**DATE: July 12, 2011**

**SUBJECT: U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT  
NEW PROJECT SPONSOR AGREEMENT—HO-02159**

**BACKGROUND:**

On November 23, 2009, DPSS submitted an application for Homeless Assistance funds to the U.S. Department of Housing and Urban Development (HUD). July 7, 2010, HUD announced the approval of two (2) new renewal grants for Riverside County's homeless projects, which included the new Supportive Housing Program (SHP) for homeless veterans.

The United States Veterans Initiative (U.S. Vets) applied for funding to operate a new Permanent Supportive Housing Program (SHP-PH) entitled Riverside Permanent Housing that will provide twenty-five (25) units of housing for single, adult veterans with a history of homelessness and who have experience significant long-term disabilities that impair their ability to afford housing with a long-term subsidy. This project will provide a stable living environment in which the population can address these issues and achieve a level of stability that will allow them to reach their highest level of functioning.

The program will be located in Riverside at March Air Reserve Base and will be coordinated with the medical, psychiatric and substance abuse services (both on and off site) provided.

Supportive services delivered by the project will include, but not be limited to, outreach and engagement, substance abuse treatment, mental health services, job readiness and employment placement, case management, peer mentoring, legal assistance, benefits assistance, life skills training, and other necessary supportive services coordinated with other community-based providers.

Currently, U.S. VETS projects serve over 400 veterans per year. The project will draw from these populations.

**FINANCIAL DATA:** No County General Funds are required. Funding is 100% Federal funds. The full Grant amount is \$792,383; however, it is estimated that the United States Veterans Initiative will expend \$396,192 in FY 2011-12, leaving \$396,191 to be expended in FY 2012-13.

Supportive services delivered by the project will include, but not be limited to, outreach and engagement, substance abuse treatment, mental health services, job readiness and employment placement, case management, peer mentoring, legal assistance, benefits assistance, life skills training, and other necessary supportive services coordinated with other community-based providers.

**Describe experience of project partners related to providing activities and working with homeless persons.**

The United States Veterans Initiative-Riversides Experience: The United States Veterans Initiative (USVI) is a private nonprofit corporation established in 1992 to address the unmet needs of homeless veterans across the nation. We are the largest organization in the country dedicated to helping homeless veterans, and a nationally recognized leader in the field of service delivery to veterans. Our Board of Directors as well as our founder, Ninth Circuit court of Appeals Judge Harry Pregerson, has extensive leadership experience in veteran service organizations and agencies. As a result of expansion, our agency has grown from our flagship site in Inglewood, California to include sites in Long Beach, Phoenix, Houston, Washington D.C., Las Vegas and our sites at March Air Reserve Base (Serving the Inland Empire) and Compton, CA. Over the last six years United States Veterans Initiative-Riverside has developed and maintained a well respected relationship with the Riverside Continuum of Care. Under this Continuum we have been awarded two grants totaling 1,049,800.00 to facilitate Transitional Housing programs and supportive services. United States Veterans Initiative's continuum of care approach to service delivery draws on the collective experience and expertise of its community partners to accomplish its mission: The successful reintegration of the greatest number of homeless veterans to their highest level of independence as rapidly as possible. This mission is accomplished through the provision of housing, employment assistance, and supportive services with a particular effort emphasis on the clinical treatment (clinical counseling, substance abuse, and psychiatric) of this challenging population.

## Special Housing Project

**Indicate how the project applicant, sponsor, and partners will operate and meet the Permanent Housing Bonus requirements as outlined in the Notice of Funding Availability.**

**Describe how the project will address the specific case management needs of the persons to be served by the Permanent Housing Bonus project.**

The project will use a combination of request SHP funds and matched and leverage funds to provide and assign sufficient case management services to project participants. Total Case Management services delivered is expected to be an estimated total 1.00 FTE during the first year and 0.75 FTE during year two. Experience shows that after stabilization (6 months or greater), single adult veterans living in Permanent Housing can be retained in housing with low-intensity case management services. For veterans, case management will be delivered by staff located within the Permanent Housing facility allowing for easy access for both clients and staff. Each household will develop a Household Service Plan which will identify client-driven short-term and long-term goals that will help household remain stable in housing, increase self-determination, and increase overall quality of life. Case managers will also oversee monthly drug tests to ensure sobriety compliance is met or needs services are addressed. The United States Veterans Initiative-Riverside was awarded a Department of Labor, Workforce Grant for employment services. For households with working adults, the workforce coordinator will also ensure appropriate services are delivered to participants to help them gain and retain employment. Clients will be required to attend twice monthly case management meetings where progress towards service plan goals will be reviewed. For households with fixed income clients will be assessed in an effort to maximize benefits due them by utilizing mainstream resources. Currently United States Veterans Initiative-Riverside has seasoned relationships with Social Security, Riverside DPSS, Veterans Administration and the Employment Development Department.

**The information entered into the form fields below should record the capacity of the project to provide supportive services or access to services that participants require.**

**Describe how participants will be assisted to obtain and remain in permanent housing.**

All households will have successfully completed requirements of the U.S. VETS transitional programs which will ensure that clients have gained sobriety, addressed medical problems, completed job readiness and placement curriculum, obtained benefits/income, and completed life skills training classes that will help improve their chances of long-term permanent housing retention. Upon placement, case management staff will develop a client-centered, strengths-based Household Treatment Plan. After placement, clients will be required to meet with case management staff a minimum of two times per month, or more as necessary, to monitor progress on their treatment plan. U.S. VETS will also collect the household's rental portion and ensure all payments to landlord in order to maintain rental unit.

**Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently.**

For adult individuals with significant disabilities and reviewed as appropriate for the Permanent Supportive Housing program, the initial emphasis will focus on applying for and receiving all eligible income benefits including Social Security Disability Income (SSDI), Supplemental Security Income (SSI), VA benefits, and any additional pensions or disability-related benefits. Participants with fixed income benefits will also be encouraged to return to work, full or part-time - and will be encouraged to participate in job readiness services. Special emphasis will be placed on ensuring that clients with disability benefits understand the impact of employment wages on their fixed benefits. All adult participants interested in obtaining employment will be required to complete job readiness and placement services available at U.S. VETS transitional housing facilities. Job Readiness services include a week-long (20 hrs) curriculum that covers interviewing skills, job application assistance, resume development, job search and career strategy, co-worker and on-the-job interpersonal training and selected activities that will improve the chances of finding a job and maintaining employment. Once placed, employment will be monitor by workforce and case management staff. Working adults will be required to submit copies of all pay stubs to verify employment and ensure compliance to employment goals. As part of the job readiness curriculum, each adult will also complete an Individualized Employment Plan that will help identify barriers to employment placement and a career path to increasing income over the long-term including enrollment in formal education or job training programs.

## Outreach for Participants

**Instructions:**

Where homeless participants are coming from (required) - enter or update the percentage (%) related to the places from which homeless participants are coming (streets, emergency shelters, safe havens, or transitional housing who came directly from the streets, emergency shelter, or safe haven).

Total of above percentage (calculated) - the percentages entered will sum in the Total of above percentages field.

If total is less than 100% - indicate the other places from which homeless persons enter the project.

Outreach plan (required for new projects) - describe how the applicant/sponsor plans to bring homeless persons into the project.

Contingency plan (required for new projects) - describe the contingency plan that the applicant/sponsor will implement if the project experiences difficulty in meeting the Bonus requirements to serve exclusively homeless and disabled individuals and families. The contingency plan may include re-evaluating the intake assessment procedures or outreach plan.

Additional resources:

<http://www.hudhre.info/index.cfm?do=viewHomelessAndHousingProgramInfo>  
<http://esnaps.hudhre.info/training>

**Complete or update the form fields in the order of appearance. For renewal applications, the fields will populate with information from the 2008 application submission, if applicable. Please verify that all populated fields are correct.**

**Enter the percentage of homeless person(s) who will be served by the proposed project for each of the following locations.**

**Note: this includes persons who ordinarily sleep in one of the places listed below but are spending a short time (30 consecutive days or less) in a jail, hospital, or other institution.**

	Persons who came from the street or other locations not meant for human habitation.
50%	Person who came from Emergency Shelters.
	Persons who came from Safe Havens.
50%	Persons in TH who came directly from the street, Emergency Shelters, or Safe Havens.
100%	Total of above percentages

**If the total is less than 100%, describe very specifically where the other persons you propose to serve would be coming from, and how these persons would meet the HUD homeless definition.**

**Describe the outreach plan to bring these homeless participants into the project.**

Individuals eligible for the proposed project served will be encountered through U.S. VETS transitional housing facilities and Emergency Shelters. For single adult veterans, clinical staff will identify transitional program clients that are in need of long-term housing subsidy and supportive case management services to ensure they do not return to homelessness. Additionally, participants of the program will be located through collaborative outreach coordination between USVIs outreach team, The City of Riverside Homeless Outreach team, Path of Life Ministries Emergency Shelter program and the Loma Linda VA. This includes veterans who are completing a primary care program with the VA Medical Center. Outreach staff speaks with people in groups or individually, and visits agencies and locations that serve the homeless on a regular basis. In addition, U.S. VETS has established working relationships with community-based agencies that also refer potential program participants.

**Describe the contingency plan that the applicant/sponsor will implement if the project experiences difficulty in meeting the Bonus requirements to serve exclusively homeless and disabled individuals and families. The contingency plan may include re-evaluating the intake assessment procedures or outreach plan.**

U.S. VETS currently operates a 122 bed supportive housing program that serves over 300 individuals annually that meet strict HUD requirements that meet the federal definition of homelessness. In addition, a large proportion of its single adult has one or more disabilities, a large percent of whom self-identify as chronically homeless at project entry. U.S. VETS constantly reviews its outreach service strategy to ensure engagement of its target population. If needed, U.S. VETS would certainly re-evaluate its intake and outreach procedure and consult with the Continuum of Care representatives and our lead agency Riverside Department of Social Services to ensure that it enrolls households that meet the project criteria, and/or ensure referrals for eligible individuals from other agencies in need of Permanent Supportive Housing.

1. Chart 1 - Summary Project Budget

To complete Chart 1, Summary Project Budget, enter the amount of SHP funds requested by line-item in the first column. For leasing, supportive services, and operations, the amount entered should be for the SHP grant term selected. In the second column, enter the amount of other cash that will be contributed to the project. This amount plus the SHP request must equal the total budget amount for the project. Enter the amounts for all structures in the project. Each line-item amount in this chart should match the amounts shown in Exhibits 2 through 8, as appropriate.

To complete Chart 2, Project Milestones, enter the number of days from the execution of the grant agreement that each of the following milestones will occur, for each structure in the project. If the project has only one structure or no structures, complete only column A. Enter "N/A" if the event is not applicable.

