BACKGROUND: The project had been placed on the Planning Commission agenda on May 5, 2010 and July 14, 2010 and September 15, 2010. There have been several key issues raised by the Planning Commission related to the project. The major issues related to the project can be attributed to site design and off-site improvements. The applicant has indicated through site design submittals that no further street improvements would be necessary given the on-site buildings that currently exist. Several meetings have occurred between staff and the applicant where the applicant has stressed processing time and financial factors as a key contributor to moving the project forward. The applicant requested a DENIAL of the project in order to appeal the outstanding issues to the Board of Supervisors. On September 15, 2010, the Planning Commission moved forward with a DENIAL recommendation.

On October 19, 2010, the Planning Director prepared a Notice of Decision to inform the Board of the Planning Commission's action. At that time the Board decided to assume jurisdiction on this project and directed the Clerk to set the matter for public hearing. This package has been prepared for that hearing. The applicant has subsequently submitted a revised site plan reflecting matters raised at the September 15, 2010 Planning Commission hearing.

1. Reasons why project is exempt: CEQA 15303 (c) – New Construction or Conversion of Small Structures

- (a) The project is currently and existing unoccupied building totaling approximately 9,720 square-feet to be converted into a 4,088 square-foot convenience store and a 5,632 square-foot of shell leasable area. In addition, an approximately 650 square-foot detached building to be removed. The project site has no value as a habitat for endangered, rare or threatened species.
- (b) The project is currently and existing unoccupied building totaling approximately 9,720 square-feet to be converted into a 4,088 square-foot convenience store and a 5,632 square-foot of shell leasable area. In addition, an approximately 650 square-foot detached building to be removed and can be adequately served by all required utilities and public services.

CEQA 15303 (c) – Review of Exemption

Based upon staff review as the lead agency, this activity is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

As stated in the definition for "New Construction or Conversion of Small Structures" within the CEQA guidelines Section 15303, the site is an urbanized area that meets the following criteria:

A store, motel, office, restaurant or similar structure not involving the use of significant amounts of hazardous substances, and not exceeding 2500 square feet in floor area. In urbanized areas, the exemption also applies to up to four such commercial buildings not exceeding 10,000 square feet in floor area on sites zoned for such use, if not involving the use of significant amounts of hazardous substances where all necessary public services and facilities are available and the surrounding area is not environmentally sensitive.

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The Conditional Use Permit proposal is for an existing unoccupied building of approximately 4,000 square-feet to be converted into a convenience store. The convenience store would include a deli and the sale of alcoholic beverages including beer, wine and distilled spirits. The property also includes an existing 4,000 square-foot mechanic shop to be converted into three separate retail lease areas and attached to the proposed convenience store, thus increasing the square footage by approximately 1,500 square-feet. In addition, the applicant has proposed 43 parking spaces.

The project is located southerly of Florida Avenue, easterly of Columbia Street, westerly of Cornell Street, and northerly of Acacia Avenue.

ISSUES OF POTENTIAL CONCERN:

The project had been placed on the Planning Commission agenda on May 5, 2010 and July 14, 2010 and September 15, 2010. There have been several key issues raised by the Planning Commission related to the project. These issues are as follows:

1. Florida Avenue and Columbia Street Improvements
2. Parking issues in relation to Florida Avenue
3. Alcohol Sales and the proximity to the surrounding Church and Pre-School
4. South Wall improvements
5. On and Off-site landscaping
6. Architectural Details – materials color board
7. 50-foot Setback from Florida Avenue Scenic Highway Corridor

The major issues related to the project can be attributed to site design and off-site improvements. The applicant has indicated through site design submittals that no further street improvements would be necessary given the on-site buildings currently exist. Several meetings have occurred between staff and the applicant which the applicant has stressed processing time and financial factors as a key contributor to moving the project forward. The applicant has since requested a DENIAL of the project in order to appeal the outstanding issues to the Board of Supervisors. On September 15, 2010, the Planning Commission moved forward with a DENIAL recommendation and the project has since been set for public hearing at the Board of Supervisors.

As of the writing of this staff report, staff is waiting for a FINAL site plan along with colored elevations.

