The Honorable Board of Supervisors

RE: Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Annexation of Street Lighting Zone 102 (Glen Avon).

October 6, 2010

Page 2 of 2

No. 89-1-Consolidated of the County of Riverside pursuant to the Landscaping and Lighting Act of 1972 for the provision of electricity for streetlights; adopting the preliminary engineer's report; giving notice of and setting the time and place of the public hearing on the annexation of Street Lighting Zone 102, ordering a mailed ballot election; and directing notice of the public hearing and ballot be mailed pursuant to Article XIID of the California Constitution.

**BACKGROUND:** Adoption of Resolution No. 2010-279 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 102 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2010-280 declares the Board's intention of ordering the annexation of Street Lighting Zone 102 to L&LMD No. 89-1-C. Annexation of Street Lighting Zone 102 to L&LMD No. 89-1-C will fund the provision of electricity for streetlights within public right-of-way located westerly of Fleming St in the Glen Avon area and includes 1 commercial parcel, totaling 2.38 acre(s).

The proposed budget for fiscal year 2011-12 for Street Lighting Zone 102 is \$330 that will result in an assessment for fiscal year 2011-12 within Street Lighting Zone 102 of \$138.66 per acre. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U for "electricity", if any, as it stands as of March of each year over the base index for March of 2010.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on December 7, 2010 to receive testimony for and against the proposed assessment. Each property owner within the proposed Street Lighting Zone 102 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2010-280, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Street Lighting Zone 102 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 102 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on December 7, 2010.

14 **Section 1. Findings.** The Board of Supervisors, after reviewing the Report, finds that:

- 15 (a) The foregoing recitals are true and correct;
- 16 (b) The Report contains all matters required by Sections 22565 through 22574 of the  
17 Streets and Highways Code and Section 4 of Article XIID and may, therefore, be  
18 approved by the Board of Supervisors;
- 19 (c) The annual assessment for fiscal year 2011-12 on all parcels within Street Lighting  
20 Zone 102 proposed to be annexed to L&LMD No. 89-1-C will be \$138.66 per acre.

21 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the  
22 annexation of Street Lighting Zone 102, as described and shown in Exhibit "A", to L&LMD No. 89-1-C,  
23 and to levy and collect an annual assessment on all assessable lots and parcels of property within  
24 Street Lighting Zone 102 commencing with the fiscal year 2011-12 as set forth in the Report. The  
25 Report expressly states that there are no parcels or lots within Street Lighting Zone 102 that are owned  
26 by a federal, state or other local governmental agency that will benefit from the services to be financed

1 by the annual assessments. The annual assessments will be collected at the same time and in the  
2 same manner as property taxes are collected, and all laws providing for the collection and enforcement  
3 of property taxes shall apply to the collection and enforcement of said assessments.

4 **Section 3. Boundaries.** All the property within boundaries of Street Lighting Zone 102 is  
5 proposed to be annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated  
6 area of the County as described and shown in Exhibit "A".

7 **Section 4. Description of Services to be Provided.** The service authorized for Street  
8 Lighting Zone 102 of L&LMD No. 89-1-C is the provision of electricity to all streetlights within the public  
9 right-of-way including incidental costs and expenses.

10 **Section 5. Amount to be Levied.** The assessment to be levied upon each parcel that  
11 benefits from the annexation of Street Lighting Zone 102 of L&LMD No. 89-1-C will be \$138.66 per acre  
12 for fiscal year 2011-12. As stated in the Report, the total budget for Street Lighting Zone 102 for the  
13 fiscal year 2011-12 is \$330; there is 1 parcel(s) that is to be assessed that aggregates to 2.38  
14 acre(s). The annual assessment will be increased by the greater of two percent (2.0%) or the  
15 cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers for  
16 "electricity" ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan  
17 Statistical area ("Index") published by the Bureau of Labor Statistics of the United States Department of  
18 Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in the Index as it  
19 stands on March of each year over the base Index for March of 2010. Any increase larger than the  
20 greater of 2.0% or the CPI-U annual adjustment requires a majority approval of all the property owners  
21 within Street Lighting Zone 102. The Board of Supervisors will levy the assessment in each subsequent  
22 fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Street Lighting  
23 Zone 102 of L&LMD No. 89-1-C. The annual assessment will fund the services described in Section 4  
24 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of  
25 the Clerk of the Board of Supervisors.  
26

4           **Section 7.    Report.** The Report, which is on file with the Clerk of the Board of Supervisors  
5 and which has been presented to the Board of Supervisors, is hereby approved. Reference is made to  
6 the Report for a full and detailed description of the services, the boundaries of Street Lighting  
7 Zone 102, and the annual assessment to be levied upon assessable lots and parcels within Street  
8 Lighting Zone 102 proposed to be annexed to L&LMD No. 89-1-C.

