Fiscal expenditures are required to be input into the Data Management System on a monthly basis and input must be completed by the 20th of the month following contract performance. If the due date falls on a weekend or County, State or nationally recognized holiday, the due date will be on the following business day. Any changes that occur with expenditures must be reported to Commission staff and adjusted within the Data Management System before the end of the Quarter following the expense occurrence. Example: Changes to expenditures in the first quarter of performance must be adjusted and reconciled before the end of the 2<sup>nd</sup> quarter (December 30, as reported in the January 30 report). A change in CONTRACTOR staff, or other difficulties, does not absolve the CONTRACTOR from this monthly fiscal reporting responsibility.

If applicable, CONTRACTOR shall provide copies of the claim report submitted monthly for Medi-Cal and/or any other State or Federal reimbursements. In addition, the CONTRACTOR will provide the subsequent revenue reports that will reconcile the claim reports.

Costs may be allowed and reviewed for reimbursement up to the time of the Final Fiscal Expenditure Report, which is due July 15. Such costs may be disallowed if submitted subsequent to the close of the Commission's fiscal year.

Commission staff will send a letter verifying reimbursements or notification of payments withheld. If a payment is due, a check will be attached to the letter and mailed to the attention of the person designated by the CONTRACTOR. Changes in the mailing address or designated contact person must be submitted in writing on the CONTRACTOR letterhead and signed by an authorized representative.

## **B. Program Reporting**

Program data must be entered on a monthly basis and input must be completed by the 20th of the following month. If the due date falls on a weekend or holiday, the due date will be on the following business day. Additionally, Quarterly Program Progress Reports must be submitted to the Commission within thirty (30) calendar days after the end of the quarter. Any changes that occur with program data input must be reported to Commission staff and adjusted within the data management system before the end of the Quarter following the change. Example: Changes to program data in the first quarter must be adjusted and reconciled before the end of the 2<sup>nd</sup> quarter (December 30, as reported in the January 30 report. A change in contract staff, or other difficulties, does not absolve the CONTRACTOR from this monthly program data input and quarterly Program reporting responsibility.

In rare and justifiable circumstances, an extension may be requested by the CONTRACTOR. Such requests are to be submitted in writing prior to the due date and shall be directed through the Program Specialist assigned to the CONTRACTOR.

Quarterly Program Reporting due dates for each contract period:

- QUARTER 1 ending September 30: Report Due October 30
- QUARTER 2 ending December 31: Report Due January 30
- QUARTER 3 ending March 31: Report Due April 30

In the event the reporting due date falls on a weekend or holiday, the due date shall default to the next Commission business date.

## **12. REIMBURSEMENT OF FUNDS TO THE COMMISSION**

If CONTRACTOR has been overpaid in the previous fiscal year, the Commission will, in instances where the Contract is renewed, reduce subsequent payment(s) to recover the amount overpaid.

Notwithstanding any other provision herein, CONTRACTOR agrees to reimburse, in full, any and all funds received from the Commission, upon request of the Commission, where such funds as determined by the Commission are not, or have not been utilized by CONTRACTOR for their purpose as intended by the Commission. The terms and conditions of reimbursement shall be at the sole discretion of the Commission. This provision is not terminated upon termination of this Contract.

## **13. RCCFC FISCAL REQUIREMENTS**

### **A. Budget Adjustments**

A transfer of no more than 10% (per fiscal year) of the total Contract amount may be made without prior written approval of the Executive Director, or designee, but written justification from the CONTRACTOR is required in the Program Progress Report submitted for the quarter in which the transfer is made. Budget adjustments will not change the total Contract amount and additional line items are **not** to be included. Failure of the Commission to

discover or object to any unsatisfactory quarterly fiscal reports prior to payment will not constitute a waiver of the Commission's right to require CONTRACTOR to correct such quarterly reports. Budget Adjustments will be considered until June 1<sup>st</sup> of the current fiscal year.

**B. Budget Revisions**

Budget revisions are requests to transfer more than 10% of the total Contract amount and/or the addition of line items that were not previously approved. The Executive Director, or designee, will accept proposed budget revisions along with written justification from CONTRACTOR during the current fiscal year. The Executive Director, or designee, will respond to budget revisions within thirty (30) calendar days after receipt at the Commission office. Budget Revisions will be considered by the Executive Director or designee until June 1<sup>st</sup> of the current fiscal year.

