**BACKGROUND:**

The Riverside County Sheriff's Department Special Event's will be holding their Annual Awards Ceremony. King High School will hold their annual King High Remembers event that provides a veteran's oral history by veterans of every military action since World War II. The Moreno Valley College is working to close the technology gap by providing computer access to students at home and these funds will assist with that goal. The UCR Foundation is providing financial, academic and social support to veterans disabled since 9/11/2001. These funds are used to improve the quality of life throughout the 5<sup>th</sup> district and I urge the Board to approve these uses of the Community Improvement Designation funds.
