BACKGROUND:

The County of Riverside is interested in purchasing this real property to potentially develop a health services clinic that could provide no-cost primary health care services to medically underserved people. The City of Indio and surrounding desert community residents would greatly benefit from these enhanced services. While the Economic Development Agency (EDA) will cover the cost for acquisition services at the time of this property transaction, the Palm Desert Redevelopment Pass Through Funds will reimburse EDA for these costs.

The Economic Development Agency will provide publication of notice pursuant to Government Code Section 6063.

This Form 11 has been reviewed and approved by County Counsel as to legal form.

FINANCIAL DATA:

The following summarizes the funding that would be necessary to acquire Assessor's Parcel Number 614-340-020:

Purchase Price:	\$316,000
Estimated Title and Escrow Charges	\$ 2,500
Appraisal Report	\$ 1,800
Notice of Publication	\$ 1,500
EDA Real Property Costs	<u>\$ 14,000</u>
Total Estimated Acquisition Costs:	\$335,800

All costs associated with this property acquisition are fully funded through the Palm Desert Redevelopment Pass Through Funds for FY 2009/10. Thus, no additional net county costs will be incurred as a result of this transaction. Any necessary budget adjustments will be brought forward under separate cover seeking authorization to purchase the related real property.
