BOARD OF SUPERVISORS

FORM 11: Approve the Agreement with Data Trace Information Services, LLC for Printing and Mailing of Notification of Deed Execution

July 12, 2011

Page 2 of 2

BACKGROUND Continued:

To prevent individuals fraudulently recording forged deeds, Data Trace provides a notification system that notifies property owners when deeds have been recorded against their property. A notification will be mailed to property owners within 30 days of recording, informing them of the recording. Further, a copy of the first and second pages of the recorded document will be mailed with the notification.

Courtesy Notice will benefit the public by:

- 1) It will alert the owners of real property, in a timely fashion, of possible fraudulent activity.
- 2) It will provide the property owners with a contact number should fraud be suspected.
- 3) It will allow the District Attorney to more quickly investigate and prosecute fraudulent activity. This will reduce the amount of harm and number of victims.
- 4) It will deter perpetrators from recording fraudulent documents.
- 5) It will allow crime to be detected quicker.
- 6) It will help prevent real estate scams, fraud, and resulting loss and damage.
- 7) It will help reduce illegal real property activity.
- 8) It will serve as a vehicle of Community Outreach by notifying real property owners of activity relating to their property.

PRICE REASONABLENESS:

County Purchasing on behalf of the Assessor-County Clerk-Recorder released a Request for Quote (RFQ) ASARC-037, mailing solicitations to multiple vendors, and advertised on the County's website, with four bid responses received. Bid responses were reviewed by the Assessor-County Clerk-Recorder to ensure the specifications of the County were met with the quotes ranging from \$1.94 up to \$2.00 per notice, depending on the type of service and materials needed. After review, the vendor with the lowest, most responsive and responsible quote was selected, Data Trace Information Services, LLC.

The Assessor-County Clerk-Recorder is requesting that the Board of Supervisors approve and execute the agreement with the Data Trace Information Services, LLC for an annual amount not to exceed \$416,000, effective FY 2011/12. The implementation will take approximately 90 days after approval.

REVIEW/APPROVAL: Purchasing and County Counsel concurs with this request.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.8 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

23.9 CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing.
