**BACKGROUND:**

1. An inspection was made of the subject property by the Code Enforcement Officer on September 2, 2009. The inspection revealed several pads and roads had been graded on the property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer estimates that approximately fifteen thousand nine hundred thirty-four (15,934) cubic yards of dirt has been graded. A search of Riverside County records indicates that no permit for grading has been obtained.
2. Follow-up inspections on December 2, 2009, January 16, 2010, February 5, 2010, August 17, 2010 and September 17, 2010, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