Please note that the milestones entered will become part of the selector's grant agreement and, therefore, it is important that the milestones are appropriate given the scope of the project and achievable by the SHP prescribed timeframes in the regulation at Section 583.410 and timeliness standards listed on page 39854 of the 2009 NOFA located at: <http://www.hudre.info/documents/FY2009CoCNOFA.pdf>.

Establish the major milestones for implementation of the HMIS project and enter the number of days from execution of the grant that each milestone will occur.

C. Program Goals - The goals for SHP are to help program participants (a) obtain and remain in permanent housing, (b) increase their skills and/or income, and (c) achieve greater self-determination. In order to meet these program goals, each project should develop specific performance measures. Performance measures have three major components. First, the goals must relate to the outcomes (e.g., the program participant will successfully complete substance abuse treatment), rather than inputs (e.g., the program participant will attend 25 substance abuse sessions). Second, the goals must have a time frame for achievement and, third, they must have a percentage/number indicating a level of achievement.

In a separate narrative, which should be submitted as an attachment to this Exhibit, please describe the performance measures that will be used for each of the SHP goals and how success in meeting each of the goals will be measured. Please include both housing and services in the discussion. At least one performance measure for the skills/income goal must address accessing mainstream health and human service programs. Success in meeting the program's performance measures must be reported in the Annual Progress Report.

Examples of performance measures for each of the SHP goals are:

- Goal: Obtain and remain in permanent housing
  - 70% of those families entering the program will receive Section 8 certificates when exiting the program.
- Goal: Increase skills and income
  - 80% of the participants who receive no benefits upon entry will receive entitlement benefits within 6 months.
- Goal: Achieve greater self-determination
  - 85% of clients will meet at least one goal on their Individual Service Plan.

**Obtain and remain in permanent housing**

- 65% or 16 individuals will remain in permanent housing for at least six months.

**Increase skills and/or income**

- 50% of individuals will maintain or increase their total income from all sources as of the end of the operating year or at program exit.

**Achieve greater self-determination**

- Of the 25 new participants, 50% will meet more than one goal on their individual Service Plans within six months of program entry.

**Exhibit 2: Acquisition, Rehabilitation, New Construction, and  
Project Feasibility (new or expansion projects only)**

Exhibit 2 consists of Sections A-G which request information on the structure address, cost, site control, zoning, and total amount of cash needed for SHP-funded acquisition, rehabilitation, or new construction. Please complete a separate Exhibit 2 for each SHP-funded structure to be assisted within the project. In addition, for Section E.4.b., attach a narrative describing in-kind contributions (if any) directly related to the rehabilitation or new construction.

Please note that all projects requesting funding for acquisition, rehabilitation, and/or new construction activities are subject to environmental review requirements (see General Instructions).

**A. Address of Structure**      Street \_\_\_\_\_  
City \_\_\_\_\_  
State/Zip \_\_\_\_\_

Is this the same address provided in the original application to HUD?  Yes  No

If "No," attach a narrative describing why a different structure is proposed, including any implications for acquisition, rehabilitation, or new construction costs.

**B. Site Control**

A project sponsor must have control of any structure that will receive SHP funding for acquisition for supportive housing or a supportive services facility, or new construction for supportive housing.

1. Does the project sponsor have site control at this time?

Yes (complete question 2)

No (The project sponsor has one year from the date of HUD's letter to the selectee notifying it that it was conditionally selected to gain site control.)

2. Check the appropriate box below to indicate the form of site control that the project sponsor has now and attach a copy of the document. These are the acceptable forms of site control:

Deed or other proof of ownership       Executed lease agreement

Executed contract of sale       Executed option to purchase or lease

**C. Zoning**

Attach one of the following sources of zoning documentation:

1. A statement on letterhead stationery from the unit of general local government (in which the structure is located) indicating that the proposed use of the structure is permissible under the applicable zoning ordinances and regulations; or
2. If the structure is zoned for a use other than that intended by the project, submit documentation that the zoning will be changed within one year from the date of HUD's letter to the selectee notifying it of its conditionally selectee status; or
3. Documentation that a lawsuit or a HUD complaint related to the proposed site has been filed, or a commitment that it will be filed three months (of initial notification of award), challenging the legality of the current zoning ordinance or regulations under the Fair Housing Act.

---

SHP funds may be used to lease space for supportive housing or supportive services. If requesting SHP leasing funds, complete the appropriate tables that follow. Housing and service space may be in the form of scattered-site leased units, or within a structure. The structures to be leased may be structures currently configured for, or structures to be converted to provide supportive housing and/or supportive services. Under no circumstances may SHP leasing funds be used to lease units or structures owned by the project sponsor, the selectee, or their parent organizations. This includes organizations which are members of a general partnership where the general partnership owns the structure.

Chart A should be completed out only if leasing units or structures that are currently configured for housing and/or services and, therefore, a FMR or actual rent can be used. If a negotiated actual rent (a) is lower than the area's FMR, use that amount instead of the FMR. Please note that FMR's are gross rent amounts that include shelter rent and the cost of utilities, except telephone. Therefore, if an actual rent amount, is used include a utility allowance. The local Public Housing Authority should be contacted for a schedule of utility allowances. The actual rent plus utility allowance may not exceed the FMR. Complete Chart B only if leasing a structure that will be converted into space for housing and/or services and for which an FMR is not applicable. The Chart in Section C is a summary of the total SHP request for each year of the grant term for all units and/or structures in the project.

 (all new projects requesting leasing funds)

**A. Leased Unit(s) or Structure(s) Configured for Housing and/or Services**

If proposing to lease units or structures in more than one metropolitan or non-metropolitan area, fill in the appropriate number of tables for each area with a different FMR or actual rent. Please reproduce this Exhibit as needed to accommodate projects using more than one FMR or actual rent.

Enter the number of unit(s)/structure(s) by the bedroom size to be leased and the lower of the actual rent or the FMR as published in the Federal Register on **September 29, 2008**. The space to be leased may be scattered-site (e.g., one-bedroom apartments in five different apartment complexes) or contained within a structure (e.g., a group home with six bedrooms).

Multiply the number of units/structures by the FMR or actual rent, whichever is lower, by 12 months (# of units x FMR or actual rent x 12) and enter the result in the Year 1 column and the total column. If a multi-year lease (e.g., the grant term is for 2 or 3 years), enter the Years 2 and 3 costs, as applicable, and then total.

Please note that the FMR for a single room occupancy (SRO) unit is equal to 75% (0.75) of the 0-bedroom FMR. The FMRs for unit sizes larger than 4-bedrooms are calculated by adding 15% to the 4-bedroom FMR for each extra bedroom. For example, the FMR for a 5-bedroom unit is 1.15 times the 4-bedroom FMR, and the FMR for a 6-bedroom unit is 1.30 times the 4-bedroom FMR.

FMRs may be found at the following WEB site:

Exhibit 3: Real Property Leasing  
(all new projects requesting leasing funds)

**D. Site Control**

A project sponsor is not required to document site control if: (1) during the grant term, the lease will be given to the project participants (e.g., the homeless persons will eventually control the units); and/or (2) the SHP request is just for leasing (e.g., the request is not also for other SHP-related activities for which site control is needed). If one or both of these situations is applicable to the project, check the "N/A" (i.e., not applicable) box in #1 below and proceed to the next Exhibit.

1. Does the project sponsor have site control at this time?  Yes  No  N/A

If the answer to this question is "yes", complete question 2 below.

If the answer to this question is "no", the project sponsor has one year from the date of HUD's conditional award letter to the selectee to obtain site control.

2. Check the appropriate box below to indicate the form of site control that the project sponsor has now and attach a copy of the document. These are the acceptable forms of site control:

- Executed lease agreement  
 Executed option to lease

## 1. PARTIES AND EFFECTIVE DATE.

1.1 Parties. This Lease Agreement ("Agreement"), dated as of March 1, 2009 for reference purposes only, is entered into by and between (i) the March Joint Powers Authority ("Authority"), a California joint powers public agency, and (ii) United States Veterans Initiative, ("Lessee"), a California non-profit corporation. Authority and Lessee are sometimes referred to herein as a "Party" or collectively as the "Parties."

1.2 Effective Date. This Agreement will not become effective until the date ("Effective Date") on which all of the following are true:

- (i) This Agreement has been approved by Lessee, executed by Lessee's authorized representatives, and delivered to Authority.
- (ii) Following all legally required notices, reports and hearings, this Agreement has been approved by Authority's governing board and executed by Authority's authorized representative.
- (iii) Following all legally required notices, reports and hearings, the Authority has, pursuant to its land use regulatory police powers, approved a general plan amendment, zoning code amendment, and such other land use approvals and entitlements (collectively, "Entitlements") required for the legal operation of the activities at the Premises as described in Section 3.4 of this Agreement.
- (iv) The Authority has approved the "Management Plan" described in Section 3.4.2 of this Agreement.
- (v) Lessee has delivered to Authority the insurance endorsements required by Section 3.12 of this Agreement.

If all of the foregoing conditions precedent have not occurred on or before June 30, 2009, then this Agreement may not thereafter become effective and any prior approvals and signatures of the Parties will be deemed rescinded without need of further act by any Party.

Nothing in this Agreement shall be deemed a guarantee, commitment, representation or warranty that, with respect to any matter as to which the Authority is entitled by law to exercise discretion, the Authority shall exercise its discretion in any particular fashion. Without limiting the generality of the foregoing statement, nothing herein is a representation, warranty or commitment that the Authority will approve the Entitlements or that the Authority will condition those approvals (if any) in a particular way. Lessee agrees that the Authority shall not suffer any liability, cost or expense under or arising out of this Agreement should the Authority fail to approve the Entitlements or the Management Plan. The Authority reserves to itself the full discretion afforded by law to the Authority with respect to such matters.

## 2. RECITALS.

2.1 On or about September 18, 2005, Authority acquired a fee simple interest in the Premises (as defined in Section 3.1) by quitclaim deed from The United States of America, acting by and through the Secretary of the Air Force, under and pursuant to the powers and authority contained in the Defense Base Closure and Realignment Act of 1990, as amended (10 U.S.C. § 2687 note), and delegations and regulations promulgated thereunder. This deed was recorded in the official records of the County of Riverside on October 25, 2006.

2.2 The Governing Board of the Authority and March Joint Powers Redevelopment Agency ("Agency") have approved and adopted a Redevelopment Plan for March Air Force Base Redevelopment Project Area by its adoption of Ordinance No. 96-02, as amended. This Agreement is subject to the provisions of the Redevelopment Plan as it now exists and as it may be subsequently amended. The Redevelopment Plan is incorporated herein by this reference. The Project Area is located within the Authority's jurisdictional limits and its boundaries are specifically described in the Redevelopment Plan.

2.3 Lessee desires to lease the property commonly referred to as 15125 Sixth Street, Riverside, California, 92518, and more particularly described in Section 3.1 ("Premises"). Lessee (or its program operator) intends to operate a kitchen where meals will be provided for homeless veterans of the United States Armed Forces on the Premises.

2.4 Lessee and Authority are concurrently entering into another lease, of even date herewith, providing for Lessee's lease from the Authority of certain property adjacent to the Premises for the purposes of providing residential accommodations for homeless veterans of the United States Armed Forces ("Residential Lease").

2.5 This Agreement is made in consideration for the terms, conditions and mutual covenants contained herein, the sufficiency of which are hereby acknowledged.

## 3. TERMS

3.1 **Description of Premises.** Authority hereby leases to Lessee, and Lessee hereby leases from Authority, that certain structure commonly referred to as "Building 962" which comprises Seventeen Thousand One Hundred Seventy Seven (17,177) square feet and is owned in fee simple by Authority. The exact location of the Premises is detailed in Exhibit A to this Agreement, which is attached hereto and incorporated herein by this reference.

3.2 **Authority's Right to Relocate Lessee.** Authority shall have the right to relocate Lessee to a Relocation Space (as defined herein). "Relocation Space" shall mean space of comparable quality and size to the Premises. In the event that Authority elects to relocate Lessee, Authority shall provide Lessee with prior written notice of such election ("Relocation Notice"), which shall describe the Relocation Space.

3.2.1 **Relocation Notice.** Lessee shall have ten (10) days following the delivery of the Relocation Notice to accept in writing the Relocation Space. In the event that Lessee fails to so accept the Relocation Space within such ten-day period, this Agreement shall terminate sixty (60) days following the delivery of the Relocation Notice. Should Lessee accept the

Relocation Space within such ten-day period, Lessee shall have sixty (60) days following the delivery by Authority to Lessee of the Relocation Notice to complete the move to the Relocation Space.

**3.2.2 Terms Following Relocation.** Upon Lessee's taking possession of the Relocation Space, such space (i) shall be deemed to be the "Premises" for purposes of this Agreement, (ii) shall be leased to Lessee at the same rental rate as set forth in this Lease, and (iii) shall be subject to each of the terms, covenants, and conditions contained herein. A revised Exhibit A shall become part of this Agreement describing the location of the new premises.

**3.2.3 Relocation Expenses.** In the event of relocation, Authority shall pay all reasonable expenses of preparing the Relocation Space. Authority shall also pay the expenses of moving Lessee's furniture and equipment to the Relocation Space.

**3.2.4 Release and Waiver.** Lessee hereby releases Authority from any and all losses, claims, injuries, damages, or other liability, including, but not limited to, consequential damages, whether to persons or property, no matter how caused, resulting from or in any way connected with or incidental to the relocation of the Premises pursuant to this Section 3.2. Lessee expressly waives any claim for abatement of rent, constructive eviction, or for termination of the Agreement as a result of such relocation.

**3.3 Lessee's Waiver of Relocation Right.** Lessee waives any right to relocate, including, but not limited to, rights that Lessee may assert resulting from redevelopment activities that directly, or indirectly, affect the Premises.

**3.3.1 Non-Eligibility for Relocation Benefits.** Lessee hereby acknowledges that Lessee was not an occupant of the Premises at the time the Premises were acquired by Authority. Lessee further understands and agrees that as a 'post-acquisition tenant,' as that term is defined in Cal. Code Regs., tit. 25 § 6034(b)(1), Lessee is not eligible and furthermore waives all claims for relocation assistance and benefits under federal, state or local law. For purposes of this section 'relocation assistance and benefits' shall mean the payment of relocation expenses and payment of just compensation, severance damages, unlawful pre-condemnation conduct, inverse condemnation and any other compensation, benefits and reimbursements.

  
Lessee's Initials

**3.3.2 Owner Participation Rights.** Lessee acknowledges the Premises are located within the March Air Force Base Redevelopment Project Redevelopment Plan ("Redevelopment Plan") for the March Air Force Base Project Area (the "Project Area"). Lessee also acknowledges that pursuant to California Health and Safety Code Sections 33339, 33345 and 33380, each redevelopment plan must provide for the opportunity for participation of operators of businesses and business tenants in the redevelopment of the property if those parties agree to participate in conformity with the terms of the redevelopment plan. The Redevelopment Plan contains Rules Governing Participation and Reentry Preferences for Property Owners, Operators and Businesses, and Business Tenants for Project Area ("Owner Participation Rights"). Lessee hereby waives any Owner Participation Rights pursuant to the Redevelopment Plan and the Community Redevelopment Law (California Health and Safety Code Sections

33000-34150) to participate in the redevelopment of the property surrounding, adjacent to, or near the Premises. In lieu of exercising said Owner Participation Rights and participating in the redevelopment of Project Area, Lessee desires to lease from Authority the Premises pursuant to the terms and conditions of this Agreement.

 Lessee's Initials

**3.4 Nature of Rights Granted.** By this Agreement, Authority leases to Lessee the Premises for the narrow, limited, sole and specific purpose of operating a kitchen where meals will be served to homeless veterans of the United States Armed Forces, in strict accordance with this Agreement and the Management Plan. The interest, rights and privileges granted Lessee hereunder are subject to all exceptions, easements, rights, rights-of-way and other matters of record.

**3.4.1 Assignment.** Except as expressly provided for herein, the permission, rights and privileges granted hereunder are nontransferable. Lessee shall not, either voluntarily or by action of law, sublet, mortgage, pledge, assign or transfer this Agreement or any obligation, right, title or interest assumed by Lessee herein, without Authority's prior written consent, which may be given, withheld or conditioned in Authority's sole and absolute discretion. If Lessee attempts an unauthorized assignment or transfer of this Agreement or any obligation, right, interest, or title herein, such action or attempted action shall constitute an immediate and incurable default hereunder and Authority may, at its option, terminate this Agreement and Lessee's rights hereunder and in the Premises.

**3.4.2 Management Plan.** Within thirty (30) days following the Authority's approval of this Agreement as set forth in Section 1.2, Lessee shall prepare and submit to the Authority for its review and approval a detailed operations and management plan ("Management Plan") setting forth a detailed description of Lessee's plans, policies and objectives and the residential housing, food service and other services described in this Agreement and in the Residential Lease. Lessee and the Authority shall meet and confer as often as reasonably necessary during such thirty (30) day period to discuss the Management Plan and any changes required by Authority's staff. Without limiting the generality of the foregoing, the Management Plan shall include a detailed description of Lessee's plans for staffing, security and maintenance. The security element of the Management Plan shall be subject to the approval of the Riverside County Sheriff's Department.

Upon completion of the Management Plan, Lessee shall submit it to the Authority's governing board for its review and approval, which shall not be unreasonably withheld, conditioned or delayed. Authority may withhold its consent to the Management Plan if the Management Plan, in Authority's reasonable discretion, fails to adequately address security and staffing issues. Failure by Lessee to timely obtain the approval of the Management Plan by the Authority's governing board in accordance with this Section 3.4.2 shall constitute a failure of a condition precedent as set forth in Section 1.2 above.

The Management Plan, including its security element, shall be subject to review and modification by Authority, in its sole but reasonable discretion, at any time during the Term.

Lessee shall strictly comply, at its sole cost and expense, with the Management Plan, including any revisions thereto.

**3.5 Lease Term.** The initial term ("Initial Term") of this Agreement shall commence on the Effective Date and shall terminate on the fifth (5th) anniversary thereof, unless earlier terminated as provided herein. The Initial Term may be extended upon the mutual agreement of the Authority and Lessee, as more specifically provided in Section 3.6 below. As used in this Agreement, the term "Term" shall mean the Initial Term and any Authority-approved Extended Term.

**3.6 Option to Extend.** Provided Lessee is not then in default and this Agreement is in full force and effect, Lessee shall have the option, subject to the Authority's consent, to extend the Initial Term for no more than two (2) additional terms of five (5) years each (each such extension, an "Extended Term") upon written notice given in accordance with this Section 3.6. Lessee shall give written notice of exercising its option to extend ("Extension Notice") to Authority at least One Hundred and Twenty (120) calendar days prior to, as applicable, the expiration of the Initial Term or the first Extended Term. The Authority shall have the right, in its sole and absolute discretion, to approve or deny any Extension Notice, and upon such disapproval, this Agreement shall terminate upon the expiration of the Initial Term or first Extended Term, as applicable. Authority's approval of an Extended Term shall be evidenced by a written amendment to this Agreement.

### **3.7 Rent.**

**3.7.1 Initial Term Rent.** During the first year of the Initial Term, Lessee shall pay to Authority a monthly rental payment ("Rent") of Four Thousand Three Hundred Dollars (\$4,300). The Rent shall be increased commencing upon the first anniversary of the Effective Date, and again on each subsequent anniversary thereof during the Initial Term, by a percentage equal to the increase, if any, in the Consumer Price Index (All Urban Consumers) above the previous year's Index, as reported by the United States Bureau of Labor Statistics, for the Riverside/San Bernardino County, California, Primary Metropolitan Statistical Area ("CPI Annual Increase"). Authority shall notify Lessee in writing of the amount of the CPI Annual Increase at least thirty (30) calendar days in advance of each anniversary of the Effective Date during the Initial Term. The monthly Rent for any year during the Term shall never be less than the monthly Rent during the immediately previous year. Rent shall be paid to the Authority in advance on the first day of each month at the address listed in Section 3.22 hereof.

**3.7.2 Extended Term Rent.** Upon receipt of Lessee's Extension Request, Authority and Lessee shall commence negotiations to determine the Rent for the Extended Term. The Extended Term Rent shall be in an amount as determined by the Parties and shall be subject to CPI Annual Increases for the duration of the Extended Term.

### **3.8 Protection, Maintenance and Professional Operation of Premises.**

**3.8.1 Protection, Duty to Notify.** Lessee for itself, its employees, officers, agents, invitees, customers, program operators, licensees, volunteers and contractors agrees to take all prudent action to protect the Premises from any damage or injury caused by the exercise

of the rights granted under this Agreement. Lessee shall immediately notify the Authority of any damage or injury to the Premises or adjacent property, and without in any way limiting the obligations of Lessee under this Agreement, shall pay to the Authority upon demand all costs incurred by the Authority for the repair of such damage or injury.

**3.8.2 Maintenance and Operation.** The Premises is to be kept clean and orderly and must be maintained and operated in a safe and professional manner, as more specifically set forth in the Management Plan. In addition, the Authority reserves the right to exclude and prohibit any activities it deems within its reasonably exercised discretion to be inimical to the public health, safety and welfare. Lessee shall immediately cease such activities upon written notice from the Authority informing Lessee of those activities Authority has elected to prohibit. Failure to do so shall constitute a breach of this Agreement.

Lessee shall insure that neither it, nor its employees, officers, agents, invitees, customers, program operators, licensees, volunteers and contractors commit waste upon the Premises. Lessee's breach of the foregoing obligation shall constitute Lessee's default under this Agreement. In addition, Lessee shall insure that its employees, officers, agents, invitees, customers, program operators, licensees, volunteers and contractors comply with the Management Plan, and, further, that the foregoing do not commit any act upon the Premises which would constitute a public or private nuisance. Lessee's breach of the foregoing obligation shall constitute Lessee's default under this Agreement.

**3.8.3 Signage.** Upon obtaining Authority's written consent, Lessee shall have the right to place on the Premises, at locations selected by Lessee, any signs which are permitted by applicable zoning ordinances, the Entitlements, and Authority restrictions. Authority may refuse consent to any proposed signage that is in sole discretion of Authority, too large, deceptive, unattractive or otherwise inconsistent or inappropriate to Premises or use of neighboring properties. Lessee shall repair all damage to the Premises resulting from the removal of signs installed by Lessee.

### **3.9 Rights of Access.**

**3.9.1 Lessee's Rights of Access.** So long as Lessee is not in default under any of the terms of this Agreement and the Agreement is in full force and effect, Lessee shall have and enjoy the right of ingress and egress in and to the Premises with a nonexclusive revocable license to the common areas of Authority's adjacent property, including parking areas.

### **3.9.2 Authority's Rights.**

**3.9.2.1** Authority and its employees, agents and contractors shall have the right, but not the responsibility, to enter the Premises without notice for any and all purposes, including, but not limited to (i) enforcing the terms of this Agreement, (ii) maintaining and repairing the Premises, (iii) performing or allowing necessary inspections, and (iv) investigating complaints by users or neighbors of the Premises. When entering the Premises, Authority shall minimize the intrusion and avoid any unnecessary interference with Lessee's use and occupancy of the Premises.

3.9.2.2 Authority reserves the right to change the entrances, exits, traffic lanes, boundaries and locations in and around the Premises.

### 3.10 Utilities and Services.

3.10.1 Utilities. The Premises are metered separately for utilities. Lessee shall be responsible for all installation and connection fees, as well as all costs and charges assessed in connection with utility usage on the Premises. Lessee shall promptly pay any and all invoices for accrued charges and shall indemnify and protect Authority from and against any and all liability for such costs or charges.

3.10.2 Telephone. Lessee may, at its sole cost and expense install a separate line and establish a telephone services account. Lessee shall be responsible for any installation and connection fees, as well as costs and charges assessed in connection with telephone usage on the Premises. Lessee shall promptly pay any and all invoices for accrued charges and shall indemnify and protect Authority from and against any and all liability for such costs or charges.

3.11 Indemnification. Lessee shall indemnify, defend and hold Authority and its officials, officers, employees, agents, volunteers, contractors and consultant agencies free and harmless from and against any and all losses, claims, damages, fees (including actual attorneys' fees and costs), injuries to persons or property (including wrongful death) to the extent arising out of or incident to Lessee's or its employees', agents', licensees', invitees', customers', consultants', volunteers', contractors' or program operators' acts, omissions or willful misconduct. This indemnification provision shall survive termination of this Agreement.

3.12 Lessee's Insurance. Lessee shall not engage in activity authorized by this Agreement until it has provided evidence satisfactory to the Authority that it has secured all insurance required under this Section.

3.12.1 Liability Insurance. Lessee shall, at its expense, procure and maintain for the Term insurance against claims for injuries to persons or damages to property that may arise from or in connection with the activities conducted by Lessee, its agents, representatives, licensees, program operators, volunteers and employees in an amount not less than Two Million Dollars (\$2,000,000) per occurrence. Such policies shall be endorsed to name the Authority, its officials, officers, employees, agents, representatives and volunteers as additional insureds.

Lessee shall maintain workers compensation and employer's liability insurance coverage in statutorily required amounts, with such policies endorsed to name the Authority, its officials, officers, employees, agents, representatives and volunteers as additional insureds.

3.12.2 Casualty Insurance. Lessee shall, at its expense, procure and maintain for the duration of this Agreement fire and property damage insurance insuring the Premises and the personal property, inventory, fixtures or improvements within the Premises.

3.12.3 Acceptable Insurers. All insurance policies maintained by Lessee pursuant to this Section 3.12 shall be written by insurance companies admitted to do business in the State of California and holding a then-current Best rating of B+XII. Such policy shall be

Lessee shall defend, indemnify and hold the Authority and the Premises harmless from and against all claims, liens, or other liabilities arising out of or related to any work of improvement undertaken by Lessee upon the Premises.

**3.14 Damage, Destruction, Maintenance and Repair.**

**3.14.1 Damage and Destruction.** If the Premises, or any part thereof is so damaged by fire, casualty or structural defects that it cannot be used for Lessee's purposes, and provided further that such damage and/or destruction was not caused by Lessee's actions and/or negligence, Lessee shall have the right within ninety (90) days following the damage to elect by written notice to Authority to terminate this Agreement as of the date of such notice. In the event of minor damage to any part of the Premises, Lessee shall promptly repair such damage at the sole and exclusive cost of Lessee.

**3.14.2 Maintenance and Repair.** Lessee shall maintain the Premises in good repair, including, but not limited to, the heating, ventilation and cooling system, plumbing and electrical systems, exterior walls, windows, roof, sidewalks and other like portions of the Premises for the Term at Lessee's sole cost, expense, and liability.

**3.15 Holding Over.** In the event the Lessee holds over after the expiration of the Term, Authority may at its sole option: (i) allow Lessee to remain on the Premises as a month to month tenant subject to an upward adjustment of rent as determined by Authority, or (ii) Authority may commence an action in unlawful detainer to remove Lessee and all persons or entities claiming under or through Lessee from the Premises.

Upon such default, the Authority may terminate this Agreement and Lessee shall, within thirty (30) days thereafter, vacate and surrender the Premises. Upon such surrender, Lessee shall return the Premises to Authority in a "broom-clean" condition and in substantially the same condition as of the Effective Date, reasonable wear and tear excepted.

3.17 **Abandonment.** The Lessee shall not vacate or abandon the Premises at any time during the Term without providing thirty (30) days prior written notice to Authority.

3.21 **Entire Agreement/Modification.** This Agreement contains the entire agreement of the parties with respect to the subject matter hereof, and supersedes all prior negotiations, understandings or agreements. Authority and Lessee are sometimes referred to herein as a "Party" or collectively as the "Parties."

1.2 Effective Date. This Agreement will not become effective until the date ("Effective Date") on which all of the following are true:

- (i) This Agreement has been approved by Lessee, executed by Lessee's authorized representatives, and delivered to Authority.
- (ii) Following all legally required notices, reports and hearings, this Agreement has been approved by Authority's governing board and executed by Authority's authorized representative.
- (iii) Following all legally required notices, reports and hearings, the Authority has, pursuant to its land use regulatory police powers, approved a general plan amendment, zoning code amendment, and such other land use approvals and entitlements (collectively, "Entitlements") required for the legal operation of the activities at the Premises as described in Section 3.3 of this Agreement.
- (iv) The Authority has approved the "Management Plan" described in Section 3.3.2 of this Agreement.
- (v) Lessee has delivered to Authority the insurance endorsements required by Section 3.10 of this Agreement.

If all of the foregoing conditions precedent have not occurred on or before June 30, 2009, then this Agreement may not thereafter become effective and any prior approvals and signatures of the Parties will be deemed rescinded without need of further act by any Party.

Nothing in this Agreement shall be deemed a guarantee, commitment, representation or warranty that, with respect to any matter as to which the Authority is entitled by law to exercise discretion, the Authority shall exercise its discretion in any particular fashion. Without limiting the generality of the foregoing statement, nothing herein is a representation, warranty or commitment that the Authority will approve the Entitlements or that the Authority will condition those approvals (if any) in a particular way. Lessee agrees that the Authority shall not suffer any liability, cost or expense under or arising out of this Agreement should the Authority fail to approve the Entitlements or the Management Plan. The Authority reserves to itself the full discretion afforded by law to the Authority with respect to such matters.

## 2. RECITALS.

2.1 On or about September 13, 2006, Authority acquired a fee simple interest in the Premises (as defined in Section 3.1) by quitclaim deed from The United States of America, acting by and through the Secretary of the Air Force, under and pursuant to the powers and authority contained in the Defense Base Closure and Realignment Act of 1990, as amended (10 U.S.C. § 2687 note), and delegations and regulations promulgated hereunder. This deed was recorded in the official records of the County of Riverside on October 25, 2006.

2.2 The Governing Board of the Authority and March Joint Powers Redevelopment Agency ("Agency") have approved and adopted a Redevelopment Plan for March Air Force Base Redevelopment Project Area by its adoption of Ordinance No. 96-02, as amended. This Agreement is subject to the provisions of the Redevelopment Plan as it now exists and as it may be subsequently amended. The Redevelopment Plan is incorporated herein by this reference. The Project Area is located within the Authority's jurisdictional limits and its boundaries are specifically described in the Redevelopment Plan.

2.3 Lessee desires to lease the property commonly referred to as Building 976, and more particularly described in Section 3.1 ("Premises"). Lessee (or its program operator) intends to provide temporary housing and related services for homeless veterans of the United States Armed Forces on the Premises.

2.4 Lessee and Authority are concurrently entering into another lease, of even date herewith, providing for Lessee's lease from the Authority of certain property adjacent to the Premises for the purposes of providing meals to homeless veterans of the United States Armed Forces ("Dining Lease").

2.5 Lessee and Authority acknowledge and agree that the purpose of this Lease is to provide for the temporary housing and related ancillary services to homeless veterans of the United States Armed Forces.

2.6 This Agreement is made in consideration for the terms, conditions and mutual covenants contained herein, the sufficiency of which are hereby acknowledged.

## 3. TERMS

3.1 **Description of Premises.** Authority hereby leases to Lessee, and Lessee hereby leases from Authority, that certain structure commonly referred to as "Building 976" which comprises twenty-five thousand six hundred eight (25,608) square feet and is owned in fee simple by Authority. The exact location of the Premises is detailed in Exhibit A to this Agreement, which is attached hereto and incorporated herein by this reference.

