## **Summary of Fee Changes**

The proposed changes (Attachment 1) are attached for your review. This revision does not include an across-the-board fee increase. Several of the proposed changes are a direct result of State mandates.

A summary of the major changes to the text of the Ordinance are as follows:

### Retail Food Facilities

The California Retail Food Code added a provision for "Farm Stands," accordingly, this new category has been added for permitting. The proposed amount of this new permit fee is the same amount as the existing "Produce Stand" permit. Minor remodeling activities have been defined, but the fees have not been changed.

### Public Swimming Pools

Due to recent legislative changes, a new annual State Surcharge of \$6.00 shall be assessed for each spa and pool. The Department shall retain \$1.00 of this fee for administrative costs and remit \$5.00 to the State. Minor remodeling activities have been defined, but the fees have not been changed. A new fee has been added for multiple minor remodeling.

### Mobilehome Parks

The State Fee Schedule was revised in recent legislation for mobilehome park permits. Prior to October 1, 2009, the operating permit fee was established at \$25.00. The new operating permit fee is established at \$140.00, which applies to mobilehome parks only; the recreational vehicle park and incidental camping area fees remain at \$25.00. The previous mobilehome lot fee was established at \$2.00. The new mobilehome lot fee is established at \$7.00.

### Solid Waste Facility Permits

Language was added to clarify the types of solid waste facility permits included under this category with no change in the fee amount charged.

### Solid Waste Transfer Vehicles

This category was added back into the ordinance after being inadvertently removed from a previous version. This fee covers the cost associated with inspecting large vehicles that transport solid waste between processing and disposal facilities.

### Tobacco Retailing

This existing fee was previously referenced in Ordinance No. 838 and is being incorporated into Ordinance No. 640 as an Environmental Health service fee; the amount is not being adjusted at this time.
