- d. It is understood and agreed by the parties hereto that
CONSULTANT'S insurance shall be construed as primary
insurance, and DISTRICT'S insurance and/or deductibles and/or
self-insured retentions or self-insured programs shall not be
construed as contributory.
 - e. If, during the term of this Agreement or any extension thereof, there
is a material change in the scope of services or there is a material

1 change in the equipment to be used in the performance of the scope
2 of work which will add additional exposures (such as the use of
3 aircraft, watercraft, cranes, etc.); or the term of this Agreement,
4 including any extensions thereof, exceeds five (5) years, DISTRICT
5 reserves the right to adjust the types of insurance required under
6 this Agreement and the monetary limits of liability for the insurance
7 coverages currently required herein, if, in the County Risk
8 Manager's reasonable judgment, the amount or type of insurance
9 carried by CONSULTANT has become inadequate.

10
11 f. CONSULTANT shall pass down the insurance obligations
12 contained herein to all tiers of subcontractors working under this
13 Agreement.

14 g. The insurance requirements contained in this Agreement may be
15 met with a program(s) of self-insurance acceptable to DISTRICT.

16 h. CONSULTANT agrees to notify DISTRICT of any claim by a third
17 party or any incident or event that may give rise to a claim arising
18 from the performance of this Agreement.

19
20 9. INDEMNIFICATION – CONSULTANT shall indemnify and hold harmless
21 DISTRICT (including its officers, Board of Supervisors, elected and appointed
22 officials, employees, agents and representatives) from any and all liability, claim,
23 damage, proceeding or action, present or future, based upon, arising out of or in
24 any way relating to CONSULTANT'S (including its officers, employees,
25 subcontractors and agents) actual or alleged negligent, reckless or willful
26 misconduct, acts or omissions related to this Agreement, performance under this
27
28

1 Agreement, or failure to comply with the requirements of this Agreement,
2 including but not limited to: (a) property damage; (b) bodily injury or death; or (c)
3 any other element of any kind or nature whatsoever.

4 CONSULTANT shall defend, at its sole expense, including all costs and fees
5 (including but not limited to attorney fees, cost of investigation, defense and
6 settlements or awards), DISTRICT (its officers, Board of Supervisors, elected and
7 appointed officials, employees, agents and representatives) in any claim,
8 proceeding or action for which indemnification is required.

9 With respect to any of CONSULTANT'S indemnification requirements,
10 CONSULTANT shall, at its sole cost, have the right to use counsel of their own
11 choice and shall have the right to adjust, settle, or compromise any such claim,
12 proceeding or action without the prior consent of DISTRICT; provided, however,
13 that such adjustment, settlement or compromise in no manner whatsoever limits
14 or circumscribes CONSULTANT'S indemnification obligations to DISTRICT.

15 CONSULTANT'S indemnification obligations shall be satisfied when
16 CONSULTANT has provided to DISTRICT the appropriate form of dismissal (or
17 similar document) relieving DISTRICT from any liability for the claim,
18 proceeding or action involved.

19 The specified insurance limits required in this Agreement shall in no way limit or
20 circumscribe CONSULTANT'S obligations to indemnify and hold harmless
21 DISTRICT from third party claims.

22 In the event there is conflict between this section and California Civil Code
23 Section 2782, this section shall be interpreted to comply with California Civil
24 Code Section 2782. Such interpretation shall not relieve CONSULTANT from
25
26
27
28

1 indemnifying DISTRICT or the County of Riverside to the fullest extent allowed
2 by law.

3 10. WORK PRODUCT – CONSULTANT shall provide DISTRICT with a copy of
4 the software modifications and installation instructions. All drawings, logs and
5 reports shall be and remain the sole property of DISTRICT. CONSULTANT
6 shall not publish or transfer any material produced or resulting from activities
7 supported by this Agreement without the written consent of the General Manager-
8 Chief Engineer. If any such material is subject to copyright or trademark, the
9 parties agree that the right to any and all copyright and/or trademark in and to the
10 material is expressly reserved to DISTRICT. If any such material is copyrighted,
11 the parties hereto understand and agree that DISTRICT reserves a royalty-free,
12 non-exclusive, and irrevocable license to reproduce, publish, and use such
13 material, in whole or in part, and to authorize others to do so, provided written
14 credit is given the author.

15
16 11. CONFIDENTIALITY OF DATA – All financial, statistical, personal, technical or
17 other data and information which is designated confidential by DISTRICT and
18 subsequently made available to CONSULTANT shall not be disclosed (in whole
19 or in part) by CONSULTANT to any third parties and shall be protected by
20 CONSULTANT from unauthorized use and disclosure. The only exception to this
21 shall be if disclosure is approved in advance in writing by DISTRICT or if the
22 disclosure is made to CONSULTANT'S subcontractors as anticipated by this
23 Agreement.

24
25 CONSULTANT shall not issue any news release or public relations item
26 regarding designated confidential information or CONSULTANT'S work under
27
28

1 this Agreement, without prior review of the contents and written approval by
2 DISTRICT.

3 These same requirements shall be applicable to any of CONSULTANT'S
4 subcontractors. CONSULTANT shall include the requirements stated in this
5 section in the agreements with any of its subcontractors.

6 12. TERMINATION – At any time during the term of this Agreement, DISTRICT
7 may:

8
9 a. Terminate this Agreement without cause upon providing CONSULTANT
10 thirty (30) days written notice stating the extent and effective date of
11 termination; or

12 b. Upon five (5) days written notice, terminate this Agreement for
13 CONSULTANT default, if CONSULTANT refuses or fails to comply with
14 the provisions of this Agreement or fails to make progress so as to endanger
15 performance and does not cure such failure within a reasonable period of
16 time. In the event of such termination, the DISTRICT may proceed with
17 the work in any manner deemed proper to DISTRICT.

18 In the event DISTRICT issues a Notice of Termination pursuant to
19 paragraph a or b above, CONSULTANT shall:

20 i) Stop all work under this Agreement on the date specified in the
21 Notice of Termination; and

22 ii) Transfer to DISTRICT and deliver in the manner, and to the
23 extent, if any, as directed by DISTRICT, any equipment, data or
24 reports which, if the Agreement had been completed, would have
25 been required to furnish to DISTRICT.

26 In the event DISTRICT terminates this Agreement pursuant to paragraph a or b
27 above, DISTRICT shall make payment for all services performed in accordance
28

1 with this Agreement to the date of termination, a total amount which bears the
2 same ratio to the total maximum fee otherwise payable under this Agreement as
3 the services actually bear to the total services necessary for performance of this
4 Agreement. Notwithstanding any of the other provisions of this Agreement,
5 CONSULTANT'S rights under this Agreement shall terminate (except for fees
6 accrued prior to the date of termination) upon dishonesty, or a willful or material
7 breach of this Agreement by CONSULTANT; or in the event CONSULTANT'S
8 unwillingness or inability for any reason whatsoever to perform the duties
9 hereunder; or if the Agreement is terminated pursuant to Section 17 (NON-
10 DISCRIMINATION). In such event, CONSULTANT shall not be entitled to any
11 further compensation under this Agreement. The rights and remedies of
12 DISTRICT provided in this section shall not be exclusive and are in addition to
13 any other rights and remedies provided by law or under this Agreement.

14 13. ASSIGNMENT - Neither this Agreement nor any part thereof shall be assigned by
15 CONSULTANT without the prior written consent of DISTRICT.

16 14. CONFLICT OF INTEREST – CONSULTANT covenants that it presently has no
17 interest in, including but not limited to, other projects or independent contracts,
18 and shall not acquire any such interest, direct or indirect, which would conflict in
19 any manner or degree with the performance of services required to be performed
20 under this Agreement. CONSULTANT further covenants that in the performance
21 of this Agreement, no person having any such interest shall be employed or
22 retained by it under this Agreement.