RECOMMENDATIONS:

ADOPTION of a **FINDING** of “**PUBLIC NECESSITY AND CONVENIENCE**,” regarding the sale of beer, wine and distilled spirits (TYPE 21) from the subject site for off-site consumption, based upon the findings and conclusions incorporated in the staff report; and

APPROVAL of **Conditional Use Permit 3622**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

CONCLUSIONS:

1. The proposed project is in conformance with the Community Development : Commercial Retail (CD:CR) Land Use Designation, and with all other elements of the Riverside County General Plan.
2. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.
3. The public’s health, safety, and general welfare are protected through project design.
4. The proposed project is clearly compatible with the present and future logical development of the area.
5. The proposed project will not have a significant effect on the environment.
6. The proposed project will not preclude reserve design for the Multi-Species Habitat Conservation Plan (MSHCP).

FINDINGS: The following findings are in addition to those incorporated in the summary of findings and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development : Commercial Retail (CD:CR) on the San Jacinto Valley Area Plan.

2. The proposed use, a convenience and liquor store with retail office, is a permitted use in the Community Development : Commercial Retail (CD:CR) designation.
3. The project site is surrounded by properties which are designated Community Development: Commercial Retail (CD:CR) to the east and south and the City of Hemet to the north and west.
4. The public's health, safety and general welfare through the proposed use, convenience and liquor store with retail office, will be protected through project design. The current site plan which provides no street improvements will be a major safety issue for Planning Staff along Florida Avenue and Columbia Street.
5. The proposed use is clearly compatible with the present or future logical development of the area. Street improvements have been and will be requested for past and future projects which will require right-of-way improvements within the area. The lack of street improvements along a major intersection such as Florida Avenue and Columbia Street pose a major concern for the logical development of the surrounding area.
6. The zoning for the subject site is Scenic Highway Commercial (C-P-S) zoning.
7. The proposed use, a convenience and liquor store with retail office, is a permitted use, subject to approval of a conditional use permit, in the Scenic Highway Commercial (C-P-S) zone.
8. The proposed use, a convenience and liquor store with retail office, is consistent with the development standards set forth in the Scenic Highway Commercial (C-P-S) zone.
9. The project site is surrounded by properties which are zoned Scenic Highway Commercial (C-P-S) and the City of Hemet.
10. Residential and Commercial uses have been constructed and are operating in the project vicinity.
11. The proposed use, sale of Beer, Wine and distilled spirits (TYPE 21) for Off Premises Consumption, is a permitted use in the Scenic Highway Commercial (C-P-S) zoning classification subject to the approval of a Conditional Use Permit.
12. The year 2000 census population for census tract 433.10 was 4,582 persons according to the US Census Bureau (Census 2000 Summary File 3).
13. The maximum concentration level for General Liquor License (type 21) is combined with Beer and Wine (Type 20) and limited to one per 1,250 people by census tract (Alcoholic Beverage Control Act: California Business and Professions Code 23817.5)
14. Three (3) combined (Type 20 and Type 21) licenses are currently issued in Census Tract 433.10. There are approximately 0.79 licenses per 1,250 persons. Alcohol Beverage Control has indicated that there are two (2) Type 20 and Type 21 licenses allowed within census tract 433.10.
15. The project site is consistent with the objectives of Section 18.48 (Alcoholic Beverage Sales) of Ordinance No. 348.
16. No schools are located within 1,000 feet from the proposed project.

17. The project is located within 100 feet of existing and habited residences.
18. The project is not located within 1,000 feet of an existing or planned public park and/or playground.
19. The project is located within 1,000 feet of an existing or established place or religious worship.
20. The proposed project provides public necessity and convenience for the residents of the surrounding community.
21. Subsequent to the Planning Commission hearing on September 15, 2010, the applicant has submitted a revised site plan reflecting signing and striping , paving, parking and improved circulation to the project site. These new changes address the concerns brought forth during the September 15, 2010 Planning Commission hearing. The new site plan increases the parking spaces from thirty-four (34) to forty-two (42) where forty-one(41) spaces are required and addresses the major concern related to parking and circulation.

INFORMATIONAL ITEMS:

1. As of this writing, no letter of support or opposition have been recieved.
2. The project site is not located within:
 - a. A Redevelopment Area
 - b. A 100-year flood plain, an area drainage plan, or dam inundation area.
 - c. The Stephens Kangaroo Rat Fee Area or Core Reserve Area.
 - d. California Gnatcatcher, Quino Checkerspot Butterfly habitat.

