### **Addressing the Board & Acknowledgement by Chairman:**

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

# USO MISSION

The mission of the USO is "to enhance the quality of life of the U.S. Armed Forces personnel and their families and to create a cooperative relationship between U.S. military communities and involved supporting civilian communities."

Showing the military that we care about them by taking care of them.

## United Through Reading

The USO is in partnership with UTR, a program created by the Family Literacy Foundation. UTR is a quality of life program whereby deployed military personnel communicate with the children in their life through the medium of reading stories aloud recorded on dvd at the USO.

The USO then sends the dvd and book to the child so they can have a bedtime story every night till their Troop comes home.

Until Every One Comes Home.®

*America.....Many are those who speak in your name. But after all is said and done...The speeches and video clips that spin are gone . At the end of a day, there remains the vibration of yearning for a nation of peace. There remains a drive that only the Military understands. The urge to carry the light to impossible heights never reached before. There remains the heart of an eagle, a warrior, a hero. Freedom rises on the wings of our heroes.....*

**Welcome Home to Our Troops**

In 1941 President Franklin D. Roosevelt challenged the American people to show their appreciation for military personnel. As a result of the challenge to do better, the United Service Organizations was created. For the past sixty-nine years the USO has provided entertainment, recreation and comfort centers for traveling servicemen and women. With substantial support from the Los Angeles World Airports, the USO Center at Ontario International Airport opened in October 2006. Prior to the opening of the Ontario USO, troops in the Inland Empire with flight layovers or transportation delays had nowhere to wait. Frequently, they had the discomfort of sleeping on benches and often had to settle with limited food and beverage access. The USO does not believe this is the proper way to treat those who defend our freedom and liberty of life.

The USO at Ontario provides a comfortable "safe haven" setting for our military forces. The spacious 6400 square foot facility is located in the airport's "old terminal one" and hosts a library, media theater, recreation room, family room for those traveling with dependents, computer room, relaxation room and a canteen where light meals are served. All services are provided to our guests at NO charge. Although the USO is chartered by the United States Congress, no government funding is provided. All services offered only through USO Ontario are made possible only through independent fundraising and generous donations made by Americans

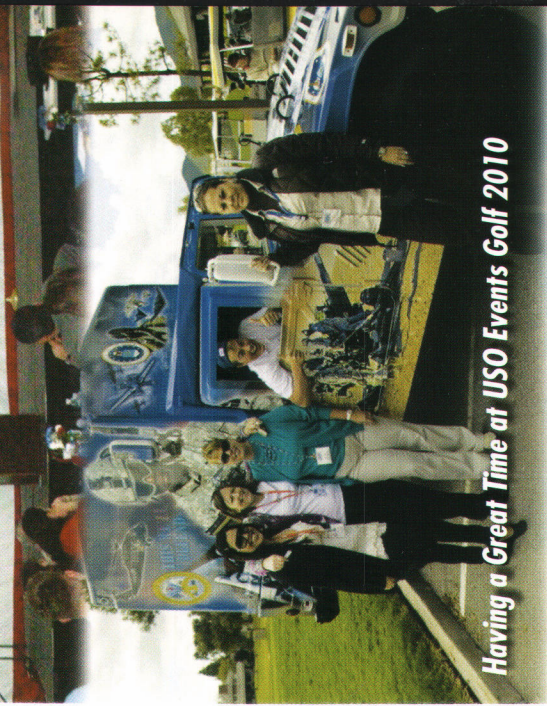

who understand and appreciate the sacrifices that are made by our service men and women every single day.

The center is primarily staffed by volunteers who freely dedicate their time and expertise.
