General Plan Amendment No. 1107
(Entitlement/Policy Amendment)
Applicant: Kenneth and Christina Falik

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The applicant is proposing an Entitlement/Policy General Plan Amendment to remove the subject 20.01 acre site from the Valle de los Caballos Policy Area within the Southwest Area Plan and to add the subject site to the Citrus Vineyard Policy Area within the Southwest Area Plan. The project is located easterly of De Portola Road, northerly of Oak Mountain Road and southerly of Galway Downs Drive.

POTENTIAL ISSUES OF CONCERN:

Staff has no potential issues of concern with the proposal and the amendment is supported by the following:

The Citrus Vineyard Policy Area has been established as a distinct area in southwest Riverside County to ensure the continuation of the rural lifestyle and wine production in the area. The many wineries here provide a significant tourist attraction to the region. The subject site is located within an area that is dominated by the Citrus Vineyard Policy Area to the north, west and south. The Valle de los Caballos Policy Area can be found to the east, west and south of the subject site. The proposal does not conflict with the Riverside County vision and would be a reasonable extension of the Citrus Vineyard Policy Area due to the site's proximity to the current policy area boundary and similar uses in the area.

Several wineries are also located along De Portola Road. On the west side of De Portola, the wineries are allowed to have special events in keeping with the Citrus Vineyard Policy Area. This proposal would be a continuation of these land use patterns and would be in keeping with the overall vision for the area. Also, the applicant's proposal is consistent with the draft Wine Country plan for the Hospitality area.

The addition of the site into the Citrus Vineyard policy area would further maintain the rural and agricultural character that has been established in the area while allowing the site to be developed in a way that is envisioned for the area. Staff feels that it is logical to extend the Citrus Vineyard Policy Area to the said parcel; however, this will be left up to the Planning Commission and the Board of Supervisors.

RECOMMENDATION:

The Planning Director's recommendation is to adopt an order initiating proceedings for General Plan Amendment No. 1107 removing the site from the Valle de los Caballos Policy Area and to add the site to the Citrus Vineyard Policy Area within the Southwest Area Plan. The initiation of proceedings by the Board of Supervisors for the amendment of the General Plan, or any element thereof, shall not imply any such amendment will be approved.

APPLICATION FOR AMENDMENT TO THE RIVERSIDE COUNTY GENERAL PLAN

JUSTIFICATION FOR AMENDMENT (Please be specific. Attach more pages if needed.)

The General Plan Wine Country 2020 will include our site. We are adjacent now to CU zone and have been working with the County since 2006 to be approved as a winery, tasting room w/ special events. Initially we were told to change zone to A-1-10 for winery which would allow us to have a tasting room, winery and events. All zone changes submitted to the County referenced this intent. We were advised recently that only CU zone will allow these activities and we must amend General Plan to include us in the CU zone.
