RECOMMENDED MOTION: (Continued)

- d) The payment of funds for the cost of the project is consistent with the Implementation Plan for the Project Area and is necessary to effectuate the purpose of the Project Area's Redevelopment Plan, which calls for construction of park and recreational facilities; and
2. Adopt Resolution No. 2010-060 – Approval of the Redevelopment Agency to provide funds for the construction of the Temescal Valley Sports Park.

BACKGROUND: The Redevelopment Agency for the County of Riverside is proposing to use redevelopment funds in the construction of the Temescal Valley Sports Park. The 25-acre sports park facility will include playground areas, picnic areas, two lighted baseball/softball diamonds, two basketball courts, one tennis court, seven soccer fields, a regional trail, and dog park. The park will include a parking lot, restroom building, concession stand building, perimeter fencing, landscaping, and other related improvements. The proposed sports park project is located in unincorporated Riverside County and within Specific Plan #256 (Sycamore Creek) at 25655 Santiago Canyon Road. The current site is undeveloped and consists of natural vegetation.

Health and Safety Code Section 33445 provides that the Redevelopment Agency may pay for the construction of publicly owned facilities, either within or outside the project area, if a finding is made that such improvements would be of benefit to the project area and that no other reasonable means of financing such construction is available to the community. The location of the sports park is one and half miles from the southern boundary of the El Cerrito/Temescal Canyon Sub-Area.

The development of the sports park facility will assist in eliminating physical and economic blighting conditions within the El Cerrito/Temescal Canyon Sub-Area. The Redevelopment Plan adopted on December 14, 1999 outlines the construction and development of park and recreational facilities. The construction of these facilities is essential in fulfilling the redevelopment goals of the El Cerrito/Temescal Canyon Sub-Area, and the Implementation Plan is consistent with this goal. The park facility will bring additional public infrastructure improvements. The project entails the construction of sidewalk and landscape improvements. Additionally, the sports park will assist in the installation of reclaimed water infrastructure improvements that will serve the park. The new water distribution and storage facilities will serve the sports park and the surrounding residential community. The sports park will include a community room that will facilitate community outreach and services. Finally, the sports park will accommodate the existing and future recreational needs of the El Cerrito/Temescal Canyon Sub-Area and surrounding community.

Estimated construction cost of the project is \$10,000,000. A budget for the project will be approved after bids are received. Agency staff recommends that the Board make the aforementioned findings to fund the project using redevelopment project area capital improvements funds. CSA 152 zone of benefit will maintain the sports park.

A companion item appears on today's Board of Supervisors Agenda.

- 9 1. That the Board of Directors hereby finds and declares that the above recitals are
10 true, correct and incorporated herein by reference.
- 11 2. That the construction of the Project is of primary benefit to the Redevelopment
12 Project Area because the facility will improve the level of recreational services
13 within the project area.
- 14 3. That the construction of the Project benefits the Redevelopment Project Area by
15 helping to eliminate blight within the Redevelopment Project Area by providing a
16 new recreational facility.
- 17 4. That no other reasonable means of financing the construction of the Project are
18 available to the community, including, but not limited to, general obligation bonds,
19 revenue bonds, special assessment bonds, or bonds issued pursuant to the Mello-
20 Roos Community Facilities Act of 1982 because the current economic crisis has
21 substantially reduced the community's revenues and priority of commitments of
22 other public funding sources.
- 23 5. That the payment of funds for the construction of the Project is consistent with the
24 implementation plan adopted pursuant to Section 33490 because it will eliminate

Summary Report: Temescal Valley Sports Park Project
(As required by Section 33679 of the Health and Safety Code: Community Redevelopment Law)

Project Description: The Temescal Valley Sports Park Project is a 25-acre recreational facility that will include picnic shelters, a concession building, a restroom building, two basketball courts, two baseball fields, one tennis court, seven soccer fields, a skate area, two playgrounds, water play area, bicycle rack, perimeter concrete fencing, parking lot, and associated off-site street improvements.

Project Site: The Project site is located in unincorporated Riverside County. The site is bordered by Santiago Canyon Road on the east and is located approximately 1,100 feet south of the intersection of Santiago Canyon Road and Mayhew Canyon Road. The project site is surrounded by residential housing to the north and east. Mineral resource operations are located to the west and southwest. The Project would be located in the southwest quarter of Section 12, Township 5 south, Range 6 west, San Bernardino Baseline and Meridian and is identified on the Alberhill (1997) 7.5' USGS Quad Map.

Project Cost: The total Project cost is estimated at \$10,000,000 and will be funded by the Redevelopment Agency for the County of Riverside.

Findings: The following findings have been made pursuant to Section 33445 of the Health and Safety Code:

- A. The Temescal Valley Sports Park is of benefit to the El Cerrito/Temescal Canyon Sub-Area of the 1-1986 Redevelopment Project Area.
- B. No other reasonable means of financing the project are available to the community due to the fact that the current economic crisis has substantially reduced the community's revenues to fund the project.
- C. The proposed project will assist with the elimination of physical and economic blighting conditions in the vicinity of the El Cerrito/Temescal Canyon Sub-Area by providing a new sports park facility.
- D. The payment of funds for the cost of the project is consistent with the Implementation Plan for the project area and is necessary to effectuate the purpose of the project area's Redevelopment Plan, which calls for construction of park and recreational facilities.

Purpose: The proposed project meets the following goals of the El Cerrito/Temescal Canyon Sub-Area of the 1-1986 Redevelopment Project Area:

- A. The Site, which is currently undeveloped, will be improved by providing a sports park with new facilities that will provide an

opportunity for youth and adult recreational activities, community events, and social gatherings.

- B. The development of the site will enhance the physical appearance and the effective use of the vacant property by constructing a new beautifully landscaped sports park facility.
- C. The development of the site will promote the improvement and centralization of recreational resource opportunities, community meeting and events. The location of the sports park will provide easy access for the community as a whole.