3.2 **Authority's Right to Relocate Lessee.** Authority shall have the right to relocate Lessee to a Relocation Space (as defined herein). "Relocation Space" shall mean space of comparable quality and size to the Premises. In the event that Authority elects to relocate Lessee, Authority shall provide Lessee with prior written notice of such election ("Relocation Notice"), which shall describe the Relocation Space.

3.2.1 Relocation Notice. Lessee shall have ten (10) days following the delivery of the Relocation Notice to accept in writing the Relocation Space. In the event that Lessee fails to so accept the Relocation Space within such ten-day period, this Agreement shall terminate sixty (60) days following the delivery of the Relocation Notice. Should Lessee accept the Relocation Space within such ten-day period, Lessee shall have sixty (60) days following the delivery by Authority to Lessee of the Relocation Notice to complete the move to the Relocation Space.

3.2.2 Terms Following Relocation. Upon Lessee's taking possession of the Relocation Space, such space (i) shall be deemed to be the "Premises" for purposes of this Agreement, (ii) shall be leased to Lessee at the same rental rate as set forth in this Lease, and (iii) shall be subject to each of the terms, covenants, and conditions contained herein. A revised Exhibit A shall become part of this Agreement describing the location of the new premises.

3.2.3 Relocation Expenses. In the event of relocation, Authority shall pay all reasonable expenses of preparing the Relocation Space. Authority shall also pay the expenses of moving Lessee's furniture and equipment to the Relocation Space.

3.2.4 Release and Waiver. Lessee hereby releases Authority from any and all losses, claims, injuries, damages, or other liability, including, but not limited to, consequential damages, whether to persons or property, no matter how caused, resulting from or in any way connected with or incidental to the relocation of the Premises pursuant to this Section 3.2. Lessee expressly waives any claim for abatement of rent, constructive eviction, or for termination of the Agreement as a result of such relocation.

3.3 Nature of Rights Granted. By this Agreement, Authority leases to Lessee the Premises for the narrow, limited, sole and specific purpose of providing housing and related services to homeless veterans of the United States Armed Forces, in strict accordance with this Agreement and the Management Plan. Lessee shall be permitted to provide housing and related services to one hundred nineteen (119) residents or the maximum number of residents permitted by applicable state or federal law, whichever is less. The interest, rights and privileges granted Lessee hereunder are subject to all exceptions, easements, rights, rights-of-way and other matters of record.

3.3.1 Assignment. Except as expressly provided for herein, the permission, rights and privileges granted hereunder are nontransferable. Lessee shall not, either voluntarily or by action of law, sublet, mortgage, pledge, assign or transfer this Agreement or any obligation, right, title or interest assumed by Lessee herein, without Authority's prior written consent, which may be given, withheld or conditioned in Authority's sole and absolute discretion. If Lessee attempts an unauthorized assignment or transfer of this Agreement or any obligation, right, interest, or title herein, such action or attempted action shall constitute an immediate and incurable default hereunder and Authority may, at its option, terminate this Agreement and Lessee's rights hereunder and in the Premises.

3.3.2 Management Plan. Within thirty (30) days following the Authority's approval of this Agreement as set forth in Section 1.2, Lessee shall prepare and submit to the Authority for its review and approval a detailed operations and management plan ("Management

Plan") setting forth a detailed description of Lessee's plans, policies and objectives and the residential housing, food service and other services described in this Agreement and in the Dining Sublease. Lessee and the Authority shall meet and confer as often as reasonably necessary during such thirty (30) day period to discuss the Management Plan and any changes required by Authority's staff. Without limiting the generality of the foregoing, the Management Plan shall include a detailed description of Lessee's plans for staffing, security and maintenance. The security element of the Management Plan shall be subject to the approval of the Riverside County Sheriff's Department.

Upon completion of the Management Plan, Lessee shall submit it to the Authority's governing board for its review and approval, which shall not be unreasonably withheld, conditioned or delayed. Authority may withhold its consent to the Management Plan if the Management Plan, in Authority's reasonable discretion, fails to adequately address security and staffing issues. Failure by Lessee to timely obtain the approval of the Management Plan by the Authority's governing board in accordance with this Section 3.3.2 shall constitute a failure of a condition precedent as set forth in Section 1.2 above.

The Management Plan, including its security element, shall be subject to review and modification by Authority, in its sole but reasonable discretion, at any time during the Term. Lessee shall strictly comply, at its sole cost and expense, with the Management Plan, including any revisions thereto.

**3.4 Lease Term.** The term of this Agreement shall commence on the Effective Date and shall terminate on October 31, 2013, unless earlier terminated as provided herein.

**3.5 Rent.** Lessee shall pay to Authority a monthly rental payment ("Rent") of Six Thousand Four Hundred Dollars (\$6,400). Rent shall be paid to the Authority in advance on the first day of each month at the address listed in 3.19 hereof.

**3.6 Protection, Maintenance and Professional Operation of Premises.**

**3.6.1 Protection, Duty to Notify.** Lessee for itself, its employees, officers, agents, invitees, customers, program operators, licensees, volunteers and contractors agree to take all prudent action to protect the Premises from any damage or injury caused by the exercise of the rights granted under this Agreement. Lessee shall immediately notify the Authority of any damage or injury to the Premises or adjacent property, and without in any way limiting the obligations of Lessee under this Agreement, shall pay to the Authority upon demand all costs incurred by the Authority for the repair of such damage or injury.

**3.6.2 Maintenance and Operation.** The Premises are to be kept clean and orderly and must be maintained and operated in a safe and professional manner, as more specifically set forth in the Management Plan. In addition, the Authority reserves the right to exclude and prohibit any activities it deems within its reasonably exercised discretion to be inimical to the public health, safety and welfare. Lessee shall immediately cease such activities upon written notice from the Authority informing Lessee of those activities Authority has elected to prohibit. Failure to do so shall constitute a breach of this Agreement.

Lessee shall insure that neither it, nor its employees, officers, agents, invitees, customers, program operators, licensees, volunteers and contractors commit waste upon the Premises. Lessee's breach of the foregoing obligation shall constitute Lessee's default under this Agreement. In addition, Lessee shall insure that its employees, officers, agents, invitees, customers, program operators, licensees, volunteers and contractors comply with the Management Plan, and, further, that the foregoing do not commit any act upon the Premises which would constitute a public or private nuisance. Lessee's breach of the foregoing obligation shall constitute Lessee's default under this Agreement.

3.6.3 Signage. Upon obtaining Authority's written consent, Lessee shall have the right to place on the Premises, at locations selected by Lessee, any signs which are permitted by applicable zoning ordinances, the Entitlements, and Authority restrictions. Authority may refuse consent to any proposed signage that is in sole discretion of Authority, too large, deceptive, unattractive or otherwise inconsistent or inappropriate to Premises or use of neighboring properties. Lessee shall repair all damage to the Premises resulting from the removal of signs installed by Lessee.

### 3.7 Rights of Access.

3.7.1 Lessee's Rights of Access. So long as Lessee is not in default under any of the terms of this Agreement and the Agreement is in full force and effect, Lessee shall have and enjoy the right of ingress and egress in and to the Premises with a nonexclusive revocable license to the common areas of Authority's adjacent property, including parking areas.

### 3.7.2 Authority's Rights.

3.7.2.1 Authority and its employees, agents and contractors, shall have the right, but not the responsibility, to enter the Premises without notice for any and all purposes, including, but not limited to (i) enforcing the terms of this Agreement, (ii) maintaining and repairing the Premises, (iii) performing or allowing necessary inspections, and (iv) investigating complaints by users or neighbors of the Premises. When entering the Premises, Authority shall minimize the intrusion and avoid any unnecessary interference with Lessee's use and occupancy of the Premises.

3.7.2.2 Authority reserves the right to change the entrances, exits, traffic lanes, boundaries and locations in and around the Premises.

### 3.8 Utilities and Services.

3.8.1 Utilities. The Premises are metered separately for utilities. Lessee shall be responsible for all installation and connection fees, as well as all costs and charges assessed in connection with utility usage on the Premises. Lessee shall promptly pay any and all invoices for accrued charges and shall indemnify and protect Authority from and against any and all liability for such costs or charges.

3.8.2 Telephony. Lessee may, at its sole cost and expense install a separate line and establish a telephone services account. Lessee shall be responsible for any installation and connection fees, as well as costs and charges assessed in connection with telephone usage on the

Premises. Lessee shall promptly pay any and all invoices for accrued charges and shall indemnify and protect Authority from and against any and all liability for such costs or charges.

**3.9 Indemnification.** Lessee shall indemnify, defend and hold Authority and its officials, officers, employees, agents, volunteers, contractors and constituent agencies free and harmless from and against any and all losses, claims, damages, fees (including actual attorneys' fees and costs), injuries to persons or property (including wrongful death) to the extent arising out of or incident to Lessee's or its employees', agents', licensees', invitees', customers', consultants', volunteers', contractors' or program operators' acts, omissions or willful misconduct. This indemnification provision shall survive termination of this Agreement.

**3.10 Lessee's Insurance.** Lessee shall not engage in activity authorized by this Agreement until it has provided evidence satisfactory to the Authority that it has secured all insurance required under this Section.

**3.10.1 Liability Insurance.** Lessee shall, at its expense, procure and maintain for the Term insurance against claims for injuries to persons or damages to property that may arise from or in connection with the activities conducted by Lessee, its agents, representatives, licensees, program operators, volunteers and employees in an amount not less than Two Million Dollars (\$2,000,000) per occurrence. Such policies shall be endorsed to name the Authority, its officials, officers, employees, agents, representatives and volunteers as additional insureds.

Lessee shall maintain workers compensation and employer's liability insurance coverage in statutorily required amounts, with such policies endorsed to name the Authority, its officials, officers, employees, agents, representatives and volunteers as additional insureds.

**3.10.2 Casualty Insurance.** Lessee shall, at its expense, procure and maintain for the duration of this Agreement fire and property damage insurance insuring the Premises and the personal property, inventory, fixtures or improvements within the Premises.

**3.10.3 Acceptable Insurers.** All insurance policies maintained by Lessee pursuant to this Section 3.10 shall be written by insurance companies admitted to do business in the State of California and holding a then-current Best rating of B+:XII. Such policy shall be occurrence, not claims made, based, and shall be primary and noncontributing within any insurance or self-insurance that the Authority may elect, but shall not be obligated, to maintain.

### **3.11 Damage, Destruction, Maintenance and Repair.**

**3.11.1 Damage and Destruction.** If the Premises, or any part thereof is so damaged by fire, casualty or structural defects that it cannot be used for Lessee's purposes, and provided further that such damage and/or destruction was not caused by Lessee's actions and/or negligence, Lessee shall have the right within ninety (90) days following the damage to elect by written notice to Authority to terminate this Agreement as of the date of such notice. In the event of minor damage to any part of the Premises, Lessee shall promptly repair such damage at the sole and exclusive cost of Lessee.

**3.11.2 Maintenance and Repair.** Lessee shall maintain the Premises in good repair, including, but not limited to, the heating, ventilation and cooling system, plumbing and electrical systems, exterior walls, windows, roof, sidewalks and other like portions of the Premises for the Term at Lessee's sole cost, expense, and liability.

**3.12 Holding Over.** In the event the Lessee holds over after the expiration of the Term, Authority may at its sole option: (i) allow Lessee to remain on the Premises as a month to month tenant subject to an upward adjustment of rent as determined by Authority, or (ii) Authority may commence an action in unlawful detainer to remove Lessee and all persons or entities claiming under or through Lessee from the Premises.

**3.13 Termination.** Lessee shall be in default of this Agreement if Lessee fails to cure any breach of its obligations under this Agreement or the Dining Sublease within ten (10) days following written notice of breach from Authority. Upon such default, the Authority may terminate this Agreement and Lessee shall, within thirty (30) days thereafter, vacate and surrender the Premises. Upon such surrender, Lessee shall return the Premises to Authority in a "broom-clean" condition and in substantially the same condition as of the Effective Date, reasonable wear and tear excepted.

**3.14 Abandonment.** The Lessee shall not vacate or abandon the Premises at any time during the Term without providing thirty (30) days prior written notice to Authority.

**3.15 Waste and Nuisance.** The Lessee shall not commit, or allow to be committed, any waste upon the Premises, or any public or private nuisance.

**3.16 Condemnation.** If any legally constituted authority condemns the Premises, thereby making the Premises unsuitable for leasing, this Agreement shall terminate when the public authority takes possession, and Authority and Lessee shall account for rental as of that date. All condemnation proceeds shall be the sole and exclusive property of Authority.

**3.17 Compliance with Law.** The Parties shall comply with all local, state and federal laws, rules and regulations pertaining to the use and maintenance of the Premises.

**3.18 Entire Agreement/Modification.** This Agreement contains the entire agreement of the parties with respect to the subject matter hereof, and supersedes all prior negotiations, understandings or agreements. The terms and conditions of this Agreement may be altered, modified or amended only by written agreement signed by both parties.

**3.19 Notices.** All notices to be given hereunder shall be in writing and may be made either by personal delivery or by registered or certified mail, postage prepaid, return receipt requested. ---

Supportive services are designed to address the special needs of the homeless persons to be served by the project. Services may be provided directly by the project sponsor and/or through arrangement with public or private service providers, including the selectee. SHP supportive service funds may be used to pay for the actual costs of supportive services and other costs directly associated with providing such services (see SHP rule at Section 583.120).

By law, SHP funds may be used to pay for up to 80% of the total supportive services budget for each year of the grant term. This means that the selectee must make a cash payment for 20% of the project's total supportive services budget annually. For Year 1 of the grant term, documentation of firm commitments of the cash resources must be submitted as an attachment to Exhibit 4. The form and content requirements of these commitments are explained in Section D of this Exhibit. For Years 2 and 3, a selectee needs only to certify that cash resources will be provided using the certification in Section E of this Exhibit. This certification must be completed and submitted as an attachment to this Exhibit. Please note that, although selectees are not required to have the firm commitment for the cash resources for Year 2 and Year 3 at this time, the match requirement for Year 2 and Year 3 must be met by the end of each of those years and identified at the time of submission of the APRs for those years.

**Project Identifier: CA-608**  
**Exhibit 5: Operations**  
**(all new projects requesting operating funds)**

Operating costs are those costs associated with the day-to-day operation of supportive housing and for which cash payment is needed. Operating costs differ from supportive service costs in that operating costs support the function and the operation of the housing project.

If requesting SHP operating funds, only the portion of the costs directly related to the operation of the housing project are eligible. For example, if a project sponsor's executive director will spend 10% of his/her time providing management to the housing project, then (up to) 10% of his/her salary can be charged as an SHP operating expense. Additionally, for example, in cases of shared utilities, SHP operating funds may only pay for the portion of the utilities associated with the housing project based on the square footage of the project's space. If the housing project occupies 25% of the building's space, then (up to) 25% of the monthly utility bill can be paid for using SHP operating funds. If the building to be used is new, the project sponsor should contact its local utility company for an estimate of the monthly bill.

Relocation expenses are also eligible SHP operating costs. Because relocation requirements are complex, selectees should contact their local HUD Field Office as soon as possible to determine if the relocation requirements are triggered and if so, the procedures to follow and the cost of the relocation assistance.

SHP operating funds may not be used to pay for the following costs:

- a. Operating costs of a supportive services only facility;
- b. Administrative expenses such as audits and preparing HUD reports (see Exhibit 7: Administration);
- c. Rent of space for supportive housing and/or supportive services (see Exhibit 3: Real Property Leasing);
- d. The payment of principal and interest on a loan on a facility not currently being used as supportive housing and/or for the delivery of services (see Exhibit 2: Acquisition, Rehabilitation, New Construction, and Project Feasibility); and
- e. Depreciation because it does not constitute an incurred cost that requires a cash outlay.

SHP funds can be used to pay up to 75% of the total operations budget for the housing project in Years 1, 2 and 3. This means that the project sponsor must make a cash payment for 25% of the project's operating budget annually. For Year 1 of the grant term, documentation of firm commitments of the cash resources must be submitted as an attachment to this Exhibit. The form and content requirements of these commitments are explained in Section D of this Exhibit. However, if there is more than one year in the grant term, a selectee needs only to certify that cash resources will be provided in Year 2 and Year 3 using the certification in Section E of this Exhibit. This certification must be completed and submitted as an attachment to this Exhibit. Please note that, although selectees are not required to have the firm commitment for the cash resources for Year 2 and Year 3 at this time, the match requirement for Year 2 and Year 3 must be met by the end of each of those years.

As part of the grantee's annual progress report, a project sponsor must report the amount of SHP operating funds received during the operating year and the sources of project sponsor cash used during the year to meet the match requirement. The operating year begins after development activities of acquisition, rehabilitation and new construction are complete. An operating start date should be established by the grantee in LOCCS\* when the first draw down is made for leasing, supportive services, or operating costs. The operating start date should be the date costs are first incurred for one of these activities. The operating start date may NOT precede the SHP grant agreement execution date.

**Project Number: CA0875B9D080900**  
**Project Identifier: CA-608**  
**Exhibit 6: HMIS Dedicated Projects**  
**(all new HMIS dedicated projects)**

SHP funds may be used to pay for up to 80% of the total HMIS budget for each year of the grant term. This means that the selectee must make a cash payment for 20% of the project's total HMIS budget annually. For Year 1 of the grant term, documentation of firm commitments of the cash resources must be submitted as an attachment to this Exhibit. The format and requirements for these commitments are explained in Section B of this Exhibit. For Years 2 and 3, if applicable, a selectee needs only to certify that cash resources will be provided using the certification in Section C of this Exhibit. This certification must be completed and submitted as an attachment to this Exhibit. Please note that, although selectees are not required to have the firm commitment for the cash resources for Years 2 and 3 at this time, the cash match requirement for Years 2 and 3 must be met by the end of each of those years and identified at time of submission of Annual Reports for those years.

The 2001 HUD Appropriations Act added homeless management information systems as a new eligible activity. Section 423 (a)(7) of the McKinney-Vento Act provides that HUD may make .... "a grant for the costs of implementing and operating management information systems for purposes of collecting unduplicated counts of homeless people and analyzing patterns of use of assistance funded under this Act." The Technical Submission breaks these costs into 5 major cost categories: Equipment, Software, Services, Personnel, and Space/Operations.

If a project sponsor's staff will perform an HMIS function, only the staff time directly related to the delivery of that HMIS function for the project is eligible for SHP funding. For example, the project sponsor - Harmony House - will use 25% of 1 FTE staff for a HMIS task and the remainder of the staff's time will be spent conducting non-HMIS tasks. Using this example, only 25% of the staff's salary may be paid for with SHP HMIS funds. Likewise, where the HMIS system serves non-homeless clients and provides reporting on those clients, a proration of costs must be made.

**A. HMIS Dedicated Project: Narratives and Budget Chart**

**1. List of Continuum of Care Shelter Resources and Schedule for Participation**

List by category all emergency and transitional shelters and McKinney-Vento-assisted permanent housing projects that were identified in the 2009 Exhibit I Continuum of Care Plan. Shelters not included in the Continuum of Care Plan may also be included. Indicate next to each shelter or site:

1. The beds/unit capacity.
2. Schedule of participation in the HMIS. If shelter or site is currently participating, list as (C), if planned enter (P--1/10), or if it does not plan on entering the system use (NF) and state the reason.

**2. HMIS Software**

List the name/vendor of the software program, system type (i.e., web-based client/server, other), and types of activities that can be performed. Potential types of activities include: Intake and Exit (IE); Assessment and Goals Setting (AS); Service Planning (SP); Tracking Supportive Services and Outcomes (TS); Information & Referral (IR); Outreach (OU).

### 3. HMIS Budget Narrative

Briefly describe each category of costs that apply to the project. Applicants may benefit from reviewing a HUD-funded Technical Assistance document entitled, Homeless Management Information Systems (HMIS) Cost Estimation Guidelines: Cost Framework and Submission Recommendations. The document can be viewed and downloaded from: <http://www.hud.gov/offices/cpd/homeless/hmis/index.cfm>

Please complete the HMIS Budget Chart on the next page for the project's total HMIS budget. Include both SHP funds and selectee's match when completing HMIS Budget.

In the first column, indicate the HMIS expenses (Cost Item) that apply to the project. In the Year 1 column, enter the amount needed to pay for the HMIS in the first year. If the grant is multi-year, enter the funds needed for Year 2, and if applicable, Year 3. In the last column, total the amount of funds needed for the full grant term. Please ensure that the Total SHP Request from the chart on the next page is equal to the amount entered in the project's Summary Budget in Exhibit. (This is identified by asterisks on the chart.)

Please note that the selectee's match for the first year of the grant term must be documented as described in the introduction to this Exhibit; for projects with grant terms exceeding one year, the certification at Section C of this Exhibit must be completed for Year 2 and Year 3 of the grant term.

---

The selectee should work in partnership with its project sponsor(s) (if a different organization than the selectee) in responding to Section A, and provide a narrative description of how this was done in Section B.

Up to 5% of each project award may be used for administrative costs. Eligible administrative costs include accounting for the use of the grant funds, preparing HUD reports, obtaining audits and similar administrative costs (see the SHP rule at Section 583.135).

For projects in which the project sponsor is not the same organization as the grantee, the project sponsor performs administrative functions necessary for the proper management of the grant. For example, though a grantee is responsible for ensuring the completion and submission of an Annual Progress Report to HUD, the project sponsor will, in many cases, complete the report itself. It is prudent, therefore, for the grantee to pass-through administrative funds to the project sponsor to cover the reporting costs.

As required by the Congressional committees' report accompanying the FY2003 HUD Appropriations Act, if SHP funds for administrative costs are awarded to a State or unit of local government where the projects will be operated by nonprofit organizations, some of these funds must be passed on to the nonprofit organization(s). These funds should be split with the nonprofit organization(s) in proportion to the administrative burden borne by them for the SHP project(s). HUD will consider States and units of general local government that pass on at least 50 percent of the administrative funds as having met this Congressionally-mandated requirement.

*Re: In Kind Services*

Dear Mrs. Vaughn-Mays:

Flanagan West, Inc. has worked for many years with our area's homeless veterans and with initiatives serving that population. Accordingly, we continue to support the good work being done by the U.S. Vets at their service center adjacent to the March ARB. Since the inception of that facility, Inland Empire homeless veterans have received stabilization, education and training, claim assistance referral benefits a substance abuse program and a permanently disabled housing program unavailable elsewhere in this area. Through partnerships with agencies such as the Loma Linda VA Medical Center, the Riverside County Economic Development Agency and Department of Public Social Services and my department, US Vets is definitely filling an Inland Empire service gap.

I pledge to continue to support the service center with janitorial services for US Vets's facility, transportation services for the veterans, food distribution, and Rapid Transit Authority tickets for the veterans. I estimate the monetary value of such services to total approximately \$125,000 per year to total \$250,000 over a 2-year grant cycle.

## Introduction

---

### **Purpose**

This handbook provides project administration guidelines and financial reporting requirements for Project Sponsors under contract with Riverside County Department of Public Social Services to operate Housing and Urban Development grant-funded homeless assistance programs. These programs include, but are not limited to, Supportive Housing, Shelter Plus Care, and Section 8 Moderate Rehab, which are all included in HUD Super Notice of Funding Availability (NOFA) Application Process. This handbook does not supersede any law, regulation, or policy issued by the U.S. Government or the Department of Housing and Urban Development with regard to these programs. You will find some of these requirements as issued by the U.S. Government in the Appendices of this handbook.

### **Background**

Assistance to homeless individuals was authorized by the McKinney-Vento Homeless Assistance Act of 1987 as amended by the Housing and Community Development Act of 1992, approved October 28, 1992. The Act established numerous programs to promote the development of housing and supportive services to assist homeless persons in the transition from streets and shelters to permanent housing and to achieve maximum self-sufficiency.

Additionally, the 2001 HUD Appropriations Act added Homeless Management Information System (HMIS) as a new eligible activity. The Act permits HUD to make "a grant for the costs of implementing and operating HMIS for the purposes of collecting unduplicated counts of homeless people and analyzing patterns of use of assistance funded under this Act. Project Sponsors will participate in HMIS when it is available. DPSS will establish separate HMIS Agreements with HUD Project Sponsors and other homeless service providers.

HUD believes the best approach for alleviating homelessness is through a community-based process that provides a comprehensive response to the different needs of homeless individuals and families. To this end, HUD has developed a concept to enable communities to shape a comprehensive and coordinated housing and service delivery system called a Continuum of Care. HUD incorporated the basic tenets of Continuum of Care in the distribution of its homeless assistance funding beginning in 1994. Since that time, many communities have developed partnerships and continued to develop local Continuum of Care systems.

DPSS, a HUD Grantee, has partnered with your organization through a contract to bring homeless housing and services to help alleviate all homeless sub-populations within Riverside County.

## HUD Regulations and Reference Materials

Project Sponsors may view, download, or print HUD regulations by visiting the following Web Site: <http://www.hud.gov/offices/cpd/homeless/library>.

---

## Accounting System

---

### Standards and Controls

The Sponsor will need to demonstrate accountability and proper stewardship of the funds entrusted to you to provide services. The Sponsor's financial system must comply with:

- Generally Accepted Accounting Principles (GAAP)
- Industry standards
- Specific standards and requirements by grantors and investors

The Sponsor must :

- implement internal financial controls
- provide adequate reporting by staff and Board members
- provide independent audit reports to the public (as applicable)

## Billing Claims

---

### Submitting Claims

After setting up your accounting system, implement a method by which you can receive reimbursement for your expenditures. Ensure that what you are claiming meets the requirements of the regulations. It is important that you retain a copy of the regulations provided to you when you originally applied for your grant. Although regulations may change during the course of your grant, the regulations that were in effect at the time your grant was approved will usually apply until your grant expires or is renewed.

### Claim Form

Expense claims should be submitted no later than 30 days after the end of the month in which services were provided on the **DPSS 3106 HUD Programs Claim Form, Appendix 1** with the required supporting documentation.

### Reimbursements

Expense reimbursements should be itemized on the claim form to the extent that a line item number identifies them.

- Example: Any costs identified as Supportive Services should be totaled and entered on line item 1050.

### Reimbursement Time Frame

Generally, reimbursement payments (warrants) are sent to you within thirty (30) days after receipt of your claim unless your claim(s) contains errors. If your claim(s) contains errors, someone will contact you. We will send you back a letter indicating the differences. Please make the corrections within thirty (30) days. However, we ask that you return corrections to DPSS as soon as possible to expedite payment.

### Reimbursement Delays

The most common cause for a delay in reimbursement is lack of clarity in the documentation submitted with the Claim Form. If we need to contact you because your claim is not clear, there will be a delay in your reimbursement. Please contact the fiscal staff member assigned to your grant if you have any questions about how to assure clarity

in your completion of the Claim Form and supporting documentation.

### **Cash Match**

You are required to document the cash match required by HUD (20 % of the total budget for Supportive Services, 25% of the total budget for Operations, and dollar for dollar match for construction, acquisition, or rehabilitation. However, the Sponsor's match commitments, if higher than the minimum required, indicated in the Technical Submission will be binding and must be documented as well.

#### **Supportive Housing Program Only**

Cash match documentation may be submitted with monthly billing claims, however, documentation must be submitted to DPSS quarterly. DPSS will verify utilization of the cash match through a monthly desk review and on-site monitoring visits.

Matching funds provided by the project sponsor must be money provided to the project by one or more of the following:

- Project Sponsor
- Federal Government
- State and local government (subject to maintenance of effort requirements)
- Private resources

### **Ineligible Match**

Non-cash resources such as in-kind contributions of goods or services cannot be used to fulfill matching fund requirements.

#### **Supportive Services Match (Shelter Plus Care Only)**

The applicant must match the aggregate amount of Shelter Plus Care rental assistance with an equal amount of supportive services. The documentation requirement for Supportive Services match is the same as for any expense that is part of the project.

- The match is overall, not year-by-year.
- The match is not component-by-component, but overall.
- Each participant need not receive the same amount of services as rental assistance.
- Costs that already have been reimbursed by the grant may not be used as match.

### **Supporting Documentation**

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, or a check stub to substantiate the amount paid. Supporting documentation must be **legible, clear, and organized**. DPSS must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the Technical Submission.

- Documentation for like line items should be clipped together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form.

- A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

**Examples of  
Supporting  
Documentation**

Utility Cost:

- The Invoice is the utility bill.
- Proof of payment is a check, or a receipt from the utility company.

Salaries:

- The Invoice is the time sheet/card signed by the employee and the supervisor, and a record of employee activities (**Sample Activity Sheet, Appendix 2**) that documents the hours attributed to the grant. HUD has informed us that a straight percentage of time allocated is not acceptable documentation of salary charged to the grant.
- Proof of payment is the payroll register, or copies of the employee's pay check.

Employee Benefits:

- The Invoice is the premium notice from the health, dental, vision, or workers' compensation insurance company that documents the coverage period for the employees.
- Proof of payment is the check, or if paid in cash, a copy of the receipt.

Groceries:

- The Invoice is the receipt.
- Proof of payment is a copy of the check.

For receipts containing both grant and non-grant items, subtract all items not covered by the grant and the sales tax associated with those items. Groceries that are not consumed by residents in the facility are generally covered under Supportive Services. However, sometimes staff will pick up items at the grocery store that should be funded through Operations. If non-grocery items are purchased note which line item the items(s) are to be charged.

**Indirect Costs**

DPSS, with HUD's approval, has elected to allow Direct Costs only. If your current contract with DPSS includes an allowance for Indirect Costs, it will be allowed until the end of the term of your organization's contract if:

- DPSS has been provided a copy of the approval of the cognizant agency for the indirect cost allocation, which meets the requirements under OMB Circular A-122.
- The items in the allocation are approved line items in the most recent Technical Submission.

**Identifying Line Items**

Most of the line items are self-descriptive, but sometimes it is difficult to figure out where to claim an expense. Here are some explanations of the line items that usually cause the greatest difficulty. If after you have checked the **Desk Guide, Appendix 3** and still have questions about a line item that does not appear here, please call Fiscal or the DPSS Homeless Program Unit.

**1030 Operating Cost**

Operating costs are those costs associated with the day-to-day operation of supportive housing and for which a cash payment is needed. Operating costs differ from supportive service costs in that operating costs support the function and the operation of the project. They do not support the operation of organization except as related to the HUD-funded project. Examples are:

- Utilities
- Repairs (Repairs covered in the lease are not reimbursable)
- Maintenance
- Furnishings
- Fuel for transporting participants
- Salaries for staff not delivering services, such as a project manager or executive director.

**1050 Supportive Services Costs**

Supportive Services costs are those cost associated with providing direct services to the client, which include, but are not limited to the following:

- Childcare
- Salaries of employees providing direct services to clients
- Employment assistance and counseling
- Outpatient health services
- Case management
- Food
- Housing
- Placement assistance
- Nutritional counseling
- Assistance in applying for and securing benefits
- Transportation associated with the delivery of supportive services

Examples: Money for bus tokens to go to mental health counseling or the purchase of a van to transport homeless children to daycare.

It is the policy of Riverside County that tobacco and alcohol products will not be a covered expense.

## Homeless Certification Criteria

---

**Homeless  
Certification  
Requirements**

One of the requirements for funding under the Supportive Housing, Shelter Plus Care, and Section 8 Moderate Rehab program is that recipients of housing services, transitional or permanent, must be homeless. For the purposes of the three programs addressed in this handbook, a person is considered homeless only when he or she resides in one of the places described below:

1. Places not meant for human habitation, such as cars, parks, sidewalks, and abandoned buildings;
  - Supportive services only projects provide services such as outreach, food, health care, clothing to persons who reside on the streets. In most cases, it is not feasible to require the homeless persons to document that they reside on the street. It is sufficient for the project sponsor's staff to certify that the persons served, indeed, reside on the street. The outreach or service worker should sign and date a general certification verifying that services are going to homeless persons and indicating where the persons reside.
  - The project sponsor should obtain information to indicate that a participant is coming from the street. This may include names of other organizations or outreach workers who have assisted them in the recent past who might provide documentation.
  - If you are unable to verify that the person is coming from residing on the street, have the participant prepare or you prepare a written statement about the participant's previous living place and have the participant sign the statement and date it. ***Merely obtaining a self-certification is not adequate.***
  - If the participant was referred by an outreach worker or social service agency, you must obtain written verification from the referring organization regarding where the person has been residing. This verification should be on agency letterhead, signed, and dated.

2. An emergency shelter;
  - The project sponsor should have written verification from the emergency shelter staff that the participant has been residing at the emergency shelter for homeless persons. The verification should be on agency letterhead, signed and dated.
3. Transitional or supportive housing for homeless persons who originally came from the streets or emergency shelters;
  - The project sponsor should have written verification from the transitional housing facility staff that the participant has been residing in the transitional housing. The verification should be on agency letterhead, signed and dated.
  - **Additionally**, the project sponsor should have written verification that the participant was living on the streets or in an emergency shelter prior to living in the transitional facility or was discharged from an institution or evicted prior to living in the transitional housing facility and would have been homeless if not for the transitional housing.
4. Any of the above places, but is spending a short time (up to 30 consecutive days) in a hospital or other institution;
  - The project sponsor should have written verification from the institution's staff that the participant has been residing in the institution for 30 days or less. The verification should be signed and dated.
  - **Additionally**, the project sponsor should have written verification that the participant was residing on the street or in an emergency shelter prior to the short-term stay in the institution.
5. Within 1 week of being evicted from a private dwelling unit and no subsequent residence has been identified and the person lacks the resources and support networks needed to obtain housing;
  - The project sponsor must have evidence of the formal eviction proceedings indicating that the participant is being evicted within the week before receiving SHP assistance.
  - If a person's family is evicting him or her, a statement describing the reason for eviction should be signed by the family member and dated. In other cases where there is no formal eviction process, persons are considered evicted when they are forced out of the dwelling unit by circumstances beyond their control. In those instances, the project sponsor must obtain a signed and dated statement from the participant describing the situation. The project sponsor must make efforts to confirm that these circumstances are true and have written verification describing the efforts and attesting to their validity. The verification should be signed and dated.

- The project sponsor must also have information on the income of the participant and what efforts were made to obtain housing and why, without the SHP assistance, the participant would be living on the street or in an emergency shelter.
6. Within a week from being discharged from an institution, such as a mental health or substance abuse treatment facility or a jail/prison, in which the person has been a resident for more than 30 consecutive days and no subsequent residence has been identified and he or she lacks the resources and support networks needed to obtain housing.
    - The project sponsor must have evidence from the institution's staff that the participant is being discharged within the week before receiving SHP assistance. The project sponsor must also have information on the income of the participant and what efforts were made to obtain housing and why, without the SHP assistance, the participant would be living on the street or in and emergency shelter.
  7. If fleeing a domestic violence housing situation and no subsequent residence has been identified and the person lacks the resources and support networks needed to obtain housing.
    - The project sponsor must have written verification from the participant that he/she is fleeing a domestic violence situation. If the participant is unable to prepare the verification, prepare a written statement about the participant's previous living situation and have the participant sign the statement and date it.

**Chronically Homelessness Certification**

HUD has established a category of "chronically homeless," which is defined as "an unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more, or has had at least four episodes of homelessness in the past three years." ***To be chronically homeless a person must have been on the streets or in an emergency shelter (i.e., not transitional housing) during these stays.*** Project Sponsors are required to track chronically homeless individuals and enter the number of participants in the Annual Progress Report (APR).

**Homeless Certification Requirements for Disability**

In addition to the requirement that clients be homeless, the Shelter Plus Care Program and the permanent housing component of the Supportive Housing Programs may only serve people who also have a disability. A disability may be physical or mental, including developmental, or an emotional impairment due solely to alcohol or drug abuse. Persons living with HIV/AIDS are considered disabled for the purposes of these programs. Persons who meet the above definitions of disability are eligible to participate in these programs as long as the disability:

- Is expected to be of long-continued and indefinite duration;
- Substantially impedes his or her ability to live independently; and
- Is of such a nature that the disability could be improved by more suitable housing

conditions.

Documentation of both the Homeless status and the Disability status are required. Acceptable documentation is as follows:

- Project sponsors are required to complete a **Homeless Status Documentation Worksheet, Appendix 4**, and return it with appropriate supporting documentation (see SHP Desk Guide) to the DPSS Homeless Programs Unit each month with your claims for every new client and/or family that receives Supportive Services or moves into a facility funded by the Supportive Housing, Shelter Plus Care, or Section 8 Moderate Rehab programs.
- Project sponsors must have written verification from a qualified source that the person has a disability

## Rental Assistance

---

### Participant Rent Charges

Supportive Housing Program projects are not required to charge rent. However, if a local project receiving SHP funds decides to charge rent, specific federal guidelines apply.

### Rent Calculations

All Shelter Plus Care program recipients and Supportive Housing Program recipients who charge their participants rent must charge rent in accordance with Section 3(a) of the Housing Act of 1937. The **Resident Calculation Worksheet, Appendix 5** and the most current Housing Authority Utility Allowance must be used to determine the amount of rent that can be charged to program participants. Please refer to the Desk Guide for additional information.

### Participant Income Review

A regular review of participant income (at least annually) must be conducted for all residents being charged rent. If there is a change in family composition, or a decrease in resident income, the resident may request an interim review of income and the rent adjusted accordingly. Residents who receive an increase in income need not have their rent increased until the scheduled (annual) reexamination.

## Reporting

---

- A. Reporting due dates are determined by a project's operating start date. Each year is funded separately, and funds cannot be automatically rolled over from one year to another. Additionally, funds may only be rolled over within the same multi-year grant contract; funds may not be rolled over from one contract to another. Sponsors must contact the DPSS Homeless Programs Unit if rollover from one year to another in multiple year grants is required. Please note that different programs have different operating start dates:

**Operating Start Date**

1. Supportive Housing Program operating start date begins on the first of the month in which participants begin to receive services. Start dates begin after completion of acquisition, new construction, or rehabilitation activities. Please refer to the SHP Desk Guide.
2. Shelter Plus Care Project Sponsor's contract "Agreement Term" date is the operating start date for the project. This date cannot precede the Grant Agreement date between the County of Riverside and HUD.

**Annual Progress Report**

- B. All SHP, S+C, and SRO Sponsors are required to review their programs annually and report the outcomes to the DPSS Homeless Program. The standard format for this process is the **Annual Progress Report (APR), Appendix 6**.
1. Through the APR, Sponsors report on how their project has met its objectives for the following goals:
    - a. Increased residential stability;
    - b. Increased skill level and/or income; and
    - b. Greater self-determination
  2. Specific performance measures for each of the three goals must be established based on the needs and characteristics of the homeless population to be served.

**Semi-Annual Report**

- C. The Semi-Annual Statistical Report (SASR, also referred to as the Semi-annual Report) is no longer required by Project Sponsors unless requested in writing by DPSS. DPSS will provide appropriate forms if this report is requested.

## **Assessment and Monitoring**

---

- A. Riverside County is on record as the applicant and grantee for the HUD grant funds you receive. As such, the Riverside County DPSS is responsible for ensuring that the funds received by Project Sponsors are utilized according to federal law and policy, and that goals established in the Project Application, Technical Submission, and Contract are being met. To ensure that the County and Project Sponsors comply with HUD and all applicable policies, DPSS will conduct on-site program, financial, and contract compliance monitoring visits at least annually.
- B. DPSS requires Sponsors to submit supporting documentation related to fiscal claims prior to reimbursement. This requirement allows DPSS to validate the use of funds at the time of payment for nearly 100% of expenditures, thereby minimizing the need for corrective actions either as a result of monitoring or an annual audit.
- C. Reviews will be conducted, at least annually, by representatives from the Homeless Programs Unit (lead), the Sponsor's liaison from the Fiscal Unit, and the Contracts Administration Unit. The purpose of the monitoring visit is to assess how well the

---

Sponsor is implementing its grant and/or to offer technical assistance in the following areas:

1. Documentation of homelessness
2. Contract compliance
3. Progress in achieving program goals
4. Client rent calculations
5. Documentation of services provided
6. Review of internal controls
7. Financial accounting
8. Reporting systems
9. Cash receipts
10. Expenditures of cash disbursements, and
11. HMIS implementation and documentation

- D. In preparation for the on-site monitoring visit, the monitoring team will contact the Sponsor to arrange a mutually convenient date for the visit, explain the purpose of the monitoring visit, and provide an advance copy of the monitoring tool.
- E. The County will follow a monitoring plan and conduct a Monitoring Visit Entrance Meeting and Exit Meeting. During the Entrance meeting, the monitoring team will meet Project Sponsor key personnel and provide an overview of the review process. At the Exit meeting, the County will review and comment on areas which might be a finding or a concern during the visit.
- F. DPSS will prepare Monitoring Report for the review not later than thirty (30) days after the visit. The Sponsor will be given, if appropriate, thirty (30) days to respond to the report, including a corrective action plan for review and approval by DPSS.
- Self-Monitoring Tools** G. The ***Supportive Housing Program Self-Monitoring Tools at Appendix 7*** are provided to assist your organization in maintaining or improving the effectiveness of its projects.

## **Future Applications and Project Renewals**

---

If your organization wishes to renew its contract with Riverside County DPSS, you will need to apply through the HUD Super NOFA (Notice of Funding Availability) process during the final year of your active grant.

Your renewal application will be submitted as part of the County's Consolidated Application (unless there have been significant problems with your project). Problems that could prevent a program from being submitted for renewal, or receiving a low ranking score include, but are not limited to, failure to meet program goals, mismanagement of funds, or failure to serve the population targeted in the Technical Submission.

During the application process, all applications are evaluated and ranked by an established committee. The criteria for ranking projects is established annually based upon needs caused by gaps in the Continuum of Care. Renewal applications are generally ranked high in the evaluation process because failure to renew them would re-create gaps in service that the projects are intended to fill. However, if projects are not performing according to the commitments made in the Technical Submission or the contract with the County of Riverside, there may be justification on the part of the committee to lower the ranking.

The County, with the ranking committee's recommendation, reserves the right to reduce the length of time for which projects are funded. For example, the maximum length of time for a supportive housing program grant to be funded is three operating years. That may be reduced to one or two years to allow for the funding of other worthy projects.
