SUBJECT: Agreement with Operation Safehouse

BACKGROUND: (Cont'd)

The RFP was solicited to over 700 providers representing traditional and non-traditional services throughout California, and was advertised on the Purchasing Department's website. On April 21, 2010, three (3) proposals were received. The proposals were evaluated by a team comprised of five (5) individuals from the Department of Mental Health. After careful consideration and evaluation, in accordance with the Purchasing Department Policy, it was determined that the proposals from Operation Safehouse for the western and desert regions were the most cost efficient and responsive to the RFP.

The target regions where services will be offered are the western and desert regions of Riverside County. The services include outreach and engagement efforts to runaway, foster, lesbian, gay, bi-sexual, transgender and questioning transition age youth (TAY) and TAY transitioning into college. Additionally, youth speaker bureaus will be utilized to educate at-risk youth and the community about mental health, depression and suicide issues. The TAY speaker bureaus will educate, reduce stigma about mental illness and build resiliency and coping skills to TAY.

PRICE REASONABLENESS:

Best and final offers were requested and received from all three providers. Operation Safehouse offered the lowest bid at \$80,016 for services in the western region and \$81,888 for services in the desert region. Although it was requested to provide services in all three regions, the evaluation team found that the cost proposal for the mid-county region was too high and therefore was not offered during this RFP round. If additional funding is secured, services will again be competitively bid for the mid-county region.

FINANCIAL IMPACT:

There are sufficient funds in the Department's Mental Health Services Act – Prevention and Early Intervention FY 2010/11 budget for these services. No additional County funds are required.

PERIOD OF PERFORMANCE:

This agreement is effective from the date of approval through June 30, 2011, and may be renewed annually up to four (4) additional years, subject to availability of funds.

2. Period of Performance

2.1 This Agreement shall be effective upon signature of this Agreement by both parties and continue in effect through June 30, 2011, with the option to renew for four (4) years, renewable in one year increments by written amendment, unless terminated earlier. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated and have no further force and effect.

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

7.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.

8. Inspection of Service; Quality Control/Assurance

8.1 All performance (which includes services, workmanship, materials, supplies and equipment furnished or utilized in the performance of this Agreement) shall be subject to inspection and test by the COUNTY or other regulatory agencies at all times. The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by CONTRACTOR are not in conformance with the terms of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

10. Subcontract for Work or Services

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for parties named in the proposal and agreed to under this Agreement.

The CONTRACTOR shall promptly transmit to the COUNTY all third party requests for disclosure of such information. COUNTY. CONTRACTOR's obligations hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal (or similar document) relieving the COUNTY from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR's obligations to indemnify and hold harmless the COUNTY.

21.2 In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the CONTRACTOR from indemnifying the COUNTY to the fullest extent allowed by law.

21.3 CONTRACTOR's indemnification obligations shall also apply to any action or claim regarding actual or alleged intellectual property infringement related to any material or product provided to COUNTY pursuant to this Agreement. In the event of any such action or claim, CONTRACTOR shall provide immediate notice to COUNTY of the action or claim. CONTRACTOR may defend or settle the action or claim as CONTRACTOR deems appropriate; however, CONTRACTOR shall be required to obtain for COUNTY the right to continue to use the material or product (or a similar non-infringing material or product with the same function) on terms identical to those stated in this Agreement.

of this Agreement. Failure on the part of COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.
