BACKGROUND:

On March 16, 2010 the Board of Supervisors approved the Plans and Specifications for the Blythe Riverside County Information Technology Communications Facility and authorized the Clerk of the Board to advertise for bids. On April 19, 2010, six contractors attended a mandatory job walk. On May 20, 2010, the bids were opened and Orr Builders was determined to be the lowest responsive and responsible bidder.

On May 25, 2010, the County of Riverside received a bid protest from Davis/Reed Construction, Inc., (Davis/Reed) the second lowest bidder. Davis/Reed raised four grounds for protest regarding Orr Builder's low bid:

1. Davis/Reed contended that Orr Builders did not list all subcontractors for various trades. It has been determined that Orr Builder's bid package is in compliance with Public Contract Section 4100; which requires that only trades performing work over ½ of 1% of the total project work be listed. The trades that were not assigned subcontractors in Orr Builder's bid documents will either be completed by the General Contractor or do not represent ½ of 1% of the total work.
2. Davis/Reed contended that Orr Builders did not provide the "complete address" of each of the listed subcontractors. Code does not specify that an "address" be listed. The requirement instead states that a "location of business" be provided for each listed subcontractor. The Attorney General, in 86 OAG 90, and the Courts in *D.H Williams Construction Inc. V. Clovis Unified High School* (2007) 146 Cal. App. 4th 757, addressed this issue. In summary, the opinions in these cases state that if the subcontractors listed may be identified given the provided information in the bid documents, the issue of bid shopping does not exist and the bid may be considered responsive. Each of the subcontractors may be identified, confirmed, and located given the information listed by Orr Builders in the bid documents.
3. Davis/Reed contended that Orr Builders did not include a percentage/amount of work for each of the listed subcontractors. This is specifically not required as set forth in the case of *Valley Crest Landscape, Inc. V. City Council of the City of Davis* (1996) 41 Cal. App. 4th 1432, which held that the statement of the "portion" requires a statement of the "type of work" only.
4. Lastly, Davis/Reed contended that Orr Builder's bid package did not include the Contractor's Certificate Regarding Workers' Compensation. It has been determined that this document is not required to be submitted with the bid documents.

PROJECT BUDGET: (Commences on Page 3)

PROJECT BUDGET:

The approximate allocation of the project budget is as follows:

Design	\$ 50,966
Specialty Inspections and Testing	\$ 6,671
Construction	\$ 684,900
Information Technology Infrastructure	\$ 75,080
Project Management	\$ 121,508
Project Contingency	<u>\$ 84,521</u>
TOTAL	\$1,023,646

The Blythe Riverside County Information Technology Communications Facility has been designed to take advantage of the most cost-effective, energy saving design elements and technologies available. Costs required to implement these efficiencies will be offset by rebate programs and utility bill savings.

FINANCIAL IMPACT:

Sufficient funds for this Project are budgeted for FY 2010/11. All associated costs pertaining to this Agreement will be fully funded by RCIT Departmental Budget.
