ATTACHMENTS FILED WITH THE CLERK OF THE BOARD

4.3  
FRM 11 (REV 06/2003)

**BACKGROUND:** On March 25, 2008, the Redevelopment Agency for the County of Riverside ("Agency") granted Palm Desert Development Company ("Developer") a \$2,000,000 grant to purchase the property on which the proposed project is to be built; a 4.8 acre parcel situated on the north east corner of Newport Road and Winter Hawk Road in the City of Menifee, Assessor Parcel Number 338-170-025 ("Project Site"). On June 2008, the residents of the community of Menifee voted to incorporate, which means that due to the incorporation of the City of Menifee, the Project Site is no longer inside the territorial jurisdiction of the Agency.

The Developer is applying to the California Tax Credit Application Committee ("TCAC") for a reservation of tax credits for the Vineyards at Menifee Apartments, an affordable senior apartment complex in the City of Menifee in Riverside County. At present, there is a financing gap of approximately \$3,600,000. In order to complete the tax credit application process, the developer must provide TCAC with a Resolution from the local jurisdiction providing support for the Project. The Developer has requested that the Agency contribute an additional \$3,600,000 to fill the gap. Agency funds shall be subject to any restriction on the use of the Agency funds contained in the California Health and Safety Code.

The need to expand the affordable housing stock for low income and special needs households is a high priority in Riverside County. The attached Resolution will support the Palm Desert Development Company's application for tax credit reservation for Vineyards at Menifee Apartments Project. The Resolution will also recommend to the Board of Directors the loan of \$3,600,000 in Redevelopment Low- and Moderate-Income Housing Set-Aside Funds for construction of eligible activities on this Project Site.

**PROJECT DESCRIPTION:**

The Project will consist of 64 one-bedroom and 16 two-bedroom rental units including one two-bedroom manager's unit. The development will serve seniors, age 55 and over, with incomes which are no more than 60% of the Riverside County Area Median Income. A minimum of 39 Agency restricted units will be set aside. Additionally, in connection with the Riverside County Mental Health funds that are being sought, a minimum of 10% of the units will be restricted for seniors referred by the Department of Mental Health Homeless Housing Opportunities, Partnership, and Education Program ("HHOPE"). All units will include kitchens equipped with refrigerator, dishwasher, range/oven, garbage disposal, and central heating and cooling. The development will feature a community room, laundry facility, swimming pool, and BBQ picnic areas. The community room will provide indoor communal and education space. The community center includes a gym, computer room, game room, media room, eating area, kitchen and restrooms.

Other funding sources include a \$1,470,870 conventional loan; a loan of \$1,500,000 from the Mental Health Services Act ("MHSA") Program; tax credit equity contribution of \$11,128,849; a \$2,000,000 grant from the Redevelopment Agency for the County of Riverside; \$571,374 in waived impact fees; and deferred developer's fee of \$99,653. The total cost of development is estimated to be \$20,712,495.

Agency Counsel has reviewed and approved the attached resolution. Staff recommends that the Board approve the attached resolution.
