MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Buster, seconded by Supervisor Stone and duly carried, IT WAS ORDERED that the above matter is approved as introduced with waiver of reading and is set for public hearing July 27, 2010 at 9:30 a.m.

BACKGROUND continued:

Ordinance 860.6 includes rates the Auditor-Controller will charge for 20 of the services provided to county departments, taxing agencies outside the county (example cities and redevelopment agencies), special districts (example water districts); and, employees and the general public (for garnishments and similar services) as follows:

<u>Affected Agencies</u>	<u>Number of Rates</u>
Taxing Agencies (excluding county)	6
Employees and the general public	8
Special Districts	4
County Departments	2

The rate that will be charged to all county departments is for payroll warrants and direct deposits (see Attachment B). The internal audit rate, which will be charged to the Tax Collector, is for the required quarterly verification of the assets held in the treasury.

There will be increases to current charges for five of the Auditor-Controller's audited rates, particularly for property tax services where we were not fully recovering our cost; additionally, there will be decreases to six rates and no change to an additional eight rates. One new rate for general property tax services will be introduced this year. The Auditor-Controller will also discontinue the rate for an overnight rush of county warrants.

The property tax general services fee is intended to recover costs associated with researching and providing significant amounts of information requested by consulting agencies. The rate will not be charged to taxing agencies or for requests that fall under the California Public Records Act.

These changes are primarily the result of restructuring, auditing rather than reviewing processes and cost-cutting efficiencies.