23 15. JURISDICTIONAL/LAW/SEVERABILITY – This Agreement is to be construed
24 in accordance with the laws of the State of California. If any provision of this
25 Agreement is held by a court of competent jurisdiction to be invalid, void or
26 unenforceable, the remaining provisions shall be declared severable and shall be
27 given full force and effect to the extent possible.
28

1 Any legal action, in law or equity related to the performance or interpretation of
2 this Agreement shall be filed only in the Superior Court for the State of California
3 located in Riverside, California, and the parties waive any provision of law
4 providing for a change of venue to another location. Prior to the filing of any
5 legal action, the parties shall be obligated to attend a mediation session with a
6 neutral mediator to try to resolve the dispute.

7 16. WAIVER – Any waiver by DISTRICT of any breach of any one or more of the
8 terms of this Agreement shall not be construed to be a waiver of any subsequent or
9 other breach of the same or any other term thereof. Failure on the part of
10 DISTRICT to require exact, full and complete compliance with any terms of this
11 Agreement shall not be construed as in any manner changing the terms hereof, or
12 estopping DISTRICT from enforcement hereof.

13 17. NON-DISCRIMINATION - In the performance of the terms of this Agreement,
14 CONSULTANT shall not engage in nor permit others he may employ to engage in
15 discrimination in the employment of persons because of the race, color, national
16 origin or ancestry, religion, physical handicap, disability as defined by the
17 Americans with Disabilities Act (ADA), medical condition, marital status or sex
18 of such persons, in accordance with the provision of California Labor Code
19 Section 1735.

20 18. NON-APPROPRIATION OF FUNDS – It is mutually agreed and understood that
21 the obligation(s) of DISTRICT are limited by and contingent upon the availability
22 of DISTRICT funds for the reimbursement of CONSULTANT'S fees. In the
23 event that such funds are not forthcoming for any reason, DISTRICT shall
24 immediately notify CONSULTANT in writing. This Agreement shall be deemed
25 terminated and have no further force and effect immediately on receipt of
26 DISTRICT'S notification by CONSULTANT. In the event of such termination,
27
28

CONSULTANT shall be entitled to reimbursement of its costs in accordance with
Section 4 (COMPENSATION).

MEMORANDUM

RIVERSIDE COUNTY FLOOD CONTROL
AND WATER CONSERVATION DISTRICT

DATE: September 22, 2010

TO: Board of Supervisors
VIA: Purchasing Agent
FROM: ST Dusty Williams, General Manager-Chief Engineer
RE: ^{for} Request for Sole Source Procurement
Custom Software Revision

1. Supply/Service being requested: Custom software revisions to the Hydstra Hydrologic Database. The Hydstra database is a unique rainfall and water quality data management tool that has been customized to the needs of the District.
2. Supplier being requested: Kisters North America, Inc.
3. Alternative suppliers that can or might be able to provide supply/service: Kisters developed and markets the Hydstra database. They have exclusive knowledge of the computer code and exclusive rights to modify the computer code per their current license agreement.
4. Extent of market search conducted: This is a niche use and there are no other providers of a similarly functioned tool for local management and analysis of water quality and hydrologic data.
5. Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide: Only Kisters is allowed to make changes to the computer code. The software allows us to quality control, manage and analyze large amounts of water quality and hydrologic data. Feature sets have been incorporated to make the software specific to the needs of Riverside County.
6. Reasons why my department requires these unique features and what benefit will accrue to the County: To meet the requirements of the NPDES Permits that the District was issued by the three Regional Water Quality Control Boards regulating Riverside County. Two of the three Permits were recently renewed and included significant modifications to water quality data management programs, including new quality control, data collection and reporting requirements. The District must make the pertinent modifications to the existing Hydstra database to facilitate efficient compliance with the Permits.

7. Price Reasonableness: Normal rates for software modifications. This should include the cost of the software services. The services are on call at a fixed rate. FY2010-11 includes \$50,000 in on-call services. FY2011-12 and beyond include \$25,000.
8. Does moving forward on this product or service further obligate the County to future similar contractual arrangements? Possibly. The District is requesting features that will increase the flexibility of the Hydstra software, thus providing us with more local control to make adjustments and changes to the database data entry, storage and reporting functions. However, additional code changes could be required.
9. Period of Performance: The Period of Performance for this agreement is Fiscal Year 2010/11 through Fiscal Year 2012/13.