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The Conditional Use Permit proposal is for an existing unoccupied building of approximately 4,000 square-feet to be converted into a convenience store. The convenience store would include a deli and the sale of alcoholic beverages including beer, wine and hard liquor. The property also includes an existing 4,000 square-foot mechanic shop to be converted into three separate retail lease areas and attached to the proposed convenience store, thus increasing the square footage by approximately 1,500 square-feet. In addition, the applicant has proposed 35 parking spaces.

The project is located southerly of Florida Avenue, easterly of Columbia Street, westerly of Cornell Street, and northerly of Acacia Avenue.

ISSUES OF POTENTIAL CONCERN:

The project had been placed on the Planning Commission agenda on May 5, 2010 and July 14, 2010. There have been several key issues raised by the Planning Commission related to the project. These issues are as follows:

1. Florida Avenue and Columbia Street Improvements
2. Parking issues in relation to Florida Avenue
3. Alcohol Sales and the proximity to the surrounding Church and Pre-School
4. South Wall improvements
5. On and Off-site landscaping
6. Architectural Details – materials color board
7. 50-foot Setback from Florida Avenue Scenic Highway Corridor

The major issues related to the project can be attributed to site design and off-site improvements. The applicant has indicated through site design submittals that no further street improvements would be necessary given the on-site buildings currently exist. Several meetings have occurred between staff and the applicant which the applicant has stressed processing time and financial factors as a key contributor to moving the project forward. The applicant has since requested a DENIAL of the project in order to appeal the outstanding issues to the Board of Supervisors.

As of the writing of this report, staff has received landscape and wall plans as part of their submittal. The applicant has since made a payment in order to move the project forward and has stated that materials and color board are forthcoming.

SUMMARY OF FINDINGS:

1. Existing General Plan Land Use (Ex. #5): Commercial Retail (CR)
2. Surrounding General Plan Land Use (Ex. #5): City of Hemet to the north and west
Commercial Retail (CR) to the east and south

| 8. Environmental Concerns: | CEQA Exempt per Section 21061.3 |

RECOMMENDATIONS:

DENIAL of CONDITIONAL USE PERMIT No. 3622 based upon the findings and conclusions incorporated in the staff report.

CONCLUSIONS:

1. The proposed project is in conformance with the Community Development : Commercial Retail (CD:CR) Land Use Designation, and with all other elements of the Riverside County General Plan.
2. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.
3. The public's health, safety, and general welfare are not protected through project design.
4. The proposed project is clearly not compatible with the present and future logical development of the area.
5. The proposed project will not have a significant effect on the environment.
6. The proposed project will not preclude reserve design for the Multi-Species Habitat Conservation Plan (MSHCP).

FINDINGS: The following findings are in addition to those incorporated in the summary of findings and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development : Commercial Retail (CD:CR) on the San Jacinto Valley Area Plan.
2. The proposed use, a convenience and liquor store with retail office, is a permitted use in the Community Development : Commercial Retail (CD:CR) designation.
3. The project site is surrounded by properties which are designated Community Development : Commercial Retail (CD:CR) to the east and south and the City of Hemet to the north and west.

