 2010 Series D Bonds.

(a) Optional Redemption. The 2010 Series D Bonds maturing on or before October 1, 2020, are not subject to optional redemption prior to maturity. The 2010 Series D Bonds maturing on and after October 1, 2021, are subject to redemption, at the option of the Agency on any date on or after October 1, 2020, as a whole or in part, by such maturities as shall be determined by the Agency, and by lot within a maturity, from any available source of funds, at a redemption price equal to the principal amount of the 2010 Series D Bonds to be redeemed), together with accrued interest thereon to the date fixed for redemption, without premium.

In lieu of redemption of the 2010 Series D Bonds pursuant to the preceding paragraph, amounts on deposit in the Special Fund (to the extent not required to be transferred by the Trustee pursuant to Section 4.03 during the current Bond Year) may also be used and withdrawn at the direction of the Agency at any time for the purchase of such 2010 Series D Bonds at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the Agency may in its discretion determine. The par amount of any of such 2010 Series D Bonds so purchased by the Agency in any twelve-month period ending on August 1 in any year shall be credited towards and shall reduce the par amount of such 2010 Series D Bonds required to be redeemed pursuant to this subsection (b) on the next succeeding October 1.

(c) Notice of Redemption, Rescission. The Trustee on behalf and at the expense of the Agency shall mail (by first class mail, postage prepaid) notice of any redemption, at least thirty (30) but not more than sixty (60) days prior to the redemption date, to (i) the Owners of any 2010 Series D Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) the Securities Depositories and to one or more Information Services designated in a Request of the Agency delivered to the Trustee (by any means acceptable to such depositories and services in substitution of first class mail); *provided, however,* that such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such 2010 Series D Bonds or the cessation of the accrual of interest thereon. Such notice shall state the redemption date and the redemption price, shall, if applicable, designate the CUSIP number of the 2010 Series D Bonds to be redeemed, shall state the individual number of each 2010 Series D Bond to be redeemed or state that all 2010 Series D Bonds between two stated numbers (both inclusive) or shall state that all of the 2010 Series D Bonds Outstanding of one or more maturities are to be redeemed, and shall require that such 2010 Series D Bonds be then surrendered at the Office of the Trustee for redemption at the said redemption price, giving notice also that further interest on the 2010 Series D Bonds to be redeemed will not accrue from and after the date fixed for redemption.

The Agency shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2010 Series D Bonds then called for

redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

Upon the payment of the redemption price of 2010 Series D Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the 2010 Series D Bonds being redeemed with the proceeds of such check or other transfer.

(d) Partial Redemption of 2010 Series D Bonds. In the event only a portion of any 2010 Series D Bond is called for redemption, then upon surrender thereof the Agency shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Agency, a new 2010 Series D Bond or Bonds of the same interest rate and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the 2010 Series D Bond to be redeemed.

(e) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of and interest (and premium, if any) on the 2010 Series D Bonds so called for redemption shall have been duly deposited with the Trustee, such 2010 Series D Bonds so called shall cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price and accrued interest to the redemption date, and no interest shall accrue thereon from and after the redemption date specified in such notice.

(f) Manner of Redemption. Whenever provision is made in this Indenture for the redemption of less than all of the 2010 Series D Bonds of a maturity, the Trustee shall select the 2010 Series D Bonds of such maturity to be redeemed by lot in any manner which the Trustee in its sole discretion shall deem appropriate and fair. For purposes of such selection, all 2010 Series D Bonds shall be deemed to be comprised of separate \$5,000 denominations and such separate denominations shall be treated as separate 2010 Series D Bonds which may be separately redeemed.

SECTION 2.04. Form of 2010 Series D Bonds. The 2010 Series D Bonds, the form of Trustee's certificate of authentication, and the form of assignment to appear thereon, shall be substantially in the respective forms set forth in Exhibit A attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

SECTION 2.05. Execution, Authentication and Delivery of 2010 Series D Bonds. The 2010 Series D Bonds shall be executed on behalf of the Agency by the signature of its Chairman, Executive Director, Deputy Executive Director or Finance Manager and the signature of its Secretary who are in office on the date of execution and delivery of this Indenture or at any time thereafter. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any 2010 Series D Bond ceases to be such officer before the Closing Date, such signature shall nevertheless be as effective as if the officer had remained in office until the Closing Date. Any 2010 Series D Bond may be signed and attested on behalf of the Agency by such persons as at the actual date of the execution of such 2010 Series D Bond shall be the proper officers of the Agency, duly authorized to execute debt instruments on behalf of the Agency, although on the date of such 2010 Series D Bond any such person shall not have been such officer of the Agency.

Only such of the 2010 Series D Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit A, manually executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee shall be conclusive evidence that such 2010 Series D Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary 2010 Series D Bonds are issued pursuant to Section 2.09 hereof, the temporary 2010 Series D Bonds may bear thereon a Certificate of Authentication executed and dated by the Trustee, may be initially registered by the Trustee, and, until so exchanged as provided under Section 2.09 hereof, the temporary 2010 Series D Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive 2010 Series D Bonds authenticated and delivered hereunder.

SECTION 2.06. Transfer of 2010 Series D Bonds. Any 2010 Series D Bond may, in accordance with its terms, be transferred on the Registration Books by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such 2010 Series D Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Trustee. Transfer of any 2010 Series D Bond shall not be permitted by the Trustee during the fifteen (15) day period preceding the selection of 2010 Series D Bonds for redemption or if such 2010 Series D Bond has been selected for redemption pursuant to Article IV. Whenever any 2010 Series D Bonds or 2010 Series D Bonds shall be surrendered for transfer, the Board shall execute and the Trustee shall authenticate and shall deliver a new 2010 Series D Bond or 2010 Series D Bonds for a like aggregate principal amount and of like maturity. The Trustee may require the 2010 Series D Bond Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The cost of printing 2010 Series D Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Agency.

SECTION 2.07. Exchange of 2010 Series D Bonds. Any 2010 Series D Bond may be exchanged at the Office of the Trustee for a like aggregate principal amount of 2010 Series D Bonds of other authorized denominations and of like maturity. Exchange of any 2010 Series D Bond shall not be permitted during the fifteen (15) day period preceding the selection of 2010 Series D Bonds for redemption or if such 2010 Series D Bond has been selected for redemption pursuant to Article IV. The Trustee may require the 2010 Series D Bond Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The cost of printing 2010 Series D Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the Agency.

