**DATE:** January 13, 2011

**SUBJECT:** Agreement #11F-4234 with Department  
of Community Services and Development  
for the 2011 Community Services Block Grant

**PAGE:** 2 of 3

**BACKGROUND:**

The CSBG Local Initiative Program provides the core funding of CAP Riverside Programs. Revenue derived from the Agreement supports the majority of the operations of CAP Riverside.

With the foundation provided by the Local Initiative Grant, CAP Riverside is able to attract other resources into the county and focus them on the needs of the County's poor. Serving as the work plan for the Agreement, the 2010-2011 Local Plan, approved by the Board on June 9, 2009 (Agenda #9.7), includes the following goals:

- Provide services, support and opportunities that offset barriers to employment for low-income participants;
- Provide low-income households access to credit/loans for homeownership, small business, education/vocational pursuits;
- Provide assistance to community-based organizations to enhance volunteer participation, training, and support to facilitate community involvement;
- Provide support and assistance to community-based organizations to help create a healthy, safe, violence-free, and economically sound community environment;
- Assist in the support and coordination of utility bill and weatherization assistance and homeless services support;
- Support community partnerships via collaborations; and
- Provide capacity building activities to promote effective low-income service distribution.

Congress has not yet decided the final 2011 CSBG allocation, therefore, this Agreement supplies the initial allocation which is based on approximately 19% of the 2011 allocation. This Agreement will be amended once the Congressional appropriation is approved and the State is advised of its final grant award.

**FINANCIAL IMPACT:** No County General Funds will be required.

**EXHIBIT B**  
**(Standard Agreement)**

**BUDGET DETAIL AND PAYMENT PROVISIONS**

1. TERM AND AMOUNT OF AGREEMENT

As specified on the face sheet of this Agreement (Std. 213), the term of this Agreement is for one year and covers the period January 1, 2011 through December 31, 2011.

The Maximum Amount specified on the initial face sheet of this Agreement is based on a partial allocation of the federal Community Services Block Grant for federal fiscal year (FFY) 2011, awarded to the State pursuant to one or more continuing resolutions passed by the Congress prior to the execution of this Agreement. Upon the issuance of each subsequent federal allocation, including the full annual allocations to the State for FFY 2011, CSD shall issue an amendment to this Agreement to increase the Maximum Amount by the amount to be distributed to Contractor as calculated pursuant to Government Code § 12759. At no time during the term of this Agreement shall Contractor expend more than the Maximum Amount, as that amount may be amended from time to time.

2. BUDGET

- A. Concurrent with the submission of this Agreement, Contractor shall complete and submit the CSBG Fiscal Data forms [CSBG Contract Budget Summary (CSD 425.S), CSBG Budget Support - Personnel Costs (CSD 425 1.1) & CSBG Budget Support - Non Personnel Costs (CSD 425 1.2)] attached to this Exhibit B. Pursuant to the instructions for CSD 425.S, Contractor must include an itemized list identifying all other funding sources and amounts that make up the total annual operating budget of the community action program(s). Any internal annual budget displaying the funding sources and their anticipated revenues will be accepted.
- B. Contractor shall submit a justification for all projected expenditures in the budget, including a detailed budget narrative justifying expenditures in connection with budget support personnel and related non-personnel costs. The justification must be appended to the CSD 425.S.
- C. Administrative Expenses

For the purpose of administrative expenditures, Contractor shall use funds allocated under this Agreement in an amount not to exceed twelve percent (12%) of the total operating funds of its community action program(s). Contractor shall not use funds provided under this Agreement to cover administrative costs incurred in the Low-Income Home Energy Assistance Program (LIHEAP) in excess of the LIHEAP contractual limitations.

**EXHIBIT B**  
**(Standard Agreement)**

- D. To the extent that 22 CCR § 100715(a) requires prior approval by CSD for any change that exceeds ten percent (10%) of an originally approved budget line item, CSD's execution of this Agreement hereby constitutes that prior approval, and the Contractor may make discretionary changes to the Budget Summary that exceed 10% for any line item, subject to all other applicable federal and State law and regulation and generally accepted standards of accounting.

3. ADVANCE PAYMENTS

- A. Upon execution of this Agreement, CSD shall issue an advance payment to Contractor not to exceed one hundred percent (100%) of the Maximum Amount of this Agreement, as set forth on the Std. 213, Standard Agreement, item 3. In no case, however, shall the advance payment exceed twenty-five percent (25%) of Contractor's total contract amount per the final Amendment to this Agreement in accordance with CA Gov. Code Section 12781(b).
- B. In the event the Maximum Amount of this Agreement is increased through subsequent amendments based on a notice of grant award for FFY 2011, a subsequent advance payment of the advance amount plus any previous advances already allowed shall not exceed twenty-five percent (25%) of the total estimated allocation as set forth in Exhibit B, Attachment III, Contract Year 2011 CSBG Allocation Spreadsheet.
- C. CSD will initiate and pro-rate the repayment process of advanced funds beginning with the seventh monthly (or fourth bimonthly) reporting period of the contract term and ending with the twelfth month of the contract term.
- D. CSD will initiate repayment of advance payments outstanding whenever seventy-five (75%) of the contract allocation has been expended. As applicable to the funding contract term, CSD shall begin applying approved expenditures to the outstanding advance balance thereby offsetting any subsequent reimbursements. CSD shall determine amounts to be offset by applying the balance of the advance equally into the remaining expenditure reporting periods. An exception may occur if the expenditure reports submitted are less than the applied settlement formula (as described immediately above). In that case, CSD shall apply the entire reimbursement amounts against the outstanding advance balance.
- E. If the Contractor will not fully expend the full allocation on or before December 31, 2011, the Contractor must complete a CSD 425b, requesting a contract term extension, and submit it to CSD no later than forty-five (45) days prior to the end of the Agreement term.

**EXHIBIT B**  
**(Standard Agreement)**

4. BUDGET CONTINGENCIES

A. State Budget Contingency

- 1) It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- 2) If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount.

B. Federal Budget Contingency

- 2) This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the federal fiscal year 2011 for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- 4) CSD has the option to invalidate the Agreement under the 30-day cancellation clause or to amend the Agreement to reflect any reduction in funds.

This Agreement is of no force or effect until signed by both parties.

2. AMENDMENT

No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.

3. ASSIGNMENT

This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

4. AUDIT

Contractor agrees that the awarding department, the Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code § 8546.7, Pub. Contract Code § 10115 et seq., CCR Title 2, Section 1896.)

7. TERMINATION FOR CAUSE

The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

8. INDEPENDENT CONTRACTOR

Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

9. NON-DISCRIMINATION CLAUSE

During the performance of this Agreement, Contractor and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

3. INTERNAL CONTROL CERTIFICATION

Contractor shall ensure the establishment and maintenance of a system of internal accounting and administrative control. This responsibility includes documenting the system, communicating system requirements to employees, and assuring that the system is functioning as prescribed and is modified, as appropriate, for changes in conditions. The system of internal accounting and administrative control shall be attested to within the Contractor's independent audit conducted pursuant to this Agreement, and include:

**(Standard Agreement)**

5. CODES OF CONDUCT

- A. Contractor shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts or subcontracts. No employee, officer, or agent of the Contractor shall participate in the selection, award, or administration of a subcontract supported by federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Contractor shall neither solicit nor accept gratuities, favors, or anything of monetary value from subcontractors or parties to sub agreements. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipients.

Contractor shall not pay federal funds received from CSD to any entity in which it (or one of its employees, officers, agents, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein) has an interest. As ownership constitutes a financial interest, Contractor shall not subcontract with a subsidiary. Similarly, Contractor shall not subcontract with an entity that employs or is about to employ any person described in 45 CFR Part 92 (for states and local governments) and 45 CFR Part 74 (for nonprofit organizations), and/or OMB Circular A-110, Section 42.

6. COMPLIANCE MONITORING

- A. As the recipient of federal CSBG funds under this Agreement, Contractor is responsible for substantiating that all costs claimed under this Agreement are allowable and allocable under all applicable federal and State laws, and for tracing all costs to the level of expenditure.
- B. As the State administrator for the CSBG, CSD is required to ensure that funds allocated to Contractor are expended for the purposes identified in federal and State CSBG law, and for allowable and allocable costs under the applicable rules of the OMB.
- C. CSD is required to conduct onsite and follow-up monitoring of Contractor to ensure that Contractor meets the performance goals, administrative standards, financial management requirements, and other requirements of the federal and State CSBG program.

**EXHIBIT D**  
**(Standard Agreement)**

- D. CSD shall provide Contractor reasonable advance written notice of on-site monitoring reviews of Contractor's program or fiscal performance.

Contractor shall cooperate with CSD program and audit staff and other representatives, and provide access to all programs, records, documents, resources, personnel, inventory, and other things reasonably related to the administration and implementation of the services and activities funded directly or indirectly by this Agreement.

- E. In the event CSD determines that Contractor is not in compliance with material or other legal requirements of this Agreement, CSD shall provide Contractor with the observations, recommendations, and/or findings in writing, along with a specific action plan for correcting the noncompliance.

7. SPECIAL CONDITIONS FOR ENTITIES NOT MEETING TERMS OF THE AGREEMENT

- A. In addition to CSD's authority to terminate, suspend, or deny funding or refunding under federal and State laws and regulations, CSD has authority to establish fiscal control and accounting procedures to fulfill its oversight responsibilities and ensure that CSBG funds are appropriately expended. Thus, notwithstanding the express exception in 45 CFR Part 92 as applied to the CSBG Program, CSD hereby incorporates by reference 45 CFR Part 92.12 and may impose special conditions on Contractor, according to that Section, as a result of unsatisfactory performance of and/or noncompliance with the requirements, standards, and guidelines of this Agreement.

- B. Contractor shall ensure that requirements set forth in this Agreement are met, that all required documentation is submitted in a timely manner, and that any corrective action plans are fulfilled. Failure by Contractor to meet prescribed timelines or take corrective action shall be deemed a material breach of this Agreement, and CSD shall take appropriate action, including, but not limited to, withholding advance payments and initiation of the suspension and termination procedures prescribed by State and federal CSBG laws and/or regulations.

8. BOARD ROSTER, BYLAWS, RESOLUTION AND MINUTES

- A. Concurrent with Contractor's submission of this Agreement, Contractor shall submit to CSD the following:

- 1) A current roster of the Executive Committee of the tripartite board, including contact information for each Committee member at a location other than the office of the eligible entity, and the most recent version of the organizational bylaws. Contractor is responsible to notify CSD of any

**EXHIBIT D**  
**(Standard Agreement)**

changes to the Executive Committee within thirty (30) days of such occurrence.

- 2) A current tripartite board roster, including the name and sector (i.e., low-income, public, private) of each board member.
- B. Contractor's current governing board must authorize the execution of this Agreement. Contractor has the option of demonstrating such authority by either: 1) direct signature of a board member; or 2) any lawful delegation of such authority that is consistent with Contractor's bylaws.
  - C. Where Contractor elects to delegate the signing authority to the chief executive officer (CEO), CSD will accept either a resolution specific to this Agreement or a resolution approved by the current governing board that is more generally applicable to any CSD program contract or amendment. Where Contractor provides a general resolution, Contractor shall maintain documentation that the CEO provided timely and effective communication of the execution and terms of this Agreement to the board. Either a specific or current general resolution must be on file with CSD prior to CSD's final execution of this Agreement.
  - D. Contractor shall submit to CSD the tripartite board minutes from regularly scheduled meetings no later than thirty (30) days after the minutes are approved. Regularly scheduled meetings shall be in accordance with the tripartite board's bylaws.
  - E. If Contractor's tripartite board is advisory to the elected members governing a local government, the Contractor shall submit to CSD the minutes from any meeting of the elected officials where matters relating to this Agreement are heard, including, but not limited to, discussions about or decisions affecting the community action program. Such minutes shall be submitted to CSD no later than thirty (30) days after the minutes are approved.

**EXHIBIT D**  
**(Standard Agreement)**

9. AUDITING STANDARDS AND REPORTS

A. Auditing Standards

Contractor must follow all audit requirements as set forth in OMB Circular A-133 and the 2009 CSD Supplemental Audit Guide. The 2009 Supplemental Audit Guide is attached herein as Exhibit D, Attachment I. The 2009 Supplemental Audit Guide may be accessed at [www.csd.ca.gov](http://www.csd.ca.gov).

B. Audit Reports

- 1)
  - a. Funds provided under this Agreement shall be included in an audit conducted in accordance with the provisions of OMB Circular A-133 for nonprofit and public agencies, standards promulgated by the American Institute of Certified Public Accountants (AICPA), and those standards included in "Government Auditing Standards, 2007 Revision, as amended."
  - b. Contractors falling below the federal funding threshold that mandates a single agency-wide audit in accordance with OMB Circular A-133 shall:
    - i. Submit an annual program-specific audit within nine months of the end of the Contractor's fiscal year; and
    - ii. Be subject to an audit and/or other fiscal- or program-specific review conducted by CSD or its agents, upon thirty (30) days written notice.
- 2) The financial and compliance audit report shall contain the following supplementary financial information: a combined statement of revenue and expenditures for each contract that presents, by budget line item, revenue and expenditures for the audit period and a description of the methodology used to allocate and claim indirect costs and any administrative cost pools.
- 3) The audit report must specifically mention that a review for compliance with OMB Circulars A-87 and A-122 was conducted.
- 4) Contractor shall submit to CSD one (1) printed copy and one (1) electronic copy of the required audit report(s) and any management letter(s) issued by the accountant, within nine (9) months of the end of the Contract year, accompanied by a copy of the signed, final engagement letter between Contractor and the independent auditor.

**EXHIBIT D**  
**(Standard Agreement)**

If the Contractor's independent auditor is unable to meet this deadline, the Contractor shall submit to CSD Audit Services Unit a written request for an extension, which includes a copy of a letter from the independent auditor explaining the anticipated delay. CSD may grant an extension not to exceed thirty (30) calendar days from the original due date. The audit report(s) and all supplemental financial information are to be submitted to the following addresses:

Electronic copy:

In accordance with the guidelines of the Division of Audits of the California State Controller's Office (SCO), if Contractor is a local government agency, additional copies of the audit report must be submitted to the following address:

State Controller's Office  
Division of Audits  
300 Capitol Mall, Fifth Floor  
Sacramento, CA 95814

- 5) In the event an audit required under this Agreement has not been submitted in a timely fashion, CSD may impose sanctions as provided in OMB Circular No. A-133 at § \_\_\_.225, to include:
- a) Withholding a percentage of federal awards until the audit is completed satisfactorily;
  - b) Withholding or disallowing overhead costs;
  - c) Suspending federal awards until the audit is conducted; and/or
  - d) Terminating the federal award.

**EXHIBIT D**  
**(Standard Agreement)**

10. SUBCONTRACTS

Contractor may enter into subcontract(s) to perform applicable provisions of this Agreement. The Contractor is responsible for ensuring that all activities delegated to subcontractors are in support of this Agreement. As defined in federal CSBG law, subcontractors are not considered eligible entities and thus not subject to tripartite board or other specific requirements unique to eligible entities.

- A. Contractor shall submit written notification to CSD within sixty (60) calendar days of execution of each subcontractor agreement with the name of the subcontractor entity, its address, telephone number, contact person, contract amount, and program/administrative description of each subcontractor activity to be performed under this Agreement.
- B. Contractor remains responsible to substantiate the allowable and allocable use of all funds under this Agreement. Contractor shall ensure that any subcontracts under this Agreement contain all provisions necessary to ensure adequate substantiation and controls of the expenditure of such funds. Contractor shall be responsible for conducting periodic monitoring of subcontractor's program activities and fiscal accountability. Contractor shall also ensure that any subcontracts under this Agreement contain the right of reasonable access to the subcontractors' books and records by CSD staff and representatives and by Contractor's independent auditors for purposes of ensuring the allowability of expenditures of the funds under this Agreement.
- C. In the event CSD suspends, terminates, and/or makes changes to the services to be performed under this Agreement, Contractor shall notify all of its subcontractors in writing within five (5) days of receipt of notice of such action.
- D. Contractor is the responsible party and shall remain liable for the performance of the terms, conditions, assurances, and certifications of this Agreement, without recourse to the State, regarding the settlement and satisfaction of all contractual and administrative issues arising out of subcontract agreement(s) entered into in support of this Agreement, including disputes, claims, or other matters of a contractual nature as well as civil liability arising out of negligence or intentional misconduct of the subcontractor(s).
- E. Nothing contained in this Agreement shall create any contractual relation between CSD and any subcontractors, and no subcontract shall relieve the Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to CSD for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is independent from CSD's obligation to make

**EXHIBIT D**  
**(Standard Agreement)**

payments to the Contractor. As a result, CSD shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

11. INSURANCE AND FIDELITY BOND

A. General Requirements

- 2) Contractor shall provide CSD with written notice at least thirty (30) calendar days prior to cancellation or reduction of insurance coverage to an amount less than that required in this Agreement.
- 3) In the event said insurance coverage expires at any time or times during the term of this Agreement, Contractor agrees to provide within thirty (30) calendar days prior to said expiration date a new Certificate of Insurance (ACORD 25) evidencing insurance coverage as provided for herein for not less than the remainder of the term of this Agreement. The Certificate shall identify and name CSD as the Certificate Holder.
- 4) New Certificates of Insurance will be reviewed for content and form by CSD.
- 5) In the event Contractor fails to maintain in effect at all times the specified insurance and bond coverages as herein provided, CSD may, in addition to any other available remedies, suspend this Agreement.
- 6) With the exception of workers' compensation and fidelity bond, CSD shall be named as additional insured on all Certificates of Insurance required under this Agreement.
- 7) The issuance of other CSD contracts, to include any cash advances and reimbursement payments, to the Contractor shall be contingent, in part, upon proof of current insurance coverage, as required by this Agreement, being on file at CSD.

B. Self-Insurance

- 1) When Contractor is a self-insured governmental entity, CSD, upon satisfactory proof, may waive the appropriate insurance requirements. To

**EXHIBIT D**  
**(Standard Agreement)**

qualify for a waiver, an appropriate county or city risk manager shall sign a certification that shall contains assurance of the adequacy of the governmental entity's ability to cover any potential losses under this Agreement.

- 2) Contractor shall specify in writing a list of which coverage(s) will be self-insured under this Agreement and shall list all applicable policy numbers, expiration dates, and coverage amount.
- 3) In the event that the Contractor's self-insurance coverage has not changed since the prior year, CSD will accept a certified letter signed by authorized personnel stating that no changes have occurred since last year. This letter must be submitted concurrent with the Agreement.
- 4) Should Contractor utilize a subcontractor(s) to provide services under this Agreement, Contractor shall indemnify and hold the State harmless against any liability incurred by that subcontractor(s).

C. Workers' Compensation Insurance

- 1) Contractor shall have and maintain for the term of this Agreement workers' compensation insurance issued by an insurance carrier licensed to underwrite workers' compensation insurance in the State of California.
- 2) Contractor shall submit either an applicable Certificate of Insurance or a Certificate of Consent to Self Insure issued by the Director of the Department of Industrial Relations to the State as evidence of compliance with the workers' compensation insurance requirement concurrent with submission of the Agreement. No initial cash advance(s) will be issued to the Contractor until this requirement is met.

D. Fidelity Bond

- 1) 1) Contractor shall maintain a fidelity bond in the minimum amount of four percent (4%) of the total amount of consideration set forth under this Agreement on STD 213, item 3.
- 2) Contractor shall submit an applicable Certificate of Insurance to CSD as evidence of compliance with the fidelity bond requirement concurrent with submission of the Contract. No initial cash advance(s) will be issued to the Contractor until this requirement is met.

**EXHIBIT D**  
**(Standard Agreement)**

E. General Liability Insurance

**SUPPLEMENTAL AUDIT GUIDE****Introduction**

The purpose of this 2009 Supplemental Audit Guide is to provide further instructions for the independent auditor and/or CPA firms that perform audits of agencies that contract with the California Department of Community Services and Development (CSD) to deliver programs. As specified in each program contract, all independent auditors and CPA firms must follow this Supplemental Audit Guide if the Contractor being audited is funded totally or in part by CSD contracts. This guide is not intended to be an auditing procedure manual but rather to further instruct the independent auditor and CPA firm in testing certain costs identified by CSD as needing more detailed disclosure.

The primary focus of this guide is auditing and reporting on specific items of costs funded by CSD contracts. The procedures outlined in this guide either clarify and complement or, exceed the requirements of Office of Management and Budget (OMB) Circular A-133.

**Auditor's Judgment**

Auditors performing the work according to this Supplemental Audit Guide must continue to exercise professional judgment. The auditor shall follow the procedures included in this audit guide unless, in the exercise of his or her professional judgment, the auditor determines that other procedures are more appropriate in particular circumstances. The auditor, however, must justify in writing any change from the audit procedures suggested by this Supplemental Audit Guide. The audit report must contain assurances that a review for compliance with OMB Circulars A-87 and A-122 was conducted.

## Supplemental Audit Guide

### **Selected Items of Cost**

#### **Inventory System (All Contracts)**

1. The independent auditor or CPA firm must gather evidence to validate the inventory listed as an asset on the balance sheet.
2. The closeout report on CSD contracts requires an inventory listing on all items purchased with CSD contract funds.
3. Inventories listed on the balance sheet and on the CSD closeout reports must be verified that they physically exist, are owned (not leased), and are in operable condition.
4. Inventory listings must be accurately compiled in the inventory accounts. Inventories are to be properly stated at cost (except when the market rate is lower).

#### **Subcontracts (All Contracts)**

1. Subcontracts must be arms-length agreements and free of actual or apparent conflicts of interest. Validate and report to CSD. CSD-funded agencies should be aware that contracting with wholly owned subsidiaries might not be considered arms-length agreements. This is especially true where both boards have similar members.
2. Contractors are required to substantiate that all costs expended under subcontracts are allowable and allocable to the particular program pursuant to the same standards as the costs expended directly by the Contractor under the specific CSD contract. Document the Contractor's system of ensuring this level of accountability, and report to CSD.

#### **Weatherization Crew Hours (LIHEAP and DOE Contracts)**

Document the methodology the Contractor uses to capture the actual hours each weatherization worker spends on each house, specific work performed and address. If this data is maintained in an automated system, obtain and review system documentation.

1. Verify that the monthly report summaries used to report weatherization crew hours provide accurate information by selecting and testing a representative sample.
2. Trace the monthly closeout report totals for weatherization labor hours to the Contractor's monthly report summaries and reconcile this to the supporting source documents.

## Supplemental Audit Guide

### **Prohibition on Lobbying**

The independent auditor shall verify that no CSD contract funds were used to influence or attempt to influence an officer or employee of a state or federal government agency, or a member of Congress or the State Legislature, in connection with the awarding of any contract, grant, loan, or cooperative agreement.

### **System of Internal Control**

Audits must include an examination of the systems of internal control. Internal control systems must be established to ensure compliance with laws and regulations affecting the expenditure of State and/or Federal funds, financial transactions and accounts, and the agency's process for submission of Contractor billings submitted to CSD for the performance of the contract.

The Contractor's accounting system must provide for accumulating and recording of expenditures by cost category (budget line items) shown in the approved budget. The independent auditor or CPA firm must give an opinion on the internal controls of the Contractor being reviewed.

### **Administrative Cost Cap**

CSD contracts have an administrative cost cap. Administrative costs charged to each CSD contract must not exceed this cost. In addition, other Federal funds must not be used to exceed the total administrative cost cap charged to the CSD contract, unless specifically allowed by Federal statute.

### **Use of Indirect Cost Rates or Other Indirect Cost Methodology**

1. A Federally Approved Indirect Cost Allocation Rate may be used for selected items of costs up to the maximum allowed by the CSD contract's administrative cost rate. Costs claimed for a specific line item in the budget cannot be reported as direct costs and also as indirect costs.
2. Validate the indirect cost rate or methodology and the application of the rate used by the Contractor.
3. Ensure compliance with OMB Circulars A-87 and A-122.

### **Basis for Allocation of Costs**

1. The independent auditor or CPA firm must identify the Contractor's basis for allocating costs to CSD contracts. Costs charged to CSD contracts must be allocable, allowable, and based on actual expenses incurred by the Contractor for the CSD contract. Costs charged to the CSD contract must also have an approved contract budget line item.
2. Ensure Compliance with OMB Circulars A-87 and A-122.

### **Going Concern and Subsequent Events**

The independent auditor or CPA firm must provide a "positive assurance" statement that any (significant) subsequent events, related directly or indirectly, that occurred after the final closeout report and single agency-wide audit are submitted to CSD do not materially affect the closeout report, as submitted by the Contractor. Additionally, the independent auditor or CPA firm must provide "positive assurance" whether or not the Contractor will continue as a going concern. Some examples are litigation settlement, bankruptcy, mergers, large loans, cash flow problems, etc.

### **Representation Letter**

A Representation Letter between the independent auditor or CPA firm and the Contractor must be forwarded to CSD. The Representation Letter must be signed by the Contractor's controller (or equivalent) and either the Chair of the Audit Committee if it exists or the Executive Director.

### **Engagement Letter**

In the event a Contractor is more than one month late in submitting the required independent audit report, the Contractor shall submit one copy of the finalized, signed Engagement letter between the Contractor and the Contractor's independent auditor or CPA firm.

### **Supplemental Statements**

Beginning with the 1994 program year, CSD contract provisions have required the financial and compliance audit to include supplemental statements. These supplemental statements must be included as part of the package submitted to CSD with the single agency-wide audit for each fiscal year. CSD uses the above information to reconcile the audited costs to the costs reported by the Contractor.

The supplemental statements should be based on the budget line items contained in the contract. The supplemental statement must include the contract budget line items, expenditures for each budget line item by fiscal year, total audited costs and total reported expenses by budget line item.

### **Auditing Standards and Reports**

The financial and compliance audit report shall contain the following supplemental financial information: a combined statement of revenue and expenditures for each contract that presents, by budget line item, revenue and expenditures for the audit period and a description of the methodology used to allocate and claim indirect costs and any administrative cost pools.

## Supplemental Audit Guide

### **Testing of Transactions**

A sufficient number of items should be selected for review that represent all material costs categories. The audit should determine whether:

- a. Contractor's internal control over the contract is effective and working as intended;
- b. Reported program expenditures are allowable and allocable;
- c. Reported expenditures conform to funding or program limitations or exclusions;
- d. Reported expenditures are not charged to, or reimbursed by, other programs or funding sources;
- e. Transactions are properly approved, reported, and supported by source documents;
- f. Reported expenditures were incurred within the appropriate contract term; and
- g. Contractor complied with applicable laws, regulations, and contract requirements.

### **American Recovery and Reinvestment Act of 2009 (ARRA) Funds**

#### **ARRA IDENTIFICATION**

Contractors covered under the Single Audit Act and OMB circular A-133 must specifically identify ARRA funds on the SEFA by CFDA number, contract number, and by attaching the prefix "ARRA-" to the Federal program name. This information may be used by CSD to monitor the Contractor's expenditures of ARRA funds. In addition, the Contractor should maintain documentation to identify sub-award and project funded through the ARRA.

#### **SEPARATE ACCOUNTING**

Contractors must segregate the obligations and expenditures related to funding under the Recovery Act. Financial and accounting systems should be revised as necessary to segregate, track and maintain these funds apart and separate from other revenue streams. No part of the funds from the Recovery Act shall be commingled with any other funds or used for a purpose other than that of making payments for costs allowable for Recovery Act projects. Recovery Act funds can be used in conjunction with other funding sources as necessary to complete projects, but tracking and reporting must be separate to meet the reporting requirements of the Recovery Act and OMB Guidance.

#### **PREVAILING WAGE**

## Supplemental Audit Guide

Determine if there is a designated payroll person to certify, on a weekly basis, that the Contractor is paying residential prevailing wage in accordance with the wage determinations as set forth in the ARRA contract.

**(Standard Agreement)**

In cases of a bona fide emergency where awarding a subcontract is necessary for the immediate preservation of public health, welfare, or safety, documentation of the emergency will be sufficient in lieu of the three-bid process.
- 5) To ensure that significant procurement transactions are conducted in an open and freely competitive manner, Contractor shall comply with the following requirement:
  - a. Contractor shall prepare and submit a Request for Purchase/Lease Pre-Approval (CSD 558) to CSD at least fifteen (15) calendar days prior to executing the subcontract for each of the following procurement transactions:

  - 7) Contractor assures that it shall exercise due care in the use, maintenance, protection, and preservation of state-owned property in Contractor's possession or any other property or equipment procured by Contractor with State funds. Such care shall include, but is not limited to, the following:
