BACKGROUND: (Continued)

Mead & Hunt were selected by a Request for Qualification (RFQ) as the County's Airport Project Consultant in 2006, per the Federal Aviation Administration's (FAA) 5-year consultant selection criteria. The initial agreement with Mead & Hunt dated May 13, 2010 stated that Mead & Hunt would first provide design services with construction management services to be agreed upon subsequently. These construction management services are now described in Amendment No. 1.

Staff proposes to have Mead & Hunt, Inc. provide construction engineering/management services for the project and recommend that the Board of Supervisors approve Amendment No. 1.