**C. Amendments**

Necessity for budget amendments to this Contract will be determined by the Executive Director, or designee, and may include, but are not limited to Contract increases or decreases and significant changes to the Scope of Work (SOW). All budget amendments to the Contract shall require formal approval of the Executive Director acting on behalf of the Commission, as provided herein, before they are effective. Major budget amendments, as determined by the Executive Director, in consultation with Commission legal counsel, will require formal approval of the Commission. Contract budget amendments will be considered until June 1<sup>st</sup> of the current fiscal year.

**D. Cost Allocation**

CONTRACTOR shall have or establish a cost allocation plan to identify prorated costs shared by multiple funding sources, including Proposition 10 funds. CONTRACTOR's Cost Allocation Plan must be approved by CONTRACTOR's appropriate governing body and submitted with the executed contract.

A Cost Allocation Plan (CAP) is defined as a written summarization that documents the methods and procedures that the contract will use to allocate costs between two or more programs or funding sources. The goal is to ensure that each program or funding source bears its fair share, and only its fair share, of the total costs. The CONTRACTOR must have a method of identifying and distributing program costs that are comprehensive, well documented, and defensible under the Generally Accepted Accounting Principles (GAAP).

A written CAP is required if any of the conditions below are met:

- a. Funded staff members share their time between a First 5 Commission funded program and one or more other grant funded programs.
- b. A single-funded staff member shares their time between two or more First 5 Commission funded programs.
- c. The same facilities and/or resources are utilized by more than one funded program.

**E. Overhead/Indirect Costs**

1. Indirect costs shall be based on the CONTRACTOR's official governing board approved Cost Allocation Plan or state/federal approved rate not to exceed 11%. These costs will be reviewed and approved on a case-by-case basis.
2. A pass through is defined as those instances where the CONTRACTOR forwards funds obtained from the Commission to a subcontractor and the Commission maintains no relationship or responsibility for the performance of the subcontractor. Proposition 10 funds shall not be used in a manner that will cause payment for indirect costs

associated with the CONTRACTOR's funded program more than once. RCCFC will not pay for subcontractor indirect costs as part of CONTRACTOR budget.

**F. Revenues Received**

Any and all revenue received by the CONTRACTOR (except funds received from the Commission) to operate the program funded pursuant to this Contract shall be reported as revenue received within the monthly fiscal report. All such revenues shall be used to fully compensate expenses within the program funded and/or to provide additional services within the program funded pursuant to this Contract. Any unused revenues shall be deducted from Contract reimbursement, as authorized by the Commission.

**G. Payroll Taxes**

The Commission shall not be directly responsible for the payment of any taxes on the CONTRACTOR's behalf. In the event that the Commission is required to do so by state, federal or local taxing agencies, CONTRACTOR agrees to promptly reimburse the Commission for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but are not limited to the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance and workers' compensation insurance.

**14. CONTRACTOR AUDIT REQUIREMENTS**

- A. All CONTRACTORS are required to have an annual financial audit. Each CONTRACTOR shall provide a copy of their annual audited financial statements to the Commission covering the fiscal year that funds are received for services provided pursuant to this Contract. The audit will cover the CONTRACTOR's fiscal year and will include a statement of internal controls over financial reporting. All audits shall be performed by either: (1) a Certified Public Accountant who possesses a valid license to practice within the State of California; (2) a Public Accountant currently certified and licensed by the State of California.
- B. CONTRACTORS who have a Single Audit completed, under the auspices of the Federal Office of Management and Budget (OMBA-133), in any given year will be required to have a Program Specific Audit completed under guidelines as stated under Government Auditing Standards. The Program Specific Audit will cover the CONTRACTOR's fiscal year and will include a statement of compliance.
- C. Audits are to be submitted to the Executive Director, or designee, on an annual basis within one hundred and eighty (180) calendar days after the close of the CONTRACTOR's fiscal year. Proposition 10 funds and expenditures must be identified separately within the financial audit. If an audit is not received on or before the required due date and an extension has not been granted, the audit shall be considered delinquent and immediate corrective action is required. If the CONTRACTOR fails to produce or submit an acceptable audit, the Commission has the authority to withhold funding, and if necessary, secure an Auditor, and the CONTRACTOR shall be liable for all Commission costs incurred in obtaining an independent audit. The cost of the audit will be applied against the contract encumbered amount, thereby reducing the amount of funding available to the program.