9           **Section 8.    Public Hearing.** The question of whether Street Lighting Zone 102 shall be  
10 annexed into L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2011-12  
11 shall be considered at a public hearing (hereinafter the "Public Hearing") to be held on December 7,  
12 2010, at 9:30 a.m. at the meeting room of the Board of Supervisors of the County at 4080 Lemon  
13 Street, 1<sup>st</sup> Floor, Riverside, California.

14           **Section 9.    Majority Protest.** Each owner of record of property within Street Lighting

16 of Article XIID and Section 4000 of the California Elections Code. The assessment ballots are to be  
17 returned prior to the Public Hearing. L&LMD No. 89-1-C shall not impose assessments on property  
18 within the boundaries of Street Lighting Zone 102 if there is a majority protest with regard to the  
19 annexation of Street Lighting Zone 102. A majority protest exists if, upon the conclusion of the Public  
20 Hearing, the tabulation of the assessment ballots submitted in opposition to the annexation and

**ASSESSMENT FOR FISCAL YEAR 2011-12  
LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT

COUNTY OF RIVERSIDE, CALIFORNIA**

**"LANDSCAPING AND LIGHTING ACT OF 1972", DIVISION 16 OF THE  
STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA**

WHEREAS, on October 19, 2010 the Board of Supervisors of the County of Riverside, State of California, did, pursuant to the provisions of the "Landscaping and Lighting Act of 1972", being Division 15 of the Streets and Highways Code of the State of California, adopt Resolution No. 2010-279 ordering the preparation of the engineer's report for a special assessment district known and designated as:

Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Street Lighting Zone 102 (herein referred to as "District"); and,

WHEREAS, the Board of Supervisors, did direct the appointed Engineer to make and file a "Report", in accordance with Article 4 (commencing with Section 22565) of Chapter 1 of Part 2 of Division 15 of the Streets and Highways Code, being an article of the aforementioned Landscaping and Lighting Act of 1972.

WHEREAS, Section 22567 of said Article 4 states the "Report" shall consist of the following;

- a. Specifications for the street lighting services
- b. An estimate of the street lighting services
- c. A diagram for the assessment district
- d. An assessment of the estimated costs for the street lighting services

NOW, THEREFORE, I, the appointed ENGINEER, pursuant to the 'Landscaping Act of 1972", do hereby submit the following:

1. Pursuant to the provisions of law the costs and expenses of the District have been assessed upon the parcels of land in the District benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcel, reference is made to the Assessment Diagram, a reduced copy of which is included herein.
2. As required by law, a Diagram is filed herewith, showing the District, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within said District as the same exist each of which subdivisions of land or parcels or lots, respectively, have been given a separate number upon said Diagram and in the Assessment Roll contained herein.
3. The separate numbers given the subdivisions and parcels of land, as shown on said Assessment Diagram and Assessment Roll, correspond with the numbers assigned to each parcel by the Riverside County Assessor. Reference is made to the County Assessment Roll for a description of the lots or parcels.
4. There are no parcels or lots within Street Lighting Zone 102 that are owned by a federal, state or other local governmental agency that will benefit from the services to be provided by the assessments to be collected.

#### **Method of Assessment Apportionment**

The law requires and the statutes provide that assessments, as levied pursuant to the "Landscaping and Lighting Act of 1972" be based on the benefit properties receive. The statutes do not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings.

The funding of energized streetlights provides direct and special benefit to those properties located within Street Lighting Zone 102 in Landscaping and Lighting Maintenance District No. 89-1-Consolidated (DISTRICT). Streetlights enhance the properties within the DISTRICT, improve neighborhood property protection, increase traffic safety by improving visibility, and provide an enhanced quality of life and sense of well being for properties within the DISTRICT.

The costs and expenses for energizing streetlight improvements are apportioned on a per acre basis.

The dollar per acre value for Fiscal Year 2011-12 for Street Lighting Zone 102 is as follows:

$$\begin{array}{rclcl} \text{Total Budget} & = & \text{\$330} & & \\ \text{Total No. Acres} & & 2.38 & = & \text{\$138.66/acre} \end{array}$$

The assessment for Fiscal Year 2011-12 for Street Lighting Zone 102 that is to be annexed into Landscaping and Lighting Maintenance District No. 89-1-Consolidated will be \$138.66 per acre. The annual assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for "electricity" for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of United States Department of Labor. The annual "CPI-U" "electricity" adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2010. Any increase larger than the greater of 2.0% or the "CPI-U" "electricity" annual adjustment requires a majority approval of all the property owners within Street Lighting Zone 102.

**Waiver and Consent Regarding Date of Assessment Ballot Election**

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 102 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public

hearing to be held on December 7, 2010; a copy of said waiver is filed herewith and made a part hereof.

In conclusion, it is my opinion that the assessments for Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Street Lighting Zone 102 have been spread in direct accordance with the benefits that each parcel receives from the items being financed.

Dated September 29, 2010
