(Continued)BACKGROUND:

Veterinary clinics within the Thousand Palms area are primarily small, private, for-profit agencies and charge far greater fees than Animal Samaritans, the only non-profit agency capable of performing the high number of surgeries at a low cost for the citizens in the Thousand Palms area.

PRICE REASONABLENESS:

The price rendered by Animal Samaritans for spay and neuter services is considered to be fair and reasonable based on their pricing being lower than normal for-profit veterinary clinics in the surrounding area. Animal Samaritans is associated with the Society for the Prevention of Cruelty to Animals (SPCA) and is a certified non-profit agency. Pricing for the spay/neuter procedure for a canine is \$75.00, and for a feline is \$50.00. This compares favorably against for-profit clinics which charge significantly above \$100.00 for a canine or feline procedure, on average. Based on this comparison, the price is deemed to be fair and reasonable.

FINANICAL:

There is no additional impact on the general fund as this funding has been included in the department's budget.