4. The public's health, safety and general welfare through the proposed use, convenience and liquor store with retail office, will not be protected through project design. The current site plan which provides no street improvements will be a major safety issue for Planning Staff along Florida Avenue and Columbia Street.
5. The proposed use is clearly not compatible with the present or future logical development of the area. Street improvements have been and will be requested for past and future projects which will require right-of-way improvements within the area. The lack of street improvements along a major intersection such as Florida Avenue and Columbia Street pose a major concern for the logical development of the surrounding area.
6. The zoning for the subject site is Scenic Highway Commercial (C-P-S) zoning.
7. The proposed use, a convenience and liquor store with retail office, is a permitted use, subject to approval of a conditional use permit, in the Scenic Highway Commercial (C-P-S) zone.
8. The proposed use, a convenience and liquor store with retail office, is consistent with the development standards set forth in the Scenic Highway Commercial (C-P-S) zone.
9. The project site is surrounded by properties which are zoned Scenic Highway Commercial (C-P-S) and the City of Hemet.
10. Residential and Commercial uses have been constructed and are operating in the project vicinity.
11. The proposed use, sale of Beer and Wine for Off Premises Consumption, is a permitted use in the Scenic Highway Commercial (C-P-S) zoning classification subject to the approval of a Conditional Use Permit.
12. The year 2000 census population for census tract 433.10 was 4,582 persons according to the US Census Bureau (Census 2000 Summary File 3).
13. The maximum concentration level for General Liquor License (type 21) is combined with Beer and Wine (Type 20) and limited to one per 1,250 people by census tract (Alcoholic Beverage Control Act: California Business and Professions Code 23817.5)
14. Three (3) combined (Type 20 and Type 21) licenses are currently issued in Census Tract 433.10. There are approximately 0.79 licenses per 1,250 persons. Alcohol Beverage Control has indicated that there are two (2) Type 20 and Type 21 licenses allowed within census tract 433.10.
15. The project site is consistent with the objectives of Section 18.48 (Alcoholic Beverage Sales) of Ordinance No. 348.
16. No schools are located within 1,000 feet from the proposed project.
17. The project is located within 100 feet of existing and habited residences.
18. The project is not located within 1,000 feet of an existing or planned public park and/or playground.
19. The project is located within 1,000 feet of an existing or established place or religious worship.

20. The proposed project provides public necessity and convenience for the residents of the surrounding community.

INFORMATIONAL ITEMS:

1. As of this writing, one (1) letters in support and one (1) letter in opposition have been received.
2. The project site is not located within:
 - a. A Redevelopment Area
 - b. A 100-year flood plain, an area drainage plan, or dam inundation area.

10. GENERAL CONDITIONS

EVERY DEPARTMENT

10. EVERY. 1 USE - PROJECT DESCRIPTION RECOMMND

The use hereby permitted is Planning Department approval of a Plot Plan for an existing unoccupied building totaling approximately 9,720 square-feet to be converted into a 4,088 square-foot convenience store and a 5,632 square-foot of shell leasable area. The convenience store would include a market/deli and the sale of alcoholic beverages for off-site consumption including beer, wine and distilled spirits (Type 21) pursuant to Ordinance 348 Section 18.48.

In addition, an approximately 650 square-foot detached building will remain as storage. The applicant has also proposed 35 parking spaces.

10. EVERY. 2 USE - HOLD HARMLESS RECOMMND

The applicant/permittee or any successor-in-interest shall defend, indemnify, and hold harmless the County of Riverside (COUNTY) its agents, officers, or employees from any claim, action, or proceeding against the COUNTY, its agents, officers, or employees to attack, set aside, void, or annul an approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning Conditional Use Permit No. 3622. The COUNTY will promptly notify the applicant/permittee of any such claim, action, or proceeding against the COUNTY and will cooperate fully in the defense. If the COUNTY fails to promptly notify the applicant/permittee of any such claim, action, or proceeding or fails to cooperate fully in the defense, the applicant/permittee shall not, thereafter, be responsible to defend, indemnify, or hold harmless the COUNTY.

10. EVERY. 3 USE - DEFINITIONS RECOMMND

The words identified in the following list that appear in all capitals in the attached conditions of Conditional Use Permit No. 3622 shall be henceforth defined as follows:

APPROVED EXHIBIT A = Conditional Use Permit No. 3622, Exhibit A, Amended No. 1, dated 2-16-10.

APPROVED EXHIBIT L = Conditional Use Permit No. 3622, Exhibit L, LANDSCAPE PLANS, dated 7-21-10

GEN - CONDITION MILESTONES

RECOMMND

10 = General Conditions. These conditions provide project specific information and will not have to be cleared individually.

20 = Prior to a Certain Date. These conditions require that action(s) by the developer/permit holder be taken by a specific date.

30 = Prior to Any Project Approval. These conditions are used for Specific Plans to ensure that tentative maps and other development projects will not go forward to public hearing without meeting the condition or reflecting the condition in its design.

40 = Prior to Phasing (Unitization). These conditions are used for phased subdivisions and/or subdivision phasing plans to ensure that the phasing does not void a recordation condition.

50 = Prior to Map Recordation. These conditions require the developer/permit holder to comply with certain conditions prior to the recordation of a Final Subdivision Map or Final Parcel Map.

60 = Prior to Grading Permit Issuance. These conditions require the developer/permit holder to comply with certain conditions prior to the issuance of a grading permit (and/or Surface Mining Permit Special Inspection.)

70 = Prior to Grading Final Inspection. These conditions require the developer/permit holder to comply with certain conditions prior to requesting a grading permit final inspection.

80 = Prior to Building Permit Issuance. These conditions require the developer/permit holder to comply with certain conditions prior to the issuance of a building permit.

90 = Prior to Building Final Inspection. These conditions require the developer/permit holder to comply with certain conditions prior to requesting a building permit final inspection.

100 = Prior to Issuance of Given Building Permit. These conditions require the developer/permit holder to comply with certain conditions prior to the issuance of a certain

BS GRADE DEPARTMENT

10.BS GRADE. 1 USE -GIN INTRODUCTION RECOMMND

Improvements such as grading, filling, over excavation and recompaction, and base or paving which require a grading permit are subject to the included Building and Safety Department Grading Division conditions of approval.

10.BS GRADE. 3 USE-G1.2 OBEY ALL GDG REGS RECOMMND

All grading shall conform to the California Building Code, Ordinance 457, and all other relevant laws, rules, and regulations governing grading in Riverside County and prior to commencing any grading which includes 50 or more cubic yards, the applicant shall obtain a grading permit from the Building and Safety Department.

10.BS GRADE. 4 USE-G1.3 DISTURBS NEED G/PMT RECOMMND

Ordinance 457 requires a grading permit prior to clearing, grubbing, or any top soil disturbances related to construction grading.

10.BS GRADE. 5 USE-G1.4 NPDES/SWPPP RECOMMND

Prior to issuance of any grading or construction permits - whichever comes first - the applicant shall provide the Building and Safety Department evidence of compliance with the following: "Effective March 10, 2003 owner operators of grading or construction projects are required to comply with the N.P.D.E.S. (National Pollutant Discharge Elimination System) requirement to obtain a construction permit from the State Water Resource Control Board (SWRCB). The permit requirement applies to grading and construction sites of "ONE" acre or larger. The owner operator can comply by submitting a "Notice of Intent" (NOI), develop and implement a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) and a monitoring program and reporting plan for the construction site. For additional information and to obtain a copy of the NPDES State Construction Permit contact the SWRCB at (916) 657-1146.

Additionally, at the time the county adopts, as part of any

ordinance, regulations specific to the N.P.D.E.S., this project (or subdivision) shall comply with them.

E HEALTH DEPARTMENT

10.E HEALTH. 1 LHMWD WATER & SEWER SERVICE RECOMMND

Conditional Use Permit#3622 is proposing Lake Hemet Municipal Water District (LHMWD) potable water service and sanitary sewer service. It is the responsibility of the developer to ensure that all requirements to obtain potable water service and sanitary sewer service are met with LHMWD as well as all other applicable agencies.

FLOOD RI DEPARTMENT

10.FLOOD RI. 1 USE FLOOD HAZARD REPORT RECOMMND

Conditional Use Permit No. 3622 is a proposal for an existing unoccupied building of approximately 4,000 square feet to be converted into a convenience store. The 0.69 acre property also includes an existing 4,000 square feet mechanic shop and a 650 square foot auxiliary mechanic building and provides 35 parking spaces. The site is located in the Hemet area southerly of Florida Avenue, easterly of Columbia Street, Westerly of Cornell Street and northerly of Acacia Avenue.

This site is impacted by sheet flow type runoff from the east. Normally, mitigation for increased runoff is required for commercial type developments based upon the structures having an anticipated impermeable surface area. However, any increase in impervious area due to this project would be considered insignificant. Therefore, no mitigation will be required with this proposal. However, should additional development be proposed, the mitigation for increased runoff will be necessary at that time.

The development of this project would adversely impact water quality. To mitigate for these impacts, the development must incorporate Source Control BMPs, as applicable and feasible, into the project plans. Source Control BMPs include education, activity restrictions and proper maintenance (non-structural) as well as proper landscape/irrigation design and the protection of slopes and channels (structural).

PLANNING DEPARTMENT

10.PLANNING. 5

GEN - IF HUMAN REMAINS FOUND

RECOMMND

The developer/permit holder or any successor in interest shall comply with the following codes for the life of this project:

If human remains are encountered, State Health and Safety Code Section 7050.5 states that no further disturbance shall occur until the County Coroner has made the necessary findings as to origin. Further, pursuant to Public Resources Code Section 5097.98 (b), remains shall be left in place and free from disturbance until a final decision as to the treatment and their disposition has been made. If the Riverside County Coroner determines the remains to be Native American, the Native American Heritage Commission shall be contacted within the period specified by law. Subsequently, the Native American Heritage Commission shall identify the "Most Likely Descendant." The Most Likely Descendant shall then make recommendations and engage in consultation with the County and the property owner concerning the treatment of the remains as provided in Public Resources Code Section 5097.98. Human remains from other ethnic/cultural groups with recognized historical associations to the project area shall also be subject to consultation between appropriate representatives from that group and the County Planning Director.

10.PLANNING. 6

GEN - INADVERTANT ARCHAEO FIND

RECOMMND

The developer/permit holder or any successor in interest shall comply with the following for the life of this project:

If during ground disturbance activities, cultural resources are discovered that were not assessed by the archaeological reports and/or environmental assessment conducted prior to project approval, the following procedures shall be followed. A cultural resources site is defined, for this condition, as being three or more artifacts in close association with each other, but may include fewer artifacts if the area of the find is determined to be of significance due to its sacred or cultural importance.

1.All ground disturbance activities within 100 feet of the discovered cultural resource shall be halted until a meeting is convened between the developer, the project

60.PLANNING. 1 USE - PALEO PRIMP & MONITOR

RECOMMND

This site is mapped in the County's General Plan as having a high potential for paleontological resources (fossils). Proposed project site grading/earthmoving activities could potentially impact this resource. HENCE:

PRIOR TO ISSUANCE OF GRADING PERMITS:

1.The applicant shall retain a qualified paleontologist approved by the County of Riverside to create and implement a project-specific plan for monitoring site grading/earthmoving activities (project paleontologist).

2.The project paleontologist retained shall review the approved development plan and grading plan and shall conduct any pre-construction work necessary to render appropriate monitoring and mitigation requirements as appropriate. These requirements shall be documented by the project paleontologist in a Paleontological Resource Impact Mitigation Program (PRIMP). This PRIMP shall be submitted to the County Geologist for review and approval prior to issuance of a Grading Permit.

Information to be contained in the PRIMP, at a minimum and in addition to other industry standard and Society of Vertebrate Paleontology standards, are as follows:

1.Description of the proposed site and planned grading operations.

2.Description of the level of monitoring required for all earth-moving activities in the project area.

3.Identification and qualifications of the qualified paleontological monitor to be employed for grading operations monitoring.

4. Identification of personnel with authority and responsibility to temporarily halt or divert grading equipment to allow for recovery of large specimens.

5. Means and methods to be employed by the paleontological monitor to quickly salvage fossils as they are unearthed to avoid construction delays.

6. Sampling of sediments that are likely to contain the remains of small fossil invertebrates and vertebrates.

7. Procedures and protocol for collecting and processing of samples and specimens.

8. Fossil identification and curation procedures to be employed.

9. Identification of the permanent repository to receive any recovered fossil material. * The County of Riverside must be consulted on the repository/museum to receive the fossil material prior to being curated.

10. All pertinent exhibits, maps and references.

11. Procedures for reporting of findings.

12. Identification and acknowledgement of the developer for the content of the PRIMP as well as acceptance of financial responsibility for monitoring, reporting and curation fees.

All reports shall be signed by the project paleontologist and all other professionals responsible for the report's content (eg. Professional Geologist), as appropriate. Two wet-signed original copies of the report(s) shall be submitted to the office of the County Geologist along with a copy of this condition and the grading plan for appropriate case processing and tracking. These documents should not be submitted to the project Planner, the Plan Check staff, the Land Use Counter or any other County office. In addition, the applicant shall submit proof of hiring (i.e. copy of executed contract, retainer agreement, etc.) a project paleontologist for the in-grading implementation of the PRIMP.

