Economic Development Agency  
Riverside County Regional Detention Center - Professional Service Agreement for Legal  
Services  
June 10, 2010  
Page 2

**BACKGROUND:**

On June 23, 2009, the Board of Supervisors approved a contract with Luce, Forward, Hamilton and Scripps, LLC (LFHS, LLC), to provide legal services in the area of land use and environmental regulations (including California Environmental Quality Act compliance) in connection with the Riverside County Regional Detention Center (RCRDC) located in the Cabazon area of the County of Riverside. Economic Development Agency (EDA) has recently learned that key LFHS, LLC, staff members have developed another legal firm, Murphy and Evertz, LLP. In order to maintain continuity in the legal services provided for the RCRDC project, staff recommends that the county enter into a new contract with Murphy and Evertz, LLP, for ongoing legal services.

The new contract with Murphy and Evertz, LLP, is similar to the LFHS, LLC, contract in fees and scope. The LFHS, LLC, legal services contract, not-to-exceed spending limits of \$425,000, has a remaining balance of \$324,950. EDA requests to move the remaining legal service contract balance of \$324,950 to Murphy and Evertz, LLP. If approved by the Board, EDA will have the ability and right, but no obligation, to contract with Murphy and Evertz, LLP, for services as needed over the next three years.

The use of a master professional service contract avoids the delay and work effort to seek Board authorization for each legal task over \$25,000.

**FINANCIAL DATA:**

All associated costs pertaining to the agreement will be fully funded through Tobacco Securitization Bonds.

15 claims.

## County of Riverside

## Litigation Management Guidelines

Claims Philosophy

The County's claims philosophy is to identify, on a timely basis, those claims for which there is liability and to make settlement offers promptly. The County of Riverside will generally not settle claims on a nuisance value basis as a matter of policy. The County of Riverside, hereinafter referred to as County, policy is to defend all claims where there is no liability or where liability is questionable. Thorough, early investigation and rigorous development of the legal issues will identify the strengths and weaknesses of a case and allow us to develop a negotiating or trial strategy properly which is reflective of the case's value. It is always appropriate for counsel to provide us with settlement or trial recommendations.

## I. LITIGATION COUNSEL

- A. Selection. Litigation counsel for each case shall be selected by the Economic Development Agency, hereinafter referred to as Agency, with assistance from the Office of County Counsel. The selection shall be based on the nature and complexity of the case, the experience and ability of the attorney, as well as other relevant factors.
- B. Terms. Upon appointment in any litigation, counsel shall provide the following to the County:
1. The names of other professionals (partners, associates, law clerks, paralegals, etc.) who will assist in the defense of the case. The functions to be performed by each professional shall also be provided. We request no junior attorney be assigned our files. A junior attorney may be utilized for research, minor discovery and court appearances with the senior attorney being fully responsible for the quality of the work product. The County retains the right to approve or disapprove of any and all attorney assignments.

## II. CASE ANALYSIS, STRATEGY AND BUDGET

- A. Development of an effective and strategically sound legal approach is the responsibility of counsel and includes the following:
1. Identifying and developing all liability issues.
  2. Bringing viable third-party actions and/or cross actions against co-defendants.
  3. Developing the defense of contributory or comparative negligence.
  4. Raising causation issues to ascertain whether there is a nexus between the County's alleged act(s) and the actual damages sustained.
  5. Critically analyzing the basis for all claims alleged or damages claimed.

B. Within thirty (30) days following receipt of a case, counsel shall prepare and send to County Counsel, a Case Evaluation Plan (see Exhibit B) and as follows:

1. Analysis. (a comprehensive written analysis of the case). This analysis shall provide an initial evaluation of the case, including a brief synopsis of the facts of the case, damages and exposures in the case, and identification of the strengths and weaknesses of the case. Counsel shall also provide an initial impression of liability and identify the pertinent statutes and/or case law that may affect the outcome of the litigation.
2. Investigation. We require investigations be done timely. This includes but is not limited to:
  - a. Identification of and taking statements of witnesses.
  - b. Production of documents.
  - c. Purchase order/contracts/lease agreements.
  - d. Internal statements, memos, and correspondence
  - e. Inspections, etc.
  - f. Blue prints, if applicable.

Counsel shall identify any additional information or documentation that is needed to disprove the plaintiff's claims or to establish defenses in the action. Where it is believed further investigation is necessary, please discuss this with Agency prior to it being initiated.

3. Strategy. Counsel shall define the strategy to be used in each lawsuit, including, but not limited to:
  - a. The anticipated course of action to be taken and prospect for success (i.e. motion to dismiss, motion for summary judgment, negotiated settlement, trial, etc.).
  - b. The facts or elements which must be proved or disproved and the discovery necessary to establish these defenses or proof.
  - c. The timing of the discovery, filing of motions, negotiations or other objectives.
  - d. A description of how the work will be distributed among those who will be working on the case.
  - e. The tactics to be used in handling the case and the advantages to be gained by use of these tactics.
  - f. When appropriate, bifurcation of liability from damages' issues should be considered.

