The Honorable Board of Supervisors

RE: Amendment No. 2 to the On-Call Environmental Services Agreement with Jones & Stokes Associates

August 19, 2010

Page 2 of 2

between the County and Jones & Stokes Associates on July 11, 2006 to provide the Transportation Department with the needed services. This amendment exercises the option in the agreement to extend the term of the contract for the second of the two optional one-year extensions. The Transportation Department needs the continued services of Jones & Stokes Associates.

All associated contract costs will be funded using project funds. Thus, no net county costs will be incurred as a result of this contract amendment.

**AMENDMENT No. 2 TO AGREEMENT**

**for On-Call Environmental Services**

**between County of Riverside – Transportation Department**

**and Jones & Stokes Associates**

THIS AMENDMENT (hereinafter the "Amendment") to an agreement is made and entered into as of this 31st day of August, 2010, by and between the County of Riverside, a political subdivision of the State of California (hereinafter the "COUNTY"), and Jones & Stokes Associates (hereinafter "CONSULTANT").

**RECITALS**

- A. COUNTY and CONSULTANT have entered in an agreement entitled "On-Call Environmental Services between County of Riverside – Transportation Department and Jones & Stokes Associates that is dated July 11, 2006 (hereinafter the "Agreement"). The Agreement provides the terms and conditions, scope of work, schedule and budget for the performance of professional and technical services necessary to provide on-call Environmental services.
- B. Appendix B • Article BI establishes the time period for allowing work assignments to be authorized under the original agreement. The terms and conditions specify that work assignment can be authorized for three years from the date of Board of Supervisors agreement approval (July 11, 2006) and that the authority to execute work assignments can be modified through one-year supplemental extensions. The agreement allows for two separate one-year extensions. The CONSULTANT is satisfactorily performing the duties under this agreement and the Transportation Department continues to need the services provided. The parties therefore now desire to implement the second one-year extension of the authority to execute work assignments.
- C. The County of Riverside – Transportation Department intends to modify the term of the contract extension to coincide with the fiscal year, July 1-June 30.

**AGREEMENT**

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties agree as follows, effective July 1, 2010:

1. CONSULTANT agrees to bill at Year 2 rates, a 5% reduction of current rates, for the term of this agreement.

AUG 31 2010 2.89

1  
2 2. The authority to authorize work assignments under this contract is hereby extended from July 1, 2010 to  
3 June 30, 2011 in accordance with Appendix B • Article BI of the original agreement.

4 3. Except to the extent specifically modified or amended hereunder, all of the terms, covenants and  
5 conditions of the Agreement shall remain in full force and effect between the parties hereto.

6 IN WITNESS HEREOF, the parties hereto have caused this Amendment to the Agreement to be duly  
7 executed this day and year first written above.