RE: Conditional Use Permit No. 3622 — Convert an existing building into a convenience store, including a deli and the sale of alcoholic beverages. In addition, an existing 4,000 square foot mechanic shop and a 650-square foot auxiliary mechanic building will continue to be operated adjacent to the converted convenience store.
APN: 438-230-027

Dear Mr. Bugtai:

The Riverside County Waste Management Department (RCWMD) has reviewed the proposed project located south of Florida Avenue, east of Columbia Street, west of Cornell Street, and north of Acacia Avenue, in the Ramona Zoning District. In order to mitigate the project's potential solid waste impacts and to help the County's efforts to comply with State law in diverting solid waste from landfill disposal, the Department is recommending that the following conditions be made a part of any Conditions of Approval for the project:

1. **Prior to issuance of a building permit for EACH building**, the applicant shall submit three (3) copies of a Recyclables Collection and Loading Area plot plan to the Riverside County Waste Management Department for review and approval. The plot plan shall conform to ***Design Guidelines for Recyclables Collection and Loading Areas***, provided by the Waste Management Department, and shall show the location of and access to the collection area for recyclable materials, along with its dimensions and construction detail, including elevation/façade, construction materials and signage. The plot plan shall clearly indicate how the trash and recycling enclosures shall be accessed by the hauler.
2. **Prior to final building inspection for EACH building**, the applicant shall construct the recyclables collection and loading area in compliance with the Recyclables Collection and Loading Area plot plan, as approved and stamped by the Riverside County Waste Management Department and as verified by the Riverside County Building and Safety Department through site inspection.

3. a) **Prior to issuance of a building permit, a *Waste Recycling Plan* (WRP) shall be submitted to the Waste Management Department for approval. At a minimum, the WRP must identify the materials (i.e., concrete, asphalt, wood, etc.) that will be generated by construction and development, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. Materials can be taken directly to recycling facilities (Riverside County Waste Management Department, Recycling Section, can be contacted directly at 951.486.3200 for a list of facilities), or arrangements can be made through the franchise hauler and/or a construction clean-up business.**

b) **Prior to issuance of an occupancy permit, evidence (i.e., receipts or other type verification) to demonstrate project compliance with the approved WRP shall be presented by the project proponent to the Planning Division of the Riverside County Waste Management Department in order to clear the project for occupancy permits.**
4. Since hazardous materials are not accepted at Riverside County landfills, the project proponent shall take any hazardous wastes, including paint used during construction, to facilities that are permitted to receive them, in accordance with local, state, and federal regulations. For further information, please contact the Household Hazardous Waste Collection Program at 1-800-304-2226.
5. Use mulch and/or compost in the development and maintenance of landscaped areas within the project boundaries. Recycle green waste through either onsite composting of grass, i.e., leaving the grass clippings on the lawn, or sending separated green waste to a composting facility.
6. Consider xeriscaping and using drought tolerant/low maintenance vegetation in all landscaped areas of the project.

Thank you for the opportunity to review this proposal. If you have any questions, please call me at (951) 486-3284.

Sincerely,

Mirtha Liedl, Planner

RE: Conditional Use Permit No. 3622

Dear Planning Commission:

I wish to object to the proposed project (convenience store at Florida Ave./Columbia St., Hemet) for two reasons:

First, as a nearby resident on Cornell Street (APN 438240030), around the corner from the proposed project, the last thing that area needs is another location where alcohol is sold. The location in question is nearly across the street from a motel where vagrants are known to inhabit, directly across the street from a restaurant where on-site liquor sales occur, adjacent to a vacant field where purchasers of alcohol are likely to congregate and cause mischief, one block from another convenience store at the N/E corner of Florida and Cornell and one block from a gas station with a convenience store at the S/W corner of Florida and Yale. There is yet another convenience store near the S/E corner of Florida and Yale.

In other words, there already exist three convenience stores within a two block radius of the project, all of whom sell alcohol, and there may be others I am forgetting. The addition of another purveyor of alcohol is likely to lead to more crime and lower property values in an area that has suffered enough.