**15. INVENTORIABLE EQUIPMENT/VEHICLES**

- A. The title of vehicles or property derived from approved purchases funded by Proposition 10 funds shall be maintained by the CONTRACTOR for the uses and purposes provided; CONTRACTOR shall administer such property only for the purposes for which they were granted.
- B. Inventoriable equipment is items purchased with Proposition 10 funds that cost \$1,000 or more. The CONTRACTOR shall inventory and report any and all equipment purchases meeting this criterion, on the Commission Inventory Record Form. This record must accompany CONTRACTOR's final Quarterly Report submitted at the end of the Contract

period. Applicable receipts must be maintained by the CONTRACTOR to validate expenditures and shall be made available as requested during the Commission Administrative Review visits. Ownership and documentation of vehicles shall be maintained by the CONTRACTOR. CONTRACTOR shall submit a copy of the Certificate of Title for vehicle ownership with the final Quarterly Reports. It is understood that the CONTRACTOR is liable for any/all liability and damages resulting from the use and/or misuse of equipment/vehicles purchased with Proposition 10 funds. Equipment/vehicles shall not be used for personal use by the CONTRACTOR, and/or their employees, agents, subcontractors and/or collaborating partners.

**16. REVERSION OF ASSETS**

**Real or Personal Property Assets.** Any real property or moveable or immovable personal property under CONTRACTOR's control or ownership that was acquired or improved in whole or in part with Proposition 10 funds disbursed under this Contract, or under any previous Contract between the Commission and CONTRACTOR, where the original cost exceeded one thousand dollars (\$1,000.00) shall either be, at the election of the Commission as determined by the Executive Director, or designee: (1) used by CONTRACTOR for the services described in Exhibit A for a period of five (5) years after termination or expiration of this Contract, unless a longer period is specified in Exhibit A; or (2) disposed of and proceeds paid to the Commission in a manner that results in the Commission being reimbursed in the amount of the current fair market value (assuming depreciation in accordance with customary business practices) of the real or personal property less any portion of the current value attributable to CONTRACTOR's out of pocket expenditures using non-commission funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.

- A. In furtherance of the foregoing, if the Commission selects continued use of the capital asset, as provided herein, the CONTRACTOR hereby agrees that it shall be subject to an ongoing operating and use covenant relating to the subject real or personal property. The foregoing covenant shall survive the termination or expiration of this Contract and shall be actionable at law or in equity by the Commission against CONTRACTOR and its successors in interest.
- B. **Riverside County Department of Public Health - Immunization**  
**Contract #: 1028 OP-11**  
**Contract Term: July 1, 2010 – June 30, 2011**

The Riverside County Community Health Agency Department of Public Health will protect and improve the health status of children by increasing the number and percent of children 0-5 who receive age-appropriate immunizations. This will be accomplished by ten strategically located Family Care Centers in four geographic pockets of need, countywide. The FCCs are located in the following regions: South, West, Pass and the East region of the County. The Family Care Centers (FCCs) will provide walk-in immunizations that will fast track children and/or family members to get immunized. Staffing will consist of RNs, LVNs and Certified Medical Assistants (CMAs) located at each of the FCCs. The established clinic procedures for requesting the \$10 administration fee will be followed. No child will be denied immunizations due to the parent's inability or unwillingness to pay. This is a requirement for receiving VFC (Vaccines for Children) vaccines from the California Department of Public Health. The FCCs will also provide comprehensive services to its clientele and will coordinate additional services as needed. One Certified Application Assistant (CAA) will be assigned to each FCC. The CAA will assist parents with the Medi-Cal application process and provide translation for Spanish speaking parents, including referring clients to IEHP to obtain health insurance coverage. The Immunization Program will also provide social marketing campaigns targeting parents and medical providers. The Immunization Program will promote the use of the California Immunization Registry (CAIR) to avoid missed opportunities to immunize and ensure children receive their vaccinations on time through trainings and follow-up with health care, child care and school providers. The Immunization Program will also implement Quality Assurance Reviews to improve quality control standards for vaccines in provider offices and other sites where vaccines are administered to children 0-5. The Riverside County Department of Public Health will continue to provide a comprehensive Immunization Program supported by funding from First 5, the California Department of Public Health and County general funds.

**The Family Care Centers** – The agency will provide walk-in immunizations to an additional **1,700** children 0-5 at **10** Family Care Center sites and will link WIC clients located within the FCCs to the walk-in immunizations within the four regions of Riverside County supported by F5R funding. Of the children 0-5 immunized, **290** will receive initial immunizations and **1,410** will receive up-to-date immunizations as stipulated on the immunization schedule approved by the American Council on Immunization Practices, American Academy of Pediatrics, and the American Academy of Family Physicians. All immunizations will be entered into CAIR. CAIR will be available at the 10 Family Care Centers and an updated California Immunization Record will be given to parents.
