## COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

### PROJECT DESCRIPTION AND LOCATION:

**Conditional Use Permit No. 3648** proposes to add the sale of beer and wine (type 20) for off-site consumption to an existing 13,905 square foot Walgreens Store. The existing store will dedicate 2% of floor space to wine and beer sales. Approximately 49 square feet of refrigerated and non-refrigerated space will be devoted to the sale of wine and beer and approximately 18 square feet of floor space will be devoted to the storage of wine and beer. This Conditional Use Permit is ONLY for alcohol sales, and does not cover any other uses.

The project site is located in the Community of Bermuda Dunes within the Western Coachella Area Plan in Eastern Riverside County; more specifically, northerly of Hidden River Road, southerly of 42<sup>nd</sup> Avenue, easterly of Washington Street and westerly of Yucca Lane.

### BACKGROUND:

PP15231 proposed a Walgreens store with a drive thru. The project was originally approved on April 28, 1998. Staff included a standard Condition of Approval 10. PLAN.20 "No approval is given for the sale of alcoholic beverage, including beer and wine on the premises."

### ISSUE OF POTENTIAL CONCERN:

The proposed liquor license is located within 1,000 feet (west) from a place of religious worship (Pathfinder Community of Risen Christ); as such, the Planning Department has determined that the proposed liquor license may impact the public health, safety and welfare.

There are no schools or parks within the 1000 ft vicinity of the project. The ABC (Alcohol Beverage Control) has 8 licenses for the census block, per the information they provided the census block is currently over concentrated by 2 licenses, and this application would add an additional one for a total of 9, and an over concentration of 3. The County of Riverside most recent population data and the statutory calculations that are to be made in relation to population, staff's calculations show that 11 licenses should be allowed; therefore this project is not over concentrated.

Permitting alcohol sales at a large drug store in a shopping center generally does not have the social impacts of such a permit of other types of liquor sales since most of the customers arrived and depart the site in cars, and loitering does not occur. Also, with the lack of impacts to schools, and parks in the immediate vicinity, staff finds that the additional license would not have a negative impact to the community, and therefore supports adding the use of alcohol sales to this site.

**RECOMMENDATIONS:**

**ADOPTION** of a **FINDING** of “**PUBLIC NECESSITY AND CONVENIENCE**,” regarding the sale of beer and wine from the subject site for off-site consumption, based upon the findings and conclusions incorporated in the staff report; and

**APPROVAL** of **CONDITIONAL USE PERMIT NO. 3648**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

**CONCLUSIONS:**

1. The proposed project is in conformance with the Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) land use designation, and with all other elements of the Riverside County General Plan.
2. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.
3. The public’s health, safety and general welfare are protected through project design.
4. The proposed project is compatible with the present and future logical development of the area.
5. The proposed project will not have a significant effect on the environment.

6. The proposed project will not preclude reserve design for the Multi-Species Habitat Conservation Plan (MSCHP).

**FINDINGS:** The following findings are in addition to those incorporated in the summary of findings, and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) on the Western Coachella Valley Area Plan.
2. The proposed use, sale of beer and wine (type 20) for off premises consumption, is a permitted use in the Community Development: Commercial Retail (CD: CR) (0.20 - 0.35 Floor Area Ratio) land use designation.
3. The project site is surrounded by properties which are designated Community Development: Commercial Retail (CD:CR) (0.20-0.35 floor area ratio) and Vacant Land to the north, Community Development: Commercial Retail (CD: CR) (0.20-0.35 floor area ratio) to the east, Community Development: Commercial (CD:CR) (10.20-0.35 floor area ratio) and Single Family Residences (R-1) to the south and the City of Palm Desert to the west.
4. The zoning for the subject site is Scenic Highway Commercial (C-P-S).
5. The proposed use, sale of beer and wine (type 20) for off premises consumption, is a permitted use, subject to approval of a conditional use permit in the Scenic Highway Commercial (C-P-S) zone.
6. The project site is surrounded by properties which are zoned Scenic Highway Commercial (C-P-S) to the north, Scenic Highway Commercial (C-P-S) and Single family residential (R-1) to the east, and Scenic Highway Commercial (C-P-S) to the south and the City of Palm Desert to the west.
7. Within the vicinity of the proposed project there is vacant land and commercial to the north, commercial to the east, single family residences and commercial to the south and City of Palm Desert to the west.
8. The Redevelopment Development Agency (RDA) has reviewed the proposed project and has determined that the project is consistent with the objectives of the Desert Communities Redevelopment Project Area (DCPA).
9. The year 2010 census population for census tract 452.05 was 13,905 persons according to the US Census Bureau (Census 2010 Summary).
10. The maximum concentration level for General Liquor License (Type 21) is combined with Beer and Wine (Type 20) and limited to one per 1,250 people by census tract (Alcoholic Beverage Control Act: California Business and Professions Code 23817.5).
11. Per a facsimile received September 3, 2010 from ABC, currently six (6) alcohol beverage control licenses are allowed in Census Tract 0452.05; however, eight (8) licenses have been issued. Approval of this Conditional Use Permit would increase the number of existing ABC licenses from eight (8) to nine (9). Therefore, a Public Necessity and convenience is required.

12. The project site is consistent with the objectives of Section 18.48 (Alcoholic Beverage Sales) of Ordinance No. 348.
13. The project site is not located within 100 feet of existing and habited residences.
14. The project is located within 1000 feet of an established place of religious worship.
15. No schools are located within 1,000 feet from the project site.
16. The project is not located within 1,000 feet of an existing or planned public park or playground.
17. The proposed use will not be situated in such a manner that the facility will cause undue vehicle traffic impacts to any school, church, Public Park or playground.
18. The proposed project is exempt from CEQA per section 15301. Section 15301 (Existing Facilities) states; "Class I consists of the operation, repair, maintenance, permitting, leasing, licensing or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination." This project is strictly for licensing purposes.