C. Budget. Defense counsel will also provide an estimate of the anticipated cost of each significant aspect of the litigation, pursuant to the attached Budget Guidelines Attachment C. These guidelines may change from time to time and you should always familiarize yourself with all changes.

### III. COMMUNICATION

A. Correspondence and pleadings. Copies of all pertinent correspondence, investigations, and summaries of depositions, interrogatories and pertinent pleadings shall be promptly provided by defense counsel to County Counsel.

Defense counsel will promptly respond to all letters or phone calls and will keep County Counsel fully advised of the progress in each case.

- B. Depositions and hearings. We require timely notification of all scheduled depositions, deposition preparations, mediations, MSC, VSC, arbitrations, trials, etc. We consider timely notification to be not less than 2 weeks in advance with 3-4 weeks advanced notice being preferable. Notice of all hearings shall be sent by defense counsel to County Counsel. It is required that within 10 days of any County employee's deposition being taken, defense counsel will meet with the county employee for the purpose of preparing the employee for their depositions and for trials in which they will serve as witnesses and/or experts. There are to be no telephone preparations (See VII Trials and Reports).
- C. Evaluations. We request evaluations as to liability and settlement value issues as early in the case as possible. Upon request, and at such other times as deemed necessary, defense counsel shall provide written or oral evaluations of the litigation. These evaluations shall disclose any weaknesses or strengths that have been discovered, any changes in applicable statutes or case law, any increase or decrease in anticipated costs, and (if possible) the potential liability and settlement value of the case. These evaluations should be as straightforward and as objective as possible to allow County Counsel to meaningfully analyze the case and to determine the course of action to be taken.
- D. Any demand, settlement, or judgment that includes or requests a "non-monetary" remedy from the court will be immediately communicated to the director(s) of the involved Agency. Non-monetary remedies can include, but is not limited to, injunctions (mandatory or prohibitory), remedies with policy implications, including labor relations, and/or any other non-monetary remedies. Such communication will include a request for either approval or rejection of the proposed remedy.
- E. Insofar as the non-monetary remedies may require approval of the Board of Supervisors, litigation counsel shall communicate to County Counsel the nature and effect of the proposed remedy for determination by County Counsel as to any Board involvement.

#### IV. UPDATES

It is the responsibility of counsel to update any item of information contained in the initial status report, including judgments and opinions of counsel, promptly when a change occurs. All updates shall also be concise. If six months elapse since the initial report or the last previous update and no changes have occurred, counsel shall advise County Counsel of that fact in a written update. Consequently, no six-month period shall expire without written communication from litigation counsel to County Counsel.

#### V. SETTLEMENT AUTHORITY

Litigation counsel shall not settle any lawsuit or make a settlement offer in any amount or make any representation as to settlement possibilities without prior authorization of the County Counsel and/or Board of Supervisors approval when necessary.

#### VI. LEGAL BILLINGS

- A. All bills for legal services and costs shall be submitted at least quarterly. Fees and costs shall be billed at the rates previously agreed upon. All bills shall state

with particularity the legal work performed, the hours expended to perform the work and the costs incurred. Attorneys submitting the bills for payment are responsible for the content of the bills and will work with the County to resolve problems or answer questions.

Legal fees will not be paid unless submitted in the following format:

1. Each legal activity will be dated and itemized (multiple daily descriptive explanations of activities with a single time entry is not acceptable).
2. We require all billings be itemized to indicate the following:
  - a. The attorney doing the work.
  - b. Hours spent for each specific task.
  - c. Hourly rate.
  - d. Work being done by paralegals or law clerks should be identified.

Please advise if research time and/or overtime is billed and how it is indicated on the billing.

3. The amount of time to complete the task must be broken down into tenths of hours. Block time billing is not acceptable; therefore, not reimbursable.
4. The rates charged by each attorney working on the case must be summarized with the amount of hours to depict a cost per attorney.
5. Where expenses have been incurred for others, such as copy service, court reporters, experts, etc, please submit bills directly to County Counsel after approving them for payment. If you inadvertently paid a bill, please submit the itemized invoice you have paid along with your billing requesting reimbursement.
6. We understand the need to pay for unusual expenses incurred by you on behalf of Riverside County, however, we should not be asked to pay for ordinary overhead expenses, which we believe includes:
  - a. Ordinary postage.
  - b. Local telephone calls and faxes.
  - c. Ordinary word processing.
  - d. Time to prepare and review billings.
  - e. Local travel (30 miles or less, round trip.)
  - f. Meals when involved in local (in-town) cases.
7. If overpayments are/have been made by the County, the attorney firm must remit a reimbursement payment to the County of Riverside, within 30 days. No credit balances will be acceptable.

B. We will gladly pay for unusual charges which we believe include:

1. Long distance telephone calls - these should be itemized whenever possible.
2. Express mail when deemed necessary.

3. Long distance fax charges.
4. Photocopy charges - must include itemization, showing the number of pages and the cost per page which must not be excessive nor above industry standards. Where expense has been extensive, we would appreciate an explanation.
5. Travel time - if you are required to fly to another destination, reimbursable time begins at the airport you are departing from and ends at the arriving destination airport. Other out of town travel is reimbursable from your office location to your destination utilizing the most direct or quickest route.
6. Out of town travel – you must obtain prior authorization for any out of town travel. We ask that you do not fly first class or business class nor stay in a hotel whose rates are expensive or above the average daily rate of \$159.00, or \$239.00 in high cost cities such as San Francisco, New York, Washington D.C., etc (averages may vary by locale). We do not reimburse alcoholic beverage consumption. Food consumption should be reasonable and not excessive. Meals must be itemized as to food, beverages and tips. Itemization of all travel expenses by each person incurring those expenses must be made. This includes airfare, hotel, food, ground travel and any other major costs. Arrangements must be made to use a local court reporter or any other local service you believe is necessary as we will not authorize travel expenses for these services. Car rentals should be compact to mid-size vehicles and not in the luxury class.

C. Use of Appropriate Personnel

Within a law firm, research and minor discovery work should be performed by the lowest level of personnel (e.g. junior attorneys, paralegals) capable of performing a given task. Responsibility for the quality of the work product remains with the assigned trial attorney.

D. Multiple Attorney Conferences/Attendance

1. We will not pay for attendance by more than one representative of a law firm at meetings, court appearances, conferences, etc. without our prior approval.
2. Attorney office conference time must be itemized and is subject to review and may be disallowed.

E. Research

1. We will not pay for extensive research of relatively routine matters which should otherwise be within the knowledge of experienced practitioners.
2. We will only pay for review and revision of prior research; we will not pay each time as if previous research was conducted de novo.

F. Copy Service

We prefer to use one copy service wherever possible so that we can participate in volume discounts. We may establish and provide a panel of copy service vendors for your reference. Until you receive this panel, please continue using your current copy service making the effort to negotiate volume discounts. We want to utilize one court reporter whenever possible for the same reason - volume discount. Please provide us names and telephone numbers of court reporters you use by area (i.e., Riverside, Indio, Blythe, etc).

G. Audit

Attorneys shall have and maintain all backup documentation to support all entries included in the monthly billing statement. Such documentation shall be in a form subject to audit and in accordance with generally accepted accounting principles. Attorneys shall make such documentation available to auditors upon request and at such reasonable times and locations as may be agreed to between County and Attorneys.

The County of Riverside retains the right to have legal billings audited.

VII. TRIALS AND REPORTING

- A. Within ten (10) to thirty (30) days prior to trial, defense counsel will meet with County employees who will be called as witnesses.
- B. Within thirty (30) days of the conclusion of all trials, a brief summary trial report should be directed to the County Counsel outlining the trial results.

VIII. FINAL REPORTS

- A. At the conclusion of the case, a short summary report should be directed to the County Counsel . Original closing papers and the final billing should be attached.
- B. Within ninety (90) days following the termination of each lawsuit, the County Counsel will review the file to determine compliance with the County's guidelines and the strategy and budget developed by defense counsel for the case. If appropriate, a meeting will be arranged to discuss perceived problems and/or ways to improve handling of the County's cases.

IX. Electronic Communication/Data Storage/Presentation

- A. The County of Riverside strongly suggests all attorneys handling County files have the ability to communicate individually via electronic mail (E-Mail).
- B. The County of Riverside Superior Courts has equipment that is available for presenting evidence electronically (photo's, text, animation, etc.) via the use of an Elmo and a computer. The Courts also have a large screen which is used to project the electronic evidence and information onto so that all jurors can easily view the evidence presented. The County of Riverside believes that jurors will retain 80%-90% of what they hear if they see it simultaneously. In addition, the management and storage of data on CD-ROM is beneficial to the success of the presentations of most of our cases. Therefore, the County of Riverside strongly suggests all attorneys handling cases on behalf of the County become proficient in managing and presenting cases via electronic medium.

X. Miscellaneous

There may be additional reporting requirements required by County Counsel. You will be notified in writing of any additional requirements which we deem necessary.

The foregoing is not meant to be burdensome - it is meant to control and manage our costs as well as to be knowledgeable and involved with each of our cases.