The second reason for my objection is, in my opinion, even more persuasive. A few months ago I represented a commercial tenant who operated an auto repair facility at the location in question. He was being evicted by the Applicant, Jeff Rahman. We had heard rumors of a desire by the applicant to install a project such as the one currently being proposed for your consideration. We raised that issue in court as part of our defense, and were assured by Mr. Rahman and his attorney, William Windham, that no such project was being considered. These representations were made in open court, **UNDER OATH** before the judge, as well as subsequently by Mr. Windham.

In addition to assuring me and the court that there was no intent to install a convenience store at the location, Mr. Windham also assured me outside of court that "there is no way a liquor store would ever be approved there."

I believe that the applicant should not be allowed to lie under oath in order to evict a tenant under false pretenses, without suffering any consequences for his deception. To approve this project would be to reward him for his perjury.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Burkhart", with a long horizontal line extending to the right.

The Riverside County Planning Department has determined that the above-described application is exempt from the provisions of the California Environmental Quality Act (CEQA). The Planning Commission will consider the proposed application at the public hearing.

The case file for the proposed project may be viewed Monday through Friday, from 8:00 A.M. to 5:00 P.M. at the Planning Department office, located at 4080 Lemon St. 12th Floor, Riverside, CA 92501.

Any person wishing to comment on the proposed project may do so in writing between the date of this notice and the public hearing; or, may appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Commission, and the Planning Commission will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If this project is challenged in court, the issues may be limited to those raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing. Be advised that as a result of public hearings and comment, the Planning Commission may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the proposed project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:

PUBLIC HEARING NOTICE LABELS CERTIFICATION FORM

I, David Mares, certify that on 10/6/10,
Print name Date

the attached property owner's list was prepared by:

David Mares for the following project, CUP3622,
Print Company Name and/or Individual's Name Project case number(s)

using a radius distance of 1000 feet, pursuant to application requirements furnished by the Riverside County Planning Department. Said list is a complete and true compilation of the project applicant, the applicant's engineer/representative, if any, the owner(s) of the subject property, the school district or districts within whose boundary the subject project is located, every City within one mile of the subject property or within whose sphere of influence the subject property is located, if any, and, all other property owners within a 600 foot radius around the subject property, and all contiguously owned properties, if any, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the property is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all the property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information field is true and correct to the best of my knowledge.

David Mares for the following project, CUP 3622,
Print Company Name and/or Individual's Name Project case number(s)

using a radius distance of 1000 feet, pursuant to application requirements furnished by the Riverside County Planning Department. Said list is a complete and true compilation of the project applicant, the applicant's engineer/representative, if any, the owner(s) of the subject property, the school district or districts within whose boundary the subject project is located, every City within one mile of the subject property or within whose sphere of influence the subject property is located, if any, and, all other property owners within a 600 foot radius around the subject property, and all contiguously owned properties, if any, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the property is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all the property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information field is true and correct to the best of my knowledge.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A CONDITIONAL USE PERMIT IN THE RAMONA ZONING DISTRICT – SAN JACINTO VALLEY AREA PLAN, THIRD SUPERVISORIAL DISTRICT, AND INTENT TO FILE NOTICE OF EXEMPTION

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, November 30, 2010 at 1:30 P.M.** to consider the application submitted by Jeff Rahman, for **Conditional Use Permit No. 3622**, which proposes to convert an existing unoccupied building totaling approximately 9,720 square-feet into a 4,088 square-foot convenience store and a 5,632 square-foot of shell leasable area, in which the convenience store would include a market/deli and the sale of alcoholic beverages including beer, wine and distilled spirits for off-premises consumption (ABC License Type 21), and, in addition, an approximately 650 square-foot storage facility is to be removed and 42 parking spaces are proposed ("the project"). The project is located southerly of Florida Avenue, easterly of Columbia Street, westerly of Cornell Street, and northerly of Acacia Avenue, in the Ramona Zoning District – San Jacinto Valley Area Plan, Third Supervisorial District.

The Planning Commission approved the project and also determined that the project is exempt from the provisions of the California Environmental Quality Act.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Thursday, from 7:30 a.m. to 5:30 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501, and at the Central Files Division of Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT WENDELL BUGTAI, PROJECT PLANNER, AT (951) 955-2419 or EMAIL at wbugtai@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:
