Since 1986, the County has been using the standard Conflict of Interest Code found in California Code of regulations, Title 2, Section 18730. Government Code Section 87306.5 requires that in every even year, all local agencies review their codes and make any appropriate amendments to their Conflict of Interest Codes, and the listing of designated positions for employees who must disclose along with the types of disclosure required. The county is considered a local agency under Government Code Section 82041.

The proposed amendment revises and updates the Appendix to the County's Conflict of Interest Code. The Appendix lists the designated positions and the disclosure categories.

The Fair Political Practices Commission (FPPC) requires that a public hearing be set for amendments to the County's Conflict of Interest Code and recommends a 45-day comment period. Following the 45-day comment period, the public hearing will occur, at which time the Board of Supervisors may adopt the Conflict of Interest Code.

It is recommended that Department Heads provide a signed certificate each year that the employees in their department or agency, whose positions are listed in the code, have timely completed and turned in their 700 Disclosure Forms.