SECTION 2.08. Registration Books. The Trustee will keep or cause to be kept, at its Office, sufficient records for the registration and registration of transfer of the 2010 Series D Bonds, which shall at all times during normal business hours, and upon reasonable notice, be open to inspection by the Agency; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books, 2010 Series D Bonds as hereinbefore provided.

SECTION 2.09. Temporary Bonds. The 2010 Series D Bonds may be initially issued in temporary form exchangeable for definitive 2010 Series D Bonds when ready for delivery. The temporary 2010 Series D Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Agency, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary 2010 Series D Bond shall be executed by the Agency upon the same conditions and in substantially the same manner as the definitive 2010 Series D Bonds. If the Agency issues temporary 2010 Series D

Bonds it will execute and furnish definitive 2010 Series D Bonds without delay, and thereupon the temporary 2010 Series D Bonds shall be surrendered, for cancellation, in exchange therefor at the Office of the Trustee, and the Trustee shall deliver in exchange for such temporary 2010 Series D Bonds an equal aggregate principal amount of definitive 2010 Series D Bonds of authorized denominations. Until so exchanged, the temporary 2010 Series D Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive 2010 Series D Bonds authenticated and delivered hereunder.

SECTION 2.10. 2010 Series D Bonds Mutilated, Lost, Destroyed or Stolen. If any 2010 Series D Bond shall become mutilated, the Agency, at the expense of the Owner of such 2010 Series D Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new 2010 Series D Bond of like tenor and series in exchange and substitution for the 2010 Series D Bond so mutilated, but only upon surrender to the Trustee of the 2010 Series D Bond so mutilated. Every mutilated 2010 Series D Bond so surrendered to the Trustee shall be canceled by it and delivered to, or upon the order of, the Agency. If any 2010 Series D Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory and indemnity satisfactory to the Trustee shall be given, the Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new 2010 Series D Bond of like tenor and series in lieu of and in substitution for the 2010 Series D Bond so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new 2010 Series D Bond issued under this Section and of the expenses which may be incurred by the Trustee in connection therewith. Any 2010 Series D Bond issued under the provisions of this Section in lieu of any 2010 Series D Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Agency whether or not the 2010 Series D Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other 2010 Series D Bonds issued pursuant to this Indenture.

Notwithstanding any other provision of this Section 2.10, in lieu of delivering a new Bond for which principal has become due for a Bond which has been mutilated, lost, destroyed or stolen, the Trustee may make payment of such Bond in accordance with its terms upon receipt of indemnity satisfactory to the Trustee.

SECTION 2.11. Book Entry Form. (a) Original Delivery to DTC. The 2010 Series D Bonds shall be initially delivered to DTC in the form of a separate single fully registered bond (which may be typewritten) for each maturity of the 2010 Series D Bonds. Upon initial delivery, the ownership of each such 2010 Series D Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding 2010 Series D Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to 2010 Series D Bonds the ownership of which shall be registered in the name of the Nominee, the Agency and the Trustee shall have no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Agency holds an interest in the 2010 Series D Bonds. Without limiting the generality of the immediately preceding sentence, the Agency and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the 2010 Series D Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a 2010 Series D Bond Owner as shown in the Registration Books, of any notice with respect to the 2010 Series D Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial

interests in the 2010 Series D Bonds to be redeemed in the event the Agency elects to redeem the 2010 Series D Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a 2010 Series D Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the 2010 Series D Bonds or (v) any consent given or other action taken by the Depository as Owner of the 2010 Series D Bonds. The Agency and the Trustee may treat and consider the person in whose name each 2010 Series D Bond is registered as the absolute owner of such 2010 Series D Bond for the purpose of payment of principal of and premium, if any, and interest on such 2010 Series D Bond, for the purpose of giving notices of redemption and other matters with respect to such 2010 Series D Bond, for the purpose of registering transfers of ownership of such 2010 Series D Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and the interest and premium, if any, on the 2010 Series D Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the 2010 Series D Bonds to the extent of the sum or sums so paid. No person other than a 2010 Series D Bond Owner shall receive a 2010 Series D Bond evidencing the obligation of the Agency to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Agency shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the 2010 Series D Bonds for the Depository's book-entry system, the Agency shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the 2010 Series D Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Agency or the Trustee any obligation whatsoever with respect to persons having interests in the 2010 Series D Bonds other than the 2010 Series D Bond Owners. Upon the written acceptance by the Trustee, the Trustee shall agree to take all action reasonably necessary for all representations of the Trustee in such letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of such letter, the Agency may take any other actions, not inconsistent with this Indenture, to qualify the 2010 Series D Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the 2010 Series D Bonds, or (ii) the Agency determines to terminate the Depository as such, then the Agency shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Agency and the Trustee in the issuance of replacement 2010 Series D Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the 2010 Series D Bonds, and by surrendering the 2010 Series D Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement 2010 Series D Bonds are to be issued. The Depository, by accepting delivery of the 2010 Series D Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Agency fails to identify another Securities Depository to replace the Depository, then the 2010 Series D Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging 2010 Series D Bonds shall designate, in accordance with the provisions hereof.

In the event the Agency determines that it is in the best interests of the beneficial owners of the 2010 Series D Bonds that they be able to obtain certificated 2010 Series D Bonds, the Agency may notify the Depository System Participants of the availability of such certificated 2010 Series D Bonds through the Depository. In such event, the Trustee will issue, transfer and exchange 2010 Series D Bonds as required by the Depository and others in appropriate amounts; and whenever the Depository requests, the Trustee and the Agency shall cooperate with the Depository in taking appropriate action (y) to make available one or more separate certificates evidencing the 2010 Series D Bonds to any Depository System Participant having 2010 Series D Bonds credited to its account with the Depository, or (z) to arrange for another Securities Depository to maintain custody of a single certificate evidencing such 2010 Series D Bonds, all at the Agency's expense.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any 2010 Series D Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such 2010 Series D Bond and all notices with respect to such 2010 Series D Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Not less than sixty (60) days prior to each Interest Payment Date on and prior to April 1, 2013, the Trustee shall contact the Agency so that the Agency may inform the Trustee whether amounts on deposit in the Redevelopment Fund will be used to pay interest on the Bonds on each such Interest Payment Date. The Agency shall submit a Request of the Agency to the Trustee if the Agency elects to use amounts on deposit in the Redevelopment Fund for the payment of interest on all or any portion of the 2010 Series D Bonds. Each such Request of the Agency shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

SECTION 3.05. Issuance of Parity Debt. In addition to the 2010 Series D Bonds, the 2004 Bonds, the 2005 Bonds and the 2006 Bonds, the Agency may issue or incur additional Parity Debt in such principal amount as shall be determined by the Agency. ARTICLE IV

SECURITY OF BONDS; FLOW OF FUNDS INVESTMENTS

SECTION 4.01. Pledge of Tax Revenues. The 2010 Series D Bonds, the 2004 Bonds, the 2005 Bonds, the 2006 Bonds and all other Parity Debt, shall be secured by a pledge of, security interest in and lien on all of the Tax Revenues and all of the moneys on deposit in the Special Fund. In addition, the 2010 Series D Bonds, the 2004 Bonds, the 2005 Bonds, the 2006 Bonds and any other Parity Debt, shall, subject to Section 8.02, be secured by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Sinking Account, the Redemption Account and the Reserve Account. Such pledge, security interest in and lien shall be for the equal security of the Outstanding Bonds without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Except for the Tax Revenues and such moneys, no funds of the Agency are pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the 2010 Series D Bonds.

In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Agency and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or hereinafter.

SECTION 4.02. Special Fund; Deposit of Tax Revenues. There has been established by Section 4.02 of the 2004 Indenture a special fund known as the "2004 Desert Communities Redevelopment Project Area Special Fund," which is held by the Agency and which is referred to herein as the "2004 Special Fund", there has been established by Section 4.02 of the 2005 Indenture a special fund known as the "2005 Desert Communities Redevelopment Project Special Fund", and which is herein referred to as the "2005 Special Fund," and there has been established by Section 4.02 of the 2006 Indenture a special fund known as the "2006 Desert Communities Redevelopment Project Special Fund", which is held by the Agency and which is herein referred to as the "2006 Special Fund". There is hereby established another special fund known as the "2010 Desert Communities Redevelopment Project Area Special Fund", which is held by the Agency and which is herein referred to as the "Special Fund". The Agency shall transfer all of the Tax Revenues received in any Bond Year ratably to the 2004 Special Fund, to the 2005 Special Fund, to the 2006 Special Fund and to the Special Fund, and to the special funds established with respect to any additional Parity Debt promptly upon receipt thereof by the Agency, until such time during such Bond Year as the amounts (i) on deposit in the 2004 Special Fund equal the aggregate amounts required to be transferred to the Trustee for deposit in such Bond Year pursuant to Section 4.03 of the 2004 Indenture, (ii) on deposit in the 2005 Special Fund equal the aggregate amounts required to be transferred to the Trustee for deposit in such Bond Year pursuant to Section 4.03 of the 2005 Indenture, (iii) on deposit in the 2006 Special Fund equal the aggregate amounts required to be transferred to the Trustee for deposit in such Bond Year pursuant to Section 4.03 of the 2006 Indenture (iv) on deposit in the Special Fund (taking into account amounts, if any, transferred from the Redevelopment Fund upon the Request of the Agency to pay interest on the Bonds during such Bond Year) equal the aggregate amounts required to be transferred in such Bond Year into the Interest Account, the

Principal Account, the Sinking Account, the Reserve Account and the Redemption Account in such Bond Year pursuant to Section 4.03 hereof, and (v) on deposit in the special fund established with respect to any additional Parity Debt equal the aggregate amounts required to be transferred in such Bond Year pursuant to the applicable Parity Debt Instrument. If the amount of Tax Revenues available in any Bond Year shall be insufficient to deposit the full amount required to be deposited pursuant to subsections (i), (ii), (iii) (iv) and (v) of this paragraph, then the Agency shall transfer such Tax Revenues for deposit ratably based on the full amounts required to be so deposited.

SECTION 4.03. Debt Service Fund; Transfer of Amounts to Trustee. There is hereby established a special trust fund to be known as the "Debt Service Fund", which shall be held by the Trustee hereunder in trust. Moneys in the Special Fund shall be transferred by the Agency to the Trustee and transferred by the Trustee in the following amounts, at the following times, and into the following respective special accounts within the Debt Service Fund, which accounts are hereby established, or continued, as applicable, with the Trustee to pay debt service on the 2010 Series D Bonds and any Parity Debt not otherwise provided for in a Parity Debt Instrument, in the following order of priority:

(a) Interest Account. On or before the fourth (4th) Business Day preceding each date on which interest on the Bonds becomes due and payable, the Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Interest Account an amount which, when added to the amount then on deposit in the Interest Account, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. On or before the fourth (4th) Business Day preceding each date on which principal of the Bonds becomes due and payable at maturity, the Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then on deposit in the Principal Account, will be equal to the amount of principal coming due and payable on such date on the Outstanding Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and of the Bonds upon the maturity thereof.

(c) Sinking Account. On or before the fourth (4th) Business Day preceding each date on which any Outstanding Term Bonds become subject to mandatory Sinking Account redemption, the Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Sinking Account an amount which, when added to the amount then contained in the Sinking Account, will be equal to the aggregate principal amount of the Term Bonds required subject to mandatory Sinking Account redemption on such date. All moneys on deposit in the Sinking Account shall be used and withdrawn by the Trustee for the sole purpose of paying the principal of the Term Bonds as it shall become due and payable upon the mandatory Sinking Account redemption thereof.

(d) Reserve Account. Amounts on deposit in the 2010 Series D Subaccount of the Reserve Account, which is hereby established and which is to be held by the Trustee, shall be available to pay debt service only on the 2010 Series D Bonds and any other Parity Debt hereafter issued that the Agency elects to be secured by the 2010 Series D Subaccount of the Reserve Account. In the event that the Agency elects to secure additional Parity Debt with the 2010 Series D Subaccount of the Reserve Account, the Agency shall establish subaccounts within the Reserve Account as needed.

In the event that the amount on deposit in the Reserve Account at any time becomes less than the Reserve Requirement, the Trustee shall promptly notify the Agency of such fact. Promptly upon receipt of any such notice, the Agency shall transfer to the Trustee an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. If there shall then not be sufficient Tax Revenues to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account, the Agency shall be obligated to continue making transfers as Tax Revenues become available in the Special Fund until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account so long as there shall be on deposit therein a sum at least equal to the Reserve Requirement. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account, the Principal Account and the Sinking Account in such order of priority, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Agency is not in default hereunder, any amount in the Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account semiannually on or before four (4) Business Days preceding each April 1 and October 1 by the Trustee and deposited in the Interest Account. All amounts in the Reserve Account on the Business Day preceding the final Interest Payment Date shall be withdrawn from the Reserve Account and shall be transferred either (i) to the Interest Account and the Principal Account, in such order, to the extent required to make the deposits then required to be made pursuant to this Section 4.03 or, (ii) if the Agency shall have caused to be transferred to the Trustee an amount sufficient to make the deposits required by this Section 4.03, then, at the Request of the Agency, to the Agency to be applied in accordance with the Redevelopment Law to provide financing for the Redevelopment Project.

The Agency shall have the right at any time to direct the Trustee to release funds from the Reserve Account, in whole or in part, by tendering to the Trustee: (i) a Qualified Reserve Account Credit Instrument, and (ii) an opinion of Bond Counsel stating that neither the release of such Funds nor the acceptance of such Qualified Reserve Account Credit Instrument will cause interest on the Bonds to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Trustee, and upon delivery by the Agency to the Trustee of written calculation of the amount permitted to be released from the Reserve Account (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the Reserve Account to the Agency to be applied in accordance with the Redevelopment Law to provide financing for the Redevelopment Project. The Trustee shall comply

with all documentation relating to a Qualified Reserve Account Credit Instrument as shall reasonably be required to maintain such Qualified Reserve Account Credit Instrument in full force and effect and as shall reasonably be required to receive payments thereunder in the event and to the extent required to make any payment when and as required under this subsection (d). Upon the expiration of any Qualified Reserve Account Credit Instrument, the Agency shall be obligated either (i) to replace such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) to deposit or cause to be deposited with the Trustee an amount of funds equal to the Reserve Requirement, to be derived from the first available Tax Revenues.

The Reserve Account may be maintained in the form of one or more separate sub-accounts which are established for the purpose of holding the proceeds of separate issues of the Bonds and any Parity Debt in conformity with applicable provisions of the Code to the extent directed by the Agency in writing to the Trustee. Additionally, the Agency may, in its discretion, combine amounts on deposit in the Reserve Account and on deposit in any reserve account relating to any (but not necessarily all) Parity Debt in order to maintain a combined reserve account for the Bonds and any (but not necessarily all) Parity Debt.

(e) Redemption Account. On or before the Business Day preceding any date on which Bonds are subject to redemption, other than mandatory Sinking Account redemption of Term Bonds, the Trustee shall withdraw from the Special Fund for deposit in the Redemption Account an amount required to pay the principal of and premium, if any, on the Bonds to be so redeemed on such date. The Trustee shall also deposit in the Redemption Account any other amounts received by it from the Agency designated by the Agency in writing to be deposited in the Redemption Account. All moneys in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and premium, if any, on the Bonds upon the redemption thereof, on the date set for such redemption, other than mandatory Sinking Account redemption of Term Bonds.

ARTICLE V

OTHER COVENANTS OF THE AGENCY

SECTION 5.01. Punctual Payment. The Agency shall punctually pay or cause to be paid the principal, premium (if any) and interest to become due in respect of all the Bonds in strict conformity with the terms of the Bonds and of this Indenture. The Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures. Nothing herein contained shall prevent the Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

SECTION 5.02. Continuing Disclosure. The Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, if any, executed and delivered by the Agency. Notwithstanding any other provision hereof, failure of the Agency to comply with such Continuing Disclosure Certificate shall not constitute an Event of Default hereunder; *provided, however*, that any Participating Underwriter (as such term is defined in such Continuing Disclosure Certificate) or any Owner or beneficial owner of the 2010 Series D Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Agency to comply with its obligations under this Section 5.02.

SECTION 5.03. Limitation on Additional Indebtedness. The Agency hereby covenants that so long as any of the Bonds remain Outstanding, the Agency shall not issue any bonds, notes or other obligations which are otherwise secured on a basis which is senior to the pledge and lien which secures the Bonds. The Agency hereby covenants that it shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Tax Revenues, excepting only the 2010 Series D Bonds and Parity Debt, any Subordinate Debt and any obligations entered into pursuant to Section 5.10.

SECTION 5.04. Extension of Payment of Bonds. The Agency shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Outstanding Bonds and of all claims for interest thereon which shall not have been so extended. Nothing in this Section shall be deemed to limit the right of the Agency to issue bonds for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of maturity of the Bonds.

SECTION 5.05. Payment of Claims. The Agency shall pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Agency or upon the Tax Revenues or any part thereof, or upon any funds held by the Trustee pursuant hereto, or which might impair the security of the Bonds. Nothing herein contained shall require the Agency to make any such payment so long as the Agency in good faith shall contest the validity of said claims.

SECTION 5.06. Books and Accounts; Financial Statements. The Agency shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Agency and the County, in which complete and correct entries shall be made of all transactions relating to the Redevelopment Project, the Tax Revenues and the Special Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or their representatives authorized in writing.

The Agency will cause to be prepared and delivered to the Trustee annually, within one hundred and eighty (180) days after the close of each Fiscal Year so long as any of the Bonds are Outstanding, complete audited financial statements with respect to such Fiscal Year showing the Tax Revenues, all disbursements from the Special Fund and the financial condition of the Redevelopment Project, including the balances in all funds and accounts relating to the Redevelopment Project, as of the end of such Fiscal Year. In accordance with Section 6.03(e), the Trustee shall not be responsible for reviewing such financial statements. The Agency shall furnish a copy of such statements to any Owner upon reasonable request and at the expense of such Owner.

SECTION 5.07. Protection of Security and Rights of Owners. The Agency will preserve and protect the security of the Bonds and the rights of the Owners. From and after the date of issuance of any Bonds, such Bonds shall be incontestable by the Agency.

SECTION 5.08. Payments of Taxes and Other Charges. The Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Agency or the properties then owned by the Agency in the Project Area, when the same shall become due. Nothing herein contained shall require the Agency to make any such payment so long as the Agency in good faith shall contest the validity of said taxes, assessments or charges. The Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Redevelopment Project or any part thereof.

SECTION 5.09. Disposition of Property; Annexation. (a) The Agency will not participate in the disposition of any land or real property in the Project Area to anyone which will result in such property becoming exempt from taxation because of public ownership or use or otherwise (except property dedicated for public right-of-way and except property planned for public ownership or use by the Redevelopment Plan in effect on the date of this Indenture) so that such disposition shall, when taken together with other such dispositions, aggregate more than ten percent (10%) of the land area in the Project Area unless such disposition is permitted as hereinafter provided in this Section 5.09. If the Agency proposes to participate in such a disposition, it shall thereupon appoint an Independent Fiscal Consultant to report on the effect of said proposed disposition. If the report of the Independent Fiscal Consultant concludes that the security of the Bonds or the rights of the Owners will not be materially adversely impaired by said proposed disposition, the Agency may thereafter make such disposition. If such report concludes that such security will be materially adversely impaired by the proposed disposition, the Agency shall not approve the proposed disposition.

(b) In the event of an annexation of all or any portion of the Project Area or sub-area thereof by a city, all of the Tax Revenues derived from such portion of the Project Area or sub-area will remain pledged to the payment of debt service on the Bonds and paid to the Agency, and such city shall not be entitled to issue or incur any debt or other obligation payable from tax increment or to receive tax increment revenue until all of the Bonds are discharged in full.

SECTION 5.10. Maintenance of Tax Revenues. The Agency shall comply with all requirements of the Redevelopment Law to insure the allocation and payment to it of the Tax Revenues, including without limitation the timely filing of any necessary statements of indebtedness with appropriate officials of the County and (in the case of supplemental revenues and other amounts payable by the State) appropriate officials of the State of California. The Agency shall not enter into any agreement with the County or any other governmental unit which would have the effect of reducing the amount of Tax Revenues available to the Agency for payment of the Bonds. The Agency shall not undertake proceedings for amendment of the Redevelopment Plan if such amendment shall result in payments to one of more taxing entities pursuant to Sections 33607.5 and 33607.7 of the Law unless the Agency shall first obtain a written opinion of an Independent Redevelopment Consultant that such payments will not adversely impair the Agency's ability to pay the 2010 Series D Bonds and all Parity Debt. Nothing herein is intended or shall be construed in any way to prohibit or impose any limitations on the entering into by the Agency of any such agreement, amendment or supplement which by its term is subordinate to the payment of the 2010 Series D Bonds and all Parity Debt.

SECTION 5.11. Tax Covenants Relating to the 2010 Series D Bonds.

(a) Private Activity Bond Limitation. The Agency shall assure that the proceeds of the 2010 Series D Bonds are not so used as to cause the 2010 Series D Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The Agency shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2010 Series D Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The Agency shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the 2010 Series D Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the 2010 Series D Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The Agency shall take all actions necessary to assure the exclusion of interest on the 2010 Series D Bonds from the gross income of the Owners of the 2010 Series D Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date. This covenant shall remain in full force and effect following defeasance of Bonds pursuant to Section 9.03.

(e) Rebate Requirement. The Agency shall take any and all actions necessary to assure compliance with section 148(f) of the Tax Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the 2010 Series D Bonds.

(f) Hedge Bonds. All proceeds of the 2010 Series D Bonds, other than proceeds of the 2010 Series D Bonds deposited into the Debt Service Fund and the 2010 Series D Subaccount of the Reserve Account, will be invested in obligations the interest on which is not includible in gross income for federal income tax purposes under section 103 of the Code and which are not "specified private activity bonds" as defined in Section 57(a)(5)(C) of the Code.

The Trustee shall have no duty to monitor the compliance by the Agency with any of the covenants contained in this Section 5.11.

SECTION 5.12. Plan Limitations; Annual Review of Tax Revenues. The Agency shall manage its fiscal affairs in a manner which ensures that it will have sufficient Tax Revenues available under the Plan Limitations in the amounts and at the times required to enable the Agency to pay the principal of and interest and premium (if any) on the 2004 Bonds, the 2005 Bonds, the 2010 Series D Bonds and any Parity Debt when due.

Additionally, the Agency hereby covenants that it will annually review, no later than December 1 of each year, the total amount of tax increment revenue remaining available to be received by the Agency under the Plan Limitations, as well as future cumulative Annual Debt Service, payments on any obligations of the Agency payable from tax increment revenues that are senior to the 2010 Series D Bonds, and payments on obligations that are subordinate to the 2010 Series D Bonds. If, based on such review, the allocation of tax increment revenues to the Agency in any of the next three succeeding Fiscal Years will (a) cause an amount equal to ninety-five (95%) of the amount remaining under the Plan Limitations to fall below the sum of (i) remaining cumulative Annual Debt Service, (ii) payments on obligations of the Agency payable from tax increment revenues that are senior to the 2010 Series D Bonds, and (iii) payments on obligations that are subordinate to the 2010 Series D Bonds or (b) cause the tax increment cap in a sub-area of the Project Area to meet its cap, the Agency shall adopt a plan approved by an Independent Redevelopment Consultant that demonstrates the Agency's continuing ability to pay debt service on the 2010 Series D Bonds and Parity Debt. Such plan may include, among other actions, defeasing or redeeming the 2010 Series D Bonds or Parity Debt or reducing the amount of tax increment being claimed from one or more sub areas within the Project Area. In the event that the Agency determines to defease or redeem 2010 Series D Bonds or Parity Debt, such defeasance shall be accomplished as provided in Section 9.03 hereof. Further, in the event the Agency elects to defease 2010 Series D Bonds or Parity Debt, the Agency shall first notify Moody's and S&P, and such defeasance or redemption shall occur only if the Agency receives confirmation from Moody's and S&P that such defeasance or redemption will not, in and of itself, cause Moody's or S&P to lower the underlying rating then in effect with respect to the 2010 Series D Bonds and Parity Debt. The Agency shall provide a copy of such plan to Moody's and S&P.

The Trustee shall not be responsible for monitoring or enforcing the requirements of this Section 5.12.

SECTION 5.13. Compliance with the Law; Low and Moderate Income Housing Fund. The Agency shall ensure that all activities undertaken by the Agency with respect to the redevelopment of the Project Area are undertaken and accomplished in conformity with all applicable requirements of the Redevelopment Plan and the Law, including, without limitation, duly noticing and holding any public hearing required by either Section 33445 or Section 33679 of the Law prior to application of proceeds of the Bonds to any portion of the Redevelopment Project. Without limiting the generality of the foregoing, the Agency covenants that it shall deposit or cause to be deposited in the Low and Moderate Income Housing Fund established pursuant to Section 33334.3 of the Law, all amounts when, as and if required to be deposited therein pursuant to the Law.

SECTION 5.14. Management and Operations of Properties. The Agency will manage and operate all properties owned by the Agency and comprising any part of the Redevelopment Project, in a sound and businesslike manner, and will keep such properties insured at all times in conformity with sound business practice.

SECTION 5.15. Further Assurances. The Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners the rights and benefits provided in this Indenture.

ARTICLE VI

THE TRUSTEE

SECTION 6.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or duties shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use in the conduct of such person's own affairs.

(b) The Agency may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority of the principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of 30 days' written notice of such removal by the Agency to the Trustee, whereupon the Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Agency, and by giving the Owners notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Agency shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the Agency and to its predecessor Trustee a written acceptance thereof, and to the predecessor Trustee an instrument indemnifying the predecessor Trustee for any costs or claims arising during the time the successor Trustee serves as Trustee hereunder, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless, upon the receipt by the predecessor Trustee of the Request of the Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any

property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Agency shall mail or cause the successor Trustee to mail, by first class mail postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to S&P and Moody's, and to the Owners at the addresses shown on the Registration Books. If the Agency fails to mail such notice within fifteen (15) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Agency.

(e) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall (i) be a company or bank having trust powers, (ii), shall have an office in the State of California or such other state as shall be acceptable to the Agency, (iii) have (or be part of a bank holding company system whose bank holding company has) a combined capital and surplus of at least Seventy Five Million Dollars (\$75,000,000), and (iv) be subject to supervision or examination by federal or state authority. If such bank or company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall promptly resign in the manner and with the effect specified in subsection (c) of this Section.

SECTION 6.02. Merger or Consolidation. Any bank or company into which the Trustee may be merged or converted or with which either of them may be consolidated or any bank or company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or company shall be eligible under subsection (e) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 6.03. Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of any offering memorandum, this Indenture or of the Bonds nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority of the principal amount of the Bonds then Outstanding. The Trustee, either as principal or agent, may engage in or be entrusted in any financial or other transaction with the Agency.

(b) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer.

(c) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Agency, accompanied by an opinion of Bond counsel, or in accordance with direction of the Owners of not less than a majority of the principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(d) The Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. The permissive right of the Trustee to do things enumerated hereunder shall not be construed as a mandatory duty.

(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer of the Trustee shall have actual knowledge thereof, or the Trustee shall have received written notice thereof at its Office. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default hereunder or thereunder. The Trustee shall not be responsible for the Agency's payment of principal and interest on the Bonds, the observance or performance by the Agency of any other covenants, conditions or terms contained herein, or the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be responsible for reviewing the contents of any financial statements furnished to the Trustee pursuant to Section 5.06 and may rely conclusively on the Certificate of the Agency accompanying such financial statements to establish the Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Tax Revenues into the Special Fund and the investment and application of moneys on deposit in the Special Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(f) No provision in this Indenture shall require the Trustee to risk, expend, or advance its own funds or otherwise incur any financial liability hereunder. However, if the Trustee elects to advance funds it, shall be entitled to receive interest on any moneys advanced by it hereunder, at the maximum rate permitted by law.

(g) The Trustee may establish additional accounts or subaccounts of the funds established hereunder as the Trustee deems necessary or prudent in furtherance of its duties under this Indenture.

(h) The Trustee shall have no responsibility or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds.

(i) Before taking any action under Article VIII or this Article at the request of the Owners, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners for the reimbursement of all expenses to which it may put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

(j) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(k) The Trustee agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (i) subsequent to such facsimile transmission of written instructions and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (ii) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (iii) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person.

SECTION 6.04. Right to Rely on Documents. The Trustee shall be protected in acting upon any notice, resolution, requisition, request, consent, order, certificate, report, opinion or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, including, without limitation, Bond Counsel or other counsel of or to the Agency, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the Agency, which shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Certificate, but in its discretion the Trustee may (but shall have no duty to), in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate or Report of any Independent Accountant or Independent Fiscal Consultant appointed by the Agency.

SECTION 6.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject during normal business hours, and upon reasonable prior written notice, to the inspection of the Agency and any Owner, and their agents and representatives duly authorized in writing.

SECTION 6.06. Compensation and Indemnification. The Agency shall pay to the Trustee from time to time compensation for all services rendered under this Indenture and also all expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including any allocated costs of internal counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a first lien on the Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including compensation to its experts, attorneys and counsel incurred in declaring such Event of Default and in exercising the rights and remedies set forth in Article VIII.

The Agency further covenants and agrees to indemnify and save the Trustee and its officers, directors, agents affiliates and employees, harmless against any loss, expense, including legal fees and expenses, and liabilities which it may incur arising out of or in the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability and of enforcing any remedies hereunder and under any related documents, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents affiliates or employees. The obligations of the Agency under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

SECTION 6.07. Deposit and Investment of Moneys in Funds. Moneys in the Redevelopment Fund, the Debt Service Fund, the Interest Account, the Principal Account, the Sinking Account, the 2010 Series D Subaccount of the Reserve Account, the Redemption Account and the Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as directed by the Agency in the Request of the Agency filed with the Trustee at least two (2) Business Days in advance of the making of such investments, except that moneys in the 2010 Series D Subaccount of the Reserve Account shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (g) of the definition thereof. In the absence of any such Request of the Agency, the Trustee shall invest any such moneys in Permitted Investments described in clause (d) of the definition thereof, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder. Moneys in the Special Fund may be invested only in Permitted Investments which are also obligations in which the Agency is

authorized to invest its own funds (and earnings on such moneys shall be retained in such Fund).

The Trustee shall be entitled to rely conclusively upon the written instructions of the Agency directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. With respect to any restrictions set forth in the list of Permitted Investments which embody legal conclusions (e.g., the existence, validity and perfection of security interests in collateral), the Trustee shall be entitled to rely conclusively on an opinion of counsel or upon a representation of the provider of such Permitted Investment obtained at the Agency's expense. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account.

All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder (other than the Reserve Account and the Redevelopment Fund) shall be deposited in the Interest Account; *provided, however*, that all interest or gain from the investment of amounts in the Reserve Account shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the Reserve Account to equal the Reserve Requirement. Interest or gain derived from the investments of amounts in the Redevelopment Fund shall be retained therein. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Agency or otherwise made in accordance with this Section.

The Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Agency the right to receive brokerage confirmations of security transactions as they occur, the Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Agency periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; *provided* that the Trustee shall furnish the Agency, as soon as practicable after the receipt thereof, all statements received by the Trustee with respect to any investment agreement, guaranteed investment contract or similar instrument.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account to the Agency for earnings derived from funds that have been invested.

The Agency covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the 2010 Series D Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in the Reserve Account shall be valued by the Agency at their present value (within the meaning of section 148 of the Code).

SECTION 6.08. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which complete and accurate entries

shall be made of all transactions made by it relating to the proceeds of the Bonds and all funds and accounts established and held by the Trustee pursuant to this Indenture. Such books of record and account shall be available for inspection by the Agency at reasonable hours, during regular business hours, with reasonable prior notice and under reasonable circumstances. The Trustee shall furnish to the Agency, at least monthly, an accounting (which may be in the form of its customary statements) of all transactions relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

SECTION 6.09. Appointment of Co-Trustee or Agent. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking associations to transact business as Trustee in such jurisdiction. It is recognized that in the case of litigation under this Indenture, and in particular in case of the enforcement of the rights of the Trustee on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate co-Trustee. The following provisions of this Section 6.08 are adopted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-Trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-Trustee but only to the extent necessary to enable such separate or co-Trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-Trustee shall run to and be enforceable by either of them, provided that in the event of any conflict, the Co-Trustee shall defer to the Trustee.

Should any instrument in writing from the Agency be required by the separate Trustee or co-Trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate Trustee or co-Trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or co-Trustee.

The Trustee may perform any of its obligations or duties hereunder and under any related documents through agents or attorneys and shall not be responsible for the acts of any such agents or attorneys appointed by it with due care.

SECTION 6.10. No Liability for Agency Performance. The Trustee shall have no liability or obligation to the Bond Owners with respect to the payment of debt service by the Agency or with respect to the observance or performance by the Agency of the other conditions, covenants, and terms contained in this Indenture, or with respect to the investment of any moneys in any fund or account established, held, or maintained by the Agency pursuant to this Indenture.

SECTION 6.11. Other Transactions with Agency. The Trustee, either as principal or agent, may engaged in or be intere sted in any financial or other transaction with the Agency .

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

SECTION 7.01. Authorized Amendments. This Indenture and the rights and obligations of the Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption, without the consent of any Owners, to the extent permitted by law and only for any one or more of the following purposes-

(a) to add to the covenants and agreements of the Agency contained in this Indenture, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or power herein reserved to or conferred upon the Agency provided such addition, limit, or surrender shall not materially adversely effect the interest of the Owners as determined by the Agency and certified to the Trustee; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not materially adversely affect the interests of the Owners; or

(c) to provide for the issuance of Parity Debt pursuant to Section 3.05, and to provide the terms and conditions under which such Parity Debt may be issued, including but not limited to the establishment of special funds and accounts relating thereto and any other provisions relating solely thereto, subject to and in accordance with the provisions of Section 3.05; or

(d) to amend any provision hereof to assure the exclusion from gross income of interest on the 2010 Series D Bonds for federal income tax purposes, in the opinion of Bond Counsel filed with the Agency and the Trustee; or

(e) to comply with the requirements of the provider of a Qualified Reserve Account Credit Instrument.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consents of the Owners of a majority of the principal amount of the Bonds then Outstanding are delivered to the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Agency to pay the principal, interest or redemption premium (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee.

SECTION 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and

obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 7.03. Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Agency may determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Agency, as to such amendment or modification and in that case upon demand of the Agency the Owners of such Bonds shall present such Bonds for that purpose at the Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Agency may determine that new Bonds shall be prepared and executed in exchange for any or all of the Bonds and in that case upon demand of the Agency the Owners of the Bonds shall present such Bonds for exchange at the Office of the Trustee without cost to such Owners.

SECTION 7.04. Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond.

SECTION 7.05. Trustee's Reliance. The Trustee may conclusively rely, and shall be protected in relying, upon an opinion of counsel stating that all requirements of this Indenture relating to the amendment or modification hereof have been satisfied and that such amendments or modifications do not materially adversely affect the interests of the Owners.

SECTION 7.06. Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and does not adversely affect the exclusion of interest on the 2010 Series D Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the 2010 Series D Bonds from personal income taxation by the State.

SECTION 7.07. Effect on Owners. Notwithstanding any other provision of this Indenture, in determining whether the rights of the Owners will be adversely affected by any action taken pursuant to the terms and provisions of this Indenture, the Trustee shall consider the effect on Owners as if there were no Insurance Policy.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.01. Events of Default and Acceleration of Maturities. Each of the following events shall constitute an Event of Default hereunder:

(a) Failure to pay any installment of the principal of any Bonds when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by acceleration, or otherwise.

(b) Failure to pay any installment of interest on any Bonds when and as the same shall become due and payable.

(c) Failure by the Agency to observe and perform any of the other covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, if such failure shall have continued for a period of thirty (30) days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the Agency by the Trustee; *provided, however,* if in the reasonable opinion of the Agency the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure shall not constitute an Event of Default if corrective action is instituted by the Agency within such thirty (30) day period and the Agency shall thereafter diligently and in good faith cure such failure in a reasonable period of time.

(d) The Agency shall commence a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

Subject in all respects to the provisions of Section 8.08, if an Event of Default has occurred and is continuing, the Trustee may, and if requested in writing by the Owners of a majority of the principal amount of the Bonds then Outstanding the Trustee shall, (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (b) upon receipt of indemnity satisfactory to it from any liability or expense, including payment of the fees and expenses of its counsel and agents, exercise any other remedies available to the Trustee and the Owners in law or at equity. The Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers for the Tax Revenues, if appropriate, and for the revenues, income, product, and profits thereon, if any, *ex parte*, and without notice, and the Agency consents to the appointment of such receiver upon the occurrence of an Event of Default. If any receivership, bankruptcy, insolvency, or reorganization or other judicial proceedings affecting the Agency is filed, the Trustee shall be entitled to file such proofs of claims and other documents as may be necessary or advisable in order to have claims of the Trustee and Owners allowed in such proceedings for the entire amount due and payable under this Indenture at the time of the institution of such proceedings, and also for any additional amount which may become due and payable after such date, without prejudice to the right of any Owner to file a claim on his own behalf. The Trustee shall not be obligated to take any such action unless offered compensation, indemnity for its potential liability, and reimbursement for its legal fees and expenses in accordance with this Section.

Promptly upon becoming aware of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Agency by telephone confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (b) above the Trustee shall, and with respect to any Event of Default described in clause (c) above the Trustee in its sole discretion may, also give such notice to the Owners in the same manner as provided herein for notices of redemption of the Bonds, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Agency shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law) at the weighted average interest rate then borne by the Outstanding Bonds, and the fees and expenses of the Trustee, including any fees and expenses of its attorneys, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Owners of a majority of the principal amount of the Bonds then Outstanding, by written notice to the Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

SECTION 8.02. Application of Funds Upon Acceleration. All of the Tax Revenues and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee as follows and in the following order:

(a) To the payment of any fees, costs and expenses incurred by the Trustee to protect the interests of the Owners of the Bonds; payment of the fees, costs and expenses of the Trustee (including fees and expenses of its counsel, including any allocated costs of internal counsel) incurred in and about the performance of its powers and duties under this Indenture and the payment of all fees, costs and expenses owing to the Trustee pursuant to Section 6.06, together with interest on all such amounts advanced by the Trustee at the maximum rate permitted by law;

(b) To the payment of the whole amount then owing and unpaid upon the Bonds for interest and principal, with interest on such overdue amounts at the respective rates of interest borne by the Outstanding Bonds, and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such interest, principal and interest on overdue amounts without preference or priority among such interest, principal and interest on overdue amounts ratably to the aggregate of such interest, principal and interest on overdue amounts.

SECTION 8.03. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority of the principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; *provided, however,* that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority of the principal amount of the Bonds then Outstanding opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation accompanied, if requested by the Trustee, by indemnity or confirmation of indemnity as described in Section 8.01.

SECTION 8.04. Limitation on Owners' Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority of the principal amount of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of and premium, if any, and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

SECTION 8.05. Non-waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Agency, which is absolute and unconditional, to pay from the Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners when due and payable as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner or the Trustee to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and

every power and remedy conferred upon the Trustee and Owners by the Redevelopment Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Trustee, Agency, or Owners, the Agency, Trustee, and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

SECTION 8.06. Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, subject to the provisions of Article VI.

SECTION 8.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Redevelopment Law or any other law.

This Bond is one of a duly authorized issue of bonds of the Agency designated as the "Redevelopment Agency for the County of Riverside Desert Communities Redevelopment Project Area 2010 Tax Allocation Bonds, Series D" (the "Bonds") of an aggregate principal amount of _____ Thousand Dollars (\$_____) all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates or redemption provisions) and all issued pursuant to the provisions of the Community Redevelopment Law, constituting Part 1 of Division 24 of the California Health and Safety Code (the "Redevelopment Law") and pursuant to an Indenture of Trust, dated as of July 1, 2010, by and between the Agency and the Trustee (the "Indenture"). The Agency may issue or incur additional obligations on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Agency) and all supplements thereto and to the Redevelopment Law for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Tax Revenues, as that term is defined in the Indenture, and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Agency thereunder, to all of the provisions of which the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Agency to finance and refinance redevelopment activities of the Agency. This Bond and the interest hereon and all other parity obligations and the interest thereon (to the extent set forth in the Indenture) are payable from, and are secured by a charge and lien on the Tax Revenues derived by the Agency from the Desert Communities Redevelopment Project Area in the County of Riverside, California (the "Project Area"), a duly designated redevelopment project under the laws of the State of California, under and in accordance with the Indenture. As and to the extent set forth in the Indenture, all of the Tax Revenues are exclusively and irrevocably pledged in accordance with the terms hereof and the provisions of the Indenture and the Redevelopment Law, to the payment of the principal of and interest and premium (if any) on the Bonds and any such parity obligations. The Bonds and any such parity obligations are secured by a pledge on, security interest in and lien on the Tax Revenues which is subordinate to or on a parity with the pledge, security interest and lien on the Tax Revenues in favor of certain outstanding obligations of the Agency, as provided in the Indenture. Notwithstanding the foregoing, certain amounts out of Tax Revenues may be applied for other purposes as provided in the Indenture.

This Bond is not a debt of the County of Riverside, the State of California, or any of its political subdivisions, other than the Agency, and neither said County, said State, nor any of its political subdivisions, is liable hereon nor in any event shall this Bond be payable out of any funds or properties other than the Tax Revenues.

The rights and obligations of the Agency and the owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the redemption price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages of the Bond owners required to effect any such modification or amendment.

The Bonds maturing on or before October 1, 2020, are not subject to optional redemption prior to maturity. The Bonds maturing on and after October 1, 2021, are subject to

redemption, at the option of the Agency on any date on or after October 1, 2020, as a whole or in part, by such maturities as shall be determined by the Agency, and by lot within a maturity, from any available source of funds, at a redemption price the principal amount of the Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Bonds maturing on October 1, 20__, October 1, 20__ and October 1, 20__ are subject to mandatory sinking account redemption in part by lot, on October 1 in each of the years thereafter as set forth in the following tables, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium; *provided, however*, that if some but not all of such Bonds have been optional ly redeemed pursuant to the preceding paragraph, the total amount of all Bonds to be redeemed thereafter from mandatory sinking account payments shall be reduced on a pro rata basis in integral multiples of \$5,000.

As provided in the Indenture, notice of redemption shall be mailed by the Trustee by first class mail not less than thirty (30) nor more than sixty (60) days prior to the redemption date to the respective owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books of the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption.

The Agency has the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

In lieu of redemption of Bonds amounts on deposit in the Special Fund (as defined in the Indenture) may be withdrawn and used at the direction of the Agency at any time to purchase such Bonds at public or private sale at such prices (including brokerage and other charges and including accrued interest) as the Agency may in its discretion determine. The par amount of any such Bonds so purchased by the Agency in any twelve-month period ending on August 1 will be credited toward, and will reduce the par amount of, Bonds required to be redeemed pursuant to the Indenture on the next succeeding October 1 of such year.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all outstanding Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said corporate trust office of the Trustee in Los Angeles, California or such other place as designated by the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor.

The Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Agency and the Trustee shall not be affected by any notice to the contrary.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time, form and manner as required by the Redevelopment Law and the laws of the State of California and that the amount of this Bond, together with all other indebtedness of the Agency, does not exceed any limit prescribed by the Redevelopment Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon endorsed shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Redevelopment Agency for the County of Riverside has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its _____ and attested to by the facsimile signature of its Secretary, all as of the Original Issue Date specified above.

(f) *No Litigation.* As of the time of acceptance hereof and the Closing, except as disclosed in the Official Statement, after due inquiry, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or threatened (i) in any way questioning the corporate existence of the Agency or the titles of the officers of the Agency to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity of the Bonds or the Agency Documents or the consummation of the transactions contemplated thereby, or contesting the exclusion of the interest on the Bonds from taxation or contesting the powers of the Agency and its authority to pledge the Tax Revenues; (iii) which may result in any

material adverse change relating to the Agency; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the final Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the final Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.
